MESSAGE TO SHAREHOLDERS

DEAR SHAREHOLDERS,

On behalf of the Board of Directors, I am pleased to present the Annual Report of Vibrant Group Limited (the "Company", together with its subsidiaries, the "Group") for the financial year ended 30 April 2026 ("FY2026").

DELIVERING RESILIENT PERFORMANCE AMID UNCERTAINTY

FY2026 was another year characterised by continued global economic uncertainty and a challenging operating environment for the freight and logistics industry. Softer demand, lower freight rates, evolving global supply chains and heightened geopolitical developments continued to reshape international trade flows and place pressure on business volumes and margins across the sector.

Against this backdrop, the Group remained steadfast in executing its long-term strategy. We continued to focus on operational excellence, disciplined capital allocation and prudent financial management while maintaining the flexibility to respond to changing market conditions.

Although Group revenue declined by 7.5% to \$138.6 million, we delivered a significantly improved financial performance. Net profit after tax increased by 37.4% to \$15.1 million, while profit attributable to shareholders more than doubled to \$15.4 million. Earnings per share increased to 2.28 cents, and net asset value per share strengthened to 35.84 cents.

These results demonstrate the resilience of our business and Management's disciplined execution in a demanding operating environment. While the Group benefited from several strategic transactions completed during the year, the improved performance also reflected our continued efforts to improve operational efficiency, optimise our cost structure and strengthen our balance sheet. Collectively, these initiatives enhanced shareholder value despite weaker market conditions.

FINANCIAL PERFORMANCE

The Group's core Freight and Logistics business continued to operate in a competitive and challenging environment throughout FY2026. Lower sea freight rates, persistent industry overcapacity and softer demand from the chemical and petrochemical sectors weighed on business activity, resulting in lower freight forwarding margins and reduced revenue across parts of our logistics operations.

Consequently, Group revenue declined to \$138.6 million from \$149.9 million in FY2025, while gross profit margin moderated slightly from 31.6% to 30.8%.

Notwithstanding these headwinds, FY2026 was distinguished by the Group's disciplined approach to capital management and its ability to unlock value through strategic initiatives that complemented its core business.

Other income increased significantly to \$10.8 million, principally attributable to several key transactions undertaken during the year.

The first was the successful disposal of the Group's property at 47 Changi South Avenue 2, completed in December 2025. This transaction crystallised the underlying value of the asset and generated a one-off gain, making it the single largest contributor to the Freight and Logistics segment's net profit of \$12.2 million for the year.

The Group also completed an opportunistic acquisition of debt with a face value of approximately \$4.3 million for a purchase consideration of approximately \$3.3 million from China Railway Construction Engineering Group. The debt was owed by our 31%-owned Chinese associate, Vibrant Pucheng Logistics

MESSAGE TO SHAREHOLDERS

(Chongqing) Co., Ltd. Besides generating an immediate accounting gain, the transaction enhanced the Group's economic position in relation to the associate's receivables.

Finance income increased by 9.0%, supported by interest earned on loans extended to related parties as well as interest generated from the acquired debt. At the same time, finance costs declined by 22.6% following lower bank borrowings and reduced lease interest expense. These improvements reflected the Group's continued deleveraging efforts and successful refinancing into longer-tenure banking facilities.

During the year, we also recognised a reversal of impairment losses of \$2.6 million on our investments in associates. In addition, our share of profits from associates improved, principally driven by the continued strong performance of FM Global Logistics Holdings Bhd.

Taken together, these factors contributed to a substantial improvement in profitability. Net profit after tax increased to \$15.1 million, earnings per share rose to 2.28 cents from 1.13 cents in FY2025, while net asset value per share increased to 35.84 cents from 33.49 cents a year earlier.

MAINTAINING FINANCIAL STRENGTH

The Group continues to maintain a strong and resilient balance sheet, providing financial flexibility to support future growth while remaining well positioned to navigate market uncertainties.

As at 30 April 2026, total assets stood at \$452.9 million, while cash and cash equivalents amounted to \$58.3 million. Net gearing improved further to 0.25 times.

Non-current liabilities decreased by \$7.0 million, primarily due to the repayment of lease liabilities. This was partially offset by an increase in long-term bank borrowings arising from the refinancing of existing facilities into longer-tenure instruments. This proactive refinancing strategy has reduced refinancing risk, strengthened our capital structure and improved the maturity profile of the Group's borrowings.

The Board remains committed to maintaining a prudent capital management framework that supports sustainable growth while preserving financial resilience.

REWARDING OUR SHAREHOLDERS

In view of the Group's improved profitability, healthy cash position and continued confidence in the Group's financial strength, the Board is pleased to recommend a first and final one-tier tax-exempt dividend of 0.40 Singapore cent per ordinary share, consistent with the previous financial year.

The proposed dividend, which will be payable entirely in cash, is subject to shareholders' approval at the forthcoming Annual General Meeting.

BOARD RENEWAL AND LEADERSHIP

Strong corporate governance remains fundamental to the Group's long-term success.

During FY2026, we continued our Board renewal and succession planning efforts to ensure that the Board possesses the diversity, expertise and experience required to guide the Group through its next phase of growth.

We were pleased to welcome BG (RET) Lim Yeow Beng as an Independent Director during the year, further strengthening the Board's collective capabilities and governance framework.

In the absence of CEO, the Board has appointed Mr Don Tang Fook Yuen as Interim Chief Executive Officer to ensure continuity of leadership.

Throughout this transition, the Board has remained focused on providing strategic oversight, supporting Management and ensuring the continued execution of the Group's long-term strategy.

OUTLOOK

While the global economic outlook remains uncertain, we remain cautiously optimistic about the Group's prospects.

Geopolitical tensions, evolving trade policies and changing supply chain dynamics are expected to continue influencing global logistics markets in the coming year. Nevertheless, these challenges also present opportunities for businesses that remain agile, financially disciplined and customer focused.

The Group enters FY2027 from a position of strength. Our diversified business portfolio, resilient balance sheet, experienced management team and disciplined approach to capital allocation provide a solid platform to navigate market uncertainties while pursuing sustainable long-term growth.

We will continue to focus on enhancing operational efficiency, strengthening customer relationships, investing selectively in growth opportunities and maintaining prudent financial management. At the same time, we remain committed to identifying value-enhancing initiatives that complement our core businesses and deliver sustainable returns for shareholders.

The Board and Management will continue to respond proactively to changing market conditions while maintaining a disciplined approach to risk management and capital deployment.

APPRECIATION

On behalf of the Board, I would like to express our sincere appreciation to our shareholders for your continued trust and confidence in the Group.

We are equally grateful to our customers, business and financial partners, and other stakeholders for their continued support throughout the year.

Most importantly, I wish to extend my heartfelt appreciation to our management team and employees. Their professionalism, dedication and resilience have enabled the Group to navigate another challenging year while continuing to strengthen the foundations of our business.

Our appreciation also goes to Mr Francis Lee Fook Wah, who will step down as Executive Director, and to Ms Tan Siok Chin, Lead Independent Director, who will not be seeking re-election at the forthcoming Annual General Meeting. We thank them for their commitment, leadership and valuable contributions to the Board over the years. We wish Mr Lee and Ms Tan every success in their future endeavours.

As we look ahead, the Board remains firmly committed to strengthening the Group's competitive position, maintaining financial discipline and creating sustainable long-term value for all our shareholders.

On behalf of the Board, thank you for your continued trust and support. We look forward to another year of progress together.

Thank you.

SEBASTIAN TAN CHER LIANG

主席致辞

尊敬的股东们，

我谨代表董事会，呈递辉联集团（“公司”及其子公司统称为“集团”）截至2026年4月30日的财政年度（“2026财年”）报告。

在不确定环境中展现稳健韧性

2026财年是全球经济持续充满不确定性的一年，货运与物流行业也处在充满挑战的营运环境中。需求疲软、货运费走低、全球供应链不断演变，以及地缘政治局势升温，持续重塑国际贸易格局，并对整个行业的业务量和利润率造成压力。

面对上述挑战，集团始终坚定不移地执行长期战略。我们继续专注于提升营运效率、严谨的资本配置和谨慎的财务管理，同时保持灵活性，以应对不断变化的市场环境。

尽管集团收入下降7.5%至1.386亿新元，我们的财务表现却显著改善。税后净利润增长37.4%至1,510万新元，而归属于公司股东的净利润则增长超过一倍，达到1,540万新元。每股盈利增至2.28分新元，每股净资产亦提升至35.84分新元。

这些业绩展现了集团业务的韧性，以及管理层在充满挑战的营运环境中严谨的执行力。集团在本年度受惠于多项已完成的策略性交易，同时，业绩改善亦反映了我们持续提升营运效率、优化成本结构及强化资产负债表的努力。尽管市场环境较为疲软，这些举措依然提升了股东价值。

财务表现

2026财年，集团的核心货运与物流业务持续面对竞争激烈且充满挑战的营运环境。海运费率下降、行业产能持续过剩，以及化工与石油行业需求疲软，均对业务活动造成压力，导致货运代理利润率下降，部分物流业务的收入减少。

因此，集团收入由2025财年的1.499亿新元下降至1.386亿新元，而毛利率则由31.6%微幅下调至30.8%。

尽管面临上述不利因素，集团在2026财年继续秉持严谨的资本管理方针，并通过多项与核心业务相辅相成的策略性举措释放资产价值。

其他收入显著增加至1,080万新元，主要来自本年度进行的数项重要交易。

其中，集团于2025年12月成功完成出售位于樟宜南47号的物业。该项交易实现了有关资产的潜在价值，并带来1,220万新元净利润的一次性收益，成为货运与物流业务板块本年度最大单项贡献。

集团亦把握机会，以约330万新元的购买价，向中国中铁建工集团收购面值约430万新元的债权。该债权由集团持有31%股权的中国联营公司—重庆辉联埔程国际物流有限公司所欠。除了产生即时的会计收益外，该项交易亦加强了集团在该联营公司相关应收款项方面的经济权益。

主席致辞

财务收入增长9.0%，主要受惠于向关联方提供贷款所赚取的利息，以及收购债权所产生的利息收入。与此同时，随着银行借款减少及租赁利息支出下降，财务费用减少22.6%。这些改善反映了集团持续降低负债的努力，以及成功将现有融资安排再融资为较长期限的银行融资。

本年度，我们亦就联营公司投资确认了260万新元的减值损失冲回。此外，集团应占联营公司利润亦有所改善，主要得益于FM Global Logistics Holdings Bhd持续取得良好表现。

综合上述因素，集团的盈利能力显著改善。税后净利润增至1,510万新元，每股盈利由2025财年的1.13分新元增至2.28分新元，而每股净资产则由一年前的33.49分新元增至35.84分新元。

保持稳健的财务实力

集团继续维持稳健且具韧性的资产负债表，在保持充足财务灵活性以支持未来增长的同时，亦具备良好基础应对市场的不确定性。

截至2026年4月30日，集团总资产为4.529亿新元，现金及现金等价物为5,830万新元，净负债率进一步改善至0.25倍。

非流动负债减少700万新元，主要由于偿还租赁负债，部分被现有融资安排再融资为较长期限融资工具所导致的长期银行借款增加所抵销。这项积极主动的再融资策略降低了再融资风险，强化了集团的资本结构，并改善了集团借款的到期结构。

董事会将继续致力于维持审慎的资本管理框架，在保持稳健的财务韧性的同时支持可持续增长。

回馈股东

鉴于集团盈利能力的提升、现金状况持续保持稳健，以及董事会对集团财务实力持续充满信心，董事会建议派发每普通股0.4分新元的单层免税股息，与上一财政年度保持一致。

建议的现金股息将呈于即将召开的年度股东大会上，待股东批准后全额以现金支付。

董事会更新与领导层

良好的公司治理是集团实现长期成功的重要基础。

2026财年，我们继续推进董事会更新及继任计划工作，以确保董事会具备适当的多元化背景、专业知识及经验，引领集团迈向下一阶段的增长。

我们欢迎 Lim Yeow Beng 准将（退役）加入董事会担任独立董事，进一步加强董事会的整体能力及公司治理架构。

在首席执行官职位空缺期间，董事会已委任 Don Tang Fook Yuen 先生担任临时首席执行官，以确保领导层的延续性。

在此过渡期间，董事会始终专注于提供战略监督、支持管理层，并确保集团的长期战略得以持续执行。

展望未来

尽管全球经济前景仍存在不确定性，我们对集团的发展前景保持谨慎乐观。

地缘政治紧张局势、不断演变的贸易政策及供应链格局的变化，将在未来一年继续影响全球物流市场。然而，对于能够保持灵活应对，财务严谨并以客户为本的企业而言，这些挑战也蕴含着机遇。

集团以稳健的步伐迈入2027财年。多元化的业务组合、富有韧性的资产负债表、经验丰富的管理团队，以及严谨的资本配置方针，为集团应对市场不确定性及追求可持续的长期增长奠定了坚实基础。

我们将继续专注于提升营运效率、巩固客户关系、选择性地投资于增长机会，并维持审慎的财务管理。同时，我们将继续致力于发掘能够与核心业务相辅相成、提升价值的举措，为股东创造可持续的回报。

董事会及管理层将继续积极应对不断变化的市场环境，同时在风险管理及资本部署方面保持严谨审慎的方针。

致谢

我谨代表董事会，衷心感谢各位股东一直以来对集团的信任与支持。

我们亦衷心感谢客户、业务及金融合作伙伴，以及其他利益相关者在过去一年里给予集团的持续支持。

最重要的是，我要向我们的管理团队和全体员工致以最诚挚的感谢。他们的专业精神、敬业态度和坚持不懈的韧性，使集团能够度过又一个充满挑战的年份，同时继续巩固集团的业务根基。

我们亦向即将卸任执行董事的 Francis Lee Fook Wah 先生，以及将在即将召开的年度股东大会上不寻求连任的首席独立董事 Tan Siok Chin 女士，致以诚挚谢意。我们感谢他们多年来对董事会所作出的承诺、领导及宝贵贡献，并祝愿李先生和陈女士未来一切顺利。

展望未来，董事会将继续坚定致力于提升集团的竞争地位、维持严谨的财务纪律，并为全体股东创造可持续的长期价值。

我谨代表董事会，再次感谢各位一直以来的信任与支持。我们期待与大家携手共创又一个稳步前进的新财年。

谢谢。

陈之亮
集团主席

REVIEW OF OPERATIONS

The Group will continue to focus on strengthening operational excellence, prudent cost management, optimizing the Group's asset portfolio and investing in technology to improve productivity and support long-term sustainable growth.

The Group delivered a resilient performance in the financial year ended 30 April 2026 ("FY2026") despite a challenging operating environment characterized by softer global trade demand, lower freight rates and continued geopolitical uncertainties.

Revenue declined by 7.5% to \$138.6 million from \$149.9 million in FY2025, primarily due to lower revenue from the Freight and Logistics segment arising from continued pressure on freight rates, excess industry capacity and weaker demand in the chemical and petrochemical sectors.

Despite the lower revenue, the Group recorded a 37.4% increase in net profit after tax to \$15.1 million, while profit attributable to shareholders more than doubled to \$15.4 million from \$7.7 million in FY2025. The improved performance was primarily attributable to selected non-recurring gains, favorable foreign exchange movements and the reversal of impairment losses on investments in associates.

Throughout the year, Management remained focused on strengthening operational efficiency, optimizing the Group's asset portfolio, enhancing financial resilience and investing in technology to improve productivity and support long-term sustainable growth.

FREIGHT AND LOGISTICS SERVICES

The Freight and Logistics segment remained the Group's core business, contributing approximately 95% of total Group revenue in FY2026.

Segment revenue declined by 7.7% to \$131.7 million from \$142.7 million in FY2025 as the freight forwarding industry continued to face lower freight rates, excess shipping capacity and subdued global trade activities. Notwithstanding the challenging market conditions, segment profit increased by 54.8% to \$12.2 million from \$7.9 million in FY2025.

The improved profitability reflected Management's continued focus on operational efficiency and disciplined cost management, together with the gain arising from the disposal of the property at 47 Changi South Avenue 2 completed during the year. The segment also recognized a gain of approximately \$1.0 million arising from the acquisition of debt owed by the Group's 31%-owned associate, Vibrant Pucheng Logistics (Chongqing) Co., Ltd.

REVIEW OF OPERATIONS

International Freight Forwarding

The International Freight Forwarding division continued to operate in a highly competitive environment during FY2026. Market conditions remained challenging due to excess shipping capacity, softer global demand and continued pressure on freight rates. In addition, a greater proportion of shipments comprised intra-Asia trade, which generally generates lower margins compared with long-haul freight movements.

Despite these headwinds, the division maintained a resilient operating performance through disciplined cost optimisation, enhanced customer engagement and continued expansion of its warehousing and value-added logistics services. The division also strengthened relationships with existing customers while actively pursuing new business opportunities across selected markets.

Technology remained a key focus throughout the year. Development of the new Freight Management System and Quick Quote Management System progressed steadily and is expected to improve operational efficiency, quotation turnaround time and customer experience upon implementation.

The division also expanded its international agency network and strengthened collaborations with overseas partners to broaden market coverage and capture new business opportunities. Looking ahead, the operating environment is expected to remain volatile amid geopolitical tensions, evolving trade policies and changing supply chain dynamics. While these developments may continue to affect ocean freight demand and transit times, they are also expected to create opportunities in selected trade lanes and air freight services as customers diversify their supply chains. The division will continue to strengthen its logistics capabilities, invest in technology and deepen strategic partnerships to support sustainable long-term growth.

Warehousing and Logistics

The Warehousing and Logistics division delivered a stable operating performance during FY2026 while continuing to optimise its asset portfolio and enhance operational efficiency.

Core warehouse operations remained resilient, supported by healthy storage utilisation rates, strong customer retention and continued demand for integrated warehousing solutions. Management continued to optimise warehouse configurations to maximise storage capacity and improve operational efficiency while expanding value-added logistics services to better meet customers' evolving requirements.

Operational excellence remained a key priority throughout the year. Cost discipline was maintained through careful manpower planning, reduced reliance on temporary labour and strategic outsourcing of selected non-core activities. These initiatives contributed to improved productivity while maintaining high service standards.

The division also continued to benefit from investments in technology. The Warehouse Management System, which has now been fully implemented across operations, enhanced inventory accuracy, operational visibility and workflow efficiency, enabling improved customer service and better utilisation of warehouse resources.

During the year, the division recognised a gain arising from the disposal of the property at 47 Changi South Avenue 2. The transaction formed part of the Group's broader strategy to optimise its asset portfolio, recycle capital and strengthen financial flexibility.

The division will continue to focus on operational excellence, prudent cost management and improving asset utilisation while remaining responsive to evolving customer requirements and changing market conditions.

Chemical Logistics

The Chemical Logistics division continued to operate against a challenging backdrop, with weaker demand from the chemical and petrochemical sectors resulting in lower logistics throughput during FY2026. Customers also remained cautious amid softer regional trade activities and continued inventory optimization.

In response, the division maintained a disciplined approach to cost management through tighter control over subcontracting, transportation and material costs while carefully managing administrative overheads.

The division also continued to enhance its integrated logistics capabilities through close collaboration with strategic business partners, enabling it to provide customers with comprehensive logistics solutions tailored to increasingly diverse supply chain requirements.

From a technology perspective, further enhancements were made to operational systems, providing real-time visibility over vehicle deployment and job execution. These improvements strengthened operational planning, improved resource utilization and enhanced customer service while laying the foundation for more comprehensive business analytics and performance reporting.

The division's commitment to operational excellence and safety continued to receive industry recognition. During the year, it received awards from the Singapore Chemical Industry Council ("SCIC") under both the Community Awareness and Emergency Response Code and the Employee Health and Safety Code. The division was also honored with the Association for Company Emergency Response Teams Singapore ("ACERTS") 15 Years Recognition Award in recognition of its longstanding commitment to safety and emergency preparedness.

REVIEW OF OPERATIONS

The division also advanced its sustainability initiatives through the successful commissioning of a solar photovoltaic system at its Banyan facility on Jurong Island in June 2025. Besides supporting the Group's environmental objectives, the project is expected to contribute to lower energy costs over the longer term.

While the global chemical industry is expected to remain affected by overcapacity, weak demand and geopolitical uncertainties, Singapore's specialty chemical sector is expected to remain relatively resilient. The division will continue to focus on operational excellence, sustainability initiatives, strategic partnerships and prudent cost management to strengthen its competitiveness.

REAL ESTATE BUSINESSES

Revenue from the Real Estate segment declined by 8.5% to \$6.5 million in FY2026 from \$7.2 million in FY2025.

Changshu Fervent Industrial Park in Jiangsu, China continued to be the segment's principal income-generating asset, maintaining a high occupancy rate throughout the year, supported by long-term leases with multinational customers. The property continued to generate stable recurring rental income and cash flows despite softer market conditions.

Segment profit declined significantly to \$0.6 million from \$5.0 million in FY2025, primarily due to a fair value loss recognised on the Changshu Fervent Industrial Park in Jiangsu, China. The fair value adjustment was non-cash in nature and reflected prevailing market conditions rather than any deterioration in the underlying operating performance of the property.

