PROFIT GUIDANCE FOR THE GROUP'S UNAUDITED FINANCIAL RESULTS FOR THE SIX MONTHS ENDED 30 JUNE 2026

The Board of Directors (the "**Board**") of Union Gas Holdings Limited (the "**Company**" or, together with its subsidiaries, the "**Group**") wishes to announce that, based on the Group's unaudited financial information currently available, the Group expects to report a significant improvement in revenue and net profit for the six months ended 30 June 2026 as compared with the corresponding period ended 30 June 2025. The topline growth is mainly due to new revenue contributions from the Group's expanded "Cnergy" brand service station network including its Dunman Road and Queensway service stations, which commenced operations in October 2025 and February 2026 respectively.

The Company is in the process of finalising its unaudited financial results for 1H2026. The Board looks forward to providing shareholders with further details of the Group's financial performance and business outlook when the 1H2026 results are announced in due course.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company. When in doubt as to the action they should take, shareholders and potential investors are advised to consult their stockbrokers, bank managers, accountants, solicitors or other professional advisers.
