Dear Sir / Madam

THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

1. INTRODUCTION

The Company will be holding its AGM on 17 April 2023, 2.00 p.m., at Carlton Hall, Level 2, York Hotel Singapore, 21 Mount Elizabeth, Singapore 228516 (the “**2023 AGM**”). Notice of the 2023 AGM (the “**Notice of AGM**”) and the proxy form have been circulated on 31 March 2023.

The purpose of this Appendix is to provide Shareholders with information relating to, and to seek their approval for the renewal of the Share Purchase Mandate at the 2023 AGM. This Appendix has been prepared solely for the purpose set out herein and may not be relied upon by any persons (other than Shareholders) or for any other purpose.

If you are in any doubt as to the course of action you should take, you should consult your stockbroker, bank manager, solicitor, accountant or other professional adviser immediately.

The SGX-ST assumes no responsibility for the accuracy of any statements made, opinions expressed or reports contained in this Appendix.

2. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

2.1 Introduction

Any purchase or acquisition of Shares by the Company would have to be made in accordance with, and in the manner prescribed by, the Companies Act, the Listing Manual and such other laws and regulations as may, for the time being, be applicable. The Company is also required to obtain approval of its Shareholders at a general meeting if it wishes to purchase or acquire Shares. Accordingly, approval is being sought from Shareholders at the 2023 AGM for the adoption of the Share Purchase Mandate to enable the Company to purchase or acquire Shares.

LETTER TO SHAREHOLDERS

At the 2022 AGM, Shareholders had approved the renewal of the Share Purchase Mandate to enable the Company to purchase or otherwise acquire issued Shares. The authority and limitations of the Share Purchase Mandate were set out in the Company's appendix to the notice of the 2022 AGM dated 30 March 2022 and the ordinary resolution 16 of the notice of the 2022 AGM dated 30 March 2022, respectively. The authority contained in the Share Purchase Mandate adopted at the 2022 AGM was expressed to continue in force until the next annual general meeting of the Company and, as such, would be expiring on 17 April 2023, being the date of the forthcoming annual general meeting. Accordingly, the Directors propose that the Share Purchase Mandate be renewed at the 2023 AGM.

If approved by Shareholders at the 2023 AGM, the authority conferred by the Share Purchase Mandate will continue in force until the next annual general meeting of the Company (whereupon it will lapse, unless renewed at such annual general meeting) or until it is varied or revoked by the Company in general meeting.

2.2 Rationale

The rationale for the Company to undertake the purchase or acquisition of its Shares is as follows:

- (a) in managing the business of the Group, management will strive to increase Shareholders' value by improving, *inter alia*, the ROE of the Company. In addition to growth and expansion of the business, share purchases may be considered as one of the ways through which the ROE of the Company may be enhanced;
- (b) the Share Purchase Mandate will provide the Company with greater flexibility in managing its capital and maximising returns to its Shareholders. To the extent that the Company has capital and surplus funds which are in excess of its financial needs, taking into account its growth and expansion plans, the Share Purchase Mandate will facilitate the return of excess cash and surplus funds to Shareholders in an expedient, effective and cost-efficient manner;
- (c) the Share Purchase Mandate will provide the Company with the flexibility to undertake share repurchases at any time, subject to market conditions, during the period when the Share Purchase Mandate is in force; and
- (d) shares which are purchased by the Company pursuant to the Share Purchase Mandate and held in treasury may, *inter alia*, to the extent permitted by applicable law, be transferred for the purposes of or pursuant to share schemes implemented by the Company, including the Japfa Performance Share Plan. The use of treasury shares in lieu of issuing new Shares would, *inter alia*, mitigate the dilution impact of share grants under the Japfa Performance Share Plan on existing Shareholders.

The purchase or acquisition of Shares will only be undertaken if it can benefit the Company and/or Shareholders. Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate may not be carried out to the full limit as authorised. No purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the liquidity and capital adequacy position of the Group as a whole, result in the retained earnings of the Company to be negative and/or affect the listing status of the Company on the SGX-ST.

