Dear Sir / Madam

RENEWAL OF SHARE BUYBACK MANDATE

1. INTRODUCTION

- 1.1 We refer to the notice of the 2019 AGM dated 25 June 2019 ("**Notice**") to the Shareholders of the Company accompanying the Annual Report convening the 2019 AGM to be held on 24 July 2019 and Resolution 10 under the heading "Special Business" set out in the Notice.
- 1.2 At the 2018 AGM, Shareholders had approved the renewal of the Share Buyback Mandate to enable the Company to purchase or otherwise acquire the Shares. The Share Buyback Mandate will expire on the date of the forthcoming 2019 AGM, being 24 July 2019. Accordingly, the Directors propose that the Share Buyback Mandate be renewed at the forthcoming 2019 AGM, to take effect until the conclusion of the next following AGM or such date as the next AGM is required by law to be held, unless prior thereto, the Share Purchase is carried out to the full extent mandated or the Share Purchase Mandate is revoked or varied by the Company in a general meeting.
- 1.3 The SGX-ST assumes no responsibility for the correctness of any of the statements made, opinions expressed or reports contained in this Appendix.

2. THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

2.1 Rationale for Share Buyback Mandate

The rationale for the Company to undertake the purchase or acquisition of its issued Shares, as previously stated in Clause 2.1 of the Company's appendix to Shareholders dated 27 June 2018, is as follows:

- (a) the Directors and management constantly seek to increase Shareholders' value and to improve, *inter alia*, the ROE of the Group. The Share Buyback Mandate will give the Directors the flexibility to purchase or acquire Shares if and when the circumstances permit;
- (b) Share purchases or acquisitions provide the Company with an easy mechanism to facilitate the return of surplus cash over and above its ordinary capital requirements, in an expedient and cost efficient manner;
- (c) Share purchases or acquisitions also allow the Directors to exercise control over the Company's share structure with a view to enhancing the earnings per Share and/or net asset value per Share; and

MTQ CORPORATION LIMITED

(Incorporated in the Republic of Singapore)
(Company Registration No. 196900057Z)

- (d) the Share Buyback Mandate will also give the Company the opportunity to purchase or acquire Shares when such Shares are undervalued, to help mitigate short-term market volatility and to offset the effects of short-term speculation.

The purchase or acquisition of Shares may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the earnings per Share and/or NTA per Share of the Company.

2.2 Authority and Limits on the Share Buyback Mandate

The authority and limits placed on the purchases or acquisitions of Shares by the Company under the Share Buyback Mandate, if renewed at the 2019 AGM, are the same as previously approved at the 2018 AGM and are summarised below:

2.2.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Buyback Mandate is limited to that number of Shares representing not more than 10% of the total number of issued Shares of the Company as at the date of the 2019 AGM at which the proposed renewal of the Share Buyback Mandate is approved, unless the Company has, at any time during the Relevant Period, reduced its share capital by a special resolution under Section 78C of the Companies Act, or the court has, at any time during the Relevant Period, made an order under Section 78I of the Companies Act confirming the reduction of share capital of the Company, in which event the total number of Shares shall be taken to be the total number of Shares as altered by the special resolution of the Company or the order of the court, as the case may be. For purposes of calculating the percentage of issued Shares referred to above, any of the Shares which are held as treasury shares and subsidiary holdings will be disregarded.

As at the Latest Practicable Date, the total number of issued and paid-up Shares (excluding 8,303 treasury shares and subsidiary holdings) of the Company is 216,318,408. Assuming no further Shares are issued on or prior to the 2019 AGM, not more than 21,631,840 Shares (representing 10% of the 216,318,408 Shares in issue excluding 8,303 treasury shares and subsidiary holdings) as at that date may be purchased or acquired by the Company pursuant to the Share Buyback Mandate.

2.2.2 Duration of Authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the 2019 AGM at which the proposed renewal of the Share Buyback Mandate is approved, up to the earliest of:

- (a) the date on which the next AGM of the Company is held or required by law to be held; or
- (b) the date on which the purchases or acquisitions of Shares by the Company pursuant to the Share Buyback Mandate are carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied by Shareholders in a general meeting.

The Share Buyback Mandate may be renewed at each AGM or other general meetings of the Company.