The Group will continue to focus on maintaining high occupancy levels, strengthening tenant relationships and optimising the long-term value of its real estate portfolio.

FINANCIAL SERVICES

The Financial Services segment recorded a profit of \$2.1 million in FY2026 (excluding dividend income from subsidiaries), compared with \$2.2 million in FY2025.

The segment continued to generate stable recurring interest income from financing activities while adopting a prudent approach towards investment and credit risk management. Profit for the year was supported by interest income earned from related parties and gains realised from the disposal of equity investments.

Looking ahead, the segment will continue to pursue disciplined capital allocation and selective investment opportunities while maintaining prudent risk management and preserving capital.

SUSTAINABILITY REPORT SUMMARY

The Group values sustainable development alongside operational efficiency and reliability in serving its customers. This commitment is demonstrated through our annual publication of the sustainability report, prepared in accordance with the Singapore Exchange's sustainability reporting requirements, aligned with recommendations of the Task Force on Climate-Related Financial Disclosure ("TCFD"), and with reference to the GRI Standards.

The report presents our sustainability-related policies, practices, performance and targets, including the Group's most material business activities in Singapore, primarily within the freight and logistics business segment. These include international freight forwarding, warehousing property and logistics, and chemical storage and logistics operations for the financial year ended 30 April 2026 ("FY2026").

The report outlines targets for each key environmental, social and governance ("ESG") factor, including progress made against previously established short-, medium- and long-term goals. This demonstrates the Group's accountability, as well as supports the tracking and assessment of the performance of our ESG management systems.

In FY2026, the Group aligned its climate-related disclosures with TCFD recommendations, including an assessment of the resilience of its strategy under various climate scenarios, including a 2°C or lower scenario.

A systematic materiality assessment was also conducted during the year to identify and prioritise ESG factors most relevant to the Group and its stakeholders. These material factors are categorised as follows:

GOVERNANCE	ECONOMIC	ENVIRONMENTAL	SOCIAL
Governance Anti-corruption	Economic Performance	Energy Emissions Waste Critical Incident Risk Management Water and Effluents Materials	Employment Labour/Management Relations Diversity and Equal Opportunity Non-discrimination Training and Education Occupational Health and Safety Customer Privacy Corporate Social Responsibility

The report also provides both qualitative and quantitative insights into the Group's key material factors mentioned above. The Group continues to commit to monitoring progress, strengthening the management of sustainability-related risks and opportunities, and achieving long-term sustainable growth.

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

The Board of Directors (the “Board”) of Vibrant Group Limited (the “Company”, together with its subsidiaries, the “Group”) is committed to upholding high standards of corporate governance. The Board and Management have taken steps to align the Group’s corporate governance framework with the principles and provisions set out in the Singapore Code of Corporate Governance 2018 (the “Code”) and the accompanying Practice Guidance issued on 6 August 2018. These form part of the continuing obligations under the Listing Rules of the Singapore Exchange Securities Trading Limited (“SGX-ST”) (“Listing Manual”) and aim to enhance long-term shareholder value by improving corporate performance and accountability.

This report sets out the Group’s corporate governance practices in place during the financial year ended 30 April 2026 (“FY2026”). The Company continually reviews its corporate governance practices to ensure alignment with the Code. The Board confirms that the Group has generally adhered to the principles and provisions set out in the Code for FY2026. Where there are deviations from the Code, appropriate explanations are provided.

Guideline	Compliance with the Code
	The Board, after making due inquiries, believes that the Company has complied in all material aspects with the principles and provisions set out in the Code. Details of our compliance are described in this report.
I. BOARD MATTERS	
The Board plays a pivotal role in overseeing the Group’s overall strategy and business direction and is collectively responsible for the Group’s long-term success. Management provides Directors with full and timely information to assist them in the fulfillment of their responsibilities.	
Principle 1: The Board’s Conduct of Affairs	
Provision 1.1	As at the date of this report, being the date of the Audited Financial Statements and Directors’ Statement for FY2026 dated 7 August 2026, the Board comprises five (5) directors: one (1) Executive Director, one (1) Non-Executive and Non-Independent Director, and three (3) Non-Executive and Independent Directors (“Independent Directors”). The principal functions of the Board are as follows: • Oversee the Group’s overall strategic and business direction and be collectively responsible for the Group’s long-term success. • Provide leadership, set strategic objectives, constructively challenge Management, and review its performance. • Ensure that necessary financial and human resources are in place for the Group to meet its objectives. • Establish a framework of prudent and effective controls for risk management and internal controls, safeguard shareholder interests and the Group’s assets, and set values and standards (including ethical standards) for the Group while being mindful of its social responsibilities. The Board exercises due diligence and independent judgment in dealing with the business affairs of the Group and works closely with Management to make objective decisions in the interest of the Group. The Board has clear guidelines for managing conflicts of interest. Where a Director faces a conflict or potential conflict of interest, he/she shall immediately declare his/her interest when the matter is discussed and recuse himself/herself from the decision-making process. All interested person transactions are reviewed and approved by the Audit Committee to ensure they are conducted on an arm’s length basis. Each Director also submits an annual declaration of interests to monitor interested person transactions. The Group’s business is effectively overseen by the Board and executed by Management. The Board ensures the proper observance of corporate governance practices, including the establishment of a Code of Conduct and Ethics, appropriate tone-from-the-top and desired organizational culture, and clear accountability within the Group.

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

Guideline	Compliance with the Code
Provision 1.2	New Directors appointed to the Board are briefed by the Chairman and the respective Board Committee chairpersons on matters relevant to the Board and the Board Committees. They are also briefed by senior management personnels on the Group's business activities, strategic direction and policies, key business risks, the regulatory environment in which the Group operates, and governance practices, as well as their statutory and other duties and responsibilities as Directors. All newly appointed and existing Directors are provided with opportunities to undergo relevant training to effectively discharge their duties, enhance their skills and knowledge, and continually improve Board performance. The Company funds Directors' participation at industry conferences, seminars, or training programmes in connection with their duties as Directors. For new Directors without prior experience as directors of SGX-listed companies, the mandatory training prescribed by the Listing Manual must be completed within one (1) year of appointment. Management keeps Directors informed of pertinent developments, including changes in the relevant laws and regulations, the Code, financial reporting standards, and industry-related matters. Relevant news releases issued by the SGX-ST and the Accounting and Corporate Regulatory Authority ("ACRA") which are relevant to the Directors are also circulated. During the year, the Directors were briefed by professionals at Audit Committee meetings on regulatory changes, changes in financial reporting standards, and issues which may impact the Company's financial statements. The Directors were also briefed on the Key Audit Matters in the external auditor's report and received regular updates on the Group's strategic developments. Directors are updated, where relevant, on amendments and new requirements of the SGX-ST and other statutory and regulatory changes which have an important bearing on the Company and the Directors' obligations to the Company.
Provision 1.3	The Board makes objective decisions in the interests of the Group. In addition to compliance with the Companies Act 1967 of Singapore and the rules and regulations applicable to a public company, matters requiring the Board's specific approval include material acquisition and disposal of assets/investments, corporate or financial restructuring, material financial/funding arrangements, provision of corporate guarantees, corporate exercises, and budgets.
Provision 1.4	To facilitate effective management, certain functions have been delegated to Board Committees to assist the Board in discharging its responsibilities and to enhance the Company's corporate governance framework. These Committees include the Audit Committee ("AC"), the Nominating Committee ("NC"), and the Remuneration Committee ("RC"). The Committees are given specific responsibilities and are empowered to deal with matters within the limits of authority as set out in their respective written terms of reference. While these Board Committees may examine specific issues and report back with their decisions and/or recommendations, the ultimate responsibility on all matters remains with the Board.

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

Guideline	Compliance with the Code																																																																																																												
Provision 1.5	The Board and Board Committees hold scheduled meetings during the year, planned in advance, primarily to review and approve the release of the Group's financial results. Additional meetings are convened as needed. On occasions where any Director is unable to attend meetings in person, telephonic or video-conference means are used, as permitted under the Company's Constitution. The Board meets at least twice a year, including two (2) meetings with the AC to review and approve the Group's half year and full year financial results. The NC and the RC also conduct at least one (1) scheduled meeting annually. To support sustainability efforts, Directors are issued electronic tablets to access meeting documents, reducing reliance on printed materials. The attendance of the Directors at Board and Board Committee meetings in FY2026 is detailed in the table below. <table><tr><th rowspan="3">Name of Director</th><th colspan="2">Board</th><th colspan="2">Audit Committee</th><th colspan="2">Remuneration Committee</th><th colspan="2">Nominating Committee</th><th colspan="2">General Meeting</th></tr><tr><th colspan="2">No. of Meetings</th><th colspan="2">No. of Meetings</th><th colspan="2">No. of Meetings</th><th colspan="2">No. of Meetings</th><th colspan="2">No. of Meetings</th></tr><tr><th>Held</th><th>Attended</th><th>Held</th><th>Attended</th><th>Held</th><th>Attended</th><th>Held</th><th>Attended</th><th>Held</th><th>Attended</th></tr><tr><td>Eric Khua Kian Keong⁽¹⁾</td><td>4</td><td>2</td><td>2</td><td>2*</td><td>1</td><td>1*</td><td>2</td><td>1</td><td>1</td><td>1</td></tr><tr><td>Sebastian Tan Cher Liang⁽²⁾</td><td>4</td><td>4</td><td>2</td><td>2*</td><td>1</td><td>1</td><td>2</td><td>2*</td><td>1</td><td>1</td></tr><tr><td>Derek Loh Eu Tse⁽³⁾</td><td>3</td><td>0</td><td>2</td><td>1</td><td>1</td><td>1*</td><td>2</td><td>1*</td><td>1</td><td>1</td></tr><tr><td>Francis Lee Fook Wah</td><td>4</td><td>4</td><td>2</td><td>2*</td><td>1</td><td>1*</td><td>2</td><td>2*</td><td>1</td><td>1</td></tr><tr><td>Albert Chew Khat Khiam</td><td>4</td><td>4</td><td>2</td><td>2</td><td>1</td><td>1</td><td>2</td><td>2</td><td>1</td><td>1</td></tr><tr><td>Tan Siok Chin</td><td>4</td><td>4</td><td>2</td><td>2</td><td>1</td><td>1</td><td>2</td><td>2</td><td>1</td><td>0</td></tr><tr><td>BG (RET) Lim Yeow Beng⁽⁴⁾</td><td>4</td><td>4</td><td>2</td><td>2</td><td>1</td><td>1</td><td>2</td><td>2</td><td>1</td><td>1</td></tr></table> <u>Annotation:</u> * Attended as an invitee. ⁽¹⁾ Mr Eric Khua Kian Keong ("Mr Eric Khua") ceased to be a member of the NC with effect from 1 July 2025. Provision 1.6	Directors are regularly updated by Management on developments within the Group. The Board receives timely and adequate information before meetings and whenever necessary. Detailed papers are circulated for items requiring Board approval. Directors receive periodic financial and operational reports, budgets, forecasts and other disclosure documents prior to meetings. Senior management personnels who are responsible for preparing these papers are invited to present them or attend meetings as necessary. For budgets, material variance between projections and actual results are disclosed and explained.																																																																																																												

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

Guideline	Compliance with the Code
Provision 1.7	Directors have separate and independent access to Management and the Company Secretary. The appointment and removal of the Company Secretary is a decision of the Board as a whole. The Company Secretary attends all Board and Board Committees meetings, advises on corporate governance matters, facilitates orientation, and assists in Directors' professional development as needed. The Board may seek independent professional advice, at the Company's expense, where necessary to fulfill its duties.
Principle 2: Board Composition and Guidance	
Provision 2.1	A Director is considered independent if he/she is independent in conduct, character and judgement, and has no relationship with the Company, its related corporations, its substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of independent business judgement in the best interests of the Group. The NC reviews annually the independence of each Independent Director in accordance with the Code and Rule 210(5)(d)(iv) of the Listing Manual. Each Independent Director is required to complete an annual declaration of independence, which is reviewed by the NC before making its recommendation to the Board. The Board, having considered the NC's recommendation and the declarations of independence submitted by each Independent Director, is satisfied that Ms Tan Siok Chin, Mr Albert Chew Khat Khiam and BG (RET) Lim Yeow Beng are independent in character and judgement and that there are no relationships or circumstances which are likely to affect, or could reasonably be perceived to affect, their independent judgement. Mr Sebastian Tan Cher Liang has served on the Board for more than nine years and, pursuant to Rule 210(5)(d)(iv) of the Listing Manual, is regarded as a Non-Executive and Non-Independent Director.
Provision 2.2	The Board recognises the importance of independent judgment and objectivity in decision-making and remains committed to maintaining high corporate governance standards. As at the date of this report, the Board, which is chaired by a non-independent Chairman, comprises a majority of Independent Directors and is in compliance with Provision 2.2 of the Code and Rule 210(5)(c) of the SGX-ST Listing Manual. The Board is satisfied that its present composition provides an appropriate balance of independence, experience, expertise and diversity to enable it to discharge its responsibilities effectively and in the best interests of the Company.
Provision 2.3	As at the date of this report, the Board comprises one (1) Executive Director and four (4) Non-Executive Directors. The Non-Executive Directors, who constitute more than half of the Board, constructively challenged Management and contribute to strategic discussions. Their independent views and diverse perspectives support sound decision-making. The role of the Non-Executive Directors includes: (i) Constructively challenging and helping to develop strategic proposals; and (ii) Reviewing Management's performance in meeting agreed goals and objectives, and monitoring performance reporting.

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

Guideline	Compliance with the Code												
Provision 2.4	The NC reviews the Board composition annually. The Board comprises members of both genders and diverse backgrounds whose core competencies, qualifications, skills and experiences meet the Group's requirements. These attributes are considered in determining the optimal composition of the Board and are balanced where possible. The NC is of the view that the current Board provides an appropriate mix of skills, experience, and expertise required for effective Group management. The Board concur with the NC's view that its current size and composition, range of experience and the varied expertise of the Board provides the core competencies required to support the Group's needs. This diversity facilitates informed and constructive discussions and effective decision-making. The Board will continue to review opportunities to refresh its composition to further broaden its skills, experience, and diversity. Details of each Directors' qualifications, background, principal commitments, and shareholdings in related corporations are disclosed under the "Directors' Profile" section of the Annual Report. As at the date of this report, the Board comprises the following members: <table> <tr> <th><u>Name of Director</u></th><th><u>Nature of Appointment</u></th></tr> <tr> <td>Sebastian Tan Cher Liang</td><td>Non-Executive, Non-independent</td></tr> <tr> <td>Francis Lee Fook Wah</td><td>Executive, Non-Independent</td></tr> <tr> <td>Tan Siok Chin</td><td>Non-Executive, Lead Independent</td></tr> <tr> <td>Albert Chew Khat Khiam</td><td>Non-Executive, Independent</td></tr> <tr> <td>BG (RET) Lim Yeow Beng⁽¹⁾</td><td>Non-Executive, Independent</td></tr> </table> <u>Annotation:</u> ⁽¹⁾ Appointed on 1 July 2025. Board Diversity Policy The Group recognizes and embraces the benefits of diversity in experience, age, skill sets, gender, and ethnicity on the Board ("Board Diversity") and views Board Diversity as an essential element in achieving its strategic objectives and ensuring long-term sustainability. The Board has put in place a written Board Diversity Policy, which endorses the principle that the Board should have a balanced mix of skills, knowledge, experience, and diversity of perspectives appropriate to its business. This mitigates groupthink and ensures the Board has the opportunity to benefit from all available talents. The Board Diversity Policy considers multiple factors, including qualification, age, gender, experience, and domain expertise. The Board believes this approach balances business performance, shareholder value, and diversity enhancement. The primary objective of the policy is to continue to maintain an appropriate balance of perspectives, skills, and experience on the Board to support the Group's long-term success. The NC will continue to review the Board Diversity Policy, as appropriate, to ensure its effectiveness, and will recommend appropriate revisions to the Board for consideration and approval. The NC will also continue its identification and evaluation of suitable candidates to ensure continued diversity, including gender diversity, on the Board.	<u>Name of Director</u>	<u>Nature of Appointment</u>	Sebastian Tan Cher Liang	Non-Executive, Non-independent	Francis Lee Fook Wah	Executive, Non-Independent	Tan Siok Chin	Non-Executive, Lead Independent	Albert Chew Khat Khiam	Non-Executive, Independent	BG (RET) Lim Yeow Beng ⁽¹⁾	Non-Executive, Independent

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

Guideline	Compliance with the Code
	When reviewing Board composition and succession planning, the NC considers all aspects of diversity, including background, experience, gender, and age, and strives to maintain an optimal and balanced composition. In this regard, the NC will continue to strive to ensure that: • If external search consultants are used to search for candidates for Board appointments, the brief will include a requirement to also present female candidates; • A female candidate is included for consideration by the NC whenever it seeks to identify a new Director for appointment to the Board; and • Female representation on the Board is continuously reviewed, recognising that the Board's needs will change over time, taking into account the skills and experience on the Board. The final decision on selection of Directors will be based on merits that complement and expand the skills and experience of the Board as a whole, and after having given due regard to the overall balance and effectiveness of a diverse Board. The NC will discuss annually the relevant measurable objectives for promoting and achieving diversity on the Board and make recommendations for consideration and approval by the Board. The objectives may involve at any given time, one or more aspects of board diversity with different timelines for achievement. The current Board composition reflects the Company's commitment to Board diversity in terms of different professional experiences, skills, relevant industry knowledge or experience, general management skill and gender. As at the date of this report, the Board includes one (1) female Director, Ms Tan Siok Chin, who serves as the Lead Independent Director. The NC, together with the Board, will consider all aspects of diversity in order to arrive at an optimum balanced composition of the Board. The Board does not see a need at the moment to change or to set specific diversity targets or establish concrete timelines for achieving ongoing board diversity goals. Instead, the Company adopts a dynamic approach, recognizing that maintaining an appropriate level of diversity is a continuous process that may need to be reviewed and adjusted in response to the Group's evolving business needs.
Provision 2.5	Where necessary, the Non-Executive Directors and Independent Directors may meet formally without Management or Executive Directors present to review sensitive matters. The chairman of such meetings provides feedback to the Board and/or Chairman, as appropriate. During FY2026, the Non-Executive Directors, led by the Non-Executive Chairman, met regularly, both formally and informally with the CEO, senior management, and Executive Directors to discuss challenges faced by the Group. The Company also benefited from Management's ready access to Directors for guidance and discussions outside the formal meeting context.
Principle 3: Chairman and Chief Executive Officer	
Provision 3.1	As at the date of this report, the Chairman of the Board is a Non-Executive and Non-Independent Director and is separate from the CEO. Following the leave of absence and subsequent resignation of Mr Eric Khua as Executive Director and CEO with effect from 13 February 2026, Mr Don Tang Fook Yuen has been covering the duties of the CEO, and he was subsequently appointed as Interim CEO with effect from 3 June 2026. The Chairman leads the Board and is responsible for its effectiveness and governance processes, while the CEO is responsible for implementing the Group's strategies and policies and for conducting the Group's business. The Chairman and the CEO are not related.

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

Guideline	Compliance with the Code
Provision 3.2	The Chairman, Mr Sebastian Tan Cher Liang, bears primary responsibility for managing the Board. He leads the Board, encourages its interaction with Management, facilitates effective contributions from Non-Executive Directors, and promotes high standards of corporate governance. He also ensures effective communication with shareholders and fosters constructive relationships within the Board and between the Board and Management. Before each meeting, the Chairman determines the agenda and instructs the Company Secretary to circulate it to all Directors at least seven (7) days in advance. He leads the meetings and ensures that agenda items are thoroughly discussed. He also facilitates constructive debate between the Board and Management, especially on strategic issues, and ensures the quality and timeliness of information flow. The CEO leads the development of the Group's business and operational strategies, oversees the implementation of the Group's short- and long-term plans, ensures the organization is appropriately structured and resourced, monitors principal risks, and ensures that effective internal controls and risk management systems are in place. During FY2026, following the leave of absence and subsequent resignation of Mr Eric Khua Kian Keong on 13 February 2026, Mr Don Tang Fook Yuen assumed responsibility for overseeing the day-to-day operations of the Group. He was subsequently appointed as Interim CEO with effect from 3 June 2026.
Provision 3.3	Ms Tan Siok Chin is the Lead Independent Director and provides leadership in situations where the Chairman may be conflicted. The Lead Independent Director also serves as an alternative communication channel for shareholders who find communication with the Chairman, CEO (or Interim CEO, where applicable) or Chief Financial Officer ("CFO") inappropriate or inadequate. Shareholders may contact the Lead Independent Director directly in such instances. This provides an additional avenue for feedback and resolution, reinforcing the Board's commitment to accountability and transparent governance.
Principle 4: Board Membership	
Provision 4.1	The NC is responsible for reviewing the composition and effectiveness of the Board and determining whether Directors possess the requisite qualifications, knowledge and expertise. It also assesses whether the independence of Independent Directors is compromised, in accordance with the Code. The NC is guided by key terms of reference as follows: • Making recommendations on all Board and Board committee appointments and re-appointments; • Reviewing succession plans for Directors, including the Chairman, the CEO and key management personnel; • Reviewing the performance criteria and evaluation process for assessing the effectiveness of the Board, its committees, and individual Directors; • Reviewing annually whether a Director remains independent; • Recommending training and professional development programs for Directors; • Setting guidelines on multiple board representations; and • Assessing whether a Director has been effectively discharging his/her duties.

