**COLLABORATION WITH CAB TO EXPLORE A STRATEGIC JOINT VENTURE
IN MALAYSIA DEVELOPING PREMIUM ANIMAL FEED INGREDIENTS
USING PALM OIL-DERIVED PRODUCTS**

The Board of Directors (“**Board**” or “**Directors**”) of Oiltek International Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) would like to announce that its wholly-owned subsidiary, Oiltek Global Pte Ltd, has signed a non-binding Memorandum of Understanding (“**MOU**”) with CAB Cakaran Corporation Berhad (“**CAB**”) to explore a strategic joint venture in Malaysia that is aimed at developing premium animal feed ingredients using palm oil-derived products and by-products (the “**Collaboration**”).

Under the MOU, the Group and CAB will evaluate the technical, commercial and operational feasibility of the proposed collaboration, including product development, processing technologies, market opportunities, and the framework for a potential joint venture.

The MOU reflects the shared commitment of the Group and CAB to leverage their complementary strengths in livestock nutrition and palm oil processing technologies. By combining the Group’s 45 years of proprietary palm oil processing technologies and downstream innovation capabilities with CAB’s 50 years of expertise in animal nutrition, feedmill operations and livestock production, the Collaboration aims to create sustainable, value-added animal feed solutions that enhance agricultural efficiency, open new market opportunities¹ and contribute to long-term food security.

The Board wishes to inform the shareholders that the Collaboration is in its preliminary stage and as of the date of this announcement, no heads of agreement and definitive agreement have been entered into, and no formal plans in relation to the Collaboration have been finalised or approved by the Board. The Company will make further announcements to shareholders as and when there are material developments in relation to the Collaboration.

None of the Directors or their respective associates has any interest, direct or indirect, in the Collaboration other than through their respective directorships and/or shareholdings in the Company. To the best of the knowledge of the Directors, none of the substantial shareholders of the Company or their respective associates has any interest, direct or indirect, in the Collaboration, other than through their respective directorships and/or shareholdings in the Company.
