PROFIT GUIDANCE ANNOUNCEMENT

The Board of Directors (the “**Board**”) of Jawala Inc. (the “**Company**”, together with its subsidiary, the “**Group**”) wishes to inform the Company’s shareholders that the Group is expecting to report a net loss for the six-month financial period ended 31 January 2024 (“**1H2024**”). This is mainly due to the Group recording insignificant sales volume during the period as the Group slowed its logging and production operations in response to the weak prices and demand in the timber market.

The Company is still in the midst of finalising its financial results for 1H2024 (the “**Results**”). Further details on the Group’s financial performance will be made available in the Results, which will be announced by 16 March 2024.

In the meantime, shareholders of the Company are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
