CORPORATE PROFILE

The Group's vision is to develop a growing portfolio of established consumer brands and to become an innovative market leader in the region.

Left - right:

Mr. Ong Bee Song (Sales Director of Golden Bridge and Ellaziq Singapore), Mdm. Ong Chew Yong (Executive Director), Mr. Ong Bee Chip (Managing Director)

Established in 1993, OTS Holdings Limited is a brand builder and food manufacturing group in the consumer industry with a strong niche in ready-to-eat and ready-to-cook meat products with key markets in Singapore and Malaysia.

Targeting both halal and non-halal consumer segments, the Group has more than 1,100 SKUs across 13 main product types under its 7 house brands and notably the Group's flagship brands, "Golden Bridge" and "Kelly's" have become established household names within the ready-to-eat and ready-to-cook meat products market in Singapore and Malaysia.

In June 2022, the Group launched its 7th and latest house brand, ANEW, a plant-based, ready-to-eat food brand that aims to deliver quality, nutrition and convenience to consumers with a taste of heritage.

From challenging ourselves to improve our recipes to exploring technological innovations to enhance efficiency and quality in our manufacturing processes, we continue to push new boundaries as food innovators.

Supported by our in-house research and development team, we take pride in our commitment to continuously reinvent ourselves and create better products to respond swiftly and in a timely manner to market trends and support the diverse tastes of our customers.

The Group owns and operates three modern food manufacturing facilities, two in Singapore and one in Bulan Island, Indonesia. In Singapore, its integrated food manufacturing facilities with in-house research and development team span across around 9,131 square metres with an average annual production of around 2,500

tonnes of ready-to-eat and ready-to-cook meat products.

The Group's food products are sold in major supermarkets, convenience stores, provision shops, hotels and restaurants in Singapore and Malaysia. The Group also has direct market access to Indonesia and the Philippines markets via its overseas subsidiaries.

Having built an established sales and distribution network over the past few decades, the Group's food products are also marketed and sold in more than 25 countries, including Brunei, Hong Kong, Myanmar, India and countries in the European Union.

CORPORATE PROFILE

MODERN FOOD MANUFACTURING FACILITIES

We own and operate three modern food manufacturing facilities, two in Singapore and one in Bulan Island, Indonesia.

In Singapore, our integrated food manufacturing facilities span across approximately 9,131 sq m with an average annual production of approximately 2,500 tonnes of ready-to-eat and ready-to-cook meat products.

We have the capability to manage and process as many as four product categories - chilled, frozen, dried and shelf-stable ready-to-eat and ready-to-cook meat products.

TECHNOLOGY DRIVEN MANUFACTURING CAPABILITIES

CORPORATE PROFILE

QUALITY ASSURANCE & CERTIFICATIONS

Knowing how important safety and quality standards are to consumers, especially in the food business, we are dedicated to ensuring our culture embodies these key beliefs in our processes.

Since 2015, the food safety management systems of our production facilities in Singapore have received the FSSC 22000 Food Safety System Certification, which demonstrates that our production facilities have robust food safety management systems in place.

We have been achieving Grade 'A' status for excellence in food hygiene and food safety standards from the Singapore Food Agency or the Agri-Food & Veterinary Authority of

Singapore (as the case may be) for certain types of processing such as retort canning, sausage and ham processing since 2010 for Golden Bridge Foods Manufacturing Pte Ltd and since 2011 for Ellaziq Private Limited.

We have obtained halal certification from Majlis Ugama Islam Singapura in Singapore for the products that are manufactured at this production facility. In Malaysia, the manufacturing of our products is outsourced to a contract

manufacturer, which has also obtained the requisite halal certification from the Department of Islamic Development Malaysia (JAKIM) in Malaysia.

In addition, our two production facilities in Singapore are the only two out of the three meat processing plants in Singapore which have obtained approval for the export of meat products from Singapore to the European Union.

ESTABLISHED DISTRIBUTION CHANNELS

We have built an established sales and distribution network over the past few decades and our brands have been widely marketed and sold in major supermarkets (such as NTUC Fairprice, Sheng Siong, Giant), convenience stores, provision shops, hotels and restaurants in Singapore and Malaysia. In addition, we intend to strengthen our presence on e-commerce platforms and via our websites.

Our food products have been marketed and sold in more than 25 countries, including Brunei, Hong Kong, Myanmar, India and countries in the European Union.

OUR BRANDS

Our “Golden Bridge” brand was created by our late founder, Mr. Ong Tuan Seng and it symbolises our belief to serve as a connection to consumers’ preferences with our quality F&B products.

Since then, the “Golden Bridge” brand has grown progressively with a comprehensive range of new products, ranging from Taiwanese-style sausages, meat floss to a variety of luncheon meats, becoming an established household name within the ready-to-eat consumer market in Singapore and across Asia.

Symbolising the motherly love and care for food preparation, the Kelly's brand was born in 2004 to serve the sophisticated tastes of modern consumers with an extensive range of Western-style meats and products.

From classic tastes to bold flavours, we have developed portion sized products under the Kelly's brand to cater to the growing trend of smaller families and convenient eating on the go.

Launched in 2013, the GB GoldenLion brand is specially developed and targeted at food service businesses (such as hotels, restaurants, airlines, caterers, quick service restaurants, ship chandlers, bakeries, clubs, cafes and pubs) in Singapore and Asia.

The tradition of excellence is carried on with the GB GoldenLion brand with a wide range of high-quality oriental and western products that are made in Singapore.

As the national flower of Singapore, Orchid is closely identified with Singapore and it is the namesake for our overseas brand.

Produced with comprehensive quality and strict food safety standards, the Orchid brand has a wide range of ready-to-eat meat products that are specially developed to suit the palates of the local communities in our overseas markets.

