Announcement of Acceptance and Results of Tender Offer for its 7.875% Bonds Due 2016

Beijing, June 27, 2014—21Vianet Group, Inc. (NASDAQ: VNET) (“**21Vianet**” or the “**Company**”), the largest carrier-neutral Internet data center services provider in China, today announced the acceptance and results of the Company’s previously announced invitation to eligible holders of the Bonds (“**Bondholders**”) to tender their Bonds for purchase for cash (the “**Offer**”) upon the terms and subject to the conditions set forth in a tender offer memorandum dated June 5, 2014 (the “**Tender Offer Memorandum**”). Reference is made to the announcement dated June 5, 2014 relating to the Offer.

The Offer expired at 10:00 a.m., Hong Kong time, on June 24, 2014 (the “**Expiration Deadline**”).

As of the Expiration Deadline, tender instructions with respect to RMB735,700,000 aggregate principal amount of the Bonds, representing approximately 73.6% of the outstanding principal amount of the Bonds, have been received and such Bonds have been validly tendered pursuant to the terms and conditions of the Tender Offer Memorandum.

The Company has accepted all Bonds validly tendered in the Offer. Following settlement of the Offer, RMB264,300,000 of the principal amount of the Bonds will remain outstanding.

Subject to the terms and conditions set forth in the Tender Offer Memorandum, the Company has offered to pay RMB103,175 (the “**Early Participation Purchase Price**”), which includes an early tender payment of RMB800 (the “**Early Tender Premium**”), for each RMB100,000 in nominal amount of the Bonds validly tendered prior to the 10:00 a.m., Hong Kong time, on June 16, 2014 (the “**Early Tender Deadline**”) and not validly revoked and accepted by the Company for purchase pursuant to the Offer. Subject to the terms and conditions set forth in the Tender Offer Memorandum, the Company has offered to pay RMB102,375 (the “**Purchase Price**”), which excludes the Early Tender Premium, for each RMB100,000 in nominal amount of the Bonds validly tendered after the Early Tender Deadline but before the Expiration Deadline and not validly revoked and accepted by the Company for purchase pursuant to the Offer. Eligible Holders whose Bonds are accepted for purchase pursuant to the Offer will also receive accrued and unpaid interest from and including the last interest payment date on such purchased Bonds up to, but not including, the Settlement Date (as defined below).

The Company expects to pay on June 30, 2014 (the “**Settlement Date**”) (i) for such Bonds validly tendered after the Early Tender Deadline and on or prior to the Expiration Deadline, the Purchase Price and accrued interest on such Bonds accepted for purchase and (ii) for such Bonds validly tendered on or prior to the Early Tender Deadline, the Early Participation Purchase Price and accrued interest on such Bonds accepted for purchase. The closing of the Offer is subject to the satisfaction or waiver of certain conditions precedent set forth in the Tender Offer Memorandum.

This press release shall not constitute an offer to sell or a solicitation of an offer to purchase any of the Bonds, and shall not constitute an offer, solicitation or sale of the Bonds in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful.

About 21Vianet

21Vianet Group, Inc. is the largest carrier-neutral internet data center services provider in China. 21Vianet provides hosting and related services, managed network services, cloud infrastructure services, and content delivery network services, improving the reliability, security and speed of its customers' internet infrastructure.
