CLARIFICATION RELATING TO A MEDIA ARTICLE

The Board of Directors of UltraGreen.ai Limited (the "**Company**") refers to the article published in *The Business Times* on 19 August 2026.

The Company notes that the regulatory approvals obtained by Zydus Lifesciences and Provepharm are publicly available information. The Company continues to monitor competitive developments in the United States in the ordinary course of its business.

The Company further notes that regulatory approval by the U.S. Food and Drug Administration does not, in itself, translate into commercial launch, market adoption or market penetration.

The Company wishes to clarify that certain statements and scenarios contained in *The Business Times* article, including assumptions regarding the relative manufacturing costs of competitors and potential future pricing outcomes, represent the views and assumptions of third-party analysts and **do not constitute information, forecasts or guidance provided or endorsed by the Company.**

Based on information currently available to the Board, there has been no material change to the Company's business or outlook arising from these developments that would require a revision to the FY2026 guidance announced with the Company's 1H2026 results on 12 August 2026. The Company continues to expect FY2026 revenue of US\$175 million to US\$185 million, with revenue in 2H2026 expected to exceed that of 1H2026.
