July 14, 2026

NOTICE IS HEREBY GIVEN that, pursuant to Section 3.03 (*Notice of Redemption*) and Section 3.07(c) (*Optional Redemption*) of the indenture dated as of August 24, 2023 (the “**Indenture**”) among Continuum Energy Aura Pte. Ltd. (the “**Issuer**”), Continuum Green Energy Limited (now known as Continuum Green Energy Holdings Limited) (the “**Parent Guarantor**”) and DB Trustees (Hong Kong) Limited (the “**Trustee**” and “**Common Collateral Agent**”) in respect of the Issuer’s U.S.\$435,000,000 9.50% Senior Secured Notes due 2027 (the “**Notes**”), the Issuer has elected to redeem the outstanding principal amount of the Notes (the “**Redemption**”) on August 24, 2026 (the “**Redemption Date**”). The redemption price for the Notes will be 100.000% of the outstanding principal amount of the Notes (the “**Redemption Price**”), plus accrued and unpaid interest, if any, to (but not including) the Redemption Date.

The Redemption and this Notice are conditional on the successful issuance of new senior notes by CGE Treasury IFSC Private Limited, on terms and amounts that are satisfactory to the Parent Guarantor in its sole discretion (the “**Financing Condition**”). Accordingly, no Notes called for Redemption on the Redemption Date will be deemed due and payable on such date unless and until the Financing Condition shall have been satisfied or waived. In the Issuer’s discretion, the Redemption Date may be delayed until such time as the Financing Condition shall have been satisfied or waived, provided that, in no circumstances shall any such delayed Redemption Date be a date which is more than 60 days from the date hereof. The Redemption may not occur and this Notice shall be rescinded if the Financing Condition shall not have been satisfied or waived by the Redemption Date or by the Redemption Date so delayed or changed (as applicable). Any notice of the Redemption Date (in the event the Redemption Date is delayed or changed) shall not require the Issuer to commence a new minimum notice period of 10 days.

If the Redemption Date will be delayed to a later date, the Issuer will inform Holders by way of a further Notice to Holders (with a copy to the Trustee and the Paying Agent) at least two Business Days prior to the Redemption Date. If the Redemption Date will be changed to an earlier date, the Issuer will inform Holders by way of a further Notice to Holders (with a copy to the Trustee and the Paying Agent) at least two Business Days prior to such proposed earlier Redemption Date.

The record date on which any holder must hold any Notes to be entitled to the Redemption Price and accrued and unpaid interest is the relevant Record Date to receive interest due on the relevant Interest Payment Date. Holders of record as of August 9, 2026 with respect to the next interest payment date (August 24, 2026) will receive the Redemption Price.

Holders of the Notes must follow the applicable procedures of The Depository Trust Company in order to be eligible to receive the Redemption Price. Payment of the Redemption Price and accrued and unpaid interest on the Notes and cancellation of the Notes accepted for redemption will be made through the facilities of The Depository Trust Company.

Unless the Issuer defaults in making the redemption payment, upon payment in full of the Redemption Price to the Holders of the Notes on the Redemption Date, (i) interest, if any, on the Notes shall cease to accrue on and after the Redemption Date and (ii) the outstanding principal amount of the Notes will be nil.

The Paying Agent of the Notes is Deutsche Bank Trust Company Americas. The specified office of the Paying Agent is located at Trust and Securities Services, 1 Columbus Circle, 4th Floor, Mail Stop: NYC01-0417, New York, NY 10019.
