FEDERAL INTERNATIONAL (2000) LTD
Incorporated in the Republic of Singapore
Company Registration No. 199907113K

ANNOUNCEMENT PURSUANT TO RULE 706A OF THE LISTING MANUAL

Pursuant to Rule 706A of the Listing Manual of Singapore Exchange Securities Trading Limited, the Board of Directors of Federal International (2000) Ltd (the "**Company**" and together with its subsidiaries, the "**Group**") wishes to announce the completion of disposal of the following dormant subsidiary that occurred during the half year ended 30 June 2025:

Disposal of Shareholding in PT Mega Federal Energy ("**PT Mega**")

On 2 June 2025, the Company's wholly-owned subsidiary, Federal Hardware Engineering Co. Pte Ltd ("**FHEC**"), had entered into a share sale and purchase agreement with Mr. Soebali Sudjie ("**SS**"), pursuant to which FHEC to sell its entire 60% equity interest in PT Mega, comprising 2,100 ordinary shares, for a cash consideration of USD 1.00. The cash consideration was determined on a willing-buyer willing-seller basis after taking into consideration that PT Mega has remained dormant and the net asset value attributable to the 2,100 shares disposed was nil. Following the completion of disposal on 2 June 2005, FHEC was no longer a shareholder of PT Mega.

The disposal of PT Mega is not expected to have material impact on the earnings per share or net tangible assets per share of the Company and the Group for the financial year ending 31 December 2025.

Save for their respective shareholdings in the Company, none of the Directors or controlling shareholders of the Company have any interest directly or indirectly in the above transaction.

By order of the Board
Mr Koh Kian Kiong
Executive Chairman and Chief Executive Officer
Date: 13 August 2025

Established in 1974 and listed on the mainboard of the Singapore Stock Exchange in 2000, Federal International (2000) Limited ("**Federal**" and together with its subsidiaries, the "**Group**"), is an integrated service provider and procurement specialist in the oil and gas, and energy industries. The Group's main trading business contributes more than 90% of total turnover. The Group's strategy for sustainable growth of the trading business is through forming strategic partnerships. One such partnership is with PT Gunanusa Utama Fabricators ("**PTG**"). PTG is an established EPCIC contractor and its customers include oil majors such as TOTAL, Petronas, ONGC, Pertamina, Saka Sidayu and PTTEP. The Group provides procurement services to PTG for the projects secured by PTG.

The Group also specializes in turnkey fire detection, control and suppression projects which includes the design, engineering, supply, installation and testing & commissioning, servicing and maintenance. Over the years, strategic partnerships with leading global fire detection and suppression manufacturers attest to the Group's professionalism and integrity as a reliable fire suppression solution provider.

In addition, the Group has a design and manufacturing facility located in Scotland, the United Kingdom. The facility is American Petroleum Institute (API) Q1, Spec 6D, ISO 9001:2015 and Pressure Equipment Directive 97/23/EC (PED) certified. Products manufactured also meet the Safety Integrity Level (SIL) Qualification independently certified by Exida. The Group also owns a floating, storage and offloading ("**FSO**") vessel through its 30% interest in an associate. The FSO is chartered to PT Pertamina Hulu Energi OSES.

Over the years, Federal is proud to have been awarded ISO certification, an internationally recognised standard that ensures we meet the needs of our clients through an Integrated Management System.
