ANNOUNCEMENT

Singapore Telecommunications Limited ("**Singtel**") seeks to clarify media reports citing talks regarding an Optus stake sale.

We can confirm we are currently in discussions with interested parties but there is no certainty or assurance that any transaction will occur. Singtel will make an announcement if and when there are any material developments that warrant disclosure.

As previously announced in the statement "Singtel Group is open to working with an Australian minority partner and reinforces its commitment to Optus" on 21 May this year, the Singtel Group contemplates a like-minded local partner that aligns with our objectives of ensuring that Optus continues to be a strong alternative operator in the industry, providing a reliable and trusted critical service to all Australians.

Shareholders of Singtel and potential investors are advised to exercise caution in their review of any media reports relating to Optus ahead of any definitive announcements when dealing with shares of the company.
