Reclaims Global Secures New Contracts with an Aggregate Value of S$3.08 Million

- **For the period from 01 November 2025 to 31 January 2026, the Group has secured additional new contracts involving demolition, reinstatement, and related construction works.**

- **With service durations of between 1 month to 12 months, the new contracts are expected to have a positive impact on the net tangible assets and earnings per share of the Group throughout the duration of these contracts, barring any unforeseen circumstances.**

Singapore, 23 February 2026 – SGX-Catalist listed **Reclaims Global Limited ("Reclaims Global" or the "Company" and together with its subsidiary, the "Group"),** an eco-friendly integrated service provider within Singapore's construction sector, is pleased to announce that the Company has secured additional multiple new contracts with an aggregate value of approximately S$3.08 million.

Barring any unforeseen circumstances, the new contracts are expected to have a positive impact on the net tangible assets and earnings per share of the Group throughout the duration of these contracts.

The contracts were awarded by a mix of public and private-sector clients, reflecting continued demand for the Group's core competencies in demolition, earthworks, and the removal of construction and demolition waste.

None of the Directors and controlling shareholders of the Company, as well as their respective associates, has any interest, direct or indirect, in these new contracts, save for their shareholdings in the Company (if any).

Mr. Tan Kok Huat, Executive Director and Chief Executive Officer, said, "We are encouraged by the steady flow of new contracts secured. While the individual contract sizes may not be significant on their own, collectively, they provide meaningful contribution to our operations.

We will continue to stay disciplined in selecting projects, focus on execution excellence, and sustaining our margins ahead."
