CLARIFICATION AND DELAY IN RELEASE OF THE UNAUDITED FY2026 FINANCIAL RESULTS

The Board of Directors ("**Board**") of Incredible Holdings Ltd. (the "**Company**" and together with its subsidiaries the "**Group**") refers to the Company's previous results announcements and wishes to (a) provide the following clarification in respect of the interest charges relating to the Group's borrowings, and (b) announce the delay in release of the unaudited financial results announcement (the "**Results Announcement**") for the financial year ended 30 June 2026 ("**FY2026**").

Following a review of the accounting treatment and disclosures relating to the interest charges, the Company wishes to clarify that the interest charges were not accurately reflected in the Company's previous results announcements for the relevant periods.

The Company had previously disclosed in its results announcements that the Group's interest charges in respect of certain loans obtained by Billion Credit Financial Company Limited had been suspended with effect from 1 July 2025, and the Company had also not fully recognised the interest expense and related accruals in the relevant reporting periods, since the quarter ended 31 March 2025. The Company has recently been made aware that the interest on these loans had not been suspended. Due to the absence of staff responsible for communicating with the creditors and monitoring loan terms, the loans were mistakenly treated as being subject to an interest-free period.

The Company is currently seeking advisers to rectify the financial information to properly take into account the applicable interest accruals for the FY2026 Results Announcement. Accordingly, the Company is not able to release its FY2026 Results Announcement in accordance with the timeline set out under Catalist Rule 705(1).

The Company wishes to emphasize that the necessary adjustments are being undertaken to ensure that the financial information and disclosures of the Group are properly and accurately presented in accordance with the applicable accounting requirements.

The interest charges and the corresponding accruals will be properly reflected in the Company's FY2026 Results Announcement, together with the appropriate comparative adjustments, where applicable, and will continue to be recognized in the Group's financial statements moving forward.

The Board remains committed to maintaining transparency and ensuring that the Company's financial reporting and disclosures are accurate and complete, and will release its FY2026 Results Announcement as soon as practicable.

By Order of The Board

Leung Kwok Kuen Jacob
Independent Non-Executive Chairman
29 August 2026
