RETIREMENT OF MR LIM SOO PENG, EMERITUS CHAIRMAN

The Board of Directors (the “Board”) of Chemical Industries (Far East) Limited (the “Company”) wishes to announce the retirement of Mr Lim Soo Peng, Emeritus Chairman from the Board effective from 18 July 2025. Mr Lim will continue as Emeritus Chairman and Senior Advisor to the Board.

Mr Lim is the founder of the Company and his name is synonymous with the success of the Group. Mr Lim was visionary in setting up the Company in the early 1960s to respond to the need for industrial chemicals to support Singapore’s industrialisation efforts in the 1960s. He helmed the Company as its Managing Director for about six decades and guided the Company through its corporate succession and transformation strategy, transitioning the Company into a professionally managed enterprise.

Mr Lim continues to hold the largest shareholding of approximately 49.28 % in the Company. He remains committed to the long term growth and success of the Company. As Emeritus Chairman and Senior Advisor, he will continue to provide valuable inputs, advice and feedback on the Group’s business strategies and the Group will continue to benefit from his extensive and deep experience and knowledge of the Group and the chemical industry.

The Company and the Board would like to express our heartfelt gratitude for Mr Lim’s long service on the Board and looks forward to his continued stewardship and advice in his role as Emeritus Chairman and Senior Advisor.

BY ORDER OF THE BOARD
