DELIVERY OF CONTAINER VESSEL, SINAR SUMATERA

The Board of Directors of Samudera Shipping Line Ltd (the “**Company**” together with its subsidiaries, the “**Group**”), refers to the announcement made by the Company on 6 January 2023 relating to the acquisition of two new-build container vessels (each with a capacity of 1,900 TEUs) and wishes to update that the Company has signed addendums to the memorandums of agreement (the “**MOA**”) to novate its obligations and rights under the MOA to Samudera Ships Investment Pte Ltd (“**SSIPL**”), a wholly owned subsidiary of the Company.

SSIPL has taken delivery of the second vessel, Sinar Sumatera, in Japan on 19 December 2024.

Following the earlier delivery of the first vessel, Sinar Sulawesi, as announced on 8 August 2024, and the delivery of the second vessel, Sinar Sumatera, the Group has successfully completed the acquisition of the two new-build container vessels.