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

Guideline	Compliance with the Code						
Provision 4.2	As at the date of this report, the NC comprises the following three (3) Directors, all of whom are Non-Executive and Independent: <table> <tr> <td>BG (RET) Lim Yeow Beng⁽¹⁾</td><td>Chairman (Non-Executive, Independent)</td></tr> <tr> <td>Ms Tan Siok Chin⁽²⁾</td><td>Member (Non-Executive, Lead Independent)</td></tr> <tr> <td>Mr Albert Chew Khat Khiam</td><td>Member (Non-Executive, Independent)</td></tr> </table> The Lead Independent Director is a member of the NC. <u>Annotation:</u> ⁽¹⁾ BG (RET) Lim Yeow Beng was appointed as the Chairman of the NC on 1 July 2025. ⁽²⁾ Ms Tan Siok Chin stepped down as Chairman and remained a member of the NC with effect from 1 July 2025. BG (RET) Lim Yeow Beng ⁽¹⁾	Chairman (Non-Executive, Independent)						
Ms Tan Siok Chin ⁽²⁾	Member (Non-Executive, Lead Independent)						
Mr Albert Chew Khat Khiam	Member (Non-Executive, Independent)						
Provision 4.3	The NC identifies and recommends candidates to fill Board vacancies due to resignations, retirements, or needs for added competencies. The selection process evaluates each candidate's qualifications, integrity, track record, and how their background complements the Board's composition. Candidates may be drawn from internal and external sources, including the use of professional search firms. Where appropriate, the NC engages independent external consultants to enhance the objectivity of the search process. Shortlisted candidates are required to furnish detailed curriculum vitae and complete declarations to facilitate assessments of their independence and regulatory compliance. Board diversity considerations, as outlined in the Board Diversity Policy, are factored into all appointments and re-nominations of Directors. In accordance with Regulation 94 of the Company's Constitution, one-third of the Directors (excluding those appointed to fill casual vacancies) are to retire by rotation at every annual general meeting ("AGM"). Directors appointed to fill a casual vacancy under Regulation 76 shall hold office until the next AGM and are eligible for re-election. NC members abstain from voting on matters concerning their own re-nomination. At the upcoming AGM, Mr Francis Lee Fook Wah and Ms Tan Siok Chin will retire by rotation pursuant to Regulation 94 of the Company's Constitution. Each of them has informed the Board that they will not be seeking re-election at the forthcoming AGM and will retire upon the conclusion of the AGM. The NC noted their decision not to seek re-election. The Board extends its appreciation to Mr Francis Lee Fook Wah and Ms Tan Siok Chin for their valuable contributions and dedicated services during their tenure. In addition, Mr Francis Lee Fook Wah's service agreement expires on 31 August 2026. Accordingly, he will cease to hold office as Chief Financial Officer with effect from 31 August 2026.						
Provision 4.4	As mentioned under Provision 2.1, the NC conducts an annual review of the independence of all Directors based on their declarations and the principles of the Code. The NC has reviewed and confirmed that all the current Independent Directors are independent in accordance with the Code, after taking into account any relationships with the Company, its related corporations, its substantial shareholders, or its officers.						

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

Guideline	Compliance with the Code
Provision 4.5	The NC ensures that new Directors are aware of their duties and obligations. The Board has determined the maximum number of board appointments in listed companies that a Director can hold shall not be more than five (5), so as to ensure that the Directors are able to commit their time to effectively discharge their responsibilities. All Directors currently hold no more than five (5) board representations in listed companies. The NC has reviewed each Director's outside appointments, Board attendance, and contributions. Despite some Directors holding multiple directorships, the NC is satisfied that the Directors spent adequate time on the Company's affairs and have carried out their responsibilities. Key information of each member of the Board, including directorships and chairmanships both present and those held over the preceding five (5) years in other listed companies, other major appointments, academic/professional qualifications, memberships/chairmanships in the Company's Board committees, date of first appointment, and other relevant information, can be found under the "Directors' Profile" section of this Annual Report. There is no Alternate Director on the Board.
Principle 5: Board Performance	
Provision 5.1	The NC has implemented a process for the annual assessment on the effectiveness of the Board as a whole and its Board Committees, the contribution by each individual Director to the effectiveness of the Board, and the effectiveness of the Chairman of the Board. The NC has established objective criteria to evaluate the Board's performance. The benchmark for the Board performance evaluation includes the appropriate size and composition of the Board, access to information, processes and accountability, communication with Management and shareholders.
Provision 5.2	The annual assessment process is carried out as an internal exercise following the end of each financial year to evaluate the performance of the Board and Board Committees including the ability to discharge their respective responsibilities in providing stewardship, corporate governance and oversight of Management's performance. Evaluation of each individual Director's performance is also conducted on an annual basis at the same time. The aim is to assess whether each Director is able to and continues to contribute effectively and demonstrate commitment to his/her role. Factors taken into account include attendance at Board and Board Committees meetings, participation at meetings, ability to make informed judgments/assessments as well as compliance with the policies and procedures of the Company. For FY2026, all Directors have completed the assessment form on the evaluation of the Board and Board Committees, and the assessment form on the evaluation of each individual Director. To ensure confidentiality, each director submitted the completed assessment forms to the Company Secretary for compilation and a summary of the collective evaluation results and comments were presented to the NC for review and discussion. The NC has reported to the Board its review on the performance of the Board and Board Committees, and of each individual Director for FY2026. No external facilitator has been engaged for this purpose. The Board was generally satisfied with the results of the annual assessment of the Board and Board Committees, as well as individual Directors for FY2026.

II. REMUNERATION MATTERS							
Matters concerning remuneration of the Board, key management and other employees who are related to the controlling shareholders and/or the Company's Directors (if any) are handled by the RC whose primary function is to establish formal and transparent policies on remuneration matters in the Company. Matters which are required to be disclosed in the annual remuneration report have been sufficiently disclosed in this Report and in the Financial Statements of the Company and the Group.							
Principle 6: Procedures for Developing Remuneration Policies							
Provision 6.1	With the aim of attracting, retaining, and motivating Directors and employees, the RC establishes, reviews and makes recommendations to the Board on a framework of remuneration for the Board and key management personnel, as well as the specific remuneration packages for each Director and for the key management personnel. Such remuneration frameworks are being reviewed periodically to ensure that they remain relevant. Members of the RC are knowledgeable in the field of executive compensation. Non-Executive Directors' fees are reviewed and determined annually. Additional fees are paid for each Non-Executive Director's role in Board Committees. The level of fees takes into account the size and complexity of the Company's business operations, and the responsibilities and workload requirements of the Non-Executive Directors. The proposed Non-Executive Directors' fees are submitted to shareholders for approval at each AGM. The remuneration package (including salaries, allowances, bonuses and benefits-in-kind) of the Executive Directors are reviewed and approved by the RC after considering, inter alia, the achievement of their key performance indicators ("KPIs"). In addition, the RC also reviews the performance of the Group's key management personnel (excluding those employed by the listed subsidiary which has its own remuneration committee), taking into consideration the Interim CEO's assessment of and recommendation for bonus and remuneration. No member of the RC was involved in deciding his/her own remuneration.						
Provision 6.2	As at the date of this report, the RC comprises the following three (3) Directors, all of whom are Non-Executive and Independent: <table border="0"> <tr> <td>Ms Tan Siok Chin</td><td>Chairman (Non-Executive, Lead Independent)</td></tr> <tr> <td>Mr Albert Chew Khat Khiam</td><td>Member (Non-Executive, Independent)</td></tr> <tr> <td>BG (RET) Lim Yeow Beng⁽¹⁾</td><td>Member (Non-Executive, Independent)</td></tr> </table> <u>Annotation:</u> ⁽¹⁾ BG (RET) Lim Yeow Beng was appointed as a member of the RC with effect from 1 July 2025. Ms Tan Siok Chin	Chairman (Non-Executive, Lead Independent)						
Mr Albert Chew Khat Khiam	Member (Non-Executive, Independent)						
BG (RET) Lim Yeow Beng ⁽¹⁾	Member (Non-Executive, Independent)						
Provision 6.3	The RC is guided by key terms of reference as follows: • Reviewing and recommending a general framework and specific remuneration packages for Directors and key management personnel, and the implementation of any appropriate performance-related elements to be incorporated in the remuneration framework; • Reviewing annually the remuneration packages of employees who are related to any of the Directors or any substantial shareholder of the Group; and • Establishing appropriate remuneration framework to motivate and retain Directors and executives, and ensure that the Company is able to attract appropriate talent from the market in order to maximise value for shareholders. The Company's obligations in the event of the termination of service of an Executive Director and a key management personnel are contained in their respective employment letters. The RC was satisfied that the termination clauses are fair and reasonable to the respective employment class and are not overly generous.						

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

Guideline	Compliance with the Code																									
Provision 6.4	Where necessary, further expertise from external remuneration consultants will be sought. The RC is aware of the need to minimize the risk of any potential conflict of interest and will ensure that no director should be involved in deciding his/her own remuneration. No external remuneration consultant was engaged by the Company in FY2026.																									
Principle 7: Level and Mix of Remuneration																										
Provision 7.1	The RC will also propose in its framework of remuneration, the various levels and mix of components considered to be appropriate to attract, retain and motivate Executive Directors. A significant and appropriate proportion of Executive Directors' and key management personnel's remuneration is structured to link rewards to both corporate and individual performance. Such performance-related remuneration would be aligned with the interest of shareholders and promote the long-term success of the Group. For the purpose of assessing the performance of the Executive Directors and key management personnel, KPIs in both financial and non-financial targets are clearly set out at the beginning of each financial year. Financial targets include net profit, return on total assets and return on shareholders' equity. Non-financial targets relate to reputation, working relationships with customers and fellow employees, environment, community and sustainable future. Such KPIs comprise both quantitative and qualitative factors as well as short-term and medium-term targets.																									
Provision 7.2	The RC and the Board are of the view that the remuneration of the Non-Executive Directors is appropriate to the level of their contribution, taking into account factors such as effort, time spent, and their responsibilities. The Non-Executive Directors are compensated reasonably, and for the Independent Directors, without their independence being compromised. The Group does not have any scheme in place to encourage Non-Executive Directors to hold shares in the Group. Fees payable to Non-Executive Directors are approved in aggregate by shareholders at each AGM and are paid quarterly in arrears. In line with good governance practices, no Director is involved in determining his/her own remuneration. The fees are based on the revised remuneration framework, effective from FY2026, which is intended to more appropriately reflect the scope of responsibilities and time commitments associated with the Board and Board Committees. The fee structure is as follows: <table><tr><th colspan="2">Role</th><th>Fee (per annum)</th></tr><tr><td rowspan="3">Main Board</td><td>Basic Director fee</td><td>\$40,000</td></tr><tr><td>Chair of Board</td><td>\$20,000</td></tr><tr><td>Lead Independent Director</td><td>\$5,000</td></tr><tr><td rowspan="2">Audit Committee</td><td>Chairman</td><td>\$10,000</td></tr><tr><td>Member</td><td>\$7,500</td></tr><tr><td rowspan="2">Nominating Committee</td><td>Chairman</td><td>\$7,500</td></tr><tr><td>Member</td><td>\$5,000</td></tr><tr><td rowspan="2">Remuneration Committee</td><td>Chairman</td><td>\$7,500</td></tr><tr><td>Member</td><td>\$5,000</td></tr></table>	Role		Fee (per annum)	Main Board	Basic Director fee	\$40,000	Chair of Board	\$20,000	Lead Independent Director	\$5,000	Audit Committee	Chairman	\$10,000	Member	\$7,500	Nominating Committee	Chairman	\$7,500	Member	\$5,000	Remuneration Committee	Chairman	\$7,500	Member	\$5,000

III. ACCOUNTABILITY AND AUDIT																									
The Board recognises the importance of providing accurate and relevant information on a timely basis. In this respect, the AC reviews all financial statements and recommends them to the Board for approval. In addition, the AC ensures that the Company maintains a sound system of internal controls to safeguard the shareholders' investments and the Group's assets as well as to manage potential risks.																									
Principle 9: Risk Management and Internal Controls																									
Provision 9.1	The Board recognises the importance of maintaining a sound system of risk management and internal controls to safeguard shareholders' interests and the Group's assets. The AC oversees and ensures that such a system has been appropriately implemented and monitored. The Group has adopted its risks management functions using the Enterprise Risk Management ("ERM") framework which is in line with ISO 31000 – Risk Management Principles and Guidelines and the recommended best practices standard. The Group carries out periodic assessments of risk and controls to ensure the adequacy and effectiveness of the Company's risk management, financial and operational controls and compliance with those policies, procedures and controls. The Group has not set up a separate Risk Management Committee. However, the AC regularly reviews the Company's business and operational activities to identify and deliberate on the areas of significant business risks and control measures to constantly improve the processes and standards. The processes adopted by the AC include discussions with Management on the identified risk areas, review of internal and external audit reports and processes and review significant issues arising from the audits conducted. The system of internal controls and risk management established by the Group provides reasonable, but not absolute, assurance that the Group will not be adversely affected by any event that can be reasonably foreseen as it strives to achieve its business objectives. However, the Board also notes that no system of internal controls and risk management can provide absolute assurance in this regard, or absolute assurance against the occurrence of material errors, poor judgement in decision-making, human error, losses, fraud or other irregularities. The Group also has a system of risk management and internal controls designed to provide reasonable assurance that assets are safeguarded, operational controls are adequate, business risks are suitably protected, and proper accounting records are maintained to ensure that financial information used for financial reporting is reliable. The internal auditor is familiar with these controls and works closely with Management and the AC to identify any inadequacies and weaknesses in the systems that would need to be addressed. In addition, the external auditors conduct an annual review of the effectiveness of the Company's internal controls, and their recommendations for improvements are reported to the AC.																								

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

Guideline	Compliance with the Code
Provision 9.2	Based on the internal controls established and maintained by the Group, the work performed by the internal and external auditors, and reviews performed by Management and various Board Committees, the Board, with the concurrence of the AC, is satisfied that adequate and effective internal controls have been maintained. This includes internal controls relating to financial, operational, compliance, and information technology systems, as well as the Group's overall risk management framework. As at 30 April 2026, no material weaknesses in the Group's internal control or risk management systems were identified. These disclosures are made in compliance with Rule 1207(10) of the Listing Manual, which requires the Board to comment on the adequacy and effectiveness of internal controls and risk management systems, and for the AC to confirm concurrence. The Board and AC are of the opinion that the Group's internal controls and risk management systems were adequate and effective as at the end of the financial year. For FY2026, the Board has received assurance from: (a) the Interim CEO and the CFO that the financial records have been properly maintained and the financial statements give a true and fair view of the Company's operations and finances; and (b) the Interim CEO and other key management personnel responsible, that the Company's internal control and risk management systems are adequate and effective. The above assurances were provided following the appointment of the Interim CEO on 3 June 2026 and cover the financial year ended 30 April 2026 up to the date of approval of the financial statements by the Board. Management is responsible for the implementation of recommendations arising from internal audits and other reviews, and reports the progress on these matters to the AC regularly. No material high-risk findings were noted in the Internal Audit Report for FY2026, and all other findings have been addressed or implemented by Management.
Principle 10: Audit Committee	
Provision 10.1	The AC is guided by the following key terms of reference: • Reviewing the Company's half-year and full-year financial statements, and any announcements relating to the Company's financial performance; • Reviewing the audit plan of the Company's external auditors and adequacy of the system of internal accounting control; • Reviewing significant financial reporting issues and judgements to ensure the integrity of the financial statements and any formal announcements relating to the Company's or Group's financial performance; • Reviewing the assurance provided by the CEO and the CFO that the financial records have been properly maintained and that the financial statements give a true and fair view of the Group's operations and finances; • Reviewing related party transactions and interested person transactions to ensure compliance with the regulations set out in the SGX-ST Listing Manual; • Reviewing the adequacy, scope and results of the external audits, their cost effectiveness, and the independence and objectivity of the external auditors; • Recommending the appointment, re-appointment or removal of the external auditors, and reviewing their remuneration and terms of engagement; • Reviewing the internal audit programme, including the scope and results of internal audit procedures and Management's response to the recommended actions; • Reviewing the adequacy, effectiveness, independence and resourcing of the internal audit function;

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

Guideline	Compliance with the Code						
	• Approving the appointment or re-appointment, evaluation and remuneration of the internal auditors; • Reviewing and reporting to the Board on the adequacy and effectiveness of the Company's internal controls including financial, operational, compliance and information technology controls, as well as risk management systems; • Reviewing the whistle-blowing policy and procedures; and • Making recommendations to the Board on all the above matters. The AC has full access to and cooperation from Management, as well as from the external and internal auditors. It has full discretion to invite any Director or management executive to attend its meetings. The external and internal auditors have unrestricted access to the AC. The AC has reasonable resources to enable it to discharge its functions properly. The AC has reviewed the extent of non-audit services provided by the external auditors and is satisfied that their independence has not been compromised. A breakdown of fees paid to the external auditors for audit and non-audit services is disclosed in the Notes to the Financial Statements in this Annual Report. The Group has put in place a whistle-blowing policy to provide a formal avenue for employees and external parties to raise matters of concern about suspected fraud, corruption, dishonest practices or other improprieties in matters under good faith and in confidence, and without fear of reprisals. The objective of such a policy is to ensure independent investigation of such matters and appropriate follow-up actions. All whistle-blowing reports received and findings of the investigations are reported to the AC. The Group treats all information received confidentially and commits to protecting the identity and the interests of all whistle-blowers. It is also committed to ensuring that whistle-blowers will be treated fairly and protected against detrimental or unfair treatment from whistle-blowing in good faith. The Group also provides a well-defined and accessible whistle-blowing channel for the public. The public/other persons may, in confidence, raise concerns about possible improprieties in matters of financial reporting or other matters by submitting a whistle-blowing report to the AC chairman. Upon the completion of investigation by the AC or the Board (as the case may be), the outcome will be communicated to the whistle-blower where possible. The AC is responsible for overseeing and monitoring the whistle-blowing policy. Any incidents of complaint in good faith would be submitted for the AC's review and the outcome of each investigation is reported to the AC. An item on whistle-blowing is on the agenda at AC meetings which are held semi-annually and the AC will review and ensure that all reports are independently investigated and that appropriate follow-up actions are taken and documented.						
Provision 10.2	As at the date of this report, the AC comprises the following three (3) Directors, all of whom are Non-Executive and Independent: <table> <tr> <td>Mr Albert Chew Khat Khiam</td><td>Chairman (Non-Executive, Independent)</td></tr> <tr> <td>Ms Tan Siok Chin</td><td>Member (Non-Executive, Lead Independent)</td></tr> <tr> <td>BG (RET) Lim Yeow Beng⁽¹⁾</td><td>Member (Non-Executive, Independent)</td></tr> </table> <u>Annotation:</u> ⁽¹⁾ BG (RET) Lim Yeow Beng was appointed as a member of the AC on 1 July 2025. CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

Guideline	Compliance with the Code
Provision 10.4	The role of the internal auditors is to assist the AC in ensuring that the Group maintains a sound system of internal controls through regular monitoring of key controls and procedures, and ensuring their effectiveness, as well as undertaking investigations as directed by the AC. The internal auditors have unrestricted access to all the Company's documents, records, properties and personnel, including access to the AC and have appropriate standing within the Group. The Group has outsourced its internal audit function to an independent professional firm, CLA Global TS Risk Advisory Pte Ltd, which reports directly to the AC. The AC reviews the independence, adequacy, and effectiveness of the internal audit function annually and is satisfied that, for the financial year under review, the internal audit function was independent, effective, adequately resourced, and has the appropriate standing within the Group.
Provision 10.5	During FY2026, the Company's internal and external auditors were invited to attend the AC meetings and made presentations as appropriate. The internal and external auditors also met separately with the AC without the presence of Management.
IV. SHAREHOLDER RIGHTS AND ENGAGEMENT The Company believes in treating all shareholders fairly and equitably by recognising, protecting and facilitating the exercise of shareholders' rights, and by continuously reviewing and updating its governance arrangements. The Company also supports effective and fair communication with its shareholders and encourages their participation at general meetings.	
Principle 11: Shareholder Rights and Conduct of General Meetings	
Provision 11.1	The Company ensures that shareholders have the opportunity to participate effectively in and vote at the general meetings. Shareholders are informed of the rules governing such meetings. Shareholders are informed of shareholders' meetings through notices in annual reports or circulars sent to all shareholders within the notice period prescribed by the regulations. These notices are also published in newspapers and posted on SGXNET, and the Company's corporate website. Shareholders are encouraged to attend the general meetings to ensure high level of accountability, to put forth any questions they may have on the motions to be debated and decided upon, and to stay informed of the Group's strategic goals and business update. As with the previous year, the upcoming AGM for FY2026 will be conducted as a physical meeting. There will be no option for shareholders to participate via electronic means.
Provision 11.2	Matters which require shareholders' approval at general meetings are presented and proposed as a separate resolution and are distinct in terms of issue. All resolutions at general meetings are single-item resolutions. For resolutions relating to special business, the explanatory notes in the notice of meeting provide a descriptive explanation of their effects. All resolutions are voted on by poll to better reflect shareholders' proportional interests and enhance transparency. Poll results for each resolution are announced after the meeting via SGXNET and the Company's website. Shareholders were also given the opportunity to submit questions relating to the resolutions in advance of and during the AGM. Votes for and against each resolution were tallied and displayed live-on-screen to shareholders at the AGM.
Provision 11.3	All Directors, including the Chairman of the Board and the Board Committees attend all general meetings to address issues raised by shareholders. During FY2026, all Directors attended the general meeting held during the financial year, except for one (1) Director who was unable to attend as the Director was unwell. The Company's external auditors are also present to address shareholders' queries about the conduct of audit and the preparation and content of the auditors' report. The attendance of the Directors at the general meeting held in FY2026 is set out under Provision 1.5 of this Report.

