To: The Shareholders of Falcon Energy Group Limited

Dear Sir / Madam

THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

1. INTRODUCTION

We refer to (a) the Notice convening the Twelfth AGM of the Company to be held on 27 October 2016 and (b) the proposed Resolution 8 (to be passed as an Ordinary Resolution) set out in the Notice of the Twelfth AGM in relation to the proposed renewal of the Share Buyback Mandate.

The purpose of this Circular is to provide Shareholders with the relevant information relating to, and to explain the rationale for, the proposed renewal of the Share Buyback Mandate for which approval of Shareholders will be sought at the Twelfth AGM to be held on 27 October 2016 ("**Twelfth AGM**").

This Circular has been prepared solely for the purposes set out herein and may not be relied upon by any persons (other than Shareholders to whom this Circular is despatched by the Company) or for any other purpose.

The SGX-ST assumes no responsibility for the correctness of any of the statements made, opinions expressed or reports contained in this Circular.

2. PROPOSED RENEWAL OF SHARE BUYBACK MANDATE

2.1 General

Under the Companies Act, a company may purchase its own shares, stocks and/or preference shares if it is expressly permitted to do so by its constitution. Article 68(2) of the Company's Constitution expressly permits the Company to, *inter alia*, purchase or otherwise acquire any of its issued Shares. It is also a requirement under the Companies Act that a company which wishes to purchase or otherwise acquire its own shares should obtain approval from its shareholders to do so at a general meeting of its shareholders.

At an extraordinary general meeting of the Company held on 30 July 2010, Shareholders had approved the first Share Buyback Mandate to enable the Company to purchase or otherwise acquire its issued Shares on the terms of the said Share Buyback Mandate. The Share Buyback Mandate was subsequently renewed at the AGMs held on 27 April 2011, 30 April 2012, 30 July 2013, 25 July 2014 and 30 July 2015. The approval conferred on the Directors will, unless renewed, expire at the Twelfth AGM.

LETTER TO SHAREHOLDERS

In this regard, approval is now being sought from Shareholders at the Twelfth AGM for the proposed renewal of the Share Buyback Mandate.

2.2 Rationale

The Directors constantly seek to increase shareholder value and to improve, *inter alia*, the return on equity of the Group. A share buyback at the appropriate price level is one of the ways through which the return on equity of the Group may be enhanced. Share buybacks provide the Company with a mechanism to facilitate the return of surplus cash/funds over and above its ordinary capital requirements, and in excess of the financial and possible investment needs of the Company, in an expedient, effective and cost-efficient manner. It will also provide the Directors with greater flexibility over the Company's dividend policy and share capital structure with a view to enhancing the earnings and/or NAV per Share. The Directors further believe that share buybacks by the Company will help mitigate short term market volatility, offset the effects of short-term speculation and bolster Shareholders' confidence.

While the Share Buyback Mandate would authorise a purchase or acquisition of Shares up to the 10% limit described in Section 3.1 below during the period referred to in Section 3.2 below, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Buyback Mandate may not be carried out to the full 10% limit as authorised, and will be made only as and when the Directors consider it to be in the best interests of the Company and/or Shareholders and in circumstances which they believe will not result in any material adverse effect on the financial position of the Company or the Group, or result in the Company being delisted from the SGX-ST. The Directors will ensure that after a purchase or acquisition of Shares pursuant to the Share Buyback Mandate, the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or adversely affect the orderly trading and listing status of the Shares on the SGX-ST.

3. AUTHORITY AND LIMITS OF THE SHARE BUYBACK MANDATE

The authority and limitations placed on share purchases or acquisitions of Shares by the Company under the Share Buyback Mandate are similar in terms to those previously approved by Shareholders at the AGM held on 30 July 2015, and are summarised below:

3.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

Subject to the Companies Act and the Listing Manual, the total number of Shares that may be purchased or acquired by the Company shall not exceed 10% of the total number of Shares (excluding any Shares which are held as treasury shares) in issue as at the date of the AGM at which the renewal of the Share Buyback Mandate is approved. As at the Latest Practicable Date, the Company is holding 16,484,300 treasury shares. For illustrative purposes only, on the basis of 806,958,075 Shares in issue as at the Latest Practicable Date (excluding treasury shares) and assuming no further Shares are issued on or prior to the Twelfth AGM, not more than 80,695,807 Shares (representing approximately 10% of the issued ordinary share capital of the Company as at that date) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate during the period referred to in Section 3.2 below.