2.3 Authority and Limits of the Share Purchase Mandate

The authority and limitations placed on the Share Purchase Mandate, if renewed at the 2023 AGM, are substantially the same as those previously approved by Shareholders at the 2022 AGM and are summarised below:

(a) Maximum Number of Shares

The total number of Shares which may be purchased or acquired by the Company is limited to that number of Shares representing not more than 10.0% of the issued Shares as at the date of the 2023 AGM at which the Share Purchase Mandate is approved. Any Shares which are held as treasury shares will be disregarded for purposes of computing the 10.0% limit.

LETTER TO SHAREHOLDERS

Purely for illustrative purposes, on the basis of 2,037,036,820 Shares in issue (excluding 30,386,500 treasury shares) as at the Latest Practicable Date and assuming that (i) no further Shares are issued on or prior to the 2023 AGM, (ii) no further Shares are purchased and held as treasury shares, and (iii) the Company does not reduce its share capital, the purchase or acquisition by the Company of up to the maximum limit of 10.0% of its issued Shares will result in the purchase or acquisition of 203,703,682 Shares.

However, as stated in Section 2.2 above and Section 2.9 below, purchases or acquisitions pursuant to the Share Purchase Mandate need not be carried out to the full extent mandated, and, in any case, would not be carried out to such an extent that would result in the Company being delisted from the SGX-ST. The public float in the issued Shares as at the Latest Practicable Date is disclosed in Section 2.9 below.

(b) Duration of Authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the 2023 AGM, at which the renewal of the Share Purchase Mandate is approved, up to:

- (i) the date on which the next annual general meeting of the Company is held or required by law to be held;
- (ii) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied; or
- (iii) the date on which purchases and acquisitions of Shares pursuant to the Share Purchase Mandate are carried out to the full extent mandated,

whichever is the earliest.

The Share Purchase Mandate may be renewed at each annual general meeting or other general meetings of the Company.

(c) Manner of Purchases or Acquisitions of Shares

Purchases or acquisitions of Shares may be made by way of:

- (i) on-market purchases ("**Market Purchases**"), transacted through the SGX-ST's trading system or on any other securities exchange on which the Shares may for the time being be listed and quoted, through one or more duly licensed dealers appointed by the Company for the purpose; and/or
- (ii) off-market purchases ("**Off-Market Purchases**"), otherwise than on a securities exchange, in accordance with an equal access scheme.

In an Off-Market Purchase, the Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Listing Manual and the Companies Act as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. An equal access scheme must, however, satisfy all the following conditions:

- (i) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (iii) the terms of all the offers are the same, except that there shall be disregarded (1) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements, (2) differences in consideration attributable to the fact that the offers may relate to Shares with different amounts remaining unpaid and (3) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

LETTER TO SHAREHOLDERS

If the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, it will issue an offer document containing at least the following information:

- (1) the terms and conditions of the offer;
- (2) the period and procedures for acceptances; and
- (3) the information required under Rules 883(2), (3), (4), (5) and (6) of the Listing Manual.

(d) Purchase Price

The purchase price (excluding brokerage, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors. The purchase price to be paid for the Shares as determined by the Directors pursuant to the Share Purchase Mandate (both Market Purchases and Off-Market Purchases) must not exceed 105% of the Average Closing Price of the Shares, excluding related expenses of the purchase or acquisition (the **“Maximum Price”**).

For the above purposes:

“Average Closing Price” means the average of the closing market prices of a Share over the last five Market Days on which the Shares are transacted on the SGX-ST immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted, in accordance with the rules of the SGX-ST, for any corporate action that occurs during the relevant five-day period and the day on which the purchases are made; and

“date of the making of the offer” means the date on which the Company makes an offer for the purchase or acquisition of Shares from holders of Shares, stating therein the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.4 Status of Purchased Shares

A Share purchased or acquired by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Share will expire on such cancellation) unless such Share is held by the Company as a treasury share. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company, which are cancelled and are not held as treasury shares. The Directors will decide whether the Shares purchased or acquired by the Company will be held as treasury shares or cancelled, depending on the needs of the Company at that time. It is presently intended by the Company that Shares which are purchased or acquired by the Company will be held as treasury shares, up to the maximum number of treasury shares permitted by law to be held by the Company.

