Question	Answer
Why does Unitholders received notification to vote at two AGMs – under NetLink NBN Trust and Singapore NBN Trust? Trust?	undivided interest in the shares of the Trustee-Manager, NetLink NBN Management Pte Ltd, in proportion to his/her
	Singapore NBN Trust for Unitholders of NetLink NBN Trust.
There is a resolution seeking Unitholder's approval to re- elect Mr Sean Patrick Slattery	in FY2022 as he was on medical leave.
as Director of the Trustee-Manager. However, Mi Slattery's attendance of board meetings fell below 75% in the last fiscal year. Could we please understand the reasons accounting for his attendance last year?	FY2022 (i.e., from FY 2019 to FY2021), Mr Slattery had attended 12 out of the 13 Board Meetings held (i.e., an attendance rate of over 92%); and all 12 Risk & Regulatory Committee Meetings as its Chairman.

Question	Answer
	Furthermore, as the Minutes of Board Meetings are circulated to all Directors, Mr Slattery was updated on the matters that were discussed at the two Board Meetings in FY2022 where he was absent. Hence, although Mr Slattery was not present at these two Board Meetings, he was apprised of what transpired and could provide any input that he would like, including to ask for further discussions on any given matter at the next Board Meeting.
	We would also like to highlight that Directors do not only spend their time on Board duties at Board Meetings. They also engage with Management regularly, outside of Board Meetings.
