

OUHUA ENERGY HOLDINGS LIMITED
(Incorporated in Bermuda with Registration Number 37791)

PROFIT WARNING FOR THE FULL YEAR ENDED 31 DECEMBER 2025

In anticipation of the announcement of the unaudited financial results for the full financial year ended 31 December 2025 (“**FY2025**”), the Board of Directors (“**the Board**”) of Ouhua Energy Holdings Limited (“**the Company**”) deems it appropriate to issue a profit warning in respect of the financial results of the Company and its subsidiaries (“**the Group**”).

The Board expects the Group to report a net loss for FY2025 due mainly to the following reasons: (1) Unregulated expansion of domestic PDH capacity in the first half of 2025 has driven up the cost of propane used in our products. (2) China’s weak domestic economy in 2025 led to lower-than-expected demand for industrial gases.

Further details will be disclosed when the Company announces its unaudited financial results for FY2025 on or before 28 March 2026.

Shareholders and potential investors are advised to read the unaudited consolidated financial results of the Group for FY2025 in their entirety once they are published via SGXNet. When in doubt as to the action they should take, shareholders and potential investors are advised to consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
