# **MESSAGE TO SHAREHOLDERS**

"Our WELL-DIVERSIFIED ASSETS and BUSINESS PORTFOLIO, coupled with our disciplined approach and cost containment measures, proved instrumental as WE NAVIGATED THE CHALLENGES BROUGHT ABOUT BY THE PANDEMIC."

Dear Shareholders,

On behalf of the Board of Directors, we are pleased to present Tuan Sing's Annual Report and Financial Statements for the year ended 31 December 2020.

## HEALTHY PERFORMANCE IN A PANDEMIC YEAR

We ended the year with healthy net profit attributable to shareholders of \$59.0 million, an increase of 78% compared with a year ago. This included a fair value gain of \$45.2 million in 2020, which was mainly derived from the revaluation of investment properties, as well as higher share of results of equity accounted investees. Correspondingly, earnings per share rose to 5.0 cents from 2.8 cents a year earlier, while net asset value increased to 97.7 cents from 93.1 cents a year ago. We also bolstered our balance sheet cash and cash equivalents of \$198.4 million, an increase from \$89.0 million a year ago.

2020 was, by all accounts, a tumultuous year as economies and businesses around the world grappled with the debilitating impact of the COVID-19 pandemic. Despite the challenges, we buckled down and took steps to safeguard the long-term sustainability of our business. Our welldiversified assets and business portfolio, coupled with our disciplined approach and cost containment measures, proved instrumental as we navigated the challenges brought about by the pandemic. We also seized pockets of opportunities, while leveraging diversified funding instruments and distribution channels to further strengthen our position. At the same time, we continued to keep a watchful eye on the future as we prepare ourselves for the eventual upturn.

#### PRUDENT FINANCIAL MANAGEMENT

The pandemic brought to fore the importance of prudent cashflow management. To that end, we have exercised discipline in our cash flow and treasury management.

To further shore up our liquidity, we concluded the first nonrated SGD bond issuance of the COVID-19 period and issued a \$\$65 million bond under our \$\$900 million multicurrency medium term note programme in support of our growth plans. We are pleased to secure strong anchor support for this bond issue despite the challenging environment. We are particularly proud of our team's and the bankers' confidence and conviction in pushing ahead with the bond issuance despite working under the Circuit Breaker restrictions.

In the later part of the year, the team inked one of the most significant deals in the commercial real estate space in 2020 and we entered into a sale and purchase agreement to divest Robinson Point for \$500 million.

#### SEIZING OPPORTUNITIES

Agility and nimbleness are important for any business, and even more so in a pandemic. As the pandemic rolled the global hospitality sector and forced hotels to shutter their doors, our hotels - Grand Hyatt Melbourne and Hyatt Regency Perth - too have been affected. Yet, we continue to seize opportunities to boost our occupancy. Grand Hyatt Melbourne was the designated hotel for the 2021 Australian Open, which allowed us to support Victoria State in its hosting of the event. We are taking the opportunity to review and re-position the hotels to operate more competitively in a post COVID-19 environment. As part of the effort, we have streamlined the organisation structure and are reviewing the hotel operations to improve profitability and provide flexibility in asset optimisation. Other measures include strengthening our internal capability through training and development.

## OUR PEOPLE, OUR STRENGTH

Beyond our operations, the pandemic year has also impacted us on a personal level and led us to profound discoveries of ourselves as individuals and as a collective. While we had hoped that the pandemic would be short lived, it was not to be. Yet, we have emerged stronger from this long and difficult battle as our people stepped up admirably, demonstrating remarkable grit, courage, perseverance, and determination in the face of adversity. We stuck together as a team - small but dedicated and effective. This strategic advantage allowed us to respond quickly and decisively to navigate the pandemic-induced operational challenges. Armed with a positive attitude and an open mindset, we creatively adapted our approaches and strategies to make the most of the challenging landscape. We sharpened our focus, took on additional responsibilities, and supported and encouraged each other.

With the pandemic now under control in Singapore, Australia, and China, there has also been a gradual return to normalcy. The way forward remains challenging, but we are well-placed to meet the challenges head on. The lessons learnt during the pandemic will continue to serve us well. Bonded by this shared experience and with the worst of the pandemic behind us now, the team is now fully pressing ahead with our transformation into a regional property developer. We will continue to pull together our collective strengths, track record and expertise to identify and participate in large-scale integrated developments within the region.

In the midst of every crisis, lies great opportunity. Having successfully reinvented and remodelled various aspects of our businesses, we are well-positioned to seize opportunities in a post COVID-19 environment. As we embark on a "new normal", we are cognisant that COVID-19 has accelerated existing trends. We will continue to re-examine our business with a post COVID-19 lens, strengthening our operational resilience and ensuring that we will continue to grow from strength to strength. We are confident that the renewed bonds forged during the fight against COVID-19 will spur us to greater heights.

#### REWARDING STAKEHOLDERS

The Board has proposed a first and final one-tier tax exempt dividend of 0.6 cent per share. If approved at the Annual General Meeting ("AGM") on 23 April 2021, it will be paid on 25 June 2021. Shareholders may also elect to receive their dividend in the form of shares under the Scrip Dividend Scheme.