2.5 Treasury Shares

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act, are summarised below:

(a) Maximum Holdings

The aggregate number of Shares held as treasury shares cannot at any time exceed 10.0% of the total number of issued Shares. In the event that the aggregate number of treasury shares held by the Company exceeds the aforesaid limit, the Company shall dispose of or cancel the excess treasury shares in accordance with Section 76K of the Companies Act within six months from the day the aforesaid limit is first exceeded, or such further period as may be allowed by ACRA.

LETTER TO SHAREHOLDERS

(b) Voting and Other Rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. Also, a subdivision or consolidation of any treasury share is allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

(c) Disposal and Cancellation

Where Shares are held as treasury shares, the Company may at any time (but subject always to the Take-Over Code):

- (i) sell the treasury shares for cash;
- (ii) transfer the treasury shares for the purposes of or pursuant to share schemes implemented by the Company, including the Japfa Performance Share Plan.
- (iii) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the treasury shares; or
- (v) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

Under Rule 704(28) of the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares. Such announcement must include details such as the date of the sale, transfer, cancellation and/or use of such treasury shares, the purpose of such sale, transfer, cancellation and/or use of such treasury shares, the number of treasury shares which have been sold, transferred, cancelled and/or used, the number of treasury shares before and after such sale, transfer, cancellation and/or use, the percentage of the number of treasury shares against the total number of issued shares (of the same class as the treasury shares) which are listed before and after such sale, transfer, cancellation and/or use and the value of the treasury shares if they are used for a sale or transfer, or cancelled.

2.6 Source of Funds

The Companies Act permits the Company to purchase or acquire its own Shares out of capital, as well as from its distributable profits, so long as the Company is solvent. Under Section 76F(4) of the Companies Act, the Company is solvent if (a) at the date of payment for the purchase or acquisition of its Shares, there is no ground on which the Company could be found to be unable to pay its debts, (b) if it is intended to commence winding up within the period of 12 months immediately after the date of payment, the Company will be able to pay its debts in full within such period, or if it is not intended so to commence winding up, the Company will be able to pay its debts as they fall due during the period of 12 months immediately after the date of payment, and (c) the value of the Company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed purchase or acquisition of Shares become less than the value of its liabilities (including contingent liabilities).

The Company intends to use internal resources or external borrowings, or a combination of both, to finance its purchase or acquisition of Shares pursuant to the Share Purchase Mandate. In purchasing or acquiring Shares pursuant to the Share Purchase Mandate, the Directors will, principally, consider the availability of internal resources. In addition, the Directors will also consider the availability of external financing. The Directors do not propose to exercise the Share Purchase Mandate in a manner and to such extent that the liquidity and capital adequacy position of the Group would be materially adversely affected and/or the retained earnings of the Company after the purchase or acquisition of Shares would be negative.

LETTER TO SHAREHOLDERS

2.7 Financial Effects

The financial effects on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Share Purchase Mandate will depend on, *inter alia*, whether the Shares are purchased or acquired out of profits and/or capital of the Company, the amount (if any) borrowed by the Company to fund the purchases or acquisitions, the number of Shares purchased or acquired, the price paid for such Shares and whether the Shares purchased or acquired are held in treasury or cancelled. The financial effects on the Company and the Group, based on the audited financial statements of the Company and the Group for the financial year ended 31 December 2022, are based on the assumptions set out below.

(a) Purchase or Acquisition out of Capital and/or Profits

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's profits and/or capital so long as the Company is solvent.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (including any expenses incurred directly in the purchase or acquisition of Shares) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of dividends by the Company will not be reduced.

(b) Number of Shares Acquired or Purchased

As at the Latest Practicable Date, the Company has 2,037,036,820 Shares in issue (excluding treasury shares). Purely for illustrative purposes, on the basis of 2,037,036,820 Shares in issue (excluding treasury shares) and a public float of approximately 18.70% as at the Latest Practicable Date and assuming that no further Shares are issued on or prior to the 2023 AGM, the purchase or acquisition by the Company of 5% of its issued Shares (to maintain a buffer to the minimum 10.0% public float required to be maintained by the Company on a continuing basis under the Listing Manual as at the Latest Practicable Date) will result in the purchase or acquisition of 101,851,841 Shares.

