CUSTOMIZATION AND MAINTENANCE OF A CLINIC MANAGEMENT SYSTEM**

The board of directors (“**Board**”) of Alliance Healthcare Group Limited (the “**Company**” or “**Alliance Healthcare**”) and together with its subsidiaries, the “**Group**”) wishes to share that the Company, together with SG IMED Pte. Ltd. (“**SGiMed**”), had on 30 November 2023 participated in an open tender exercise conducted by the Health Promotion Board (the “**HPB**”) for the supply, customization and maintenance of a clinic management system (“**CMS**”) (the “**Tender**”).

The Board is pleased to announce that Alliance Healthcare has won the Tender. The Company will be partnering with SGiMed to provide the supply, customization and maintenance of a CMS for the Youth Preventive Service (“**YPS**”) Division of HPB.

The services are expected to be delivered over a period of 6 years, with an option to extend for another 5 years, subject to satisfactory performance review of the services provided by the Group. The Tender is not expected to have any material impact on the Group’s financial results for the current financial year ending 30 June 2024. None of the Company’s directors, controlling shareholders and/or their respective associates has any interest, direct or indirect, in the Tender.