LETTER TO SHAREHOLDERS

3.2 Duration of Authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the Twelfth AGM at which the proposed renewal of the Share Buyback Mandate is approved, up to:

- (a) the date on which the next AGM is held or required by law to be held;
- (b) the date on which the Share buybacks are carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied by the Shareholders in a general meeting,

whichever is the earliest.

The authority conferred on the Directors by the Share Buyback Mandate to purchase or acquire Shares may be renewed at the AGM to be held after the Twelfth AGM (i.e. the Thirteenth AGM). When seeking the approval of Shareholders for the renewal of the Share Buyback Mandate, the Company is required to disclose details pertaining to purchases or acquisitions of Shares pursuant to the previous Share Buyback Mandate made during the previous 12 months, including the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such purchases of Shares, where relevant, and the total consideration paid for such purchases.

3.3 Manner of Purchase of Shares

Purchases or acquisitions of Shares may be made by way of:

- (a) on-market purchases ("**Market Purchases**"), transacted on the SGX-ST through the SGX-ST's trading system or through one or more duly licensed stock brokers appointed by the Company for the purpose; and/or
- (b) off-market purchases (if effected otherwise than on the SGX-ST) in accordance with an equal access scheme(s) as may be determined or formulated by the Directors as they may consider fit, which scheme(s) shall satisfy all the conditions of the Companies Act and the Listing Rules ("**Off-Market Purchases**").

The Directors may impose such terms and conditions which are not inconsistent with the Share Buyback Mandate, the Listing Rules and the Companies Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. An Off-Market Purchase must, however, satisfy all of the following conditions:

- (i) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of the abovementioned persons shall be given a reasonable opportunity to accept the offers made to them; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded: (1) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements; (2) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid (if applicable); and (3) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

LETTER TO SHAREHOLDERS

Pursuant to the Listing Rules, if the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, it will issue an offer document to all Shareholders containing at least the following information:

- (1) the terms and conditions of the offer;
- (2) the period and procedures for acceptances;
- (3) the reasons for the proposed purchase or acquisition of Shares;
- (4) the consequences, if any, of the purchases or acquisitions of Shares by the Company that will arise under the Take-over Code or other applicable takeover rules;
- (5) whether the purchases or acquisitions of Shares, if made, could affect on the listing of the Shares on the SGX-ST;
- (6) details of any purchases or acquisitions of Shares made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases of Shares, where relevant, and the total consideration paid for the purchases; and
- (7) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

3.4 Maximum Purchase Price

The purchase price (excluding applicable brokerage, stamp duties, commission, goods and services tax and other related expenses (“**Related Expenses**”)) to be paid for a Share will be determined by the Directors. However, the purchase price to be paid for the Shares pursuant to the purchases or acquisitions of the Shares must not exceed:

- (i) in the case of a Market Purchase, 105% of the Average Closing Price (as defined hereinafter); and
- (ii) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Highest Last Dealt Price (as defined hereinafter),

(“**Maximum Price**”) in either case, excluding Related Expenses.

For the above purposes:

“**Average Closing Price**” means the average of the closing market prices of a Share over the last five Market Days on which transactions in the Shares were recorded, immediately preceding the day of the Market Purchase and deemed to be adjusted for any corporate action that occurs after the relevant five Market Days;

“**Highest Last Dealt Price**” means the highest price transacted for a Share as recorded on the Market Day on which there were trades in the Shares immediately preceding the day of the making of the offer pursuant to the Off-Market Purchase; and

“**day of the making of the offer**” means the day on which the Company announces its intention to make an offer for the purchase of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

LETTER TO SHAREHOLDERS

4. STATUS OF THE PURCHASED OR ACQUIRED SHARES

The Shares purchased or acquired by the Company may be cancelled or kept as treasury shares.

4.1 Cancellation

A Share purchased or acquired by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Share will expire on such cancellation) unless such Share is held by the Company as a treasury share. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

4.2 Treasury shares

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

(a) Maximum Holdings

The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares.

