UPDATE REGARDING 8 TUAS SOUTH LANE ESR-REIT SECURES NEW LEASE

Further to our announcement titled "Update regarding 8 Tuas South Lane" dated 13 November 2019, ESR Funds Management (S) Limited, as manager of ESR-REIT (the "**Manager**"), wishes to update that it has secured a new lease for approximately 48,000 square feet of space at 8 Tuas South Lane (the "**Property**"). The new lease is entered into with a tenant who is a manufacturer of copper wire.

8 Tuas South Lane is a multi-tenanted general industrial property located in the west of Singapore. It is strategically positioned at the gateway to Tuas Megaport, the world's largest container terminal. The Property is located in the heart of Singapore's largest manufacturing hub. The new tenant is expected to further strengthen the Property's tenant mix as part of the Manager's repositioning exercise to extract synergies upon the scheduled completion of the first phase of the Megaport in 2021.

With the new lease, the Property now has four tenants including Hyflux Membrane Manufacturing (S) Pte. Ltd. which will now account for 2.7% of ESR-REIT's monthly rental income¹, down from 3.0% as at 31 December 2019. This is part of the Manager's proactive asset management to diversify tenant concentration risk and improve tenant mix and quality within the portfolio. To-date, the Property continues to receive strong leasing interest and enquiries due to its close proximity to the upcoming Tuas Megaport.

The Manager will make further announcements on the SGXNET as necessary when there are any material developments on this matter.