MTQ CORPORATION LIMITED

(Incorporated in the Republic of Singapore)
(Company Registration No. 196900057Z)

2.2.3 Manner of Purchases or Acquisitions of Shares

Purchases or acquisitions of Shares may only be made by way of:

- (a) on-market purchases (“**Market Purchases**”), transacted on the SGX-ST through the SGX-ST’s trading system or, as the case may be, any other stock exchange on which the Shares may for the time being be listed, through one or more duly licensed stockbrokers appointed by the Company for the purpose; or
- (b) off-market purchases (“**Off-Market Purchases**”) effected pursuant to an equal access scheme (as defined in Section 76C of the Companies Act).

The Directors may impose such terms and conditions which are consistent with the Share Buyback Mandate, the Listing Manual and the Companies Act as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. Under the Companies Act, an Off-Market Purchase must, however, satisfy all the following conditions:

- (i) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded:
 - (aa) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
 - (bb) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid; and
 - (cc) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

Additionally, the Listing Manual provides that, in making an Off-Market Purchase, the Company must issue an offer document containing at least the following information:

- (a) the terms and conditions of the offer;
- (b) the period and procedures for acceptances;
- (c) the reasons for the proposed share buybacks;
- (d) the consequences, if any, of share purchases by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (e) whether the share purchases, if made, could affect the listing of the Shares on the SGX-ST;
- (f) details of any share purchases made by the Company in the previous 12 months (whether through Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases; and
- (g) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

MTQ CORPORATION LIMITED

(Incorporated in the Republic of Singapore)
(Company Registration No. 196900057Z)

2.2.4 Purchase Price

The purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors. The purchase price to be paid for the Shares as determined by the Directors must not exceed the maximum price (the "**Maximum Price**") as set out below:

- (a) in the case of a Market Purchase, 105% of the Average Closing Price of the Shares; and
- (b) in the case of an Off-Market Purchase, 120% of the Highest Last Dealt Price,

in either case, excluding related expenses of the purchase or acquisition.

For the above purposes:

"Average Closing Price" means (i) the average of the closing market price of the Shares over the last five (5) Market Days on the SGX-ST, on which transactions in the Shares were recorded, preceding the day of the Market Purchase and (ii) deemed to be adjusted for any corporate action which occurs after the relevant five (5) day period;

"Highest Last Dealt Price" means the highest price transacted for a Share as recorded on the SGX-ST on the Market Day on which there were trades in the Shares immediately preceding the day of the making of the offer pursuant to the Off-Market Purchase; and

"day of the making of the offer" means the day on which the Company announces its intention to make an offer for the purchase of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.3 Status of Purchased Shares

Shares purchased or acquired by the Company will be deemed cancelled immediately on purchase or acquisition and all rights and privileges attached to the Shares will expire on cancellation, unless such Shares are held by the Company as treasury shares. The total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are cancelled and not held as treasury shares.

2.4 Treasury Shares

The Company may hold or deal with Shares purchased or acquired by it as treasury shares. A summary of some of the provisions on treasury shares under the Companies Act is set out below:

2.4.1 Maximum Holdings

The number of Shares held as treasury shares shall not at any time exceed 10% of the total number of issued Shares. Any Shares in excess of this limit shall be disposed of or cancelled in accordance with Section 76K of the Companies Act within six (6) months or such further periods as Accounting and Corporate Regulatory Authority may allow.

2.4.2 Voting and Other Rights

The Company shall not exercise any right in respect of treasury shares and any purported exercise of such right is void. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

MTQ CORPORATION LIMITED

(Incorporated in the Republic of Singapore)
(Company Registration No. 196900057Z)

No dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. A subdivision or consolidation of any treasury share into treasury shares of a smaller amount is also permitted if the total value of the treasury shares after the subdivision or consolidation is the same as before.

2.4.3 Disposal and Cancellation

Where Shares are held as treasury shares, the Company may at any time but subject always to the Take-over Code:

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to an employees' share scheme;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as the Minister for Finance may by order prescribe.

Under the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares. Such announcement must include details such as:

- (i) the date of the sale, transfer, cancellation and/or use of such treasury shares;
- (ii) the purpose of such sale, transfer, cancellation and/or use of such treasury shares;
- (iii) the number of treasury shares which have been sold, transferred, cancelled and/or used;
- (iv) the number of treasury shares before and after such sale, transfer, cancellation and/or use;
- (v) the percentage of the number of treasury shares against the total number of issued shares (of the same class as the treasury shares) which are outstanding in a class that is listed on the SGX-ST before and after such sale, transfer, cancellation and/or use; and
- (vi) the value of the treasury shares if they are used for a sale or transfer, or cancelled.