With the tagline “Better Food Forward”, ANew is our plant-based, ready-to-eat food brand that aims to deliver quality, nutrition and convenience to consumers with a taste of heritage.

Responding to growing consumer needs for halal lifestyles, our El-Dina brand specialises in offering a wide range of exquisite quality and gourmet halal food catered for the discerning end-consumer with iconic tastes of the world.

El-Dina has grown to be a prominent halal retail brand that is known for quality and gourmet taste with its extensive range of premium quality ambient, chilled, frozen halal meat products and meat floss.

The Kizmiq brand is targeted at the food service businesses in the halal F&B industry, providing a wide range of halal meat products and meat floss for better value.

Kizmiq serves various categories of food service businesses (such as hotels, restaurants, airlines, caterers, quick service restaurants, ship chandlers, bakeries, clubs, cafes and pubs).

CORPORATE MILESTONES

The history of our Group can be traced back to August 1993 when Golden Bridge was established by Mr. Ong Tuan Seng and Mr. Ang Tik Bee (who are the father and brother-in-law respectively of our Executive Directors, Mr. Ong Bee Chip and Mdm. Ong Chew Yong, and our Controlling Shareholder, Mr. Ong Bee Song) primarily to produce premium Chinese sausages.

Mr. Ong Tuan Seng first came up with the innovative idea of creating XO special lean Chinese sausages, recognising that the aroma of XO brandy would be popular with the market.

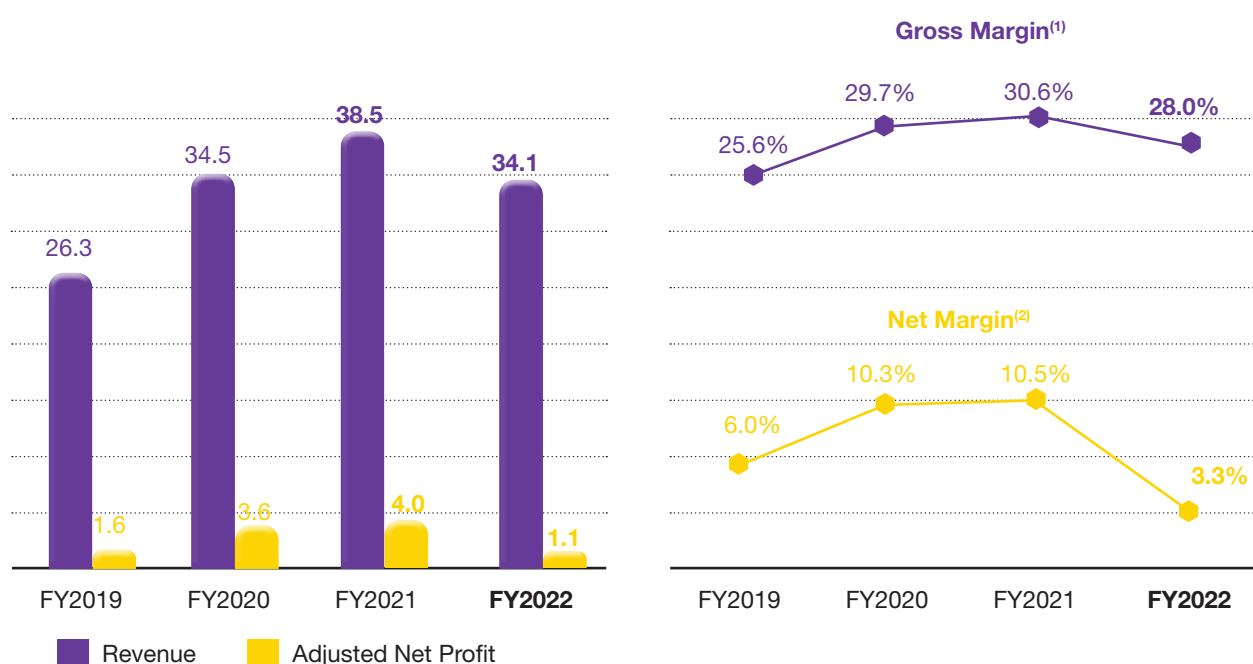

Since then, the Group has grown progressively over the past two decades with a vision to develop a growing portfolio of established consumer brands and to become an innovative market leader in the region.

CHAIRMAN'S LETTER TO SHAREHOLDERS

Dear Shareholders,

On behalf of the Board of Directors, I would like to present OTS Holdings Limited's ("**OTS Holdings**" or the "**Company**", and together with its subsidiaries, the "**Group**") Annual Report for the financial year ended 30 June 2022 ("**FY2022**").

Looking back over the past 12 months, we have to acknowledge that we are living in an age of unpredictability. Just when it seems that the world had come to terms with the unprecedented COVID-19 pandemic and that the worst was behind us, geopolitical tensions in Europe dashed hopes of achieving the stability that is essential for growth.

In the interdependent world that we live in, this has disrupted global supply chains and triggered inflationary pressures.

Against this disruptive backdrop, OTS Holdings turned in a credible performance with our four business segments continuing to remain profitable over the past year with net cash flows of approximately S\$2.23 million generated from operating activities. In FY2022, the Group registered net profit of S\$1.12 million and recurring EBITDA of S\$3.42 million.

On this backdrop, the Board of Directors has recommended a final dividend of 0.22 Singapore cents per share for FY2022, representing a payout of approximately 42% of the Group's net profit for FY2022.

Although sales from Malaysia were below our initial expectations, the contribution from our Singapore market continues to be resilient. More details of our operational and financial highlights in FY2022 can be found in the next few sections of this annual report.

Satisfying Asia's Appetite with a Diversified Brand and Product Portfolio

Embodying our belief to serve as a connection between consumers' preferences and our quality food

products for the past 29 years, OTS Holdings has established seven brands under our brand portfolio, which includes our latest plant-based brand, ANEW, that was launched in June 2022.