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

Guideline	Compliance with the Code
Provision 11.4	The Company's Constitution allows shareholders to vote in person or by proxy at general meetings. Each shareholder may appoint up to two (2) proxies. Proxy forms are provided to shareholders in advance of each meeting. Investors holding shares through nominees such as the Central Provident Fund (CPF) or custodian banks may attend the AGM as observers, subject to seat availability.
Provision 11.5	The proceedings of general meetings, including substantial and relevant shareholder questions and the corresponding responses from the Board and Management, are recorded in minutes. These minutes are published on SGXNET and the Company's website as soon as practicable. The minutes of the last AGM, held on 29 August 2025, were published within one (1) month of the meeting on both platforms.
Provision 11.6	The Company does not have a formal dividend policy at present. The form, frequency and amount of dividends declared each year will take into consideration the Group's performance in the relevant financial period, cash position, projected capital requirements, working capital requirements and other factors as the Board may deem appropriate. Dividend payments are clearly communicated to shareholders via announcements on SGXNET. Pursuant to Rule 704(24) of the Listing Manual, if the Board decides not to declare or recommend a dividend, the Company will expressly disclose the reason(s) for the decision together with the announcement of the financial statements.
Principle 12: Engagement with Shareholders	
Provision 12.1	To promote a better understanding of shareholders' views, the Board actively encourages shareholders to participate during the Company's general meetings. These meetings provide excellent opportunities for the Company to obtain shareholders' views on value creation. Further, Management would meet analysts and fund managers as appropriate. The Board recognises the need to keep shareholders informed of material developments in the Company. This is done through appropriate press releases and announcements published on SGXNET and the Company's website whenever required by the Listing Manual. When immediate disclosure is not practicable, the relevant announcement is made as soon as possible to ensure that all stakeholders and the public have equal access to the information. Where there is inadvertent disclosure made to a select group, the Company will make the same disclosure publicly to all others as promptly as possible on the Company's website.
Provision 12.2	The Board embraces openness and transparency in the conduct of the Company's affairs, whilst safeguarding its commercial interests. An investor relations contact was provided in the Company's website which stakeholders can use to voice their concerns about possible violation of their rights. Material information is communicated to shareholders on a timely and non-selective basis.
Provision 12.3	General meetings have been and are still the principal forum for dialogue with shareholders. At these general meetings, shareholders are able to engage the Board and Management on the Group's business activities, financial performance and other business-related matters. The Company could also gather views or input and address shareholders' concerns at general meetings.
Principle 13: Engagement with Stakeholders	
Provision 13.1	The Group has identified stakeholders as those who are impacted by the Group's business and operations as well as those who have a material impact on the Group's business and operation. Such stakeholders include communities, customers, staff, regulators, shareholders and investors. The Group engages its stakeholders through various channels to ensure that the business interests of the Group are balanced against the needs and interest of its shareholders.
Provision 13.2	The Group undertakes a formal stakeholder engagement exercise, which is facilitated by a third party at least once every three (3) years to determine the environmental, social and governance issues that are important to the stakeholders. These issues form the materiality matrix upon which targets, metrics, programmes and progress are reviewed and approved by the Board, before they are published annually in the sustainability report. Further details can be found in our sustainability report for FY2026.

DIRECTORS' STATEMENT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

Audit Committee (Continued)

The Audit Committee also reviewed the following:

- assistance provided by the Company's officers to the internal and external auditors;
- half yearly financial information and annual financial statements of the Group and the Company prior to their submission to the directors of the Company for adoption; and
- interested person transactions (as defined in Chapter 9 of the SGX Listing Manual).

The Audit Committee has full access to management and is given the resources required for it to discharge its functions. It has full authority and the discretion to invite any director or executive officer to attend its meetings. The Audit Committee also recommends the appointment of the external auditors and reviews the level of audit and non-audit fees.

The Audit Committee is satisfied with the independence and objectivity of the external auditors and has recommended to the Board of Directors that the auditors, Foo Kon Tan LLP, be nominated for re-appointment as auditors at the forthcoming Annual General Meeting of the Company.

In appointing our auditors for the Company, subsidiaries and significant associated companies, we have complied with Rules 712 and 715 of the SGX Listing Manual.

Independent auditor

The independent auditor, Foo Kon Tan LLP, Public Accountants and Chartered Accountants, has expressed its willingness to accept re-appointment.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF VIBRANT GROUP LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Vibrant Group Limited (the "Company") and its subsidiaries (the "Group"), which comprise the consolidated statement of financial position of the Group and the statement of financial position of the Company as at 30 April 2026, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying consolidated financial statements of the Group and the statement of financial position of the Company are properly drawn up in accordance with the provisions of the Companies Act 1967 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)s") so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 30 April 2026, and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities ("ACRA Code"), as applicable to audits of financial statements of public interest entities, together with the ethical requirements that are relevant to audits of the financial statements of public interest entities in Singapore. We have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Recoverability of amounts due from an associate (Notes 11 and 29(B) to the financial statements)

As at 30 April 2026, the Group's loans receivable, related interest receivable and other non-trade receivable due from an associate, Vibrant Pucheng Logistics (Chongqing) Co., Ltd ("Vibrant Pucheng"), amounted respectively to \$17.1 million (RMB91.3 million), \$11.0 million (RMB58.6 million) and \$11.9 million (RMB63.7 million), making up collectively 9% of the Group's total assets. In the current year, the Group recognised an impairment loss of \$0.2 million.

Vibrant Pucheng is undergoing certain legal proceedings commenced by a contractor in relation to its construction of a property situated in the People's Republic of China ("PRC") that is owned by Vibrant Pucheng. The Group has assessed the allowance for expected credit losses ("ECL") on the amounts due from Vibrant Pucheng by estimating a range of possible outcomes and their respective probabilities, including the availability and realisable value of the assets of Vibrant Pucheng to repay its debts. For this purpose, the Group has engaged an independent valuer to perform a market valuation of the property which makes up a significant portion of the assets of Vibrant Pucheng. In addition, the Group has also considered that certain amounts due from Vibrant Pucheng of \$26.9 million (RMB143.6 million) have been funded by a loan from a related party, that is, the Group is not obliged or required to repay the loan from the related party if the Group has not recovered its loans extended to Vibrant Pucheng.

The recoverability of the amounts due from an associate is determined to be a key audit matter because of the inherent subjectivity and significant judgement applied in assessing the allowance for ECL, including the valuation method and assumptions used in determining the availability and realisable value of the assets of the associate to repay its debts.

Key Audit Matters (Continued)

1. Recoverability of amounts due from an associate (Notes 11 and 29(B) to the financial statements) (Continued)

How the matter was addressed in the audit:

We reviewed the appropriateness of the Group's processes relating to monitoring the recoverability of the amounts due from the associate, including the methodology and assumptions used to estimate the availability and realisable value of the assets of the associate to repay its debts. For the valuation of the property, through engaging the auditor's expert, we assessed the appropriateness of the methodology and assumptions used by the independent valuer.

We evaluated the professional competence, qualifications and objectivity of the management's expert, and we obtained an understanding of and assessed the appropriateness of their work as audit evidence. We evaluated whether the auditor's expert had the necessary competence, capability and objectivity for our audit purposes.

We reviewed the adequacy of the disclosures in the financial statements about the significant judgement and estimation uncertainty involved in determining the allowance for ECL on the amounts due from the associate.

2. Impairment assessment on investments in associates (Note 8 to the financial statements)

As at 30 April 2026, the Group's investments in associates amounted to \$61.4 million, which comprised 14% of the Group's total assets. In the current year, the Group's share of profits of associates and net reversal of impairment loss on investments in associates amounted to \$1.3 million and \$2.6 million respectively.

The Group assesses at each reporting date whether there are any indicators that the investments in associates may be impaired, or that an impairment loss previously recognised may no longer exist. An impairment exists when the carrying value of an investment in associate exceeds its recoverable amount, which is the higher of its fair value less costs of disposal ("FVLCD") and value in use. An impairment loss is reversed only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised in prior years.

In determining the FVLCD of the investments in associates, the Group has applied the Residual Net Assets Value ("RNAV") method for unquoted investments, or has referred to the stock exchange quoted bid price for quoted investments. Under the RNAV method, the Group has engaged an independent valuer to perform a market valuation of a property which affects significantly the recoverable amount of an investment in associate.

The impairment assessment of investments in associates is considered to be a key audit matter because of the significant inherent risk of impairment and the significant judgement and estimation uncertainty involved in determining the recoverable amount, including the valuation method and assumptions used.

How the matter was addressed in the audit:

We reviewed the appropriateness of the Group's impairment assessment process, including the indicators for impairment loss or reversal of impairment, and the valuation method used in determining the recoverable amount of the investment in associate.

We checked the validity of the inputs used by the Group in determining the recoverable amount. For the valuation of the property, through engaging the auditor's expert, we assessed the appropriateness of the methodology and assumptions used by the independent valuer.

We evaluated the professional competence, qualifications and objectivity of the management's expert, and we obtained an understanding of and assessed the appropriateness of their work as audit evidence. We evaluated whether the auditor's expert had the necessary competence, capability and objectivity for our audit purposes.

We reviewed the adequacy of the disclosures in the financial statements in respect of the impairment assessment of the Group's investments in associates.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF VIBRANT GROUP LIMITED

Key Audit Matters (Continued)

3. Valuation of investment properties (Notes 6 and 32 to the financial statements)

As at 30 April 2026, the Group's investment properties were located in Malaysia and the PRC, with an aggregate carrying amount of \$135.8 million, representing 30% of the Group's total assets. In the current year, the Group recognised a fair value loss of \$3.0 million on investment properties.

The Group's investment properties are stated at fair value based on independent professional valuations. The fair values are based on open market values, being the estimated amount for which a property could be exchanged on the date of the valuation between a willing buyer and a willing seller in an arm's length transaction wherein the parties have each acted knowledgeably and without compulsion. The valuers have considered valuation techniques including the market comparison approach and discounted cash flows in arriving at the open market value as at the reporting date. In determining the fair value, the valuers have used valuation techniques which involve certain estimates. The key assumptions used to determine the fair value of investment properties include the comparable sales, discount rate and rental rates, as well as the estimated costs to complete.

The valuation of investment properties is considered a key audit matter as it involves significant judgement in determining the appropriate valuation methodology and underlying assumptions.

How the matter was addressed in the audit:

We reviewed the appropriateness of the valuation methodologies used by the external valuers. For the valuation of the Group's investment property in Malaysia, through engaging the auditor's expert, we assessed the reasonableness of the key assumptions used in the external valuer's valuation by reference to public data such as the recent sales transactions, internal available data and historical benchmarks, and we checked that these assumptions were consistent with the current market environment. For the valuation of the Group's investment property in the PRC, we checked the integrity of the inputs in the projected cash flows used in the valuation to lease contracts and other supporting documents.

We tested the mathematical accuracy of the arithmetical calculation in the external valuations. We discussed with the external valuers to understand how they considered the implications of possible slowdown in the property segment and market uncertainties in the valuation.

We evaluated the professional competence, qualifications and objectivity of the management's expert, and we obtained an understanding of and assessed the appropriateness of their work as audit evidence. We evaluated whether the auditor's expert had the necessary competence, capability and objectivity for our audit purposes.

We reviewed the adequacy of the disclosures in the financial statements, in describing the inherent degree of subjectivity and key assumptions used in the valuation of investment properties.

4. Recoverability of trade and other receivables (Notes 11 and 31 to the financial statements)

As at 30 April 2026, the Group's trade and other receivables amounted to \$85.9 million, representing 19% of the Group's total assets. In the current year, the Group recognised a net impairment loss of \$190,000 on trade and other receivables.

For trade receivables, the Group uses an allowance matrix to measure the ECL from individual customers, which comprise a very large number of small balances. The loss rates are calculated using a "roll rate" method based on the probability of a receivable progressing through successive stages of delinquency to write off. The roll rates are calculated separately for exposures in different segments based on the historical observed default rates. For other receivables, the Group assesses the qualitative and quantitative factors that are indicative of the risk of default, and determines the ECL for each outstanding receivable based on the probability of default and loss given default.

The recoverability of trade and other receivables is determined to be a key audit matter because of the inherent subjectivity and significant judgement applied in assessing the allowance for ECL.

TO THE MEMBERS OF VIBRANT GROUP LIMITED

Key Audit Matters (Continued)

4. Recoverability of trade and other receivables (Notes 11 and 31 to the financial statements) (Continued)

How the matter was addressed in the audit:

We reviewed the appropriateness of the Group's processes relating to monitoring the recoverability of trade and other receivables, such as determining whether a debtor is credit impaired and collating the data sources and assumptions used in the ECL model.

We assessed the reasonableness of the data sources and assumptions used in determining the default rate and the current and forward looking adjustment factor. We reviewed the appropriateness of the correlation between the default rate and the current and forward looking adjustment factor.

We considered the age of the debts as well as the trend of past collections to identify the debtors with recoverability risks.

We obtained confirmations from the debtors and reviewed for recoverability risks by obtaining evidence of receipts from the debtors subsequent to the reporting date.

We reviewed the adequacy of the disclosures in the financial statements about the significant judgement and estimation uncertainty involved in determining the allowance for ECL.

5. Impairment assessment of property, plant and equipment and right-of-use assets (Notes 4 and 5 to the financial statements)

As at 30 April 2026, the Group's property, plant and equipment and right-of-use assets amounted respectively to \$74.6 million and \$33.0 million, which made up collectively 24% of the Group's total assets. In the current year, the Group recognised an impairment loss of \$531,000 on property, plant and equipment.

The Group assesses whether there are any indicators of impairment for its property, plant and equipment and right-of-use assets at the end of each reporting period. These property, plant and equipment and right-of-use assets are tested for impairment when there are indicators that the carrying amount may not be recoverable. An impairment exists when the carrying value of an asset or a cash generating unit ("CGU") exceeds its recoverable amount, which is the higher of its FVLCD and value in use. In determining the FVLCD of prime movers and trailers, the Group has engaged an independent valuer who has used the cost approach to determine their market value.

The impairment assessment of property, plant and equipment and right-of-use assets is considered a key audit matter due to their significant inherent risk of impairment and the high degree of estimation uncertainty in estimating their recoverable amounts.

How the matter was addressed in the audit:

We reviewed the appropriateness of the Group's processes for identifying the assets and CGUs subject to impairment testing. We assessed the reasonableness of the Group's assessment for indicators of impairment.

We evaluated the professional competence, qualifications and objectivity of the management's expert, and we obtained an understanding of and evaluated the appropriateness of their work as audit evidence.

We assessed the reasonableness of the Group's conclusion to recognise impairment loss, if any.

We reviewed the adequacy of the disclosures in the financial statements in respect of the impairment assessment of the Group's property, plant and equipment and right-of-use assets, if any.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF VIBRANT GROUP LIMITED

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I)s, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the group as a basis for forming an opinion on the group financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

INDEPENDENT AUDITOR'S REPORT

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Ling Guo Leng.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

1 GENERAL INFORMATION

The financial statements of the Group and of the Company for the financial year ended 30 April 2026 were authorised for issue in accordance with a resolution of the directors on the date of the Directors' Statement.

The Company was incorporated as a limited liability company and domiciled in Singapore. The registered office and place of business is located at 51 Penjuru Road, #04-00, Singapore 609143.

The principal activities of the Group are those relating to freight forwarding, chemical logistics, warehousing and logistics, leasing of industrial buildings, investment holding, real estate fund and property management services, financial leasing services, property development and property investment. The principal activities of the Company are that of an investment holding company.

The immediate and ultimate holding company during the financial year is Vibrant Capital Pte. Ltd., a company incorporated in Singapore.

2 BASIS OF PREPARATION

2.1 Statement of compliance

The financial statements are prepared in accordance with the provisions of the Singapore Companies Act 1967 and Singapore Financial Reporting Standards (International) ("SFRS(I)").

2.2 Basis of measurement

The financial statements have been prepared on the historical cost basis except as otherwise described in the notes below.

2.3 Functional and presentation currency

Items included in the financial statements of each entity in the Group are measured using the currency of the primary economic environment in which the entity operates ("functional currency").

These financial statements are presented in Singapore dollars which is the Company's functional currency. All financial information has been presented in Singapore dollars and rounded to the nearest thousand (\$'000), unless otherwise stated.

2.4 Use of estimates and judgements

The preparation of the financial statements in conformity with SFRS(I) requires the use of judgements, estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the financial year. Although these estimates are based on management's best knowledge of current events and actions, actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

The critical accounting estimates and assumptions used in applying accounting policies and areas involving a high degree of judgement are described below.

(a) Judgements made in applying accounting policies

In the process of applying the Group's accounting policies, management has made the following judgements which have the most significant effect on the amounts recognised in the consolidated financial statements:

(i) Contingent liabilities and contingencies

Disclosure of contingencies is based on management's view of the expected outcome after consulting legal counsel for litigation cases and experts. Details of the contingent liabilities and contingencies are presented in Note 28 and 29 to the financial statements respectively.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

2 BASIS OF PREPARATION (CONTINUED)

2.4 Use of estimates and judgements (Continued)

(b) *Key sources of estimation uncertainty*

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of each reporting period are discussed below. The Group based on its assumptions and estimates on parameters available when the financial statements are prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

(i) Impairment of non-financial assets (Notes 4, 5, 7 and 8)

The Group and the Company assessed whether there are any indicators of impairment for non-financial assets, comprising, property, plant and equipment, right-of-use assets and investments in subsidiaries and associates at the end of each reporting period. These non-financial assets are tested for impairment when there are indicators that the carrying amounts may not be recoverable.

An impairment exists when the carrying value of an asset or a cash-generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value-in-use.

(ii) Valuation of investment properties (Notes 6 and 32)

Investment properties are stated at fair value based on valuation performed by an independent professional valuer. In determining the fair value, the valuer used a valuation method which involves certain estimates. In relying on the valuation report, management has exercised judgement and is satisfied that the valuation method is reflective of the current market conditions and the estimations used are appropriate. The Group's carrying amount of investment properties is disclosed in Note 6 to the financial statements.

Refer to Note 32 for the determination of fair value of investment properties.

(iii) Provision of expected credit losses of trade and other receivables (Note 11)

As at 30 April 2026, the Group's and the Company's net trade receivables amounted to \$23.6 million and \$0.2 million (2025 – \$24.5 million and \$0.5 million), respectively. Management uses a provision matrix to calculate expected credit losses (ECLs) for trade receivables from individual customers, which comprise a very large number of small balances.

Loss rates are calculated using a "roll rate" method based on the probability of a receivable progressing through successive stages of delinquency to write off. Roll rates are calculated separately for exposures in different segments based on the historical observed default rates.

Management will calibrate the matrix to adjust historical credit loss experience with forward-looking information. At each reporting date, the historical default rates are updated and changes in the forward-looking estimates are analysed.

The Group's and the Company's credit risk exposures on finance lease receivables, other receivables comprising loans to and non-trade amounts due from subsidiaries, associates, related and third parties are assessed based on qualitative and quantitative factors that are indicative of risk of default (including but not limited to external ratings, audited financial statements, management accounts, cashflow projections and available press information). Impairment on these balances has been measured on a 12-month expected credit loss basis.

The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and forecast of economic conditions. The Group's and the Company's historical credit loss experiences and forecast of economic conditions may also not be representative of its trade and other receivables' actual default in the future. The information about the ECLs on the Group's and the Company's trade and other receivables is disclosed in Notes 11 and 31.

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

2 BASIS OF PREPARATION (CONTINUED)

2.5 Adoption of new and amended standards and interpretations

The Group and the Company has applied Amendments to SFRS(I) 1-21 Lack of Exchangeability for the first time for the annual period beginning on 1 May 2025. The application of these amendments to accounting standards and interpretations did not have a material effect on the financial statements.