2.5 Sources of Funds

Any payment made by the Company in consideration of the purchase or acquisition of its Shares may be made out of the Company's distributable profits as well as out of capital, so long as the Company is solvent. For this purpose, a company is solvent if at the date of the payment referred to in Section 76F(1) of the Companies Act:

- (a) there is no ground on which the company could be found to be unable to pay its debts;

MTQ CORPORATION LIMITED

(Incorporated in the Republic of Singapore)
(Company Registration No. 196900057Z)

- (b) if –
 - (i) it is intended to commence winding up of the company within the period of 12 months immediately after the date of the payment, the company will be able to pay its debts in full within the period of 12 months after the date of commencement of the winding up; or
 - (ii) it is not intended so to commence winding up, the company will be able to pay its debts as they fall due during the period of 12 months immediately after the date of the payment; and
- (c) the value of the company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed purchase, acquisition, variation or release (as the case may be), become less than the value of its liabilities (including contingent liabilities).

The Company will use internal resources and/or external borrowings to finance the Company's purchase or acquisition of its Shares. However, in exploring the option of external financing, the Directors will consider the financial position of the Company and the Group, particularly the working capital requirements and prevailing gearing levels of the Group. The Directors do not propose to exercise the Share Buyback Mandate in such a manner and to such an extent that the liquidity and capital adequacy position of the Company and the Group would be materially adversely affected.

2.6 Financial Effects

The financial effects on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Share Buyback Mandate will depend on, *inter alia*, the number of Shares purchased or acquired, the price paid for such Shares, whether the Shares are purchased or acquired out of profits and/or capital of the Company and whether the Shares purchased or acquired are held by the Company as treasury shares or cancelled.

The financial effects on the audited financial statements of the Company and the Group for the financial year ended 31 March 2019, will depend, *inter alia*, on the assumptions set out below:-

2.6.1 Number of Shares Acquired or Purchased

As at the Latest Practicable Date, the total number of issued and paid-up Shares (excluding 8,303 treasury shares and subsidiary holdings) of the Company is 216,318,408. Assuming no further Shares are issued on or prior to the 2019 AGM, not more than 21,631,840 Shares (representing 10% of the 216,318,408 Shares in issue excluding 8,303 treasury shares and subsidiary holdings) as at that date may be purchased or acquired by the Company pursuant to the Share Buyback Mandate.

2.6.2 Purchase or Acquisition out of Profits and/or Capital

Under the Companies Act, the Company may purchase or acquire its Shares out of its profits and/or capital so long as the Company is solvent.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, this will not reduce the amount available for the distribution of cash dividends by the Company.

MTQ CORPORATION LIMITED

(Incorporated in the Republic of Singapore)
(Company Registration No. 196900057Z)

2.6.3 Maximum Price Paid for Shares Acquired or Purchased

In the case of Market Purchases by the Company, assuming that the Maximum Price is S\$0.2005 per Share (being the price equivalent to 5% above the Average Closing Price of the Shares over the last 5 Market Days on the SGX-ST preceding the Latest Practicable Date on which transactions in the Shares were recorded), the maximum amount of funds required for the purchase or acquisition of 21,631,840 Shares is S\$4.34 million (excluding brokerage, commission, applicable goods and services tax and other related expenses).

In the case of Off-Market Purchases by the Company, assuming that the Maximum Price is S\$0.2292 per Share (being the price equivalent to 20% above the Highest Last Dealt Price of the Shares as recorded on the SGX-ST on the Market Day on which there were trades in the Shares immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 21,631,840 Shares is S\$4.96 million (excluding brokerage, commission, applicable goods and services tax and other related expenses).

