RafflesMedicalGroup and China Life Healthcare Investment Company Announce Strategic Partnership

Singapore, 1 June 2021 – *RafflesMedicalGroup* (the **Group**) and China Life Healthcare Investment Company Limited (**CLHI**), a subsidiary of China Life Insurance (Group) Company Limited (**China Life**), today jointly announce the signing of a Memorandum of Understanding (**MoU**) between CLHI and *RafflesMedicalinternational*. This marks a strategic partnership between CLHI and Singapore’s largest homegrown private healthcare provider. CLHI is a first-class healthcare investment platform and service provider in China, a subsidiary of China Life, one of the pioneers of the insurance industry in China and the largest state-owned insurance institution.

With the signing of the MoU, both parties will be looking at collaborations and initiatives across a variety of areas including collaborations in provision of medical services, healthcare management, training and development as well as healthcare financing through insurance, with a focus on supporting aging populations.

For the Group, this marks a continued investment and commitment to China where through *RafflesChinaHealthcare*, the Group has been providing comprehensive services from primary to tertiary healthcare for patients in China. This includes the establishment of the first Singapore tertiary hospital in China with *RafflesHospitalChongqing* in 2019 as well as international medical centres in eight cities across Greater China. In addition to the newly completed *RafflesHospitalBeijing*, the Group expects to inaugurate another tertiary hospital in 2021 - the *RafflesHospitalShanghai*.