Coupled with the tagline "Better Food Forward", ANEW is a 100% plant-based, ready-to-eat brand that aims to deliver quality, nutrition and convenience to consumers with a taste of heritage. Developed by our in-house research and development team and manufactured in Singapore, ANEW's nutritional product features include Non-GMO, Cholesterol Free, Trans-Fat Free and No Added Preservatives.

The first product line-up from ANEW consists of three plant-based luncheon meat products that are inspired by the Group's popular luncheon meat recipes. Tasty on its own and yet highly versatile, ANEW's plant-based luncheon meat products can also be used for a variety of Asian and Western cuisines.

For the Group's flagship brands, "Golden Bridge" and "Kelly's", which are established household names in Singapore and Malaysia, we continue to strengthen our marketing and branding activities to further entrench their market positioning and brand mindshare within the key market segments. The Group's retail halal brand, "El-Dina", continues to gain prominence with its range of quality and gourmet halal food products among consumers.

For more than two decades, we have built up a rich heritage as one of the largest meat product manufacturing companies in Singapore with technologies at the core of our entire operations to drive more efficiency. Supported by our in-house research and development team, we are committed to continuously creating better products to respond swiftly and in a timely manner to market trends and to support the diverse tastes of our customers.

In total, OTS has more than 1,100 SKUs across 13 main product types targeting both halal and non-halal consumer segments. In addition, we produce seasonal food products (such as roast meats, hams and pork knuckles) during festive periods such as Chinese New Year and Christmas.

Beyond Singapore's shores, our food products are marketed and sold in more than 25 countries, including Brunei, Hong Kong, Myanmar, India and countries in the European Union.

Acknowledgements

We have always believed that working in close collaboration with our stakeholders provide the best form of business resiliency and agility, as we pursue new business opportunities with our brand portfolio.

On behalf of the Board of Directors, I would like to take this opportunity to express my sincere appreciation to the dedicated team of OTS Holdings for their resourcefulness and commitment to our vision and mission.

In addition, our key accomplishments over the past 12 months would not have been possible without the trust and support of our business partners, suppliers and bankers, among others.

To my fellow Board members, thank you for the insights and counsel towards setting higher levels of excellence for the Group.

Last but not least, I would like once again to thank our shareholders for your continued confidence and support in our journey to build long-standing F&B brands in Asia.

Thank you!

DR. YU LAI BOON

Non-Executive Chairman and Independent Director

MESSAGE FROM MANAGING DIRECTOR

Dear Shareholders,

OTS Holdings is a regional trusted brand owner, and beyond the localised approach in the expansion of each market, we must think beyond borders and optimise synergies across our markets, seizing opportunities and forging partnerships.

With a strategic and entrepreneurial mindset, we aim to keep pace with fast changing consumer tastes and trends, and be at the forefront of technology and innovation to improve our automation and operational efficiency.

Over the past financial year, we have been focused on implementing our business strategies, launching our new plant-based brand ANEW and venturing into the Philippines market, among others, to accelerate our growth strategy that involves greater regional presence and diversification through new markets and products.

While we have these building blocks in place, the Group registered revenue of approximately S\$34.14 million in FY2022, representing a drop of 11.3% as compared to S\$38.51 million in FY2021.

Revenue from the Group's business segments of General Trade and Modern Trade registered lower sales of S\$15.40 million and S\$9.02 million respectively in FY2022.

For General Trade, the decline in revenue was mainly due to the weakening consumer spending power in Malaysia and lower selling prices. For Modern Trade, the decrease was a result of lower product sales in Singapore and Malaysia. The Group's Others segment also posted lower sales due to the ongoing political turmoil in one of our geographical markets that has affected demand.

Revenue from the Food Services business segment increased due

to higher sales to existing and new customers in Singapore and Malaysia.

Notably, the revenue contributions from the Group's four business segments may vary from year to year with different brands targeting different consumer price points and market segments.

Together with lower economies of scale due to reduced production output, the inflationary costs related to our raw materials and energy have impacted our gross profit margin, reducing it by 2.6% to 28.0% in FY2022.

Despite this, I am pleased to be able to say that the Group's four business segments continue to perform positively, achieving overall recurring EBITDA of S\$3.42 million with net profit of S\$1.12 million in FY2022.

To deliver sustainable and healthy returns for our shareholders, we will continue to manage our costs tightly and at the same time, we will continue to meticulously manage our capital expenditure to improve our business agility.

Entrepreneurial Mindset as Brand Builders in Asia

Our flagship brands "Golden Bridge" and "Kelly's" are household names in Singapore with a strong brand heritage. Coupled together with our multi-brand portfolio and multi-product non-halal and halal offerings, we strive to be a part of every dining occasion for our consumers.

Our established presence and track record in Singapore has created a strong foundation for our business, and demand in Singapore has remained resilient in FY2022.

In Malaysia, demand for our products was affected by weaker spending power in Malaysia and at the same time, we had to lower our selling prices due to increased market competition.

As a result, our sales performance in Malaysia was impacted in FY2022. Nevertheless, we continue to focus on increasing our sales in Malaysia by targeting new market segments and bringing in new distributors for our products in East Malaysia.

In the Philippines, we commenced our sales activities in June 2022 via our subsidiary GB Global Philippines Corporation. We intend to continue building our presence and expanding our product offerings in this new overseas market, where luncheon meat products have been a perennial consumer favourite.

Following the relaxation of travel restrictions between Singapore and Indonesia in 2022, we have been able to deploy our operations team to the manufacturing site on Bulan Island. Our priority is to set up a new production line to produce canned pork luncheon meat and currently, we are undergoing the pilot testing phase.