(b) Voting and Other Rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. Also, a subdivision or consolidation of any treasury share into treasury shares of a smaller amount is allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

(c) Disposal and Cancellation

Where Shares are held as treasury shares, the Company may at any time:

- (i) sell the treasury shares for cash;
- (ii) transfer the treasury shares for the purposes of or pursuant to an employees' share scheme;
- (iii) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the treasury shares; or
- (v) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

Under the Listing Manual, immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares (in each case, "**usage**"). Such announcement must include details such as the date of the usage, the purpose of the usage, the number of treasury shares comprised in the usage, the number of treasury shares before and after the usage, and the percentage of the number of treasury shares comprised in the usage against the total number of issued shares (of the same class as the treasury shares) which are listed on the SGX-ST before and after the usage.

LETTER TO SHAREHOLDERS

5. REPORTING REQUIREMENTS

Within 30 days of the passing of a Shareholders' resolution to approve the Share Buyback Mandate, the Company shall lodge a copy of such resolution with the Registrar.

The Company shall notify the Registrar within 30 days of a purchase of Shares on the SGX-ST or otherwise. Such notification shall include the date of the purchases, the number of Shares purchased by the Company, the number of Shares cancelled, the number of Shares held as treasury shares, the Company's issued share capital before and after the purchase of Shares, and the amount of consideration paid by the Company for the purchases, whether the Shares were purchased out of profits or capital of the Company and such other particulars as may be required in the prescribed form.

6. SOURCE OF FUNDS FOR THE SHARE BUYBACK

The Companies Act permits the Company to purchase or acquire its own Shares out of capital or profits so long as the Company is solvent. Payments could be made from capital or profits so long as the Company is solvent.

In the event the Shares which are purchased or acquired by the Company are cancelled immediately on purchase or acquisition (as opposed to being held as treasury shares to the extent permitted under the Companies Act), the Company shall:

- (a) reduce the amount of its share capital where the Shares were purchased or acquired out of capital of the Company;
- (b) reduce the amount of profits where the Shares were purchased or acquired out of the profits of the Company; or
- (c) reduce the amount of its share capital and profits proportionately where the Shares were purchased or acquired out of both capital and profits of the Company,

by the total amount of the purchase price paid by the Company for the Shares cancelled.

The Company will use internal resources or external borrowings or a combination of both to fund purchases of Shares pursuant to the Share Buyback Mandate. In considering the use of external funding, the Company will take into consideration the availability of external financing and the resulting impact on the prevailing gearing level of the Company and the Group. The Company will only exercise the mandate in the interest of the Company and the Group without causing adverse financial impact to the Company and the Group. In particular, the Company will have regard to any relevant financial covenants which are applicable to the Company and/or the Group under any agreements for banking and credit facilities which may be granted by a financial institution to the Company and/or the Group from time to time. The Company will not effect any share buyback if such purchases would result in any breaches of the relevant financial covenants.

7. FINANCIAL EFFECTS OF THE SHARE BUYBACK MANDATE

The financial effects on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Share Buyback Mandate will depend on, *inter alia*, the exact number of Shares purchased or acquired, the purchase price paid at the relevant time of purchase or acquisition, how the purchase or acquisition is funded, whether the Shares purchased or acquired are held in treasury or immediately cancelled on purchase or acquisition as well as how the Shares held in treasury are subsequently dealt with by the Company in accordance with Section 76K of the Companies Act.

LETTER TO SHAREHOLDERS

7.1 Purchase or acquisition out of capital or profits

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (after deducting applicable brokerage, goods and services tax, stamp duties, clearance fees and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount of distributable profits available for cash dividends by the Company will not be reduced.

7.2 Number of Shares acquired or purchased

Subject to compliance with Section 76I of the Companies Act, based on 806,958,075 Shares in issue as at the Latest Practicable Date (disregarding for this purpose the 16,484,300 Shares held by the Company as treasury shares), and assuming no further Shares are issued on or prior to the Twelfth AGM, the exercise in full of the Share Buyback Mandate will result in the purchase or acquisition of 80,695,807 Shares, representing approximately 10% of the total Shares in issue (disregarding for this purpose the 16,484,300 Shares held as treasury shares).