(c) Maximum Price Paid for Shares Acquired or Purchased

Assuming that the Company purchases or acquires the 101,851,841 Shares at the Maximum Price of S\$0.247 for one Share (being the price equivalent to 5.0% above the average of the closing market prices of the Shares for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 101,851,841 Shares is approximately S\$25,157,405.

(d) Illustrative Financial Effects

The financial effects on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Share Purchase Mandate will depend on, *inter alia*, the aggregate number of Shares purchased or acquired, whether the purchase or acquisition is made out of capital or profits, and the consideration paid at the relevant time and whether the Shares purchased or acquired are cancelled or held as treasury shares.

For illustrative purposes only and on the basis of the assumptions set out in Sections 2.7(b) and 2.7(c) above as well as the following:

- (i) the Share Purchase Mandate had been effective on 1 January 2022;
- (ii) there was no issuance of Shares after the Latest Practicable Date; and
- (iii) no Shares were purchased by the Company after the Latest Practicable Date,

LETTER TO SHAREHOLDERS

the financial effects of:

- (i) the acquisition of 101,851,841 Shares representing 5% of such issued Shares by the Company pursuant to the Share Purchase Mandate by way of purchases made entirely out of profits and held as treasury shares;
- (ii) the acquisition of 101,851,841 Shares representing 5% of such issued Shares by the Company pursuant to the Share Purchase Mandate by way of purchases made entirely out of capital and held as treasury shares;
- (iii) the acquisition of 101,851,841 Shares representing 5% of such issued Shares by the Company pursuant to the Share Purchase Mandate by way of purchases made entirely out of profits and cancelled; and
- (iv) the acquisition of 101,851,841 Shares representing 5% of such issued Shares by the Company pursuant to the Share Purchase Mandate by way of purchases made entirely out of capital and cancelled,

on the audited financial statements of the Group and the Company for the financial year ended 31 December 2022 are set out below:

Shareholders should note that the financial effects set out above are based on the audited financial statements of the Group and the Company for the financial year ended 31 December 2022 and are for illustration purposes only. The results of the Group and the Company for the financial year ended 31 December 2022 may not be representative of future performance.

It should be noted that although the Share Purchase Mandate would authorise the Company to potentially purchase or acquire up to 10.0% of the issued Shares, the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10.0% of the issued Shares as mandated. In addition, the Company may cancel or hold in treasury all or part of the Shares purchased or acquired. The Company will take into account both financial and non-financial factors (for example, the public float of the Company, stock market conditions and the performance of the Shares) in assessing the relative impact of a share purchase before execution.

2.8 Tax Implications

Shareholders who are in doubt as to their respective tax positions or any tax implications, or who may be subject to tax in a jurisdiction outside Singapore, should consult their own professional advisers.

LETTER TO SHAREHOLDERS

2.9 Listing Status of the Shares

The Listing Manual requires a listed company to ensure that at least 10.0% of the total number of its issued shares (excluding treasury shares, preference shares and convertible equity securities) in a class that is listed on the SGX-ST, is held by public shareholders at all times. As at the Latest Practicable Date, approximately 18.70% of the issued Shares are held by public Shareholders. Assuming purchase of shares up to the maximum limit of 10.0%, the Company's public float will fall to 8.70%. Accordingly, the Company notes that there is an insufficient number of the Shares in issue held by public Shareholders to permit the Company to undertake purchases or acquisitions of its Shares through Market Purchases up to the full 10.0% limit of the Share Purchase Mandate without affecting the listing status of the Shares on the SGX-ST. Notwithstanding the foregoing, the Company is seeking approval to undertake purchases or acquisitions of its Shares up to the maximum limit of 10.0% of the issued Shares as at the date of the 2023 AGM to provide the Company the flexibility to undertake purchases or acquisitions of its Shares at any time in the event that the Company is able to maintain a sufficient float in the hands of the public notwithstanding such purchases or acquisitions of its Shares.

The Company, when purchasing its Shares, will ensure (i) that there is a sufficient float for an orderly market in its securities, and (ii) that the listing status of the Shares on the SGX-ST is not affected by such purchase.