#### IN APPRECIATION

2020 has been one of the most challenging years the Group has ever faced, and we have pulled through thanks to the hard work and support of many parties. We would like to thank the directors for their guidance and counsel over the past year, and our business partners for their loyalty and commitment to us in this difficult year. Their trust and continued belief in us were instrumental in helping the Group navigate this pandemic. In particular, we like to extend our appreciation to Mr Albert Choo Teow Huat, Chairman of Audit and Risk Committee and Nominating Committee as well as member of Remuneration Committee, who will not be seeking re-election at the upcoming AGM. Over the years, the Group benefited greatly from his wealth of experience and guidance. Our people too, has been the bedrock of our success and they have also once again demonstrated remarkable dedication in their work. Lastly, we would also like to thank our shareholders who have continued to believe in us. We will do our best to ensure that Tuan Sing rises above this pandemic better, stronger, and more resilient than before. To all our stakeholders, we hope you stay safe and healthy.

## EXPLANATORY NOTES ON BUSINESSES TO BE TRANSACTED:

Ordinary Resolution 1 – is to receive and adopt the Directors' Statement and the Audited Financial Statements for FY2020 and the Auditor's Report thereon which can be found under "Statutory Reports and Accounts" in the Company's 2020 Annual Report.

**Ordinary Resolution 2** – is to approve a first and final one-tier tax exempt dividend of 0.6 cent per ordinary share in respect of FY2020 (the "**Proposed Dividend**"). The Tuan Sing Holdings Limited Scrip Dividend Scheme is applicable if the Proposed Dividend is approved.

Under the Tuan Sing Holdings Limited Scrip Dividend Scheme, shareholders entitled to dividends may elect to receive either cash or an allotment of ordinary shares of the Company, credited as fully paid, *in lieu* of cash amount of the Proposed Dividend. Shareholders who elect to receive the Proposed Dividend in scrip, the issue price for the new shares to be allotted shall be set at not more than 10% discount to the average of the last dealt prices of Tuan Sing shares for each market day from the ex-dividend date to the record date. **Ordinary Resolution 3** – is to approve the payment of Directors' fees of S\$439,664 for FY2020, for services rendered by the Directors on the Board and on various Board Committees. The framework for the proposed Directors' fees is set out in the "Corporate Governance Report" of the Company's 2020 Annual Report.

Ordinary Resolution 4 – Mr Cheng Hong Kok will, upon re-election, continue to serve as the Chairman of the Remuneration Committee and a member of the Nominating Committee. He is considered an Independent and Non-Executive Director. The detailed information on Mr Cheng (including information as set out in Appendix 7.4.1 of the SGX-ST Listing Manual can be found under "Directors' Profile" and "Additional Information On Director Seeking Re-election" in the Company's 2020 Annual Report.

**Ordinary Resolution 5** – is to re-appoint Deloitte & Touche LLP as the Company's Auditors and to authorise the Directors to fix their remuneration. The Company has complied with Rule 713(1) of the SGX-ST Listing Manual by ensuring that the audit partner is not in charge of more than five consecutive years of audits. The current audit partner, Mr Michael Kee Cheng Kong was appointed in FY2020.

**Ordinary Resolution 6** - is to empower the Directors to issue shares in the capital of the Company up to an amount not exceeding in aggregate 10% of the issued shares in the capital of the Company. This 10% limit is lower than the limit allowed under the SGX-ST Listing Manual. The Company is seeking a lower limit as it believes that this is adequate for the time being and will review the limit annually. For the purpose of determining the aggregate number of shares that may be issued, the percentage of issued shares will be calculated based on the issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time that this Resolution is passed after adjusting for any subsequent consolidation or subdivision of shares.

**Ordinary Resolution 7** - is to authorise the Directors to issue shares in the Company pursuant to the Tuan Sing Holdings Limited Scrip Dividend Scheme to participating shareholders who, in respect of that qualifying dividend, have elected to receive scrip in lieu of the cash amount of that qualifying dividend.

**Ordinary Resolution 8** - is to renew the mandate to allow the Company to purchase or otherwise acquire its issued ordinary shares, on the terms and subject to the conditions set out in the Resolution.

The Company may use its internal sources of funds or external borrowings or a combination of both to finance the purchase or acquisition of its ordinary shares. The amount of financing required for the Company to purchase or acquire its ordinary shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of ordinary shares purchased or acquired, whether the purchase or acquisition is made out of profits or capital, the price at which such ordinary shares were purchased or acquired and whether the shares purchased or acquired are held as treasury shares or cancelled.

The financial effects of the purchase or acquisition of such ordinary shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Company and the Group for FY2020, based on certain assumptions, are set out in paragraph 2.7 of the Letter to Shareholders dated 31 March 2021 (the "Letter"). Please refer to the Letter for more details.

Ordinary Resolution 9 – is to renew the mandate to enable the Company, its subsidiaries and associated companies that are considered to be "entities at risk" under Chapter 9 of the SGX-ST Listing Manual, or any of them, to enter into certain interested person transactions with specified classes of interested persons, as described in the Appendix A to the Letter. Please refer to the Letter for more details.