2.6 Standards issued but not yet effective

At the date of authorisation of these financial statements, the Group and the Company have not adopted the new and revised SFRS(I), and amendments to SFRS(I) that have been issued but are not yet effective. Management anticipates that the adoption of these new and revised SFRS(I) pronouncements in future periods will not have a material impact on the Group's and the Company's financial statements in the period of their initial application.

Amendments to SFRS(I) 10 and SFRS(I) 1-28	<i>Sale or Contribution of Assets between an Investor and its Associate or Joint Venture</i>	Yet to be determined

SFRS(I) 18 Presentation and Disclosure in Financial Statements

SFRS(I) 18 that replaces SFRS(I) 1-1 Presentation of Financial Statements:

- introduces new categories and subtotals in the statement of profit or loss;
- requires disclosure of management-defined performance measures; and
- includes new requirements for the location, aggregation and disaggregation of financial information.

An entity will be required to:

- classify all income and expenses within its statement of profit or loss into five categories: operating, investing, financing, income taxes, and discontinued operations; and
- present subtotals for "operating profit or loss" and "profit or loss before financing and income taxes".

An entity will need to assess whether it has a 'main business activity' of investing in assets or providing financing to customers, as specific classification requirements will apply to such entities. Determining whether an entity has such a specified main business activity depends on the facts and circumstances and may require significant judgement. An entity may have more than one main business activity.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

2 BASIS OF PREPARATION (CONTINUED)

2.6 Standards issued but not yet effective (Continued)

SFRS(I) 18 Presentation and Disclosure in Financial Statements (Continued)

SFRS(I) 18 introduces the concept of a management-defined performance measure (MPM) which it defines as a subtotal of income and expenses that an entity uses in public communications outside financial statements, to communicate management's view of an aspect of the financial performance of the entity. Furthermore, SFRS(I) 18 requires disclosure of information about all of an entity's MPMs within a single note to the financial statements and requires several disclosures to be made about each MPM, including how the measure is calculated and a reconciliation to the most comparable subtotal specified by SFRS(I) 18 or another standard.

SFRS(I) 18 differentiates between 'presenting' information in the primary financial statements and 'disclosing' it in the notes and introduces a principle for determining the location of information based on identified 'roles' of the primary financial statements and the notes. SFRS(I) 18 requires aggregation and disaggregation of information to be performed with reference to similar and dissimilar characteristics. Guidance is also provided for determining meaningful descriptions, or labels, for items that are aggregated in the financial statements.

SFRS(I) 18 and consequential amendments to other standards are effective for reporting periods beginning on or after 1 January 2027 and will apply retrospectively. Early adoption is permitted and must be disclosed. The Group and the Company are currently assessing the impact of SFRS(I) 18. It is currently impracticable to disclose any further information on the known or reasonably estimable impact to the financial statements in the period of initial application.

3 MATERIAL ACCOUNTING POLICY INFORMATION

3.1 Basis of consolidation

Business combinations

Business combination is accounted for using the acquisition method when the acquired set of activities and assets meets the definition of a business and control is transferred to the Group. In determining whether a particular set of activities and assets is a business, the Group assesses whether it includes, at a minimum, an input and substantive process, and whether the acquired set has the ability to produce outputs.

The Group has an option to apply a 'concentration test' that permits a simplified assessment of whether an acquired set of activities and assets is not a business. The optional 'concentration test' is met, and the acquired set of activities and assets is not a business, if substantially all of the fair value of the gross assets acquired is concentrated in a single identifiable asset or group of similar identifiable assets.

Acquisitions before 1 May 2017

As part of transition to SFRS(I), the Group elected not to restate those business combinations that occurred before the date of transition to SFRS(I) i.e. 1 May 2017. Goodwill arising from acquisitions before 1 May 2017 has been carried forward from the previous FRS framework as at the date of transition.

Acquisitions from 1 May 2017

For acquisitions from 1 May 2017, the Group measures goodwill at the date of acquisition as:

- the fair value of the consideration transferred; plus
- the recognised amount of any non-controlling interests (NCI) in the acquiree; plus
- if the business combination is achieved in stages, the fair value of the pre-existing equity interest in the acquiree, over the net recognised amount (generally fair value) of the identifiable assets acquired and liabilities assumed. Any goodwill that arises is tested annually for impairment.

When the excess is negative, a bargain purchase gain is recognised immediately in the consolidated statement of comprehensive income.

The consideration transferred does not include amounts related to the settlement of pre-existing relationships. Such amounts are generally recognised in the statement of comprehensive income.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.1 Basis of consolidation (Continued)

Business combinations (Continued)

Acquisitions from 1 May 2017 (Continued)

Any contingent consideration payable is recognised at fair value at the date of acquisition and included in the consideration transferred. If the contingent consideration that meets the definition of a financial instrument is classified as equity, it is not remeasured and settlement is accounted for within equity. Otherwise, other contingent consideration is remeasured at fair value at each reporting date and subsequent changes to the fair value of the contingent consideration are recognised in the statement of comprehensive income.

When share-based payment awards (replacement awards) are exchanged for awards held by the acquiree's employees (acquiree's awards) and relate to past services, then all or a portion of the amount of the acquirer's replacement awards is included in measuring the consideration transferred in the business combination. This determination is based on the market-based value of the replacement awards compared with the market-based value of the acquiree's awards and the extent to which the replacement awards relate to past and/or future service.

NCIs that are present ownership interests and entitle their holders to a proportionate share of the acquiree's net assets in the event of liquidation are measured either at fair value or at the NCI's proportionate share of the recognised amounts of the acquiree's identifiable net assets, at the date of acquisition. The measurement basis taken is elected on a transaction-by-transaction basis. All other NCIs are measured at acquisition-date fair value, unless another measurement basis is required by SFRS(I)s.

Costs related to the acquisition, other than those associated with the issue of debt or equity investments, that the Group incurs in connection with a business combination are expensed as incurred.

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the end of the reporting period. The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied to transactions and events in similar circumstances.

All intra-group balances, income and expenses, and unrealised gains and losses resulting from intra-group transactions and dividends are eliminated in full.

Subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control and continue to be consolidated until the date that such control ceases. Losses and other comprehensive income applicable to the non-controlling interests in a subsidiary are allocated to non-controlling interests even if doing so causes the non-controlling interests to have a deficit balance.

A subsidiary is an investee that is controlled by the Group. The Group controls an investee when it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

Thus, the Group controls an investee if, and only if, the Group has all of the following:

- power over the investee;
- exposure, or rights to variable returns from its involvement with the investee; and
- the ability to use its power over the investee to affect its returns.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Group has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.1 Basis of consolidation (Continued)

Business combinations (Continued)

Acquisitions from 1 May 2017 (Continued)

The Group considers all relevant facts and circumstances in assessing whether or not the Group's voting rights in an investee are sufficient to give it power, including:

- the size of the Group's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Group, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- any additional facts and circumstances that indicate that the Group has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

Non-controlling interests represent the equity in subsidiaries not attributable, directly or indirectly, to owners of the Company, and are presented separately in the consolidated statement of comprehensive income and within equity in the consolidated statement of financial position, separately from equity attributable to owners of the Company.

Changes in ownership interests in subsidiaries

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Group.

When the Group loses control over a subsidiary, a gain or loss is recognised in the consolidated statement of comprehensive income and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest; and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interest.

All amounts previously recognised in other comprehensive income in relation to that subsidiary are accounted for as if the Group had directly disposed of the related assets or liabilities of the subsidiary (i.e. reclassified to profit or loss or transferred to another category of equity as specified/permitted by applicable SFRS(I)s). The fair value of any investment retained in the former subsidiary at the date when the control is lost is regarded as the fair value on the initial recognition for subsequent accounting under SFRS(I) 9 or, when applicable, the cost on initial recognition of an investment in an associate or a joint venture.

3.2 Property, plant and equipment and depreciation

Property, plant and equipment are stated at cost, less accumulated depreciation and accumulated impairment losses, if any. Depreciation on other items of property, plant and equipment is calculated using the straight-line method to allocate their depreciable amount over their estimated useful lives as follows:

Leasehold buildings	:	10 to 60 years, or lease term if shorter
Motor vehicles, trucks and prime movers	:	5 to 15 years
Office equipment and machinery	:	5 to 30 years
Furniture, fixtures and fittings	:	3 to 10 years

The cost of property, plant and equipment includes expenditure that is directly attributable to the acquisition of the items. Dismantlement, removal or restoration costs are included as part of the cost of property, plant and equipment if the obligation for dismantlement, removal or restoration is incurred as a consequence of acquiring or using the asset.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.2 Property, plant and equipment and depreciation (Continued)

Subsequent expenditure relating to property, plant and equipment that have been recognised is added to the carrying amount of the asset when it is probable that future economic benefits in excess of the standard of performance of the asset before the expenditure was made will flow to the Group and the cost can be reliably measured. Other subsequent expenditure is recognised as an expense during the financial year in which it is incurred.

For acquisitions and disposals during the financial year, depreciation is provided from the date of acquisition and to the date before disposal, respectively. Fully depreciated property, plant and equipment are retained in the books of accounts until they are no longer in use.

The gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amounts of the assets and is recognised on the statement of comprehensive income.

Depreciation methods, useful lives and residual values are reviewed, and adjusted as appropriate, at each reporting date as a change in estimates.

3.3 Leases

(i) The Group as a lessee

The Group assesses whether a contract is or contains a lease at inception of the contract. The Group recognises a right-of-use asset and a corresponding lease liability with respect to all lease arrangements in which it is the lessee, except for short-term leases (defined as leases with a lease term of twelve months or less) and leases of low value assets. For these leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased assets are consumed.

(a) Lease liability

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Group uses the incremental borrowing rate specific to the lessee.

The incremental borrowing rate is defined as the rate of interest that the lessee would have to pay to borrow over a similar term and with a similar security the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

Lease payments included in the measurement of the lease liability comprise:

- fixed lease payments (including in-substance fixed payments), less any lease incentives;
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- the amount expected to be payable by the lessee under residual value guarantee;
- exercise price of purchase options, if the lessee is reasonably certain to exercise the options; and
- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

Variable lease payments that are not based on an index or a rate are not included as part of the measurement and initial recognition of the lease liability. The Group shall recognise those lease payments in the statement of comprehensive income in the periods that trigger those lease payments.

For all contracts that contain both lease and non-lease components, the Group has elected to not separate lease and non-lease components and account these as one single lease component.

3.3 Leases (Continued)

(i) The Group as a lessee (Continued)

(a) Lease liability (Continued)

The lease liabilities are presented as a separate line item in the consolidated statement of financial position. The lease liability is subsequently measured at amortised cost, by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Group remeasures the lease liability (with a corresponding adjustment to the related right-of-use asset or to the statement of comprehensive income if the carrying amount of the right-of-use asset has already been reduced to nil) whenever:

- the lease term has changed or there is a significant event or change in circumstances resulting in a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate;
- the lease payments change due to changes in an index or rate or a change in expected payment under a guaranteed residual value, in which case the lease liability is remeasured by discounting the revised lease payments using the initial discount rate (unless the lease payments change is due to a change in a floating interest rate, in which case a revised discount rate is used); or
- a lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate at the effective date of the modification.

(b) Right-of-use asset

The right-of-use asset comprises the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day, less any lease incentives received and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Whenever the Group incurs an obligation for costs to dismantle and remove a leased asset, restore the site on which it is located or restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognised and measured under SFRS(I) 1-37. To the extent that the costs relate to a right-of-use asset, the costs are included in the related right-of-use asset, unless those costs are incurred to produce inventories.

Depreciation on right-of-use assets is calculated using the straight-line method to allocate their depreciable amounts over the shorter period of lease term and useful life of the underlying asset, as follows:

Leasehold land and building	:	2 years to 37 years
Warehouse complex	:	Over the lease period of 10 years
Motor vehicles, trucks & prime movers	:	2 years to 5 years
Office equipment & machinery	:	2 years to 5 years
Furniture, fixtures & fittings	:	3 years to 5 years

If a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the Group expects to exercise a purchase option, the related right-of-use asset is depreciated over the useful life of the underlying asset. The depreciation starts at the commencement date of the lease.

The right-of-use assets are presented as a separate line item in the consolidated statement of financial position. A right-of-use asset which meets the definition of an investment property is presented within "investment properties" in the statement of financial position. The Group applies SFRS(I) 1-36 to determine whether a right-of-use asset is impaired and accounts for any identified impairment loss.

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.3 Leases (Continued)

(ii) The Group as a lessor

When the Group acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease. To classify each lease, the Group makes an overall assessment of whether the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset. If this is the case, then the lease is a finance lease; if not, then it is an operating lease. As part of this assessment, the Group considers certain indicators such as whether the lease is for the major part of the economic life of the asset.

At inception or on modification of a contract that contains a lease component, the Group allocates the consideration in the contract to each lease component on the basis of their relative stand-alone prices. If an arrangement contains lease and non-lease components, then the Group applies SFRS(I) 15 to allocate the consideration in the contract. The Group applies the derecognition and impairment requirements in SFRS(I) 9 to the net investment in the lease. The Group regularly reviews the estimated unguaranteed residual values used in calculating the gross investment in the lease.

3.4 Investment properties

Investment properties are properties held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes.

Investment properties are measured at cost on initial recognition and subsequently at fair value, determined annually by independent professional valuers on a highest and best use basis, with changes recognised in the statement of comprehensive income.

Any gain or loss on disposal of an investment property (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognised in the statement of comprehensive income.

When the use of a property changes such that it is reclassified as property, plant and equipment or development properties, its fair value at the date of reclassification becomes its cost for subsequent accounting. Property that is being constructed for future use as investment property is accounted for at fair value.

3.5 Subsidiaries

In the Company's separate financial statements, investments in subsidiaries are stated at cost less allowance for any impairment losses on an individual subsidiary basis.

3.6 Associates

Associates are those entities in which the Group has significant influence, but not control or joint control, over the financial and operating policies of these entities. Significant influence is presumed to exist when the Group holds 20% or more of the voting power of another entity.

Investments in associates are accounted for using the equity method. They are recognised initially at cost, which includes transaction costs. Subsequent to initial recognition, the consolidated financial statements include the Group's share of the profit or loss and other comprehensive income of the equity-accounted investees, after adjustments to align the accounting policies of the equity accounted investees with those of the Group, from the date that significant influence commences until the date that significant influence ceases.

When the Group's share of losses exceeds its interest in an equity-accounted investee, the carrying amount of the investment, together with any long-term interests that form part thereof, is reduced to zero, and the recognition of further losses is discontinued except to the extent that the Group has an obligation to fund the investee's operations or has made payments on behalf of the investee.

In the Company's separate financial statements, investments in associates are stated at cost less allowance for any impairment losses on an individual associate basis.

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.7 Impairment of non-financial assets

As at each reporting date, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value-in-use. In assessing value-in-use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of comprehensive income, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the statement of comprehensive income, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

3.8 Financial instruments

Financial instruments carried on the statement of financial position include financial assets and financial liabilities. The particular recognition methods adopted are disclosed in the individual policy statements associated with each item. These are recognised on the Group's and the Company's statement of financial position when the Group and the Company become a party to the contractual provisions of the instrument. Disclosures of the Group's and the Company's financial risk management objectives and policies are provided in Note 31.

Financial assets and financial liabilities are offset and the net amount presented on the statement of financial position when, and only when, the Group currently has a legally enforceable right to set off the recognised amounts, and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

3.9 Financial assets

Recognition and initial measurement

Non-derivative financial assets and financial liabilities

Trade receivables issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

A financial asset (unless it is a trade receivable without a significant financing component) or financial liability is initially measured at fair value plus, for an item not at fair value through profit or loss ("FVTPL"), transaction costs that are directly attributable to its acquisition or issue. A trade receivable without a significant financing component is initially measured at the transaction price.

On initial recognition, a financial asset is classified as measured at: amortised cost; fair value through other comprehensive income ("FVOCI"); or FVTPL. Financial assets are not reclassified subsequent to their initial recognition unless the Group changes its business model for managing financial assets, in which case all affected financial assets are reclassified on the first day of the first reporting period following the change in the business model.

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.9 Financial assets (Continued)

Recognition and initial measurement (Continued)

Non-derivative financial assets and financial liabilities (Continued)

(i) Financial assets at amortised cost

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Equity investments at FVOCI

On initial recognition of an equity investment that is not held-for-trading, the Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI. This election is made on an investment-by-investment basis.

(iii) Financial assets at FVTPL

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Business model assessment

The Group makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Group's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Group's continuing recognition of the assets.

Financial assets that are held-for-trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.9 Financial assets (Continued)

Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset, on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition.

In making this assessment, the Group considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable rate features;
- prepayment and extension features; and
- terms that limit the Group's claim to cash flows from specified assets (e.g. non-recourse features).

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Subsequent measurement and gains and losses

(i) Financial assets at FVTPL

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the statement of comprehensive income.

(ii) Financial assets at amortised cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the statement of comprehensive income. Any gain or loss on derecognition is recognised in the statement of comprehensive income.

(iii) Equity investments at FVOCI

These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are never reclassified to the statement of comprehensive income.

Derecognition

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.9 Financial assets (Continued)

Derecognition (Continued)

The Group enters into transactions whereby it transfers assets recognised in its statement of financial position but retains either all or substantially all of the risks and rewards of the transferred assets. In these cases, the transferred assets are not derecognised.

3.10 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, and short-term deposits with maturities of three months or less from the date of acquisition that are subject to an insignificant risk of changes in their fair value, and are used by the Group in the management of its short-term commitments.

3.11 Value-added tax and Goods & Services Tax

Revenue, expenses and assets are recognised net of the amount of value-added tax ("VAT") or Goods & Services Tax ("GST"), except where the VAT/GST incurred on a purchase of assets or services is not recoverable from the taxation authorities, in which case the VAT/GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable, and except that trade receivables and trade payables are recorded with the amount of VAT/GST included. The net amount of VAT/GST recoverable from or payable to the taxation authorities are included as part of other receivables or other payables in the statement of financial position.

3.12 Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are deducted against the share capital account.

3.13 Treasury shares

The Group's own equity instruments, which are reacquired (treasury shares) are recognised at cost and deducted from equity. No gain or loss is recognised in the statement of comprehensive income on the purchase, sale, issue or cancellation of the Group's own equity instruments. Any difference between the carrying amount of treasury shares and the consideration received, if reissued, is recognised directly in equity. Voting rights related to treasury shares are nullified for the Group and no dividends are allocated to them.

3.14 Dividends

Final dividends proposed by the directors are not accounted for in shareholders' equity as an appropriation of retained profit, until they have been approved by the shareholders in a general meeting. When these dividends have been approved by the shareholders and declared, they are recognised as a liability.

Interim dividends are simultaneously proposed and declared, because the regulation of constitution of the Company grants the directors the authority to declare interim dividends. Consequently, interim dividends are recognised directly as a liability when they are proposed and declared.

3.15 Borrowings

Borrowings which are due to be settled within twelve months after the end of the reporting period are included in current borrowings in the statement of financial position even though the original terms were for a period longer than twelve months and an agreement to refinance, or to reschedule payments, on a long-term basis is completed after the end of the reporting period. Borrowings due to be settled more than twelve months after the end of reporting period are included in non-current borrowings in the statement of financial position.

The covenants that the Group is required to comply with on or before the reporting date are taken into consideration when classifying the loan as current or non-current at the reporting date. The covenants that the Group is required to comply with after the reporting date do not affect the current or non-current classification of the loan at the reporting date.

Borrowings are initially recognised at fair value (net of transaction costs) and subsequently carried at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption value is recognised in profit or loss over the period of the borrowings using the effective interest method.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.16 Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. They are classified as current liabilities if payment is due within one year or less (or in the normal operating cycle of the business if longer). Otherwise, they are presented as non-current liabilities. Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost using the effective interest method.

3.17 Provisions

Provisions are recognised when the Group and the Company have a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The directors review the provisions annually and where in their opinion, the provision is inadequate or excessive, due adjustment is made.

3.18 Contingencies

A contingent liability is:

- (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group; or
- (b) a present obligation that arises from past events but is not recognised because:
 - (i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - (ii) The amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. Contingent liabilities and assets are not recognised on the statement of financial position of the Group, except for contingent liabilities assumed in a business combination that are present obligations and where the fair values can be reliably determined.

3.19 Borrowing costs

Borrowing costs are recognised in the statement of comprehensive income as incurred except to the extent that they are capitalised. Borrowing costs are capitalised if they are directly attributable to the acquisition, construction or production of a qualifying asset. Foreign exchange differences arising from foreign currency borrowings are capitalised to the extent that they are regarded as an adjustment to interest costs. Capitalisation of borrowing costs commences when the activities to prepare the asset for its intended use or sale are in progress and the expenditures and borrowing costs are incurred. Borrowing costs are capitalised until the assets are ready for their intended use or sale.