OTS Holdings has organically become a much larger organisation over the past two decades. Notwithstanding this, we have also laid a solid foundation from which we will continue to execute our growth plans in the coming years, where we hope to achieve higher demand of our products that would translate to greater economies of scale and efficiencies.

As brand builders with a long-term focus, we will continue to forge ahead with an entrepreneurial mindset to harness high-quality growth opportunities within Asia's growing customer markets.

Thank You!

MR. ONG BEE CHIP
Managing Director

FINANCIAL REVIEW

PROFIT & LOSS HIGHLIGHTS

OTS Holdings' business activities are generally subject to seasonal fluctuations in the demand for our products, which increases during festive periods.

The Group's revenue comprised the following:

- (a) sales generated from major supermarkets ("**Modern Trade**");
- (b) sales generated from convenience stores, provision shops and wholesalers ("**General Trade**");
- (c) sales generated from hotels, restaurants, hawker centres, food courts, food and beverage stores, and caterers ("**Food Services**"); and
- (d) sales that are mainly generated from e-commerce platforms and the export markets, and other income such as vehicle rental income and miscellaneous income ("**Others**").

Geographically, the Group's key markets are in Singapore and Malaysia.

Revenue

The Group's revenue decreased by approximately S\$4.37 million or 11.3%, from approximately S\$38.51 million in FY2021 to approximately S\$34.14 million in FY2022, mainly due to decrease in sales from Modern Trade, General Trade and Others segments.

Revenue from Modern Trade segment decreased by approximately S\$0.83 million or 8.5%, from approximately S\$9.85 million in FY2021 to approximately S\$9.02 million in FY2022 mainly due to decrease in product sales in Singapore and Malaysia.

Revenue from General Trade segment decreased by approximately S\$3.50 million or 18.5%, from approximately S\$18.90 million in FY2021 to approximately S\$15.40 million in FY2022, mainly due to decline in selling price as a result of higher market competition in Malaysia and decrease

in product sales in Malaysia because of the weakening of consumers' spending power.

Revenue from Food Services segment increased by approximately S\$0.26 million or 4.4% from approximately S\$5.92 million in FY2021 to approximately S\$6.18 million in FY2022 mainly due to an increase in product sales in Singapore and Malaysia to new and existing customers.

Revenue from Others segment decreased by approximately S\$0.30 million or 7.7%, from approximately S\$3.84 million in FY2021 to approximately S\$3.55 million in FY2022, mainly due to decrease in export sales as a result of the political situation in one of our target countries that have affected demand and reduction in miscellaneous income.

The breakdown of the Group's revenue by business and geographical segments as follows:

Revenue by Business segment	FY2022 S\$'000	FY2021 S\$'000	FY2022 vs FY2021 Increase/(decrease)	
			S\$'000	%
Modern Trade	9,018	9,851	(833)	(8.5)
General Trade	15,396	18,897	(3,501)	(18.5)
Food Services	6,175	5,916	259	4.4
Others	3,547	3,842	(295)	(7.7)
Total	34,136	38,506	(4,370)	(11.3)

Revenue by Geographical segment	FY2022 S\$'000	FY2021 S\$'000	FY2022 vs FY2021 Increase/(decrease)	
			S\$'000	%
Singapore	23,656	24,513	(857)	(3.5)
Malaysia	8,700	12,119	(3,419)	(28.2)
Others	1,780	1,874	(94)	(5.0)
Total	34,136	38,506	(4,370)	(11.3)

FINANCIAL REVIEW

Revenue from **Singapore segment** decreased by approximately S\$0.86 million or 3.5%, from approximately S\$24.51 million in FY2021 to approximately S\$23.66 million in FY2022, mainly due to decrease in demand for our products in the Modern Trade and General Trade segments.

Revenue from **Malaysia segment** decreased by approximately S\$3.42 million or 28.2%, from approximately S\$12.12 million in FY2021 to approximately S\$8.70 million in FY2022, mainly due to decline in selling price as a result of higher market competition and decrease in product sales because of the weakening of the consumers' spending power.

Revenue from **Others segment** decreased marginally by approximately S\$0.09 million or 5.0%, from approximately S\$1.87 million in FY2021 to approximately S\$1.78 million in FY2022, mainly due to decrease in export sales as a result of the political situation in one of our target countries that have affected demand.

Cost of sales

The Group's cost of sales decreased by approximately S\$2.14 million or 8.0%, from approximately S\$26.72 million in FY2021 to approximately S\$24.58 million in FY2022, mainly due to decrease in raw material purchases in line with the decrease in revenue, offset by increase in raw materials costs.

Gross profit & gross profit margin

As a result of the above, the Group's gross profit decreased by S\$2.23 million or 18.9% from S\$11.79 million in FY2021 to S\$9.56 million in FY2022. Gross profit margin decreased by 2.6% from 30.6% in FY2021 to 28.0% in FY2022, mainly due to higher raw material cost, increase in utilities cost and lower cost efficiency as a result of declined production output.

Other income

The Group's other income decreased by approximately S\$0.17 million or 17.0%, from approximately S\$1.00 million in FY2021 to approximately S\$0.83 million in FY2022, mainly due to (a) decrease in Jobs Support Scheme ("JSS") of approximately S\$0.42 million, offset by (a) an increase in miscellaneous income of approximately S\$0.09 million, (b) increase in other government subsidies of approximately S\$0.15 million and (c) increase in interest income of approximately S\$0.02 million from bank fixed deposit accounts.

Expenses

The Group's marketing and distribution costs increased by approximately S\$0.23 million or 11.1%, from approximately S\$2.13 million in FY2021 to approximately S\$2.36 million in FY2022, mainly due to (a) an increase in marketing expenses of approximately S\$0.24 million spent on branding of new product lines, and (b) an increase in supermarket listing fees of approximately S\$0.07 million for launching of our products in Hong Kong and the Philippines, offset by a decrease in delivery, advertising and promotion expenses of approximately S\$0.08 million.

