## **AusGroup awarded 5-year Maintenance Contract by Esso (Thailand)**

**AusGroup Limited** (“AusGroup”) is pleased to announce that its subsidiary AusGroup Corporation Company Limited (“AusGroup Corporation”) has been awarded a five-year Scaffold and Insulation services contract with **Esso (Thailand) Public Company Limited** (“Esso”). This contract award will see AusGroup Corporation become the Scaffold and Insulation services contractor in support of Esso (Thailand)’s Sriracha Refinery in Laem Chabang, Thailand.

AusGroup Corporation will utilise the already existing local presence and infrastructure at AusGroup Corporation’s Laem Chabang Maintenance Hub and provide specialised scaffolding and insulation maintenance services, which includes skilled labour, scaffold material, scaffold design and procurement services.

AusGroup CEO and Managing Director Shane Kimpton said “This contract award is a major milestone in realising AusGroup’s strategy and vision for our South East Asian operations. Our Laem Chabang Maintenance Hub is ideally placed to provide specialist multi-disciplinary services to the Oil & Gas sector in Thailand and more broadly across the region. This award continues to build our reputation as a skilled service provider to the Oil & Gas industry globally.”

We look forward to working with Esso (Thailand) to deliver safety, efficient and innovative maintenance services throughout the contract period.