2.6.4 Illustrative Financial Effects

For illustrative purposes only, based on the assumptions set out in Clauses 2.6.1 to 2.6.3 of this Appendix and the audited financial statements of the Company and the Group for the financial year ended 31 March 2019 and further assuming that (i) the Share Buyback Mandate had been effective and the purchases of the Shares took place at the beginning of the financial year on 1 April 2018; and (ii) such purchases of the Shares are funded wholly by internal resources within the Group, the financial effects of:

- (a) the purchase or acquisition of 21,631,840 Shares by way of Market Purchases or Off-Market Purchases pursuant to the Share Buyback Mandate made entirely out of capital and cancelled; and
- (b) the purchase or acquisition of 21,631,840 Shares by way of Market Purchases or Off-Market Purchases pursuant to the Share Buyback Mandate made entirely out of profits and cancelled; and
- (c) the purchase or acquisition of 21,624,368 Shares by way of Market Purchases or Off-Market Purchases pursuant to the Share Buyback Mandate made entirely out of capital and held as treasury shares (21,624,368 Shares being the maximum number of Shares which may be held as treasury shares under the Companies Act after taking into consideration the 8,303 Shares held by the Company as treasury shares as at the Latest Practicable Date); and
- (d) the purchase or acquisition of 21,624,368 Shares by way of Market Purchases or Off-Market Purchases pursuant to the Share Buyback Mandate made entirely out of profits and held as treasury shares (21,624,368 Shares being the maximum number of Shares which may be held as treasury shares under the Companies Act after taking into consideration the 8,303 Shares held by the Company as treasury shares as at the Latest Practicable Date),

on the audited financial statements of the Company and the Group for the financial year ended 31 March 2019 are set out below:-

SHAREHOLDERS SHOULD NOTE THAT THE FINANCIAL EFFECTS SET OUT ABOVE ARE PURELY FOR ILLUSTRATIVE PURPOSES ONLY. IN PARTICULAR, IT IS IMPORTANT TO NOTE THAT IT IS NOT POSSIBLE FOR THE COMPANY TO REALISTICALLY CALCULATE OR QUANTIFY THE IMPACT OF PURCHASES OR ACQUISITIONS THAT MAY BE MADE PURSUANT TO THE SHARE BUYBACK MANDATE ON THE NTA PER SHARE AND BASIC LOSS PER SHARE AS THE RESULTANT EFFECT WOULD DEPEND ON FACTORS SUCH AS THE AGGREGATE NUMBER OF SHARES PURCHASED, THE PURCHASE PRICE PAID AT THE RELEVANT TIME, AND THE AMOUNT (IF ANY) BORROWED BY THE COMPANY TO FUND THE PURCHASES OR ACQUISITIONS. THE ABOVE ILLUSTRATIONS ARE BASED ON HISTORICAL FIGURES FOR THE FINANCIAL YEAR ENDED 31 MARCH 2019 AND ARE NOT NECESSARILY REPRESENTATIVE OF FUTURE FINANCIAL PERFORMANCE.

Although the Share Buyback Mandate would authorise the Company to purchase or acquire up to 10% of its issued Shares (excluding any Shares held by the Company as treasury shares and subsidiary holdings), the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10% of its issued Shares (excluding any Shares held by the Company as treasury shares and subsidiary holdings). In particular, the Directors do not intend to exercise the Share Buyback Mandate up to the maximum limit and to such an extent if such exercise would materially and adversely affect the liquidity and/or the orderly trading of the Shares and/or the financial position of the Group. Further, the Company may cancel all or part of the Shares purchased or hold all or part of the Shares purchased in treasury.

2.7 Take-over Implications

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note.

2.7.1 Obligation to make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of the Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. If such increase results in the change of effective control, or as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make an offer under Rule 14 of the Take-over Code.

2.7.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

Unless the contrary is established, the Take-over Code presumes, *inter alia*, the following individuals and companies to be persons acting in concert with each other:

- (a) the following companies:
 - (i) a company;
 - (ii) the parent company of (i);
 - (iii) the subsidiaries of (i);
 - (iv) the fellow subsidiaries of (i);
 - (v) the associated companies of any of (i), (ii), (iii) or (iv);

MTQ CORPORATION LIMITED

(Incorporated in the Republic of Singapore)
(Company Registration No. 196900057Z)

- (vi) companies whose associated companies include any of (i), (ii), (iii), (iv) or (v); and
 - (vii) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights; and
- (b) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts).

For this purpose, ownership or control of at least 20% but not more than 50% of the voting rights of a company will be regarded as the test of associated company status.

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

2.7.3 Effect of Rule 14 and Appendix 2

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or, if such Directors and their concert parties hold between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of 6 months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of 6 months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buyback Mandate.

Shareholders who are in doubt as to their obligations, if any, to make a take-over offer under the Take-over Code as a result of any purchase of Shares by the Company should consult the Securities Industry Council ("SIC") and/or their professional advisers at the earliest opportunity.

