Vorwerk Selects Wipro to Manage and Transform their IT Ecosystem

Wipro will leverage its AI-powered infrastructure operations solution to transform Vorwerk's operations and drive faster time to market

WUPPERTAL, Germany | BENGALURU, India - April 28, 2025: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading technology services and consulting company, today announced its selection by Vorwerk, the number one direct sales company in Europe and the world-leading direct seller of high-quality household appliances, to manage and transform the company's IT landscape.

In the five-year engagement, Wipro will future-proof Vorwerk's IT infrastructure, by harnessing its AI-powered infrastructure operations solution focused on enabling enterprise transformations of this scale. The program will include the consolidation of all business applications, infrastructure, and cyber security tracks onto a unified monitoring platform to provide better visibility into Vorwerk's technology ecosystem, leading to a significant increase in operational efficiency and robust cyber-risk management.

Wipro will also engage with Vorwerk's technology partners to enrich their customer engagement approach, standardize their product portfolio, and develop a technology roadmap with intelligent products for faster time to market. Additionally, the Wipro team will build an end-to-end support portal that will rapidly and seamlessly enhance end-user experience.

Jörg Kohlenz, Managing Director and Group CIO, Vorwerk Services GmbH, said, "In an increasingly digitalized world, flexible and future-proof IT solutions are crucial. In Wipro, we have found a partner that not only shares our high-quality standards but also supports our vision for sustainable progress and technological excellence. The partnership is based on transparent collaboration, joint development of innovative solutions and sustainable value creation. By pooling their expertise and engaging in open dialogue on an equal footing, both companies will develop forward-looking IT strategies to actively shape the digital transformation."

Ann-Kathrin Sauthoff-Bloch, Regional Head and Managing Director Germany and Austria, Wipro Limited, said, "We're proud to be Vorwerk's partner of choice. This long-term program leverages our AI-powered solutions coupled with our deep consulting-led sectorial knowledge to realize Vorwerk's business transformation ambitions. This engagement also emphasizes our place as a strategic transformation partner of choice in the region, and I look forward to the journey ahead."

About Wipro Limited

Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO) is a leading technology services and consulting company focused on building innovative solutions that address clients' most complex digital transformation needs. Leveraging our holistic portfolio of capabilities in consulting, design, engineering, and operations, we help clients realize their boldest ambitions and build future-ready, sustainable businesses. With over 230,000 employees and business partners across 65 countries, we deliver on the promise of helping our customers, colleagues, and communities thrive in an ever-changing world. For additional information, visit us at www.wipro.com.

About Vorwerk

Vorwerk is the number one direct sales company in Europe and the world-leading direct seller of high quality household appliances. Founded in Wuppertal, Germany, in 1883, today Vorwerk is an international family enterprise. Its core business is the production and sale of superior household products (Thermomix® kitchen appliance, Kobold cleaning systems). Vorwerk always seeks direct contact with its customers and achieves this primarily through its advisors, who are at the center of the company's sales activities and serve as a central point of contact for the customer. The Vorwerk family also includes the akf group. Vorwerk generates consolidated sales of EUR 3.2 billion (2023) and operates in more than 61 countries.

Forward-Looking Statements

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry.

Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