The Group's administrative expenses increased by approximately S\$0.78 million or 15.3%, from approximately S\$5.12 million in FY2021 to approximately S\$5.90 million in FY2022, mainly due to (a) an increase in employee salaries and benefit by S\$0.28 million, (b) an increase in professional expenses by S\$0.25 million incurred for SGX Catalist listing, (c) an increase in office and other expenses of approximately S\$0.19 million and (d) an increase in information technology maintenance expenses of approximately S\$0.07 million.

The Group's depreciation of plant and equipment and right-of-use-assets increased by S\$0.13 million from S\$1.41 million in FY2021 to S\$1.54 million in

FY2022 due to acquisition of assets during the financial period under review. The depreciation expenses are charged to cost of sales and administrative expenses.

Amortisation of deferred grants decreased by approximately S\$9,000 from S\$123,000 in FY2021 to S\$114,000 in FY2022.

Finance cost

The Group's finance costs decreased by approximately S\$0.05 million or 17.4%, from approximately S\$0.28 million in FY2021 to approximately S\$0.23 million in FY2022, mainly due to (a) decrease in term loan interest by S\$0.04 million as a result of repayment of loans and borrowings, and (b) decrease in lease liabilities interest by S\$0.01 million.

Other losses

The Group's other losses decreased by approximately S\$1.14 million or 90.2%, from approximately S\$1.26 million in FY2021 to approximately S\$0.12 million in FY2022, mainly due to (a) an absence of IPO expense of approximately S\$1.06 million recognised in FY2021, (b) plant and equipment written-off of S\$0.09 million, and (c) foreign exchange adjustment of S\$0.04 million, offset by allowance for impairment of trade receivables of approximately S\$0.01 million, and impairment of inventory obsolescence of S\$0.04 million.

Income tax expense

The Group's income tax expenses decreased by approximately S\$0.47 million or 53.3%, from approximately S\$0.89 million in FY2021 to approximately S\$0.42 million in FY2022, mainly due to reduction in profit before tax.

Share of loss from joint venture

The Groups' share of loss from joint ventures increased by approximately S\$0.11 million or 99.1%, from approximately S\$0.12 million in FY2021 to approximately S\$0.23 million in FY2022, mainly due to the losses

FINANCIAL REVIEW

suffered by Delta Bridge Pte. Ltd., a 50% joint venture of the Company, as a result of slow market penetration in Indonesia caused by the pro-longed pandemic. The losses include impairment of its production equipment cost.

Profit for the year

Excluding the one-off IPO expense recognised in FY2021, our profit for the period decreased by approximately S\$2.93 million or 72.3% from approximately S\$4.05 million in FY2021 to approximately S\$1.12 million in FY2022.

BALANCE SHEET HIGHLIGHTS

Non-current assets

Non-current assets increased by approximately S\$0.26 million from S\$14.97 million as at 30 June 2021 to S\$15.23 million as at 30 June 2022, mainly due to (a) property, plant and equipment (“PPE”) and right-of-use assets increased by approximately S\$0.28 million as a result of capital expenditure incurred in relation to purchase of equipment offset by the depreciation during the financial period and (b) an increase in other non-financial assets of S\$0.21 million attributable to deposit paid for acquisition of plant and equipment, offset by a decrease in investment in joint venture, Delta Bridge Pte Ltd of approximately S\$0.23 million, due to share of loss during the financial year.

Current assets

Current assets decreased by approximately S\$6.55 million from approximately S\$30.21 million as at 30 June 2021 to approximately S\$23.66 million as at 30 June 2022, mainly due to (a) decrease in cash and cash equivalents by S\$6.35 million and (b) decrease in trade and other receivables by approximately S\$0.85 million, offset by (a) increase in inventories by approximately S\$0.26 million and (b) increase in deposits and advance payments made for purchases of approximately S\$0.39 million.

Non-current liabilities

The Group’s non-current liabilities decreased by approximately S\$2.55 million from approximately S\$7.54 million as at 30 June 2021 to approximately S\$5.00 million as at 30 June 2022, mainly due to (a) decrease in loans and borrowings of approximately S\$2.48 million, (b) decrease in deferred capital grant of approximately S\$0.06 million, and (c) the repayment of lease liabilities of approximately S\$0.18 million, offset by an increase in deferred tax liabilities of S\$0.16 million from PPE acquired during the current financial year, due to the difference between accounting policies of the Group and local tax legislation.

Current liabilities

Current liabilities decreased by approximately S\$3.42 million from approximately S\$8.00 million as at 30 June 2021 to approximately S\$4.58 million as at 30 June 2022 mainly due to (a) decrease in trade and other payables of approximately S\$2.36 million mainly arising from decreased net movements in amounts due to related parties amounting to S\$1.64 million and decreased trade payable of S\$0.72 million, (b) decrease in provision of tax payable of approximately S\$0.44 million due to reduction in profit before tax, (c) decrease in loans and borrowings of approximately S\$0.58 million, and (d) decrease in deferred capital grant recognised of approximately S\$0.06 million.

Total Equity

Net asset value of the Group decreased by approximately S\$0.31 million from approximately S\$29.64 million in FY2021 to approximately S\$29.33 million in FY2022 due to the reasons set out above.

CASHFLOW HIGHLIGHTS

As at 30 June 2022, the Group’s cash and cash equivalents amounted to approximately S\$9.52 million and the Group recorded a net decrease of approximately S\$6.35 million in cash

and cash equivalents during FY2022 as follows:

The Group generated approximately S\$2.23 million of cash from operating activities mainly from (a) operating cash inflow before working capital changes of approximately S\$3.44 million, and (b) tax paid of approximately S\$0.70 million, adjusted for net working capital outflow of approximately S\$0.52 million.