7.3 Maximum Price to be paid for the Share Buybacks

For illustrative purposes only:

- (a) In the case of a Market Purchase by the Company and assuming that the Company purchases or acquires the 80,695,807 Shares at the Maximum Price of S\$0.165 for one Share (being 105% of the average of the closing market prices of a Share over the last five Market Days on which transactions in the Shares were recorded, immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 80,695,807 Shares is approximately S\$13,314,808 (excluding Related Expenses) (equivalent to approximately US\$9,738,030 based on the exchange rate of US\$1.00 : S\$1.3673).
- (b) In the case of an Off-Market Purchase by the Company and assuming that the Company purchases or acquires the 80,695,807 Shares at the Maximum Price of S\$0.186 for one Share (being 120% of the highest price transacted for a Share as recorded on the Market Day on which there were trades in the Shares immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 80,695,807 Shares is approximately S\$15,009,420 (excluding Related Expenses) (equivalent to approximately US\$10,977,415 based on the exchange rate of US\$1.00 : S\$1.3673).

7.4 Illustrative Financial Effects

For illustrative purposes only, the financial effects of the purchase or acquisition of Shares by the Company pursuant to the Share Buyback Mandate are set out in Section 7.4.1 below and are calculated based on the unaudited financial statements of the Company and the Group for the financial period ended 30 June 2016 and are based on the following assumptions:

- (a) the purchase or acquisition of Shares took place at the beginning of the financial period on 1 April 2015;
- (b) the purchase or acquisition of Shares was financed by a combination of internal sources of funds of the Company and external short-term bank borrowings by the Company;
- (c) the transaction costs incurred for the purchase or acquisition of Shares pursuant to the Share Buyback Mandate were insignificant and have been ignored for the purpose of computing the financial effects; and

LETTER TO SHAREHOLDERS

- (d) in respect of the scenarios under Section 7.4.1(B) and Section 7.4.2(B), the Company holds 16,484,300 Shares as treasury shares as at the Latest Practicable Date and assuming that the Company will continue to hold such 16,484,300 Shares as treasury shares, the Company will be permitted to hold only a further 65,859,937 Shares as treasury shares. As such, the remaining 14,835,870 Shares that are purchased or acquired pursuant to the Share Buyback Mandate will have to be cancelled upon purchase or acquisition.

7.4.1 Purchases made out of capital: (A) Purchases made out of capital and entirely cancelled; and (B) Purchases made out of capital with 65,859,937 Shares held as treasury shares and the remaining 14,835,870 Shares cancelled:

Shareholders should note that the financial effects set out above are based on the abovementioned assumptions and are purely for illustrative purposes only. Although the Share Buyback Mandate would authorise the Company to purchase or acquire up to 10% of the issued Shares, the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10% of the issued Shares. In addition, the Company may cancel all or part of the Shares purchased or hold all or part of the Shares purchased in treasury. The above analysis is based on historical figures for the financial period ended 30 June 2016 and is not necessarily representative of the Company's or the Group's future financial performance.

LETTER TO SHAREHOLDERS

8. OBLIGATIONS UNDER THE TAKE-OVER CODE

Appendix 2 of the Take-over Code contains the Share Buyback Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:

8.1 Obligation to make a take-over offer

Under Rule 14 of the Take-over Code, a Shareholder and persons acting in concert with the Shareholder will incur an obligation to make a mandatory takeover offer if, *inter alia*, he and persons acting in concert with him increase their voting rights in the Company to 30% or more or, if they, together holding between 30% and 50% of the Company's voting rights, increase their voting rights in the Company by more than 1% in any period of six months.

If, as a result of any purchase or acquisition by the Company of its Shares, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a mandatory take-over offer for the Company under Rule 14 of the Take-over Code.

8.2 Persons acting in concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons will, *inter alia*, be presumed to be acting in concert:

- (a) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts);
- (b) the following companies: (i) a company; (ii) the parent company of (i); (iii) the subsidiaries of (i); (iv) the fellow subsidiaries of (i); (v) the associated companies of any of (i), (ii), (iii) or (iv); (vi) companies whose associated companies include any of (i), (ii), (iii), (iv) or (v); and (vii) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights. For this purpose, a company is an associated companies of the second company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company;
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund in respect of the investment account which such person manages on a discretionary basis;
- (e) a financial or other professional adviser, with its clients in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholding of the adviser and any of those funds in the client total 10% or more of the client's equity share capital;
- (f) directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer where they have reason to believe a bona fide offer for their company may be imminent;
- (g) partners; and

LETTER TO SHAREHOLDERS

- (h) an individual with his close relatives, his related trusts, and any person who is accustomed to act according to his instructions, companies controlled by any of the above and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights.