MTQ CORPORATION LIMITED

(Incorporated in the Republic of Singapore)
(Company Registration No. 196900057Z)

Based on the Register of Substantial Shareholders of the Company as at the Latest Practicable Date as set out in Clause 3 of this Appendix, the Directors are not aware of any of the other Substantial Shareholders of the Company who would become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code if the Company undertakes, as permitted by the Share Buyback Mandate, Share Purchases up to the maximum limit of 10% of its Shares (excluding treasury shares and subsidiary holdings) as at the Latest Practicable Date.

Pursuant to section 3(a) of Appendix 2 of the Take-over Code, Mr. Kuah Kok Kim, Mr. Kuah Boon Wee and persons acting in concert with them will be exempted from the requirement to make a general offer for the Company under Rule 14 of the Take-over Code due to an increase of their aggregate voting rights to 30% or more as a result of Share Purchases by the Company, subject to the following conditions:-

- (i) the circular to Shareholders seeking their approval for the Share Buyback Mandate will contain advice to the effect that by voting in favour of the resolution to approve the proposed renewal of the Share Buyback Mandate (the “**Buy-back Resolution**”), Shareholders are waiving their right to a general offer at the required price from Mr. Kuah Kok Kim, Mr. Kuah Boon Wee and persons acting in concert with them who as a result of Share Purchases by the Company, would increase their voting rights to 30% or more;
- (ii) the aforesaid circular discloses the names and voting rights of Mr. Kuah Kok Kim, Mr. Kuah Boon Wee and persons acting in concert with them (a) as of the time of the Buy-back Resolution, and (b) after Share Purchases up to the maximum limit under the Share Buyback Mandate;

 - (b) the date on which the Company announces that it has (aa) bought back such number of Shares as authorised by Shareholders at the 2019 AGM, or (bb) decided to cease buying back the Shares, as the case may be,

if any such acquisitions, taken together with the Share Purchases, would cause their aggregate voting rights in the Company to increase to 30% or more.

MTQ CORPORATION LIMITED

(Incorporated in the Republic of Singapore)
(Company Registration No. 196900057Z)

If the Company ceases to buy-back Shares pursuant to the Share Buyback Mandate and the aggregate voting rights held by Mr. Kuah Kok Kim, Mr. Kuah Boon Wee and persons acting in concert with them at such time is less than 30%, Mr. Kuah Kok Kim, Mr. Kuah Boon Wee and persons acting in concert with them will incur a general offer obligation for the Company if they acquire additional voting rights (other than as a result of the Share Purchases) that cause them to hold 30% or more of the voting rights of the Company.

It should therefore be noted that approving the proposed renewal of the Share Buyback Mandate will constitute a waiver by the Shareholders in respect of their rights to a general offer at the required price from Mr. Kuah Kok Kim, Mr. Kuah Boon Wee and persons acting in concert with them who, as a result of the Company acquiring Shares under the Share Buyback Mandate, would increase their aggregate voting rights in the Company to 30% or more.

The voting rights of the Concert Party Group as at the Latest Practicable Date and in the event of Share Purchases up to the maximum number of Shares which the Company may purchase as permitted by the Share Buyback Mandate are set out above in paragraph 2.7.4 of this Appendix.

Appendix 2 of the Take-over Code requires that the resolution to authorise the Share Buyback Mandate be approved by a majority of those Shareholders present and voting at the meeting on a poll who could not become obliged to make an offer under the Take-over Code as a result of the Share Purchases. Accordingly the Buy-back Resolution is proposed to be taken on a poll and the Concert Party Group shall abstain from (a) voting on the Share Buyback Mandate, and/or (b) recommending Shareholders to vote in favour of the Share Buyback Mandate.

2.7.6 Advice to Shareholders

Shareholders are advised that by voting in favour of Ordinary Resolution 10 relating to the proposed renewal of the Share Buyback Mandate, they will be waiving their rights to a general offer at the required price from Mr. Kuah Kok Kim, Mr. Kuah Boon Wee and parties acting in concert with them who, as a result of the purchase or acquisition of Shares by the Company pursuant to the Share Buyback Mandate, would increase their aggregate voting rights in the Company to 30% or more.

