AMA GROUP

ASX Announcement

4 February 2025

Strategic Service Agreement with Gemilang International Limited (GML)

AMA Group Limited is pleased to announce that it has entered into a strategic service agreement with Gemilang International Limited (GML) to assemble and repair buses on their behalf in Australia.

Please see the attached joint statement for further details.

GML is a Hong Kong listed bus manufacturer based in Malaysia. It has selected AMA as its exclusive partner to complete any required local content assembly of electric buses that GML proposes to import into Australia. AMA will also be the preferred repair partner in respect of those buses.

This represents an exciting opportunity to partner with GML. At this stage value of the opportunity is dependant on the number of tenders that GML secure. Should substantial orders be placed by Australian purchasers the market will be updated as to the expected scale of the opportunity.

This announcement has been authorised by the Board of AMA Group Limited.

ENDS.

Joint Statement for Customers and Suppliers

Date: 3rd Feb 2025

Re: Partnership Between AMA Group and Gemilang International Limited (GEMILANG)

To Our Valued Customers and Suppliers,

We are excited to share a significant development in our journey toward fostering sustainable transportation solutions. AMA Group and Gemilang International Limited (GEMILANG) have entered into a strategic partnership to locally assemble next-generation fully electric buses in Australia.

This collaboration is a testament to our shared commitment to innovation, quality, and sustainability. By combining GEMILANG's industry-leading aluminium bus body-building technology with AMA Group's operational expertise and extensive network, we aim to set new benchmarks in green mobility.

What This Means for Our Partners

For Customers:

This partnership enhances our ability to deliver world-class electric buses tailored to the Australian market. With AMA Group's extensive network and expertise, we will also provide **strong, reliable customer support and comprehensive after-sales services** to ensure your long-term satisfaction and success. This includes maintenance, parts availability, and technical assistance, giving you peace of mind throughout the product lifecycle.

For Suppliers:

This partnership opens avenues for collaboration in a rapidly growing sector, creating opportunities for you to support the local manufacturing and assembly of electric buses. We are committed to maintaining transparent and efficient supply chain practices, ensuring long-term mutual growth.

Looking Ahead

This partnership represents a shared vision of advancing green mobility and reducing carbon emissions in Australia. Our joint efforts are designed to ensure the delivery of innovative, durable, and cost-effective electric buses, backed by unparalleled customer care and support.

AMA GROUP

We deeply value your continued trust and collaboration as we embark on this exciting journey to shape the future of sustainable transport.

Should you have any questions or require further information about this partnership, please do not hesitate to reach out to your AMA Group or GEMILANG representatives.

Thank you for being an integral part of our success.

Sincerely,