The net working capital outflow was mainly due to (a) a decrease in trade and other payables of approximately S\$0.72 million, (b) an increase in other non-financial assets of approximately S\$0.39 million, and (c) an increase in inventories of approximately S\$0.26 million, offset by a decrease in trade and other receivables of approximately S\$0.85 million.

In FY2022, net cash used in investing activities amounted to approximately S\$1.82 million was due to (a) deposit paid for production equipment of approximately S\$0.21 million, and (b) purchase of production equipment, office equipment and renovation of approximately S\$1.72 million, offset by (a) proceeds from disposal of plant and equipment of approximately S\$0.09 million, and (b) interest received of approximately S\$0.02 million.

In FY2022, net cash flows used in financing activities amounted to approximately S\$6.76 million was due to (a) repayment of loan and borrowings of approximately S\$3.06 million, (b) net movement in amount due to related party of approximately S\$1.64 million, (c) dividend paid to shareholders of approximately S\$1.50 million, (d) repayment of lease liabilities of approximately S\$0.51 million, and (e) interest payment on loans and borrowings of approximately S\$0.06 million.

SUSTAINABILITY REPORT

1. Board statement

We affirm our commitment to sustainability with the publication of our sustainability report (“**Report**”). In this Report, we provide insights into the way we do business, while highlighting our environmental, social, governance (“**ESG**”) factors, economic performance and customer experience (collectively, “**Sustainability Factors**”).

Whilst mindful of our overall profit-oriented objective, we are committed to strike a balance between growth, profit, governance, environment, the development of our people and well-being of our communities to secure a long-term future for the Group. This commitment is reflected in our sustainable business strategy and the material Sustainability Factors shown in this Report.

A sustainability reporting policy (“**SR Policy**”) covering our sustainability strategies, reporting structure, materiality assessment and processes in identifying and monitoring material Sustainability Factors has been put in place and serves as a point of reference in the conduct of our sustainability reporting. Under this SR Policy, we monitor, review and update our material Sustainability Factors from time to time, taking into account the feedback that we receive from our engagement with our stakeholders, and organisational and external developments.

We are committed to support the United Nations’ Sustainable Development Goals (“**SDGs**” or “**Global Goals**”) and work closely with stakeholders in our value chain on our material Sustainability Factors and towards relevant SDGs¹ as follows:

¹ Each of our material Sustainability Factors is mapped to the relevant SDG icon(s), where applicable, in the overview above.

SUSTAINABILITY REPORT

A summary of our key sustainability performance in FY2022 is as follows:

Sustainability pillar	Performance indicator	Sustainability performance	
		FY2022	FY2021
Customer experience	House brand portfolio	7 house brands	6 house brands
	Market standards adopted	Relevant market standards ² have been adopted in our operations	Relevant market standards ² have been adopted in our operations

Governance	Number of incidents reported through whistle-blowing channel ("Whistle-blowing Incidents")	0	0

We delivered a positive set of performance for the full year, despite being affected by a number of external factors, including political, macroeconomic and market headwinds. We believe that our strategy of diversifying our brand and product portfolio will continue to resonate with consumers and enable us to expand our customer base in existing and new markets. Moving ahead, we are confident that the strength of our established brands and operational excellence will put us in a strong position as we implement our business strategy progressively.

² The market standards adopted or certifications attained by the Group include FSSC 22000 Food Safety System certification, Singapore Food Agency ("SFA") grade "A" and Halal certificate.

³ Water is mainly consumed by our production facilities in Singapore.

⁴ A food safety incident is defined as an incident whereby customers are affected from consuming a Reporting Entity's products due to product contamination caused by foreign object, foodborne pathogen, allergen or chemical agents.

⁵ An incident of non-compliance with regulations concerning product labelling is defined as an incident whereby the relevant authority has commenced investigation and resulted in penalties to a Reporting Entity.