The circumstances under which Shareholders of the Company (including Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

8.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months.

Such Shareholder need not abstain from voting in respect of the resolution authorising the proposed renewal of the Share Buyback Mandate.

However, Shareholders will be subject to the provisions of Rule 14 of the Take-over Code if they acquire Shares after the buyback of Shares by the Company. For this purpose, an increase in the percentage of voting rights as a result of the buyback of Shares by the Company will be taken into account in determining whether a Shareholder and persons acting in concert with him have increased their voting rights by more than 1% in any period of six months.

Shareholders (including Directors) and their concert parties who hold more than 50% of the Company's voting rights are under no obligation to make a take-over offer if the voting rights of such Shareholders and their concert parties were to increase as a result of the Company purchasing or acquiring Shares.

8.4 Applicability of Rule 14 and Appendix 2 of the Take-over Code

Based on interests of the Directors and the Substantial Shareholders in the Shares as at the Latest Practicable Date as recorded in the Register of Directors' Shareholding and the Register of Substantial Shareholding as set out in Section 10 below, none of the Substantial Shareholders would become obliged to make a take-over offer under Rule 14 of the Take-over Code as a result of the purchase or acquisition by the Company of the maximum limit of 10% of its issued Shares.

As at the Latest Practicable Date, Tan Pong Tyea (a Director and Substantial Shareholder) owns or controls an aggregate of approximately 62.74% of the voting rights of the Company (comprising a direct interest of 51.79% and a deemed interest of 10.95%, as more particularly set out in Section 10.1 below).

Assuming that there is no change in the direct and deemed interests of Tan Pong Tyea in the Company, the purchase or acquisition by the Company of the maximum limit of 10% of its issued Shares will result in an increase in his aggregate voting rights of the Company from approximately 62.74% to approximately 69.72%, ie. his aggregate voting rights will remain above 50%.

LETTER TO SHAREHOLDERS

9. OBLIGATIONS UNDER THE LISTING MANUAL

9.1 Listing Rules

The Listing Manual specifies that a listed company shall announce all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m., (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares and (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer. Such announcement currently requires the inclusion of details of, *inter alia*, the total number of shares purchased, the purchase price per share or the highest and lowest prices paid for such shares, as applicable.

9.2 Suspension of Share Buyback

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Buyback Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced. In particular, in line with the best practices on securities dealings stipulated in the Listing Manual, the Company will not deal in the Shares during the period commencing two weeks before the announcement of the Company’s financial statements for each of the first three quarters of its financial year, or one month before the announcement of its full year results, and ending on the date of announcement of the relevant results.

9.3 Listing Status on the SGX-ST

The Listing Manual requires a listed company to ensure that at least 10% of the total number of issued shares (excluding preference shares, convertible equity securities and treasury shares) in a class that is listed must be held by public Shareholders. As at the Latest Practicable Date, 253,033,008 Shares, representing approximately 31.36% of the issued Shares, are held by public Shareholders. Assuming that the Company purchases or acquires its Shares through Market Purchases up to the full 10% limit as authorised pursuant to the Share Buyback Mandate from the public, the number of Shares in the hands of the public would be reduced to 172,337,201 Shares, representing approximately 23.73% of the reduced issued share capital of the Company. Accordingly, the Company is of the view that there is a sufficient number of issued Shares held in the hands of the public which would permit the Company to undertake purchases or acquisitions of its issued Shares up to the full 10% limit pursuant to the Share Buyback Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity. The Directors will ensure that the Company does not effect a purchase of Shares if the purchase of Shares would result in the number of Shares remaining in the hands of the public falling to such a level as to cause market illiquidity or adversely affect the listing status of the Company. Before deciding to effect a purchase of Shares, the Directors will ensure that, notwithstanding such purchase, a sufficient float in the hands of the public will be maintained to provide for an orderly market for trading in the Shares.