3.20 Financial guarantee contracts

Financial guarantees are financial instruments issued by the Company that require the issuer to make specified payments to reimburse the holder for the loss it incurs because a specified debtor fails to meet payment when due in accordance with the original or modified terms of a debt instrument.

Financial guarantees issued are initially measured at fair value. Subsequently, they are measured at the higher of the loss allowance determined in accordance with SFRS(I) 9 and the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of SFRS(I) 15.

ECLs are probability-weighted estimate of credit losses. ECLs are measured for financial guarantees issued as the expected payments to reimburse the holder less any amounts that the Company expects to recover.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.21 Income taxes

Income tax expense represents the sum of the income tax currently payable and deferred income tax.

Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities using the tax rates and tax laws that have been enacted or substantively enacted by the end of reporting period.

Deferred income tax is recognised for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets and liabilities are recognised on transactions that, on initial recognition, give rise to equal amounts of deductible and taxable temporary differences, arising from leases and decommissioning liabilities.

Deferred income tax is provided in full, using the liability method, on temporary differences at the statement of financial position between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax assets and liabilities are recognised for all temporary differences, except:

- Where the deferred tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction affects neither the accounting profit nor taxable profit or loss;
- In respect of temporary differences associated with investments in subsidiaries, where the timing of the reversal of the temporary differences can be controlled by the Group and it is probable that the temporary differences will not reverse in the foreseeable future; and
- In respect of deductible temporary differences and carry-forward of unutilised tax losses, if it is not probable that taxable profits will be available against which those deductible temporary differences and carry-forward of unutilised tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

For the purposes of measuring deferred tax liabilities and deferred tax assets for investment properties that are measured using the fair value model, the carrying amounts of such properties are presumed to be recovered entirely through sale, unless the presumption is rebutted. The presumption is rebutted when the investment property is depreciable and is held within a business model whose objective is to consume substantially all of the economic benefit embodied in the investment property over time, rather than through sale. The carrying amounts of the Group's investment properties are presumed to be recovered entirely through sale.

Current and deferred income taxes are recognised as income or expense in the profit or loss, except to the extent that the tax arises from a business combination or a transaction which is recognised either in other comprehensive income or directly in equity. Deferred tax arising from a business combination is adjusted against goodwill on acquisition.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets and they relate to income taxes levied by the same tax authorities on the same taxable entity, or on different tax entities, provided they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

3.22 Related parties

A related party is defined as follows:

- (a) A person or a close member of that person's family is related to the Group and Company if that person:
 - (i) has control or joint control over the Company;
 - (ii) has significant influence over the Company; or
 - (iii) is a member of the key management personnel of the Group or Company or of a parent of the Company.
- (b) An entity is related to the Group and the Company if any of the following conditions applies:
 - (i) the entity and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);
 - (ii) one entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member);
 - (iii) both entities are joint ventures of the same third party;
 - (iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity;
 - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Company or an entity related to the Company. If the Company is itself such a plan, the sponsoring employers are also related to the Company;
 - (vi) the entity is controlled or jointly controlled by a person identified in (a);
 - (vii) a person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity); or
 - (viii) the entity, or any member of a group of which it is a part, provides key management personnel services to the reporting entity or to the parent of the reporting entity.

3.23 Employee benefits

Short-term employee benefits

Short-term benefit obligations, including accumulated compensated absences, are measured on an undiscounted basis and are expensed as the related service is provided. A provision is recognised for the amount expected to be paid under short-term cash bonuses if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided.

Long-term employee benefits

The Group's net obligation in respect of the other employee benefits other than pension plans is the amount of future benefits that employees have earned in return for their service in the current and prior periods. That benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is the yield at the reporting date on government bonds that have maturity dates approximating the terms of the Group's obligations. The calculation is performed using the projected unit credit method. Any gains and losses are recognised in the statement of comprehensive income in the period in which they arise.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an employee benefit expense in the statement of comprehensive income in the periods during which related services are rendered by employees.

3.23 Employee benefits (Continued)

Key management personnel

Key management personnel are those persons having the authority and responsibility for planning, directing and controlling the activities of the entity. Directors and certain key executive officers are considered key management personnel.

3.24 Revenue recognition

Revenue is measured based on the consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties. Revenue is recognised when the Group satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

Freight and logistics segment

The freight and logistics segment of the Group generates revenue principally by providing freight services and a range of logistics services, including warehousing services, transportation services, inventory management services and record management services.

Freight services

Freight services include air and sea custom clearance, documentation, cartage, handling, transfers and delivery of goods. Revenue from outbound freight forwarding is recognised upon departure of goods from port of disembarkation, while revenue from inward freight forwarding is recognised when goods arrive at port of arrival. Management expects that the amount of revenue recognised by these recognition points would approximate the amount of revenue to be recognised over time as services are performed.

Revenue is recognised based on the price specified in the contract, net of discounts and rebates. It is only recognised to the extent that it is highly probable that a significant reversal will not occur. Customers are required to pay for the services rendered within 60 days or within the agreed terms upon receiving the invoice and delivery order or service report.

Logistics services

Logistics services refer to the provision of warehousing services, transportation services, inventory management services and record management services. For bundled packages, the Group accounts for the individual services as separate performance obligations as they are distinct, i.e. the service is separately identifiable from other items in the bundled package and a customer can benefit from it. The consideration receivable under the contract is allocated to the separate services in a bundle based on their relative stand-alone selling prices. The stand-alone selling prices are determined based on the Group's services price list. Revenue is recognised upon completion of the service which is expected to approximate revenue to be recognised over time, based on the time elapsed.

Warehousing services

Warehousing services refer to the provision of storage of the customer's products. Revenue is recognised over time as services are being transferred to the customer, based on the time elapsed. Services are billed in advance on a monthly basis.

Transportation services

Transportation services include local delivery of goods. Revenue is recognised upon completion of the service which is expected to approximate revenue to be recognised over time, based on the time elapsed, due to the short service period. Services are billed upon completion.

Inventory management services

Inventory management services include rendering of import clearance, documentation and trucking services for inbound shipment and performing inventory stock-take and other related services over a specified time period. Revenue is recognised when services are completed. Management expects this to approximate the amount of revenue to be recognised over time, based on the time elapsed. Services are billed on a monthly basis.

Record management services

Record management services include storage, collection and retrieval and disposal of documents over a specified time period. Revenue generated from providing document storage, collection and retrieval and disposal services is recognised over time as services are being transferred to the customer, based on the time elapsed. Services are billed on a monthly basis.

Financial services segment

The financial services segment of the Group principally generates revenue from dividend income and interest income.

Dividend income

Dividend income is recognised in the statement of comprehensive income on the date that the Group's right to receive payment is established, which in the case of quoted securities is usually the ex-dividend date.

Interest income

Interest income is recognised as it accrues in the statement of comprehensive income, using the effective interest method.

Real estate segment

The real estate segment of the Group principally generates revenue from the property management services.

Property management services

Property management services include maintenance, repair and upkeep of the facilities of the properties under management over a specified time period. Revenue is recognised over time as the services are transferred to the customer, based on the time elapsed. Property management fees are receivable monthly in advance.

Rental income

Rental income from investment properties is recognised on a straight-line basis, over the period of the lease. Lease incentives granted are recognised as an integral part of total rental income, over the term of the lease.

3.25 Conversion of foreign currencies

Transactions and balances

Transactions in a currency other than the functional currency ("foreign currency") are translated into the functional currency using the exchange rates at the dates of the transactions. Currency translation differences resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the closing rates at the reporting date are recognised in the statement of comprehensive income.

However, in the consolidated financial statements, currency translation differences arising from monetary items that are considered to form part of a net investment in foreign operations, are recognised in other comprehensive income and accumulated in the other reserves.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.25 Conversion of foreign currencies (Continued)

Transactions and balances (Continued)

Foreign currency gains and losses are reported as either other income or other operating expense depending on whether foreign currency movements are in a gain or loss position.

Non-monetary items measured at fair values in foreign currencies are translated using the exchange rates at the date when the fair values are determined. Non-monetary items that are measured in terms of historical cost in foreign currency are translated using the exchange rates at the date of the transaction.

Group entities

The results and financial position of all the Group entities (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- (i) Assets and liabilities are translated at the closing rates at the end of the reporting date;
- (ii) Income and expenses for each statement presenting profit or loss and other comprehensive income (i.e., including comparatives) shall be translated at the average exchange rates for the year; and
- (iii) All resulting currency translation differences are recognised in other comprehensive income and accumulated in translation reserve.

3.26 Earnings per share

The Group presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted-average number of ordinary shares outstanding during the year, adjusted for own shares held.

Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted-average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

3.27 Operating segments

An operating segment is a component of the Group that engages in business activities from which it may earn revenue and incur expenses, including revenue and expenses that relate to transactions with any of the Group's other components. Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker. The Chief Executive Officer has been identified as the Chief Operating Decision Maker who makes strategic resources allocation decisions and assesses segment performance.

3.28 Non-current assets (or disposal groups) held-for-sale and discontinued operations

Non-current assets (or disposal groups) are classified as assets held-for-sale and carried at the lower of carrying amount and fair value less costs of disposal if their carrying amount is recovered principally through a sale transaction rather than through continuing use. The assets are not depreciated or amortised while they are classified as held-for-sale. Any impairment loss on initial classification and subsequent measurement is recognised as an expense. Any subsequent increase in fair value less costs of disposal (not exceeding the accumulated impairment loss that has been previously recognised) is recognised in profit or loss.

A discontinued operation is a component of an entity that either has been disposed of, or that is classified as held-for-sale and:

- (a) represents a separate major line of business or geographical area of operations;
- (b) is part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations; or
- (c) is a subsidiary acquired exclusively with a view to resale.

4 PROPERTY, PLANT AND EQUIPMENT (CONTINUED)

The Group's leasehold buildings include provision for restoration costs of \$0.9 million (2025 – \$0.9 million).

During the financial year, the Group recognised an impairment loss of \$0.5 million (2025 – \$Nil) on certain office equipment and machinery due to weaker performance of one of its subsidiaries. The recoverable amount of the assets was based on fair value less costs of disposal, estimated based by a firm of independent professional valuer based on depreciated replacement cost method and cost comparison approach.

As at 30 April 2025, the Group leased motor vehicles, trucks and prime movers with a carrying amount of \$0.52 million under a number of hire purchase agreements. As at 30 April 2026, the Group has no motor vehicles, trucks and prime movers under hire purchase arrangements.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

5 RIGHT-OF-USE ASSETS (CONTINUED)

The statement of comprehensive income included the following amounts relating to leases:

The Group	30 April 2026 \$'000	30 April 2025 \$'000
Interest expense on lease liabilities (Note 22)	2,896	3,695
Rental of motor vehicles, trucks and prime movers and office equipment on short-term leases	1,826	1,552
Rental of offices, warehouses and leasehold buildings on short-term leases	618	382
Operating lease expenses (Note 23)	2,444	1,934

As at 30 April 2026, the Group's short-term lease commitments at the reporting date are not substantially dissimilar to those giving rise to the Group's short-term lease expense for the year.

Note A: Sale and leaseback of a warehouse complex

On 10 May 2019, the Group completed the sale and leaseback of No. 121 Banyan Drive Singapore 627570 (the "Property") to SGRE Banyan Pte. Ltd. ("SGRE") for a purchase consideration of \$227.5 million (the "Transaction"). Pursuant to the sale of the Property, the Group commenced a 10-year lease with SGRE.

Management assessed that the transfer of the Property to SGRE was a sale and purchase of an asset in accordance with SFRS(I) 15 since SGRE had obtained control over the Property. Accordingly, management derecognised the underlying Property and applied lessee accounting and recorded a right-of-use asset with a carrying amount of \$66.7 million at the retained portion of the previously carried amount with a corresponding lease liability of \$118.5 million. A gain of \$41.3 million relating to the rights transferred to SGRE was recognised in 'other income' in the consolidated statement of comprehensive income in the financial year ended 30 April 2020. The interest rate implicit in the lease was 4.93% per annum.

In addition, the Group has also placed a security deposit amounting to \$8.8 million (2025 – \$8.8 million) with an appointed institution as stipulated in the lease agreement. The deposit earns interest and is included in cash and bank balances as disclosed in Note 12.

The sale and leaseback arrangement enabled the Group to realise the fair value of its investment in the Property, while enabling the Group, through the leaseback arrangement, to enjoy the long-term use of the Property for its existing operations.

The Group is required to pay monthly rent ranging from \$1.3 million to \$1.5 million per month over a period of 10 years from May 2019. The Group is also entitled to six months rent-free periods each in the fifth and the tenth year of the rental period.

Since the inception of the lease, the Group has made lease payments totalling \$104.2 million (2025 – \$87.3 million) to SGRE.

There are no payments not included in the measurement of lease liabilities.

Changshu Fervent Industrial Park – Phase 3, PRC	2 built-to-suit warehouses	76,553 m ²	50 years lease Commencing from March 2017	48%

Investment properties comprise residential and industrial properties that are leased to external customers and/or held for capital appreciation. As at 30 April 2026, rental income from the Group's industrial properties which was leased under operating leases amounted to \$5.6 million (2025 – \$5.9 million) (Note 20). There is no rental income from the residential property (2025 – \$Nil).

Direct operating expenses (including repairs and maintenance) arising from investment properties that generated rental income during the financial year, amounted to \$1.6 million (2025 – \$1.7 million).

Direct operating expenses (including repairs and maintenance) arising from investment properties that did not generate rental income during the financial year, amounted to \$0.1 million (2025 – \$0.1 million).

As at 30 April 2026 and 30 April 2025, the residential and industrial investment properties were located and held by subsidiaries incorporated in countries with capital restrictions, i.e. repatriation requirements in place.

In 2026 and 2025, there are no interest expense being capitalised in the cost of investment properties as the cost of borrowing.

Security

At 30 April 2026, an investment property of the Group with a carrying amount of \$88.1 million (2025 – \$87.8 million) was pledged to secure bank loans of a subsidiary as set out in Note 16.

Fair value hierarchy

The fair value measurement for all investment properties has been categorised as a Level 3 fair value based on the inputs to the valuation technique used (Note 32).

Redeemable cumulative convertible preference shares (RCCPS) in an associate

Since 2020, the Group's investment in the RCCPS issued by China GSD Logistics Pte. Ltd. ("GSD") amounting to \$10.3 million has been fully impaired due to GSD defaulting on annual instalment repayments pursuant to a deed of settlement entered in FY2019. The RCCPS is measured at amortised costs and is convertible into 1 ordinary share in the capital of GSD, and the Group has not exercised its rights to convert the RCCPS and retains its rights to do so at the balance sheet date.

GSD is regarded as an associate of the Group as the Group has representation on the board of directors and has significant influence over the financial and operating policies of GSD. The results of GSD are not equity accounted as the Company does not hold equity interest in the associate as at the reporting date.

Investments in associates – The Group

The Group's and the Company's investments in associates are assessed for impairment at each reporting date. The Group and the Company evaluate, amongst other factors, the duration and extent to which the fair value of its investment in associates is less than its cost.

Changes in the financial health of and near-term business outlook for the investment, including factors such as industry and sector performance, technology and operational and financial cash flows, will impact the recoverable amount of its investment in associates.

Amount due from an associate on long-term loan account

The amounts due from an associate on long-term account are an extension of the Group's and the Company's net investment in the associate, which are unsecured, non-interest bearing, with repayment terms at the discretion of the associate and not expected to be repaid within twelve months from the reporting date.

Impairment assessment

Vibrant Pucheng Logistics (Chongqing) Co., Ltd ("Vibrant Pucheng")

Vibrant Pucheng is the legal owner of a multi-modal logistics distribution centre (the "Property") in Chongqing, People's Republic of China ("PRC"). In April 2022, a contractor of Vibrant Pucheng had applied to the PRC's court to enforce its rights against the Property. In order to protect the Group's assets and legal position, the Group, together with another Singapore incorporated corporate shareholder, had similarly initiated legal proceedings against Vibrant Pucheng in January 2023 and April 2023. In October 2023, the PRC court's appointed valuer appraised the Property to be RMB407.4 million, comprising (i) land-use rights of RMB235.2 million and (ii) construction work-in-progress of RMB172.2 million.

Figtree Holdings Limited (“Figtree”)

Management recorded a reversal of impairment loss of \$1.6 million (2025 – \$0.6 million) on its investment in Figtree in the consolidated statement of comprehensive income although the associate suffered further operating losses during the current financial year. Management has estimated the recoverable amount of the associate for which the estimated recoverable amount was based on fair value less costs of disposal determined by reference to the associate's stock exchange quoted bid price as at 30 April 2026 (2025 – 30 April 2025).

FM Global Logistics Holdings Berhad (“FMGL”)

As at 30 April 2026, management has estimated the recoverable amount of FMGL based on its fair value less costs of disposal determined by reference its stock exchange quoted bid price as at that date. As at 30 April 2026, the recoverable amount is higher than the carrying amount of the investment. Accordingly, no impairment is required.

As at 30 April 2025, the Group identified indicators of impairment in its investment in FMGL, an associate, due to a decline in its market capitalisation.

In accordance with the requirements of SFRS(I) 1-36 *Impairment of Assets*, the Group performed an impairment assessment to determine the recoverable amount of the investment. The recoverable amount was determined based on the Value-in-Use (“VIU”) methodology, using discounted cash flow projections derived from financial budgets approved by management covering a five-year period.

The key assumptions and parameters used in the VIU calculation were as follows:

Revenue growth rate: 4% per annum over the forecast period, reflecting management's expectations of market recovery and FMGL's strategic plans.

Terminal growth rate: 4% per annum, based on long-term industry growth rates and economic outlook in the principal markets in which FMGL operates.

Pre-tax discount rate (WACC): 6.36%, derived from FMGL's weighted average cost of capital, taking into account its capital structure, market risk premium, country risk premium, and company-specific risk factors.

Impairment assessment (Continued)

FM Global Logistics Holdings Berhad ("FMGL") (Continued)

Based on the VIU assessment, the recoverable amount of the investment exceeded its carrying amount, and no impairment loss was recognised.

Management has considered reasonably possible changes in the key assumptions and concluded that such changes would not result in the carrying amount exceeding the recoverable amount of the investment.

Ececil Pte Ltd ("Ececil")

Management has determined the recoverable amount of the investment in Ececil using the residual net asset value method, based on Ececil's underlying net assets, which primarily comprise investment property measured at fair value by an independent external valuer. Accordingly, no impairment was recognised in 2026 and 2025.

Other associates

During the year, the Group has recognised reversal of impairment loss of \$1.0 million (2025 – impairment loss of \$0.2 million) on investments made in other associates based on recoverable amount of respective associate's adjusted net assets value.

Contribution in the previous year

Following the completion of the debt restructuring exercise by Hiap Seng Industries Limited ("Hiap Seng"), a company listed on the SGX-ST, in February 2024, Hiap Seng allotted and issued 1.1 billion shares and granted 1.1 billion share options to Vibrant Equities Pte. Ltd. ("Vibrant Equities").

In the previous year, the Company made an additional investment of \$2.4 million in its 40% owned associate, Vibrant Equities. The investment was made in proportion to its shareholding in Vibrant Equities to fund the exercise of the 1.1 billion share option in the capital of Hiap Seng pursuant to the debt restructuring exercise.

As at 30 April 2026, the Group's effective interest in Hiap Seng, held through Vibrant Equities, was 18.24% (2025 – 19.74%). In February 2026, Hiap Seng increased its total issued shares from 4,479,264,710 to 4,847,588,835, resulting in a dilution of the Group's effective interest. Although the Group owns less than 20% of the ownership interest and voting rights in Hiap Seng, management is of the view that the Group has significant influence over Hiap Seng by virtue of its board representation in Hiap Seng.

Deductible temporary differences	9,774	7,031
Tax losses	14,426	13,767
	24,200	20,798

The comparatives have been changed to reflect the revised temporary differences and unutilised losses after the relevant tax authorities have finalised the tax status of certain open years of assessment for certain entities within the group.

The tax losses are subject to agreement by the tax authorities and compliance with tax regulations in the respective countries in which certain subsidiaries operate. The deductible temporary differences and tax losses do not expire under current tax legislation. Deferred tax assets have not been recognised in respect of these items in accordance with the accounting policy stated in Note 3.21.

12 CASH AND BANK BALANCES (CONTINUED)

Deposits pledged refers to cash collateral for a rental bond issued by an insurance company in lieu of a security deposit for the lease of the warehouse complex (Note 5) that is placed in a fixed deposit account.

Included in cash and bank balances are amounts of \$12.8 million (2025 – \$14.5 million) held in countries with foreign exchange controls, i.e. repatriation requirements in place.

As at the reporting date, the effective interest rate per annum relating to deposits with banks for the Group ranges from 0.30 % to 3.81% (2025 – 1.15% to 4.44%). Interest rates are repriced at intervals of one, three, six, twelve months or twenty-four months.

13 ASSETS HELD-FOR-SALE AND LIABILITIES DIRECTLY ASSOCIATED WITH THE ASSETS HELD-FOR-SALE

On 30 December 2024, the directors of the Company announced a plan to dispose of the property located at 47 Changi South Avenue 2, Singapore 486148, which was available for immediate sale in its present condition, together with its associated liabilities. The property was part of the Group's freight and logistics segment. The disposal was expected to be completed within a year from the reporting date.