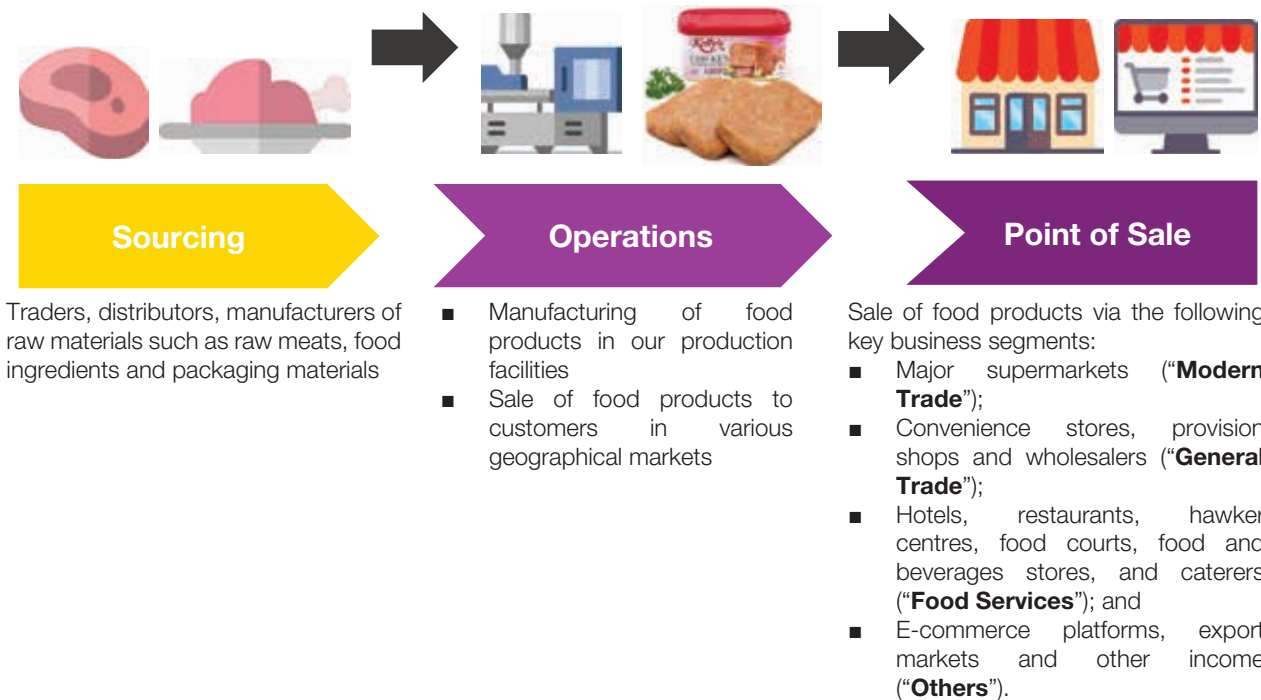

⁶ High-consequence work-related injuries refer to injuries from which the worker cannot recover or cannot recover fully to pre-injury health status within 6 months.

⁷ Unlawful discrimination refers to an incident of employee discrimination whereby the relevant authority has commenced investigation and resulted in a penalty to a Reporting Entity.

SUSTAINABILITY REPORT

2. Our business

We are principally involved in the manufacturing and distribution of chilled, frozen, dried and shelf-stable meat products targeting both halal and non-halal consumers.

3. Reporting framework

This Report has been prepared in accordance with the Global Reporting Initiative (“GRI”) Standards: Core option and published pursuant to 711A and 711B of the Listing Manual Section B: Rules of Catalist (“Catalist Rules”) of the Singapore Exchange Securities Trading Limited (“SGX-ST”) and the guidance set out in SGX-ST’s sustainability reporting guide under Practice Note 7F of the Catalist Rules. We have chosen to report using the GRI Standards: Core option as it is an internationally recognised reporting standard that covers a comprehensive range of sustainability disclosures.

As part of our continual efforts to align our sustainability reporting with relevant market standards, we have mapped our sustainability efforts to the 2030 Agenda for Sustainable Development which is adopted by all United Nations Member States in 2015 (“UN Sustainability Agenda”). The UN Sustainability Agenda provides a shared blueprint for peace and prosperity for people and the planet, now and into the future. At its heart are the 17 SDGs, which form an urgent call for action by all countries – developed and developing – in a global partnership. We have incorporated the SDGs, where appropriate, as a supporting framework to shape and guide our sustainability strategy.

Our climate-related disclosures are also guided by the recommendations of Task Force on Climate-related Financial Disclosures (“TCFD”).

While we have not sought external assurance for this sustainability report, we relied on internal data monitoring and verification to ensure its accuracy. We will work towards external assurance for our future sustainability reports.

SUSTAINABILITY REPORT

4. Reporting period and scope

This Report is applicable for the financial year ended 30 June 2022 (“**FY2022**” or “**Reporting Period**”) for OTS Holdings Limited and its subsidiaries (the “**Group**”). A sustainability report will be published annually in accordance with our SR Policy.

This Report covers the key operating entities within the Group based in Singapore and Malaysia which contributed approximately 95% (FY2021:95%) of the total revenue for the Reporting Period (“**Reporting Entities**” or each a “**Reporting Entity**”).

5. Feedback

We welcome feedback from all stakeholders on this Report. You may send related questions, comments, suggestions or feedback via email address: enquiry@ots-holdings.com.

6. Stakeholder engagement

Through an internal stakeholder mapping exercise, we identified key stakeholder groups which we prioritise our engagements with. These include entities or individuals that have an interest that is affected or could be affected by our activities.

Our efforts on sustainability are focused on creating sustainable value for our key stakeholders, which comprise communities, customers, employees, regulators, shareholders and suppliers. Key stakeholders are identified for each material Sustainability Factor identified.

We actively engage our key stakeholders through the following channels:

7. Policy, practice and performance reporting

7.1 Reporting structure

The Board of Directors (“Board”) advises and supervises the development of our sustainability strategy and performance targets. Our sustainability strategy is spearheaded by the Sustainability Committee (“SC”) which is led by our Managing Director and Executive Director. The SC includes senior management executives and key managers from various functions and is tasked to develop the sustainability strategy, perform materiality assessment, consider stakeholders’ priorities, set goals and targets, as well as collect, verify, monitor and report performance data for this Report.