2.7.7 Form 2 submission to the SIC

Form 2 (Submission by directors and their concert parties pursuant to Appendix 2 of the Take-over Code) is the prescribed form to be submitted to the SIC by a director and persons acting in concert with him pursuant to the conditions for exemption (see condition (v) of paragraph 2.7.5 above) from the requirement to make a take-over offer under Rule 14 of the Take-over Code as a result of the buy-back of shares by a listed company under its share purchase mandate.

As at the Latest Practicable Date, Mr. Kuah Kok Kim, Mr. Kuah Boon Wee and their concert parties have informed the Company that they will be submitting a Form 2 to the SIC within 7 days after the passing of the Ordinary Resolution 10 relating to the proposed renewal of the Share Buyback Mandate.

MTQ CORPORATION LIMITED

(Incorporated in the Republic of Singapore)
(Company Registration No. 196900057Z)

2.9 Listing Status

The Listing Manual requires a listed company to ensure that at least 10% of the total number of issued shares (excluding treasury shares, preference shares and convertible equity securities) in a class that is listed is at all times held by public shareholders.

The expression “public” is defined under the Listing Manual as persons other than (a) the directors, chief executive officer, substantial shareholders or controlling shareholders of a company and its subsidiaries and (b) the associates (as defined in the Listing Manual) of the persons described in paragraph (a).

As at the Latest Practicable Date, there are 91,631,396 Shares in the hands of the public, representing 42.36% of the issued Shares of the Company (excluding 8,303 Shares held as treasury shares by the Company and subsidiary holdings as at the Latest Practicable Date). Assuming that the Company purchases its Shares through Market Purchases up to the full 10% limit pursuant to the Share Buyback Mandate from the public on the Latest Practicable Date, the number of Shares in the hands of the public would be reduced to 69,999,556 Shares, representing 35.96% of the issued Shares of the Company (excluding 8,303 Shares held as treasury shares by the Company and subsidiary holdings as at the Latest Practicable Date).

Accordingly, the Company is of the view that there is a sufficient number of Shares held by public shareholders which would permit the Company to undertake purchases or acquisitions of its Shares up to the full 10% limit pursuant to the proposed Share Buyback Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

2.10 No Purchases during Price Sensitive Developments

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase of Shares pursuant to the Share Buyback Mandate at any time after a price-sensitive development has occurred or has been the subject of a consideration and/or a decision of the Board until such price-sensitive information has been publicly announced. In particular, the Company will not purchase or acquire any Shares during the period commencing one month immediately preceding the announcement of the Company’s full-year results and the period of 2 weeks before the announcement of the first quarter, the second quarter and the third quarter results.

2.11 Reporting Requirements

Under the Listing Manual, any purchases or acquisitions by the Company of its Shares pursuant to the Share Buyback Mandate must be reported by the Company to the SGX-ST not later than 9.00 am:

- (a) in the case of a Market Purchase, on the Market Day following the day of purchase of any of its Shares; and
- (b) in the case of an Off-Market Purchase, on the second Market Day after the close of acceptances of the offer.

Such announcement (which must be in the form of Appendix 8.3.1 to the Listing Manual) shall include, *inter alia*, details of the total number of Shares authorised for purchase, the date of purchase, the total number of Shares purchased, the number of Shares cancelled, the number of Shares held as treasury shares, the purchase price per Share or the highest and lowest prices paid for such Shares (as applicable), the total consideration paid or payable for the Shares (including stamp duties and clearing charges), the number of Shares purchased as at the date of the announcement (on a cumulative basis), the number of issued Shares (excluding treasury shares and subsidiary holdings) after purchase and the number of treasury shares held after the purchase.

MTQ CORPORATION LIMITED

(Company Registration No. 196900057Z)

- (b) the Directors shall lodge with the Registrar a notice (in the prescribed form) of a purchase or acquisition of Shares within 30 days of such purchase or acquisition. Such notification shall include, the date of the purchase or acquisition, the number of Shares purchased or acquired, the number of Shares cancelled, the number of Shares held as treasury shares, the Company's issued share capital before and after the purchase or acquisition, the amount of consideration paid for the purchase or acquisition of the Shares, whether the Shares were purchased or acquired out of profits or capital of the Company and such other particulars as may be required in the prescribed form; and
- (c) within 30 days of the cancellation or disposal of treasury shares in accordance with the Companies Act, the Directors shall lodge with the Registrar a notice of the cancellation or disposal with such particulars as may be required in the prescribed form.