As at 30 April 2025, the carrying amounts of the asset held-for-sale and associated liabilities, stated at their carrying amounts (which are lower than its fair value less costs of disposal) are summarised as follows:

	30 April 2025 \$'000
The Group	
Property, plant and equipment (Note 4)	7,905
Right-of-use assets (Note 5)	2,528
Assets held-for-sale	<u>10,433</u>

Lease liabilities (Note 17)	2,683
Provision (Note 19)	135
Liabilities directly associated with assets held-for-sale	<u>3,344</u>

The leasehold property was pledged as security to secure a bank loan.

The disposal was completed on 3 December 2025, upon satisfaction of all conditions precedent and receipt of the full purchase consideration, giving rise to a gain of \$7.1 million. The total consideration for the transaction was \$15.0 million, of which \$1.5 million was received as a deposit in the prior year. After deducting legal fees and transaction costs, the Group received net cash proceeds of \$13.2 million during the financial year. Accordingly, the assets classified as held for sale and liabilities directly associated with the assets held for sale were derecognised during the financial year.

	67,563	53,533	29,395	24,936

The treasury shares reserve comprises the cost of the Company's shares held by the Group. On 30 April 2026, the Group held 23,063,060 (2025 – 17,602,460) of the Company's shares.

Capital reserve arises from the effects on the acquisition of non-controlling interests without a change in control, which represented the difference between the amounts by which the non-controlling interests are adjusted; and the fair value of the consideration paid, attributable to owners of the Company.

The foreign currency translation reserve comprises foreign exchange differences arising from the translation of the financial statements of foreign operations.

Other reserves mainly comprise the Group's share of associates' reserves.

Capital management

The Board defines capital to include share capital, retained earnings and other reserves. The Board's policy is to maintain a sound capital base so as to sustain the future development and expansion of the Group's business in order to maintain investor and creditor confidence in the Group. The Board of Directors monitors the level of dividend payment taking into consideration the Group's business expansion requirements.

The Group monitors capital on the basis of the net debt-to-equity ratio. This ratio is calculated as total borrowings, net of cash and bank balances, divided by total shareholders' equity excluding non-controlling interests. The Group's strategy is to maintain a net debt-to-equity ratio of under 1.5. There were no changes in the Group's approach to capital management during the year.

26 OPERATING SEGMENTS

The Group has three reportable segments, as described below, which are the Group's strategic business units. The strategic business units offer different services and are managed separately because they require different marketing strategies. For each of the strategic business units, the Group's Chief Executive Officer (the chief operating decision maker) reviews internal management reports regularly.

The following describes the operations in each of the Group's reportable segments:

- Freight and logistics business: provision of international freight forwarding services, distribution, storage and warehousing services, records management, document storage, provision of chemical logistics, transportation and warehousing activities.
- Financial services: financial leasing services and investment holdings.
- Real estate business: property development, construction services and property investment.

Information regarding the results of each reportable segment is included below. Performance is measured based on segment profit before income tax, as included in the internal management reports that are reviewed by the Group CEO. Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries.

Inter-segment pricing is determined on mutually agreed terms.

Segment results, assets and liabilities include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items mainly comprise investments and related revenue, loans and borrowings, notes payables and expenses, current and deferred taxes, corporate assets and head office expenses.

Segment capital expenditure is the total cost incurred during the year to acquire property, plant and equipment, new leases, intangible assets other than goodwill and investment properties.

Geographical segments

The freight and logistics, financial services and real estate business segments are managed on a worldwide basis but operate in eight principal geographical areas.

In presenting information on the basis of geographical segments, segment revenue is based on the geographical location of customers. Segment assets are based on the geographical location of the assets.

Operating lease commitments

Where the Group is a lessee

The Group leases a number of leasehold properties from the Jurong Town Corporation, a warehouse premise and motor vehicles, trucks and prime movers under operating leases. The leases typically run for an initial period of 1 to 37 years, with an option to renew the lease after that date. Lease payments are usually increased annually to reflect market rentals. There are no externally imposed covenants in these properties and assets lease arrangements.

Certain of the lease arrangements provide for optional extension periods, for which the related lease payments have not been included in the lease liabilities because the Group is not reasonably certain to exercise these lease extension options. The resultant lease payments that have not been included are not material. The Group negotiates extension options to optimise operational flexibility in terms of managing the assets used in the Group's operations.

Where the Group is the lessor

The Group leases out its investment properties and certain portions of its leasehold buildings to third parties. The leases run for a period of 1 to 10 years, with an option to renew the lease after that date. There are also no contingent rental arrangements and fixed rental escalation clauses.

28 CONTINGENT LIABILITIES (UNSECURED)

Intra-group financial guarantees comprise corporate guarantees amounting to \$19.2 million (2025 – \$22.6 million) granted by the Company to banks in respect of banking facilities to secure banking facilities provided to certain subsidiaries. The financial guarantees will expire when the loans have been paid and discharged and/or when the banking facilities are no longer available to the subsidiaries. These financial guarantee contracts are accounted for under SFRS(I) 9.

The periods in which the financial guarantees expire are as follows:

	30 April 2026 \$'000	30 April 2025 \$'000
The Company		
Not later than one year	14,859	22,633
Later than one year but not later than five years	4,330	–
	19,189	22,633

As at 30 April 2026, the Company has extended \$50.5 million (2025 – \$50.5 million) and RMB29 million equivalent to \$5.4 million (2025 – RMB29 million equivalent to \$5.5 million) of corporate guarantee to its associates, Ececil Pte. Ltd. and Vibrant Pucheng Logistics (Chongqing) Co., Ltd, respectively.

The principal risk to which the Company is exposed is credit risk in connection with the guarantee contracts it has issued. The credit risk represents the loss that would be recognised upon a default by the subsidiaries or associates on behalf of which the guarantees were given.

To mitigate this risk, the Company continually monitors the risks and has established processes including performing evaluation of the subsidiaries and associates' profitability that it is providing guarantee on behalf of.

There are no terms and conditions attached to the guarantee contracts that would have a material effect on the amount, timing and uncertainty of the Company's future cash flows and the Company only issue guarantees to its subsidiaries and associates.

The intra-group financial guarantees for subsidiaries are eliminated in preparing the consolidated financial statements. Estimates of the Company's obligation arising from financial guarantee contracts may be affected by future events, which cannot be predicted with any certainty. The assumptions made may well vary from actual experience so that the actual liability may vary considerably from the best estimates.

In FY2026, the Company has undertaken to provide financial support to certain of its subsidiaries and an associate for the next twelve months. The net current liabilities or net liabilities of these entities as at 30 April 2026 amounted to \$279.9 million and \$58.4 million (2025 – \$291.7 million and \$64.3 million), respectively.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

29 CONTINGENCIES

(A) Blackgold International Holdings Pty Ltd & its subsidiaries ("Blackgold Group")

On 30 October 2020, the Company announced that pursuant to the findings made by the special auditors of the Company of various irregularities within the accounts of certain subsidiaries of Blackgold Group and after consultation with the legal advisors in Singapore and in the PRC, management has lodged police reports in Singapore and in the PRC and commenced civil suits against the relevant personnel of the Blackgold Group in the High Court of Singapore. On 27 January 2025, the High Court of Singapore released its judgement which found that the relevant personnel are liable to the Company in the tort of deceit in respect of the Company's acquisition of Blackgold Group, and awarded the Company the sums for the related acquisition price, legal fees and professional fees for which the relevant personnel are severally and jointly liable.

The Group has also commenced civil suits against Blackgold Group's former auditor in Australia and the legal fees associated with this litigation will be largely funded by a litigation funder in Australia.

(B) Vibrant Pucheng Logistics (Chongqing) Co., Ltd ("Vibrant Pucheng")

Receipt of legal proceedings by an associate

As announced on 25 February 2022, 4 May 2022 and 27 December 2022 in relation to the legal proceedings commenced by a contractor (the "Plaintiff") against Vibrant Pucheng, Vibrant Pucheng was, on 28 April 2022, served with a judgement from the People's Republic of China Court (the "Court") dated 14 April 2022. Pursuant to the judgment, the Court had ordered that:

1. The agreement entered into between the Plaintiff and Vibrant Pucheng on 2 August 2019 in relation to the construction of the Multi-Modal Logistic Distribution Centre (the "Project") located in Chongqing, People's Republic of China be terminated;
2. Vibrant Pucheng be required to pay the Plaintiff the amount owed to the Plaintiff, being the sum of (i) RMB59,385,282 (the "Contract Liability") and (ii) interest accrued on such principal amount to be calculated based on the People's Republic of China Bank Lending Rate from 12 November 2021 up to the date the Contract Liability is repaid, within 10 days from the effective date of judgement;
3. In the event the Project is disposed of at a discount or pursuant to an auction for a price not exceeding the Contract Liability, the Plaintiff shall have priority in receiving any compensation;
4. All other claims made by the Plaintiff were rejected; and
5. Vibrant Pucheng be required to pay court fees and property preservation fees amounting to RMB354,323.

On 24 April 2023, the Company announced that Vibrant Pucheng had received a hearing notice from the Court relating to legal proceedings commenced by Figtree Projects (Shanghai) Co., Ltd ("Figtree Projects") against Vibrant Pucheng in connection with a loan granted by Figtree Projects, whereby Vibrant Pucheng had failed to make repayments of RMB67,134,799 comprising principal of RMB61,168,572 and interest of RMB5,966,227 calculated at 6% per annum up to 10 January 2023.

On 28 April 2023, the Company announced that through a court-assisted mediation process, Vibrant Pucheng will be required to repay Figtree Projects an Aggregate Repayment Amount of RMB67,323,536 through a RMB5 million by 30 April 2023 and subsequent monthly payments of RMB10 million until the amount has been repaid in full, and Figtree Projects shall have the right to enforce its rights against Vibrant Pucheng and to demand for immediate repayment of the Aggregate Repayment Amount. At the date of this report, Vibrant Pucheng is in default.

On 19 May 2023, the Company further announced that the contractor has applied to the Court to enforce its rights against Vibrant Pucheng's immovable property due to its failure to comply with the terms of the previous court order.

On 13 September 2023, through a court-assisted mediation process, a mediation consent order was issued to Vibrant Pucheng to repay the Group an aggregate sum of RMB134.7 million.

29 CONTINGENCIES (CONTINUED)

(B) Vibrant Pucheng Logistics (Chongqing) Co., Ltd ("Vibrant Pucheng") (Continued)

Receipt of legal proceedings by an associate (Continued)

On 19 July 2024, the Company announced that Shanghai Pudong Development Bank ("SPD Bank") had commenced legal proceedings against Vibrant Pucheng in connection with the loan facilities granted to Vibrant Pucheng by SPD Bank. The Company, together with other shareholders of Vibrant Pucheng, had extended corporate guarantees in favour of SPD Bank. The aggregate sum claimed against Vibrant Pucheng was RMB30.5 million. The loan facilities were subsequently novated by SPD Bank to China CITIC Financial Asset Management ("CITIC"), which took over the legal proceedings against Vibrant Pucheng.

On 23 December 2024, the Company further announced that the debts owed to CITIC had been assigned to Zhejiang Zheshang Asset Management Co., Ltd ("ZSAMC") since July 2024 and ZSAMC, which thereafter became the plaintiff in the legal proceedings. On 9 December 2024, the Chongqing Free Trade Zone People's Court ordered that Vibrant Pucheng be required to repay ZSAMC an aggregate sum of RMB33.6 million. Vibrant Pucheng appealed against the judgment; however, on 17 March 2025, the Chengdu-Chongqing Financial Court dismissed the appeal and upheld the first instance judgment. Thereafter, ZSAMC assigned all of its rights under the judgment to Chongqing Sanyangma Technology Co., Ltd. ("Sanyangma"), which is now the legal owner of the judgment debt. On 3 June 2025, Sanyangma applied to the Court for compulsory enforcement, and the application has been accepted. As at 30 April 2026, the enforcement process remains ongoing and the timing and outcome of the enforcement proceedings remain uncertain due to the complexity of the execution process.

Legal proceedings against an associate

In connection with the above, to protect the assets and legal position of the Group, the Company announced on 18 January 2023, that the Group's subsidiaries, namely New Vibrant (Jiangsu) Supply Chain Management Co., Ltd, Sinolink Financial Leasing Co., Ltd and Vibrant Development (Changshu) Co., Ltd have commenced legal proceedings against Vibrant Pucheng to recover the outstanding loans and interest extended to Vibrant Pucheng. On 1 August 2023, the Court has accepted the loan dispute case filed by New Vibrant (Jiangsu) Supply Chain Management Co., Ltd, Sinolink Financial Leasing Co., Ltd, and Vibrant Development (Changshu) Co., Ltd. The loan principal involved in the case amounts to RMB5 million. The net carrying amount of the Group's interests in and loans to Vibrant Pucheng after accounting for impairment losses, amounted to \$12.7 million (2025 – \$9.6 million) and \$27.1 million (2025 – \$23.4 million), respectively.

In the event the Group does not succeed in the above claims, or the Group succeeds in the claims but does not recover the full amounts owed by Vibrant Pucheng, there may be a material impact on the financial performance of the Group for the financial year ending 30 April 2027.

31 FINANCIAL RISK MANAGEMENT (CONTINUED)

Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the Group or the Company to incur a financial loss. The Group's and the Company's exposure to credit risk arises primarily from trade and other receivables.

Trade and other receivables

The Group's primary exposure to credit risk arises through its trade and other receivables. Concentration of credit risk relating to trade receivables is limited due to the Group's many varied customers. These customers are internationally dispersed and sell in a variety of end markets. The Group's historical experience in the collection of trade and other receivables falls within the recorded allowances. Due to these factors, management believes that no additional credit risk beyond the amounts provided for collection losses is inherent in the Group's trade and other receivables.

Impairment losses on financial assets as disclosed in Note 11 recognised in the statement of comprehensive income for the financial year ended 30 April 2026 were as follows:

	The Group		The Company

Expected credit loss assessment for receivables with credit ratings (or equivalent)

The Group allocates exposure from loans to associates, non-controlling interests, a related party and third parties to a credit risk grade based on data that is determined to be indicative of the risk of loss (including but not limited to external ratings if available, audited financial statements, management accounts and cash flow projections and available press information about customers) and applying experienced credit judgement. Credit risk grades are defined using qualitative and quantitative factors that are indicative of the risk of default and are aligned to external credit rating definitions from agencies such as Standards and Poor's.

An ECL rate is calculated for each receivable based on probabilities of default and loss given default. 12-month and lifetime probabilities of default are based on historical data supplied by Standard and Poor's and Moody's for each credit rating. The Group monitors changes in credit risk by tracking published external credit ratings and taking into consideration forward-looking information based on industry forecast in the countries of operation.

Expected credit loss assessment for trade receivables

The Group uses an allowance matrix to measure the ECLs of trade receivables from individual customers, which comprise a very large number of small balances.

Loss rates are calculated using a 'roll rate' method based on the probability of a receivable progressing through successive stages of delinquency to write-off. Roll rates are calculated separately for exposures in different segments based on the following common credit risk characteristics – respective ageing categories based on two years historical data. The Group has assessed that the impact of forward-looking factors based on industry forecast in the countries of operation are not material.

The following table provides information about the exposure to credit risk and ECLs for trade receivables with no representative credit rating:

Table B

The Group	Weighted average loss rate %	Gross carrying amount \$'000	Loss allowance \$'000	Credit impaired

More than 270 days past due	100.00	277	(277)	Yes

Loans and non-trade amounts due from non-controlling interests

For loans and non-trade amounts due from non-controlling interests of \$0.5 million (2025 – \$Nil) and \$0.3 million (2025 – \$0.3 million) (Note 11), the Group has considered qualitative and quantitative factors that are indicative of the risk of default. This includes factors such as dividends to be paid out of the accumulated profits of the subsidiaries. Accordingly, impairment on the remaining balances has been measured on the 12-month expected credit loss basis and the amount of the allowance on these balances, after considering forward-looking information, is insignificant.

Loans and related interest receivables owing by Vibrant Pucheng

Management has considered the inherent uncertainties on the recoverability of the loans and related interest receivable owing by Vibrant Pucheng of \$17.1 million and \$11.0 million (2025 – \$16.8 million and \$9.5 million) respectively, as disclosed in Note 11(b)(i), in respect of the ongoing legal proceedings as disclosed in Note 29. The Group has assessed the allowance for ECL on the amounts due from Vibrant Pucheng by estimating a range of possible outcomes and their respective probabilities, including the availability and realisable value of the assets of Vibrant Pucheng to repay its debts. For this purpose, the Group has engaged an independent valuer to perform a market valuation of the property which makes up a significant portion of the assets of Vibrant Pucheng. In addition, the Group has also considered that certain amounts due from Vibrant Pucheng of \$26.9 million (RMB143.6 million) have been funded by a loan from a related party, that is, the Group is not obliged or required to repay the loan from the related party if the Group has not recovered its loans extended to Vibrant Pucheng.

Other receivables, including interest receivable, loans to associates and non-trade amounts due from related parties and associates

For other receivables, impairment assessment on the loan extended to an associate and non-trade amounts due from related parties, third parties and associates of \$35.5 million (2025 – \$26.5 million) were based on an assessment of qualitative and quantitative factors that are indicative of the risk of default (including but not limited to external ratings, audited financial statements, management accounts and cash flow projections, and available press information, if available, and applying experienced credit judgement). At 30 April 2026, the Group recognised a net impairment loss of \$0.8 million (2025 – \$0.6 million) on other receivables.

Guarantees

The Group's policy is to provide financial guarantees to all its subsidiaries' liabilities. At 30 April 2026, the Company has issued a guarantee to certain banks in respect of credit facilities granted to its subsidiaries (Note 28). These financial guarantee contracts are accounted for in accordance with SFRS(I) 9. Based on management's assessment of the financial position and creditworthiness of the guaranteed subsidiaries, no expected credit loss has been recognised on the financial guarantee contracts as at 30 April 2026 (2025: Nil).

Cash and bank balances

The Group and the Company held cash and bank balances as disclosed in Note 12 to the financial statements. The cash and bank balances are held with bank and financial institution counterparties which are rated Ba3 to Aa1, based on Moody's ratings.

Impairment on cash and bank balances has been measured on the 12-month expected loss basis and reflects the short maturities of the exposures. The Company considers that its cash and bank balances have low credit risk based on the external credit ratings of the counterparties. The amount of the allowance on cash and bank balances is negligible.

Fair value of collaterals

At 30 April 2026, the fair value of shares accepted as collaterals that the Group is permitted to sell or repledge in the event of default by the Group's debtors was \$19.7 million (2025 – \$18.8 million). The fair values are determined based on the respective net assets in the latest available audited financial information. If the receivables are not paid in full by the debtors 30 days after the receipt of a demand by the Group, the Group may exercise the powers and rights of a mortgagee conferred by statute or otherwise sell or dispose of the collateral.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's and the Company's financial instruments will fluctuate because of changes in market interest rates.

The Group's exposure to market risk for changes in interest rates relates primarily to the Group's debt obligations. The Group's policy is to manage interest cost by using a mix of fixed and variable rate debts.

Fair value sensitivity analysis for fixed rate instruments

Fixed rate instruments that are not designated at fair value through profit or loss, are recorded at amortised cost. A change in interest rate would not have any impact on fair value.

Cash flow sensitivity for variable rate instruments

For variable rate financial assets and liabilities, an increase of 100 bp in interest rate at the reporting date would (decrease)/increase profit after tax by the amounts shown. A decrease of 100 bp in interest rate would have an equal but opposite effect. This analysis assumes that all other variables, in particular foreign currency rates, remain constant.

Currency risk

Currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. Currency risk arises when transactions are denominated in foreign currencies. The summary of quantitative data about the Group's and the Company's exposures to foreign currency risk as reported to the management of the Group is as follows:

	The Group		The Company	
	2026 \$'000	2025 \$'000	2026 \$'000	2025 \$'000

Sensitivity analysis

A 10% strengthening of Singapore dollar against the following currencies at the reporting date would increase/ (decrease) profit after tax by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant.

	The Group		The Company	
	2026 \$'000	2025 \$'000	2026 \$'000	2025 \$'000
Profit after tax				
USD	(1,105)	(1,334)	(159)	(295)

A 10% weakening of Singapore dollar against the above currencies would have had the equal but opposite effect on the above currency to the amounts shown above, on the basis that all other variables remain constant.

Market price risk

Market price risk is the risk that the fair value or future cash flows of the Group's financial instruments will fluctuate because of changes in market prices.

Market price risk arises from financial assets at fair value through profit or loss.

Equity securities price risk

The Group is exposed to equity securities price risk because of investments held by the Group which are classified as financial assets at fair value through profit or loss.

