In Singapore, this is provided by BlackRock (Singapore) Limited (Co. registration no. 200010143N). **Investment involves risk, including possible loss of principal.** Before making an investment decision, investors should read the relevant iShares Fund's prospectus carefully including the investment objective and risk factors relating to the Fund. The prospectuses are available on our website www.ishares.com.sg. The value of the units or shares in the iShares Funds and the income accruing to the units or shares may fall or rise. Investors should note that iShares Funds differ from a typical unit trust as i) units or shares of the Funds are bought and sold at market price (not NAV); and ii) units or shares are not individually redeemed from the Fund and may only be redeemed by participating dealers in large redemption unit sizes. The listing of units or shares of the iShares Funds on an exchange does not guarantee a liquid market for the units or shares. Transactions in units or shares of the iShares Funds will result in brokerage commission which will reduce returns.

The above dates are for informational purposes only and may be updated as necessary. The units are listed on the SGX-ST; accordingly information contained in this document relates to the trading of the units on the SGX-ST.

To receive a distribution, you must have been a registered unitholder of the fund on the record date. Past distributions are not indicative of future trends. There is no guarantee that any distributions will be declared in the future, or that if declared, the amount of any distribution will remain constant or increase over time.
