BANK FACILITIES OBTAINED BY KEPPEL INFRASTRUCTURE TRUST

The Board of Directors of Keppel Infrastructure Fund Management Pte. Ltd., in its capacity as trustee-manager of Keppel Infrastructure Trust (the **"Trustee-Manager"**, and in such capacity, the **"Borrower"**), wishes to announce that it has obtained the Bank Facilities (as defined below) pursuant to a facility agreement accepted on 20 June 2025 (the **"Facility Agreement"**).

There are conditions of the Bank Facilities in the Facility Agreement which make reference to a change in the Trustee-Manager or the effective shareholding therein (**"Change of Control Event"**). A description of the relevant conditions are set out below:

Bank Facilities	Relevant Conditions
Standby Letter of Credit and Bank Guarantee Facility in an aggregate principal amount of S\$25,000,000 (the "Bank Facilities")	<p>Under the terms and conditions of the Facility Agreement, the Borrower will be required to pay all outstanding loans under the Bank Facilities immediately in the event that:</p> <p>(a) (i) the Trustee-Manager resigns, retires, ceases to be or is removed or is unable to continue to act as trustee-manager of KIT; or (ii) the ability of the Trustee-Manager to perform its payment or other material obligations under this Agreement is prevented or restricted as a result of matters relating to the Trustee-Manager (including but not limited to winding-up or insolvency proceedings involving the Trustee-Manager); and</p> <p>(b) the replacement or substitute Trustee-Manager is not appointed in accordance with the terms of the KIT Trust Deed and/or in accordance with the applicable law.</p>

Assuming (i) the occurrence of the Change of Control Event, and (ii) that such occurrence would cause a cross default under other borrowings of KIT and its subsidiaries, the aggregate level of facilities that may be affected is, as at the date of this announcement, approximately S\$1,248.5 million (excluding interest and fees).

As at the date of this announcement, the Change of Control Event has not occurred.