A 10% increase/(decrease) in the underlying equity prices at the reporting date, with all other variables held constant, would increase/(decrease) profit before tax by the following amounts:

	The Group		The Company	
	10% increase \$'000	10% decrease \$'000	10% increase \$'000	10% decrease \$'000

30 April 2025				
Profit before tax	360	(360)	161	(161)

Liquidity risk

Liquidity risk is the risk that the Group or the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value.

31 FINANCIAL RISK MANAGEMENT (CONTINUED)

Liquidity risk (Continued)

The Group monitors its liquidity risk and maintains a level of cash and bank balances deemed adequate by management to finance the Group's operations and to mitigate the effects of fluctuations in cash flows for a period of 60 days.

The Group funds its operations through a mix of internal funds and bank borrowings, and reviews regularly its liquidity reserves comprising free cash flows from its operations and undrawn facilities from banks.

The Group manages its liquidity where excess funds are equalised internally through intercompany accounts. Depending on specifics of each funding requirement, funding for its operating subsidiaries may be sourced directly from the Group's bankers or indirectly through the Company.

As at 30 April 2026, the Company's total current liabilities exceeded its current assets by \$12.6 million (2025 – \$16.8 million). Management operates a centralised cash and treasury function and monitors the cashflow position of the Company and its entities within the Group and deploys its available cash amongst these entities. There is no implication to the Group which reported net current assets of \$29.5 million (2025 – \$15.9 million) as at 30 April 2026.

The table below analyses the maturity profile of the Group's and the Company's financial liabilities based on contractual undiscounted cash flows.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

31 FINANCIAL RISK MANAGEMENT (CONTINUED)

Liquidity risk (Continued)

The Company is exposed to liquidity risk as the Company's current liabilities exceeded its current assets. Funding requirements, where required, will be met by the settlement of balance with subsidiaries. Management has assessed the cash flow forecast of the Company for the next 12 months from the reporting date and ascertained that the Company will be able to meet its liabilities as and when they fall due in the next 12 months.

32 FAIR VALUE MEASUREMENT

Definition of fair value

SFRS(I)s define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Fair value hierarchy

The table below analyses financial instruments carried at fair value, by valuation method. The different levels have been defined as follows:

Level 1 : quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 : inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (as is prices) or indirectly (i.e. derived from prices); and

Level 3 : inputs for the asset or liability that are not based on observable market data.

The following table shows the levels within the hierarchy of financial assets and liabilities measured at fair value on a recurring basis:

The Group	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000

30 April 2025				
<u>Financial assets</u>				
Equity investments at FVTPL (Note 9)	<u>–</u>	<u>1,612</u>	<u>–</u>	<u>1,612</u>

At the reporting date, the fair value of the unquoted equity investment is represented by the Group's share in the net assets value of a fund, determined based on the quoted market prices of the underlying quoted investments and other liquid financial assets held in the portfolio of the fund at the end of the reporting period and they are included in Level 2 of the fair value hierarchy.

Investment properties

The Group's investment properties are stated at fair value based on independent professional valuations. The fair values are based on open market values, being the estimated amount for which a property could be exchanged on the date of the valuation between a willing buyer and a willing seller in an arm's length transaction wherein the parties had each acted knowledgeably and without compulsion. The valuers have considered valuation techniques including market comparison method and discounted cash flows in arriving at the open market value as at the balance sheet date. In determining the fair value, the valuers have used valuation techniques which involve certain estimates. The key assumptions used to determine the fair value of investment properties include comparable sales, discount rate and rental rates, as well as estimated costs to complete in relation to investment properties under development. At the end of the reporting period, the Group's investment properties are included in Level 3 of the fair value hierarchy.

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2026

32 FAIR VALUE MEASUREMENT (CONTINUED)

Investment properties (Continued)

Equity investments

The fair value of quoted equity is determined by reference to their quoted closing bid price at the reporting date. The fair value may be adjusted to reflect illiquidity or transferability for quoted equity that are not traded in active market or subject to transfer restrictions.

The unquoted equity investments are managed by a fund manager and the fair values are based on the quoted market prices of the underlying quoted investments (Level 2 of the fair value hierarchy).

Non-derivative financial assets and liabilities

The carrying amounts of financial assets and liabilities with a maturity of less than one year (including trade and other receivables, cash and bank balances, trade and other payables, loans and borrowings, lease liabilities) or those which reprice within six months are assumed to approximate their fair value because of the short period to maturity or repricing. All other financial assets and liabilities are discounted to determine their fair values.

Interest rates used in determining fair values

Fair value, which is determined for disclosure purposes, is calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

	2026 %	2025 %
The Group and The Company		
Loans and borrowings	3.10 – 4.00	2.00 – 5.05
Lease liabilities	1.88 – 7.00	2.77 – 6.64

Valuation techniques and significant unobservable inputs

The following tables show the valuation techniques used in measuring Level 3 fair values, as well as the significant unobservable inputs used.

Assets and liabilities measured at fair value

Type	Valuation technique	Significant unobservable inputs	Inter-relationship between key unobservable inputs and fair value measurement
The Group			
<i>Investment properties</i>			
– Industrial factory	Discounted cash flows: The valuation model estimates and projects an income stream over a period and discounting the income stream with an internal rate of return to arrive at the market value.	- Discount rate: 4.35% (2025 – 5.42%) - Rental rates: \$41 to \$75 (2025 – \$39 to \$101) per square metre per annum	The estimated fair value would increase/(decrease) if: - the discount rate was lower/(higher); and - the rental rate was higher/(lower).
– Residential property	Market comparison approach: The valuation model analyses comparable sales of similar properties and adjusting the sale prices to be reflective of the investment properties.	- In-house adjustments made by valuer on comparable prices of \$3,194 to \$4,566 (2025 – \$2,437 to \$4,399) per square metre - Estimated cost to complete the construction	The estimated fair value would increase/(decrease) if: - the adjustments and comparable prices were higher/(lower); and - the estimated cost to complete the construction was lower/(higher).

Sensitivity analysis

For the fair values of investment properties, reasonably possible changes at the reporting date to one of the significant unobservable inputs, holding other inputs constant, would increase/(decrease) profit before tax by the amounts shown.

The Group	Profit before tax	
	\$'000	\$'000
30 April 2026		
Investment properties		
– Discount rate (1% increase)/1% decrease	(11,197)	11,197
– Rental rates 5% increase/(5% decrease)	4,953	(4,953)
– Comparable prices 5% increase/(5% decrease)	2,383	(2,383)
30 April 2025		
Investment properties		
– Discount rate (1% increase)/1% decrease	(11,253)	11,253
– Rental rates 5% increase/(5% decrease)	5,462	(5,462)
– Comparable prices 5% increase/(5% decrease)	2,242	(2,242)

Level 3: Fair value measurements

The reconciliation of the carrying amounts of non-financial assets related to investment properties classified within Level 3 is disclosed in Note 6.

4. To declare a first and final tax exempt (one-tier) dividend of 0.4 Singapore cent per ordinary share for FY2026 (FY2025: 0.4 Singapore cent). **(Resolution 4)**
5. To note the retirement of Mr. Francis Lee Fook Wah, a Director of the Company retiring by rotation under Regulation 94 of the Company's Constitution. Mr. Francis Lee Fook Wah has decided not to seek for re-election and will retire at the conclusion of the forthcoming AGM.
6. To note the retirement of Ms. Tan Siok Chin, a Director of the Company retiring by rotation under Regulation 94 of the Company's Constitution. Ms. Tan Siok Chin has decided not to seek for re-election and will retire at the conclusion of the forthcoming AGM.
7. To re-appoint Foo Kon Tan LLP as Auditors of the Company and to authorise the Directors to fix their remuneration. **(Resolution 5)**

AS SPECIAL BUSINESS

To consider and, if thought fit, to pass the following resolutions, with or without amendments, as Ordinary Resolutions:

8. **Authority to issue Shares up to 50 per centum (50%) of the issued shares in the capital of the Company**

That pursuant to Section 161 of the Companies Act 1967 of Singapore and Rule 806 of the Listing Manual of the SGX-ST, the Directors of the Company be authorised and empowered to:

- (a) (i) issue shares and convertible securities in the Company (“**shares**”) whether by way of rights, bonus or otherwise; and/or
- (ii) make or grant offers, agreements or options (collectively, “**Instruments**”) that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) options, warrants, debentures or other instruments convertible into shares,

at any time and upon such terms and conditions and for such purposes and to such persons as the Directors of the Company may in their absolute discretion deem fit; and

- (b) (notwithstanding the authority conferred by this Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors of the Company while this Resolution was in force,

provided that:

- (1) the aggregate number of shares (including shares to be issued in pursuance of the Instruments, made or granted pursuant to this Resolution) and Instruments to be issued pursuant to this Resolution shall not exceed fifty per centum (50%) of the total number of issued shares (excluding treasury shares) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below), of which the aggregate number of shares and Instruments to be issued other than on a pro-rata basis to existing shareholders of the Company shall not exceed twenty per centum (20%) of the total number of issued shares (excluding treasury shares) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below);

NOTICE OF ANNUAL GENERAL MEETING

- (2) (subject to such calculation as may be prescribed by the SGX-ST) for the purpose of determining the aggregate number of shares and Instruments that may be issued under sub-paragraph (1) above, the percentage of issued shares and Instruments shall be based on the total number of issued shares (excluding treasury shares) in the capital of the Company at the time of the passing of this Resolution, after adjusting for:
 - (i) new shares arising from the conversion or exercise of the Instruments or any convertible securities that have been issued pursuant to any previous shareholders' approval and which are outstanding as at the date of the passing of this Resolution;
 - (ii) new shares arising from exercising share options or vesting of share awards outstanding and subsisting at the time of the passing of this Resolution; and
 - (iii) any subsequent bonus issue, consolidation or subdivision of shares;
- (3) in exercising the authority conferred by this Resolution, the Company shall comply with the provisions of the Listing Manual of the SGX-ST for the time being in force (unless such compliance has been waived by the SGX-ST) and the Company's Constitution; and
- (4) unless revoked or varied by the Company in general meeting, such authority conferred by this Resolution shall continue in force (i) until the conclusion of the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier or (ii) in the case of shares to be issued in pursuance of the Instruments, made or granted pursuant to this Resolution, until the issuance of such shares in accordance with the terms of the Instruments.

(Resolution 6)

[See Explanatory Note 1]

9. **Renewal of the Share Buyback Mandate**

That:

- (a) for the purposes of Sections 76C and 76E of the Companies Act 1967 of Singapore (the "**Companies Act**"), the exercise by the Directors of the Company of all the powers of the Company to purchase or otherwise acquire issued ordinary shares in the capital of the Company (the "**Shares**") not exceeding in aggregate the Maximum Limit (as hereafter defined), at such price or prices as may be determined by the Directors of the Company from time to time up to the Maximum Price (as hereafter defined), whether by way of:
 - (i) an on-market purchase ("**On-Market Purchase**") transacted through the SGX-ST's Central Limit Order Book trading system, through one or more duly licensed stockbrokers appointed by the Company for such purpose; and/or
 - (ii) an off-market purchase ("**Off-Market Purchase**") pursuant to an equal access scheme(s) (as defined in Section 76C of the Companies Act) as may be determined or formulated by the Directors as they consider fit, of which such scheme(s) shall satisfy all the conditions pursuant to the Share Buyback Mandate,

and otherwise in accordance with all other laws and regulations and rules of SGX-ST as may for the time being applicable, be and is hereby authorised and approved generally and unconditionally (the "**Share Buyback Mandate**");

- (b) unless varied or revoked by the Company in general meeting, the authority conferred on the Directors of the Company pursuant to the Share Buyback Mandate may be exercised by the Directors of the Company at any time and from time to time during the period commencing from the date of the passing of this Resolution and expiring on the earlier of:
 - (i) the date on which the next Annual General Meeting of the Company is held;
 - (ii) the date by which the next Annual General Meeting of the Company is required by law to be held;
 - (iii) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied by the Company in general meeting; or
 - (iv) the date on which the share purchases pursuant to the Share Buyback Mandate are carried out to the full extent mandated;

NOTICE OF ANNUAL GENERAL MEETING

(c) in this Resolution:

"Maximum Limit" means that number of Shares representing 10% of the issued ordinary share capital of the Company as at the date of the passing of this Resolution; and

"Maximum Price" in relation to a Share to be purchased or acquired, means the purchase price (excluding brokerage fees, stamp duties payable, applicable goods and services tax and other related expenses) to be paid per Share for any Share Buybacks shall be determined by the Directors, subject always to a maximum price (**"Maximum Price"**) which:

- (i) in the case of an On-Market Purchase, shall mean the price per Share based on not more than 5% above the Average Closing Price of the Shares; and
- (ii) in the case of an Off-Market Purchase pursuant to an equal access scheme, shall mean the price per Share based on not more than 10% above the Average Closing Price.

Where:

"Average Closing Price" means the average of the closing market prices of a Share over the 5 consecutive trading days on which the Shares are transacted on the SGX-ST immediately preceding the date of the on-market purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the off-market purchase, and deemed to be adjusted in accordance with the listing rules of the SGX-ST, for any corporate action which occurs after the relevant 5 day period;

"date of the making of the offer" means the date on which the Company makes an offer for an off-market purchase, stating therein the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the off-market purchase; and

- (d) the Directors of the Company and/or any of them be and are hereby authorised to complete and do all such acts and things (including executing such documents as may be required) as they and/or he may consider expedient or necessary to give effect to the transactions contemplated and/or authorised by this Resolution.

(Resolution 7)

[See Explanatory Note 2]

- 10. To transact any other business that can be transacted at an Annual General Meeting of which due notice shall have been given.

BY ORDER OF THE BOARD

Noraini Binte Noor Mohamed Abdul Latiff
Company Secretary

Singapore, 13 August 2026

Explanatory Notes:

- (1) Resolution 6 proposed in item 8 above, if passed, will empower the Directors from the date of this Meeting until the date of the next Annual General Meeting to issue shares and convertible securities in the Company, without seeking any further approval from the shareholders at a general meeting but within the limitation imposed by this Resolution, for such purposes as the Directors may consider in the interests of the Company. This proposed Resolution, if passed, will authorise and empower the Directors of the Company to issue up to a number not exceeding, in total 50% of the total number of issued shares (excluding treasury shares) in the capital of the Company, of which up to 20% may be issued other than on a pro-rata basis to existing shareholders of the Company.
- (2) Resolution 7 proposed in item 9 above, if passed, is to renew the mandate to empower Directors of the Company to make purchases or otherwise acquire the Company's issued ordinary shares from time to time subject to and in accordance with the guidelines set out in Appendix A of the Company's Letter to Shareholders dated 13 August 2026 accompanying this Notice of Annual General Meeting. This authority will expire at the conclusion of the next Annual General Meeting of the Company, unless revoked or varied.

NOTICE OF ANNUAL GENERAL MEETING

Notes:

The AGM will be held physically and members are invited to attend the AGM physically ("Physical AGM"). There will be no option for members to participate the Physical AGM virtually.

1. Access to Documents or Information Relating to the AGM

Documents relating to the Physical AGM are available to members via publication on the SGX website at <https://www.sgx.com/securities/company-announcements> and the Company's corporate website at <http://www.vibrant.com.sg/investor-relations/sgx-announcements/>.

Printed copies of the Notice of AGM, Proxy Form, and Request Form will be sent to members.

2. Submission of Proxy Form to Vote

A member of the Company entitled to attend and vote at the AGM is entitled to appoint not more than 2 proxies to attend and vote in his/her stead. A proxy need not be a member of the Company.

A member who is not a relevant intermediary (as defined in section 181 of the Singapore Companies Act 1967) is entitled to appoint not more than 2 proxies and where 2 proxies are appointed, shall specify the proportion of shareholding to be represented by each proxy.

A member who is a relevant intermediary is entitled to appoint more than 2 proxies and where such member's proxy form appoints more than 1 proxy, the number of and class of shares in relation to which each proxy has been appointed shall be specified in the proxy form. Each proxy must be appointed to exercise the rights attached to the different share or shares held by such member.

In any case where more than 1 proxy is appointed, the proportion of the shareholding concerned to be represented by each proxy shall be specified in the proxy form. If no such proportion or number is specified, the first named proxy may be treated as representing 100 per cent of the shareholding and any second named proxy as an alternate to the first named.

Investors holding shares under the Central Provident Fund Investment Schemes ("CPF Investors") and/or Supplementary Retirement Scheme ("SRS Investors") should approach their respective CPF Agent Banks or SRS Operators to submit their votes at least 7 working days before the AGM (i.e. by 10.00 a.m. on 18 August 2026). CPF/SRS Investors should contact their respective CPF Agent Banks or SRS Operators for any queries they may have with regard to the appointment of proxy for the AGM.

The instrument appointing a proxy, together with the power of attorney or other authority under which it is signed (if applicable) or a duly certified copy thereof, must be submitted in the following manner:

- (a) if submitted by hand or by post, be deposited at the registered office of the Company at: VIBRANT GROUP LIMITED, 51 Penjuru Road, #04-00, Singapore 609143; or
- (b) if submitted by email, be sent to corporate@vibrant.com.sg using a clear scanned signed form in PDF,

in each case, by 10.00 a.m. on 25 August 2026, being not less than 72 hours before the time appointed for the holding of the AGM.

The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed or illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy or proxies. In addition, in the case of shares entered in the Depository Register (as defined in Section 81F of the SFA), the Company may reject any instrument appointing a proxy or proxies lodged if the member, being the appointor, is not shown to have shares entered against his/her name in the Depository Register as at 72 hours before the time appointed for holding the AGM (i.e. by 10.00 a.m. on 25 August 2026), as certified by The Central Depository (Pte) Limited to the Company.

A corporation which is a member of the Company may authorise by resolutions of its directors or other governing body, such person as it thinks fit to act as its representative at the meeting.

The instrument appointing a proxy must be signed by the appointor or his/her attorney duly authorised in writing. Where the instrument appointing a proxy is executed by a corporation, it shall be executed either under its common seal or under the hand of any officer or attorney duly authorised. The power of attorney or other authority, if any, under which the instrument of proxy is signed on behalf of the member or duly certified copy of that power of attorney or other authority (failing previous registration with the Company) shall be attached to the instrument of proxy, failing which the instrument may be treated as invalid.

3. Submission of Questions in Advance

Members may submit their questions in relation to the business of the AGM by email to corporate@vibrant.com.sg. All questions must be submitted within 7 calendar days from the date of this Notice of AGM, i.e. by 10.00 a.m. on 20 August 2026 ("Cut-Off Time"). After the Cut-Off Time, if there are subsequent clarifications or follow-up on the questions submitted, these will be addressed at the Physical AGM.

The Company will endeavor to address questions which are substantial and relevant and received from members who are verifiable against the Depository Register or the Register of Members.

Verified members and Proxy(ies) attending the Physical AGM will be able to ask questions in person at the AGM venue. The Company will, within 30 days after the date of the AGM, publish the minutes of the AGM on SGXNET and the Company's website and the minutes will include the responses to the questions referred to above.

NOTICE OF ANNUAL GENERAL MEETING

4. General

The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed or illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy or proxies. In addition, in the case of Shares entered in the Depository Register, the Company may reject any instrument appointing a proxy or proxies lodged if the member, being the appointor, is not shown to have Shares entered against his/her name in the Depository Register as at seventy-two (72) hours before the time appointed for holding the AGM of the Company, as certified by The Central Depository (Pte) Limited to the Company.

Members are strongly encouraged to submit completed proxy forms electronically via email.

PERSONAL DATA PRIVACY

By attending the Physical AGM and/or any adjournment thereof and/or submitting the Proxy Form appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the Physical AGM and/or any adjournment thereof, a member of the Company (a) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents or service providers) for the purpose of the processing and administration by the Company (or its agents or service providers) of proxies and representatives appointed for the AGM (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the AGM (including any adjournment thereof), and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, regulations and/or guidelines (collectively, the "**Purposes**"), and (b) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents or service providers), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents or service providers) of the personal data of such proxy(ies) and/or representative(s) for the Purposes and (c) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

NOTICE OF RECORD DATE AND PAYMENT DATE FOR THE FIRST AND FINAL DIVIDEND

NOTICE IS HEREBY GIVEN that the Share Transfer Books and Register of Members of Vibrant Group Limited (the “**Company**”) will be closed at 5.00 p.m. on 10 September 2026 for the purpose of determining shareholders’ entitlement to a First and Final tax exempt (one-tier) cash Dividend of 0.4 Singapore cent per ordinary share for the financial year ended 30 April 2026 (“**2026 Dividend**”).

Shareholders whose securities accounts with The Central Depository (Pte) Limited credited with shares of the Company as at 5.00 p.m. on 10 September 2026 will be entitled to the 2026 Dividend.

Duly completed registrable transfer of shares received by the Company’s Registrar, Tricor Barbinder Share Registration Service at 9 Raffles Place, Republic Plaza, Tower I, #26-01, Singapore 048619 up to 5.00 p.m. on 10 September 2026 will be registered to determine shareholders’ entitlements to 2026 Dividend.

The 2026 Dividend, if approved at the Annual General Meeting to be held on 28 August 2026, will be paid on 25 September 2026.
