CIMIC'S CPB CONTRACTORS CONFIRMED FOR VICTORIA'S SUBURBAN RAIL LOOP EAST

Please find attached a copy of a media release issued by CIMIC Group Limited, parent company of CIMIC Finance Limited and CIMIC Finance (USA) Pty Limited.

Yours faithfully
CIMIC GROUP LIMITED

Company Secretary

12 DECEMBER 2023 CIMIC'S CPB CONTRACTORS CONFIRMED FOR VICTORIA'S SUBURBAN RAIL LOOP EAST

CIMIC Group's CPB Contractors has been selected by the Victorian Government to deliver the first major tunnelling package on the Suburban Rail Loop (SRL) East project, as part of the Suburban Connect consortium, alongside ACCIONA and Ghella.

The package valued by the Victorian Government at \$3.6 billion of which CPB Contractors has a 40% share, includes construction of a 16-kilometre section of the project's 26km twin tunnels, including tunnelling between Cheltenham and Glen Waverley, two new underground station boxes and construction works at the Southern Stabling Yard, the critical first step in the city's public transport network transformation.

CIMIC Group Executive Chairman Juan Santamaria said: "CPB Contractors is an industry leader in the delivery of complex construction and brings decades of experience to this first major package of SRL East, providing critical transport connections for the city. We are pleased to be selected by the Victorian Government to construct this valuable piece of infrastructure, improving the lives of people across east and south east Melbourne."

CPB Contractors Managing Director Jason Spears said: "Working collaboratively with the Victorian Government and Suburban Rail Loop Authority, CPB Contractors is committed to supporting residents, local communities and businesses, by providing Victorians with every opportunity to benefit from the social, employment, skills and sustainability outcomes this project will create."

SRL will reduce travel times and congestion, connecting Victorians to key employment, health and education destinations in Melbourne's east and south east.

Major tunnelling works are expected to commence in 2026.
