ANNOUNCEMENT

RESULTS OF THE PRIVATE PLACEMENT AND PRICING OF NEW UNITS UNDER THE PRIVATE PLACEMENT

*Capitalised terms used herein, but not otherwise defined, shall have the meanings ascribed to them in the announcement of Lendlease Global Commercial REIT ("**Lendlease REIT**") dated 5 November 2025 titled "Launch of Private Placement to raise gross proceeds of no less than S\$270.0 million" (the "**Launch Announcement**").*

1. INTRODUCTION

Following the Launch Announcement, Lendlease Global Commercial Trust Management Pte. Ltd., as manager of Lendlease REIT (the "**Manager**"), wishes to announce that Citigroup Global Markets Singapore Pte. Ltd., DBS Bank Ltd. and Oversea-Chinese Banking Corporation Limited as the joint global co-ordinators, bookrunners and underwriters for the Private Placement (collectively, the "**Joint Global Co-ordinators, Bookrunners and Underwriters**"), have in consultation with the Manager closed the books of orders for the Private Placement on 6 November 2025.

The Private Placement was approximately 3 times covered with strong participation from a quality mix of new and existing unit holders, long only funds, real estate specialists, private wealth and multi-strategy investors. The issue price per New Unit under the Private Placement has been fixed at S\$0.6020 per New Unit (the "**Issue Price**") following a book-building process.

2. ISSUE PRICE

The Issue Price of S\$0.6020 per New Unit represents a discount of:

- (i) approximately 5.7% to the VWAP of S\$0.6386 per Unit for all trades in the Units done on Singapore Exchange Securities Trading Limited (the "**SGX-ST**") for the preceding Market Day¹ on 4 November 2025 up to the time the Placement Agreement was signed on 5 November 2025; and
- (ii) (for illustrative purposes only) approximately 3.7% to the Adjusted VWAP² of S\$0.6253 per Unit.

The total gross proceeds of the Private Placement will be approximately S\$280.0 million.

1 "**Market Day**" refers to a day on which the SGX-ST is open for securities trading.

2 The "**Adjusted VWAP**" is computed based on the VWAP of trades in the Units done on the SGX-ST for the preceding Market Day on 4 November 2025 up to the time the Placement Agreement was entered into on 5 November 2025 and subtracting the estimated Advanced Distribution (as defined herein) of approximately 1.33 Singapore cents per Unit, being the mid-point of the estimated Advanced Distribution Range. The amount of Advanced Distribution is an estimate only based on information currently available to the Manager and the Manager's estimate of LREIT's revenue and expenses for the relevant period on a *pro rata* basis and the actual Advanced Distribution may differ.

3. USE OF PROCEEDS

Further to the Launch Announcement and subject to relevant laws and regulations, the Manager intends to use the gross proceeds of approximately S\$280.0 million in the following manner:

- (a) approximately S\$234.3 million (which is equivalent to approximately 83.7% of the gross proceeds of the Private Placement) to finance the Sale Units Consideration³ and Sale Shares Consideration³;
- (b) approximately S\$6.5 million (which is equivalent to approximately 2.3% of the gross proceeds of the Private Placement) in relation to the estimated professional and other fees and expenses incurred or to be incurred by Lendlease REIT in connection with the Acquisitions (as defined in the Acquisition Announcement) and the Private Placement; and
- (c) approximately S\$39.2 million (which is equivalent to 14.0% of the gross proceeds of the Private Placement) to pare down existing debt,

with the balance of the proceeds of the Private Placement, if any, to be used for general corporate and/or working capital purposes and/or to pare down existing debt.

Notwithstanding its current intention, in the event that the Private Placement is completed but the Acquisitions do not proceed for whatever reason, the Manager may, subject to relevant laws and regulations, utilise the net proceeds of the Private Placement at its absolute discretion for other purposes, including without limitation, the repayment of existing indebtedness, for funding capital expenditures and other general working capital purposes.

The Manager will make periodic announcements on the utilisation of the gross proceeds of the Private Placement via SGXNET as and when such funds are materially disbursed and whether such a use is in accordance with the stated use and in accordance with the percentage allocated.

Where proceeds are to be used for working capital purposes, the Manager will disclose a breakdown with specific details on the use of proceeds for working capital in Lendlease REIT's announcements and in Lendlease REIT's annual report, and where there is any material deviation from the stated use of proceeds, the Manager will announce the reasons for such deviation.

Pending the deployment of the net proceeds of the Private Placement, the net proceeds may, subject to relevant laws and regulations, be deposited with banks and/or financial institutions, or to be used to repay outstanding borrowings or for any other purpose on a short-term basis as the Manager may, in its absolute discretion, deem fit. The Manager believes that upon the closing of the Private Placement and the completion of the Acquisitions, the working capital will be sufficient to enable Lendlease REIT to meet its obligations and continue to operate as a going concern.

4. STATUS OF THE NEW UNITS

4.1 Entitlement to Advanced Distribution

Lendlease REIT's policy is to distribute its distributable income on a semi-annual basis to Unitholders.

³ As defined in the Manager's announcement dated 5 November 2025 titled "Acquisition of (I) 70% Stake in PLQ Mall via the Acquisition of Units in PLQM Trust; and (II) 70% of the Trustee-Manager of PLQM Trust" (the "Acquisition Announcement").

In connection with the Private Placement, the Manager intends to declare, in respect of the Existing Units, an advanced distribution for the period from 1 July 2025 to the date immediately prior to the date on which the New Units are issued pursuant to the Private Placement (the “**Advanced Distribution**”). The quantum of distribution per Unit under the Advanced Distribution is currently estimated to be between 1.30 Singapore cents to 1.36 Singapore cents (the “**Advanced Distribution Range**”). A further announcement on the actual quantum of distribution per Unit (which may differ from the estimate above) under the Advanced Distribution will be made by the Manager in due course.

The New Units pursuant to the Private Placement are expected to be issued on or around 14 November 2025. The Advanced Distribution is intended to ensure that the distribution accrued by Lendlease REIT up to the day immediately preceding the date of issue of the New Units pursuant to the Private Placement (which at this point, will be entirely attributable to the Existing Units) is only distributed in respect of the Existing Units, and is being proposed as a means to ensure fairness to holders of the Existing Units.

The next distribution following the Advanced Distribution will comprise Lendlease REIT's distributable income for the period from the day the New Units are issued pursuant to the Private Placement to 31 December 2025 (the “**Relevant Period Distribution**”). Semi-annual distributions will resume thereafter, unless otherwise announced.

4.2 Status of New Units issued pursuant to the Private Placement

The New Units issued pursuant to the Private Placement will, upon issue, rank *pari passu* in all respects with the Units in issue on the day immediately prior to the date on which the New Units are issued pursuant to the Private Placement, other than in respect of the Advanced Distribution.

For the avoidance of doubt, the holders of the New Units to be issued pursuant to the Private Placement will not be entitled to the Advanced Distribution.