2.10 Listing Manual

The Listing Manual restricts a listed company from purchasing its shares by way of market purchases at a price per share which is more than 5.0% above the "average closing price", being the average of the closing market prices of the shares over the last five Market Days on which transactions in the shares were recorded, before the day on which the purchases were made, as deemed to be adjusted for any corporate action that occurs during the relevant five-day period and the day on which the purchases are made. The Maximum Price for a Share in relation to Market Purchases referred to in Section 2.3 above complies with this requirement. Although the SGX-ST Listing Manual does not prescribe a maximum price in relation to purchases of shares by way of off-market purchases, the Company has set a cap of 5.0% above the average closing price of a Share as the Maximum Price for a Share to be purchased or acquired by way of an Off-Market Purchase.

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an "insider" in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Purchase Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced. In particular, in line with the best practices guide on securities dealings issued by the SGX-ST and as the Company is not required to announce quarterly financial statements under Rule 705(2) of the Listing Manual, the Company will not purchase or acquire any Shares pursuant to the Share Purchase Mandate during the period of one month immediately preceding the announcement of the Company's half-year and full-year financial statements.

2.11 Reporting Requirements

The Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m. in the case of (a) a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares, and (b) an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer. Such announcement (which must be in the form of Appendix 8.3.1 to the Listing Manual) must include, *inter alia*, details of the date of the purchase, the total number of shares purchased, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares, as applicable, the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the number of shares purchased as at the date of announcement (on a cumulative basis), the number of issued shares excluding treasury shares and the number of treasury shares held after the purchase.

The Directors are required under the Companies Act to lodge with ACRA within 30 days of the purchase or acquisition of Shares on the SGX-ST the notice of purchase or acquisition in the prescribed form and providing certain particulars including the date of the purchase or acquisition, the number of Shares purchased or acquired, the number of Shares cancelled, the number of Shares held as treasury shares, the issued share capital of the Company before and after the purchase or acquisition, the amount of consideration paid by the Company for the purchase or acquisition of the Shares, and whether the Shares were purchased or acquired out of the profits or the capital of the Company.

LETTER TO SHAREHOLDERS

2.12 Take-over Implications

Appendix 2 of the Take-over Code ("**Appendix 2**") contains the Share Buy-Back Guidance Note. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:

(a) Obligation to make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of its Shares, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code.

(b) Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

Unless the contrary is established, the Take-over Code presumes, *inter alia*, the following individuals and companies to be persons acting in concert:

- (i) the following companies:
 - (A) a company;
 - (B) the parent company of (A);
 - (C) the subsidiaries of (A);
 - (D) the fellow subsidiaries of (A);
 - (E) the associated companies of any of (A), (B), (C) or (D);
 - (F) companies whose associated companies include any of (A), (B), (C), (D) or (E); and
 - (G) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights;
- (ii) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts);
- (iii) a company with any of its pension funds and employee share schemes;
- (iv) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;
- (v) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and persons controlling, controlled by or under the same control as the adviser;
- (vi) directors of a company (together with their close relatives, related trusts and companies controlled by any of such directors, their close relatives and related trusts) which is subject to an offer or where the directors have reason to believe a bona fide offer for their company may be imminent;
- (vii) partners; and

LETTER TO SHAREHOLDERS

(viii) the following persons and entities:

- (A) An individual;
- (B) the close relatives of (A);
- (C) the related trusts of (A);
- (D) any person who is accustomed to act in accordance with the instructions of (A);
- (E) companies controlled by any of (A), (B), (C) or (D); and
- (F) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights.

The circumstances under which Shareholders (including Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2.

(c) Effect of Rule 14 and Appendix 2

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors of the Company and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors of the Company will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the ordinary resolution authorising the Share Purchase Mandate.

Based on the interests of substantial Shareholders as recorded in the Register of Substantial Shareholders as at the Latest Practicable Date, none of the substantial Shareholders would become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code as a result of the acquisition or purchase by the Company of 10.0% of its issued Shares as at the Latest Practicable Date.

Shareholders are advised to consult their professional advisers and/or the Securities Industry Council at the earliest opportunity as to whether an obligation to make a take-over offer would arise by reason of any share purchases by the Company.
