**Singapore, 6 January 2015** - Sakae Corporate Advisory Pte. Ltd. has been appointed to serve as Corporate Adviser for Q&M Dental Group for two years.

Q&M Dental Group was hand-picked by Sakae Corporate Advisory Pte. Ltd. for its tremendous growth potential.

As founder of Sakae Holdings, Mr. Douglas Foo said, "I learnt that one of the interests of many European and American family offices and fund managers is in investing in companies with very strong growth potential. I must say that Q&M definitely falls into this category."

As to how Sakae Corporate Advisory Pte. Ltd. will go ahead with this new appointment, Mr Foo. said, "Our programme is a three part, two year programme where the first part is centered on making sure that the investment merits of our clients are highlighted in the right way to our targeted investors. Secondly, we will then work with analysts and various European brokerages to further explore any possible growth-drivers that are available internationally for our client. Thirdly, we will then bring our clients individually to "custom-made" investment roadshows in more than ten major European and American cities.
