**FOR IMMEDIATE RELEASE**

**INTRACO'S WHOLLY OWNED SUBSIDIARY, TAURUS POINT, ADVISES VALUEMAX ON INAUGURAL ISLAMIC DIGITAL COMMERCIAL PAPER OFFERING**

Singapore, 29 October 2026 – Intraco Limited ("**Intraco**" or the "**Company**") is pleased to announce that its wholly owned subsidiary, Taurus Point Capital Pte. Ltd. ("**Taurus Point**"), is acting as Adviser to ValueMax Group Limited ("**ValueMax**") in connection with its inaugural Islamic digital commercial paper offering under ValueMax's S$100 million multi-series unsecured Islamic commercial paper facility programme (the "**Islamic CP Facility Programme**").

The inaugural offering comprises a five-month Islamic commercial paper issuance, with a profit margin rate of 3.4% per annum. This offering expects to raise between S$3 million and S$5 million from accredited investors and institutional investors, with the final amount to be determined after taking into account investors demand.

The Islamic digital commercial papers issued under the Islamic CP Facility Programme will be listed on a licensed digital private exchange in Singapore and has been certified as Shariah-compliant by a Shariah committee of Financial Shariah Advisory & Consultancy.

Mr Michael Tan, Executive Director of Taurus Point said:

"At Taurus Point, we are committed to being innovative and solution-focused, helping our clients access financing solutions that are aligned with their strategic objectives and evolving market needs.

Taurus Point is a leading arranger of digital commercial papers and having been the adviser to list the first digital commercial paper on ADDX Pte. Ltd., a private market investment platform regulated by the Monetary Authority of Singapore, has continued to pioneer innovative financing solutions in Singapore's digital capital markets. We are therefore proud to now be the first to advise on the listing of an inaugural Islamic digital commercial paper offering. This milestone reflects our continued commitment to being innovative and solution-focused, working with our clients and market partners to develop financing solutions that respond to evolving market needs and expand access to Shariah-compliant capital markets.

We believe the continued development of digital debt instruments, together with innovative financing structures, can contribute to a more diverse and accessible capital market in Singapore. We look forward to continuing to work with issuers and market participants to develop practical and commercially relevant solutions."

Through Taurus Point, Intraco continues to participate in the development of innovative capital markets solutions, including digital commercial papers and Shariah-compliant financing structures.
