IFAST SECURITIES US RECEIVES APPROVAL FOR DIRECT ACCESS TO US EXCHANGES

The Board of Directors of iFAST Corporation Ltd. ("the Company") is pleased to announce that its US-incorporated subsidiary, iFAST Securities US Corporation ("iFAST Securities US"), received approval to become a Participant of The Depository Trust Company (DTC) and a Self-Clearing Member of the National Securities Clearing Corporation (NSCC), both of which are subsidiaries of The Depository Trust & Clearing Corporation (DTCC).

The approval follows iFAST Securities US's successful registration with the US Securities and Exchange Commission (SEC) and the Financial Industry Regulatory Authority (FINRA). As a self-clearing broker-dealer, iFAST Securities US will enable the Group to gain direct access to US exchanges to route trades and hold custody of US securities internally. This development will help in cost and operational efficiency for the Group.