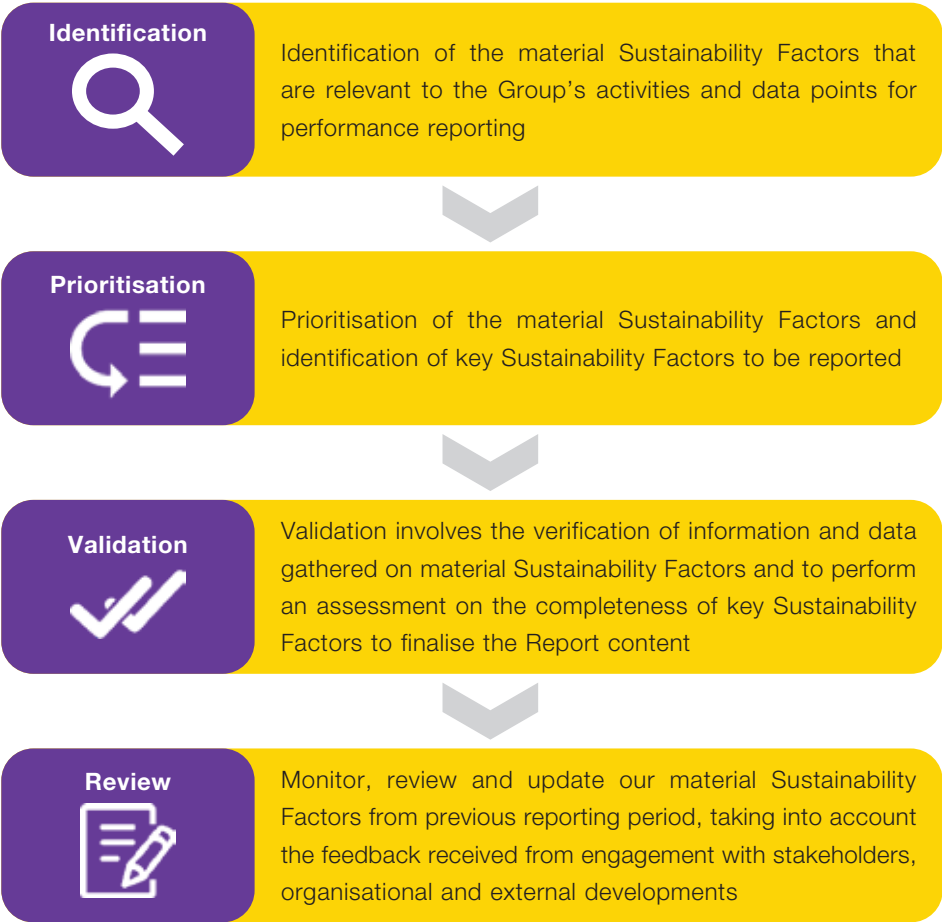

⁸ Operations include procurement, warehouse and shipping, production, quality assurance, engineering, facility, occupational health, safety and security functions.

SUSTAINABILITY REPORT

7.2 Sustainability reporting processes

Under our SR policy, our sustainability process begins with the identification of relevant factors. Relevant factors are then prioritised as material Sustainability Factors which are then validated. The end result of this process is a list of material Sustainability Factors disclosed in this Report. Processes involved are as shown in the chart below:

7.3 Materiality assessment

The materiality assessment considers the likelihood of the occurrence of potential negative and positive impacts (“**Likelihood of Impact**”) and significance of impacts on the economy, environment, people and their human rights, which in turn can indicate its contribution to sustainable development (“**Significance of Impact**”).

7.4 Performance tracking and reporting

We track the progress of our material Sustainability Factors by identifying the relevant data points, measuring and monitoring them. In addition, we set performance targets that are aligned with our strategy to ensure that we remain focused in our path to sustainability. We shall consistently enhance our performance-monitoring processes and improve our data capturing systems.

SUSTAINABILITY REPORT

8. Material factors

In FY2022, a materiality assessment was conducted by the SC to understand the concerns and expectations of our stakeholders. Through the materiality assessment, factors material to the sustainability of our business were identified and their reporting priority level assigned. In this Report, we have also reported our progress in managing these factors and set related targets to improve our sustainability performance.

Presented below is a list of material Sustainability Factors applicable to the Group:

List of material Sustainability Factors

We will update the material Sustainability Factors on an annual basis to reflect changes in business operations, environment, stakeholders' feedback and sustainability trends. Details of Sustainability Factors are presented as follows:

The material factor matrix, which was disclosed in the sustainability report for FY2021, was not disclosed in this report to be aligned with the latest requirements.

SUSTAINABILITY REPORT

8.1 Total customer satisfaction

We are committed to building and retaining a loyal customer base for long-term sustainability by maximising customer's experience through the following:

Our brand portfolio

Multi-brand and multi-product portfolio

With an established track record of 29 years in the industry, we have grown in scale and possess the production capabilities to offer diverse products under our 7 house brands (FY2021: 6 house brands), comprising “Golden Bridge”, “Kelly’s”, “GoldenLion”, “Orchid”, “El-Dina”, “Kizmiq” and “ANEW”. Our extensive product portfolio includes sausages, hams, meat floss, luncheon meats, halal products and a variety of seasonal meat products during festive periods such as Chinese New Year and Christmas.

Product innovation and adopt technological solutions

We have an in-house research and development team that focuses on creating new product concepts and recipes to cater to market trends and consumers' diverse, evolving tastes. In FY2022, we launched “ANEW”, a 100% plant-based, ready-to-eat brand that aims to deliver quality, nutrition and convenience to meet growing demand for plant-based food products and environmental consciousness. The first product line-up from ANEW consists of three luncheon meat products that are inspired by the Group's popular luncheon meat products.

Our plant-based, ready-to-eat luncheon “meat” line

We also continuously explore and adopt technological solutions such as having an enterprise resource planning (“ERP”) system in place to enhance our productivity and efficiency in manufacturing processes.

SUSTAINABILITY REPORT

Adoption of market standards

We adopt market standards in our operations to ensure quality and safety in our products. Compliance with the standards and continual certifications are subject to audits or reviews by the relevant agencies and bodies. The market standards adopted or certifications achieved by us are as follows:

Standard/certification	Focus of relevant standard/certification
FSSC 22000 Food Safety System Certification	Ensure that our production facilities have robust food safety management systems in place
SFA grade "A"	Manage food hygiene in our operations and ensure our operations comply with food safety standards
Halal certificate	Ensure that our operations comply with Islamic dietary requirements

You may refer to section 8.6 for details on the food quality and safety management practices.

Proactively gather customer feedback for improvements and to develop strategies

We strongly encourage our customers to provide their feedback on our products and services via various touchpoints such as social media, website, email and phone calls. Customer feedback is analysed to gather valuable insights into current and future customer requirements and preference. Insights gathered are discussed during management meetings to drive product and service improvements, enhance operational level and provide inputs for strategies. Customer feedback is also recorded on customer complaint forms and corrective actions are taken to resolve customer complaints timely.

Maintain presence and proximity to our customers

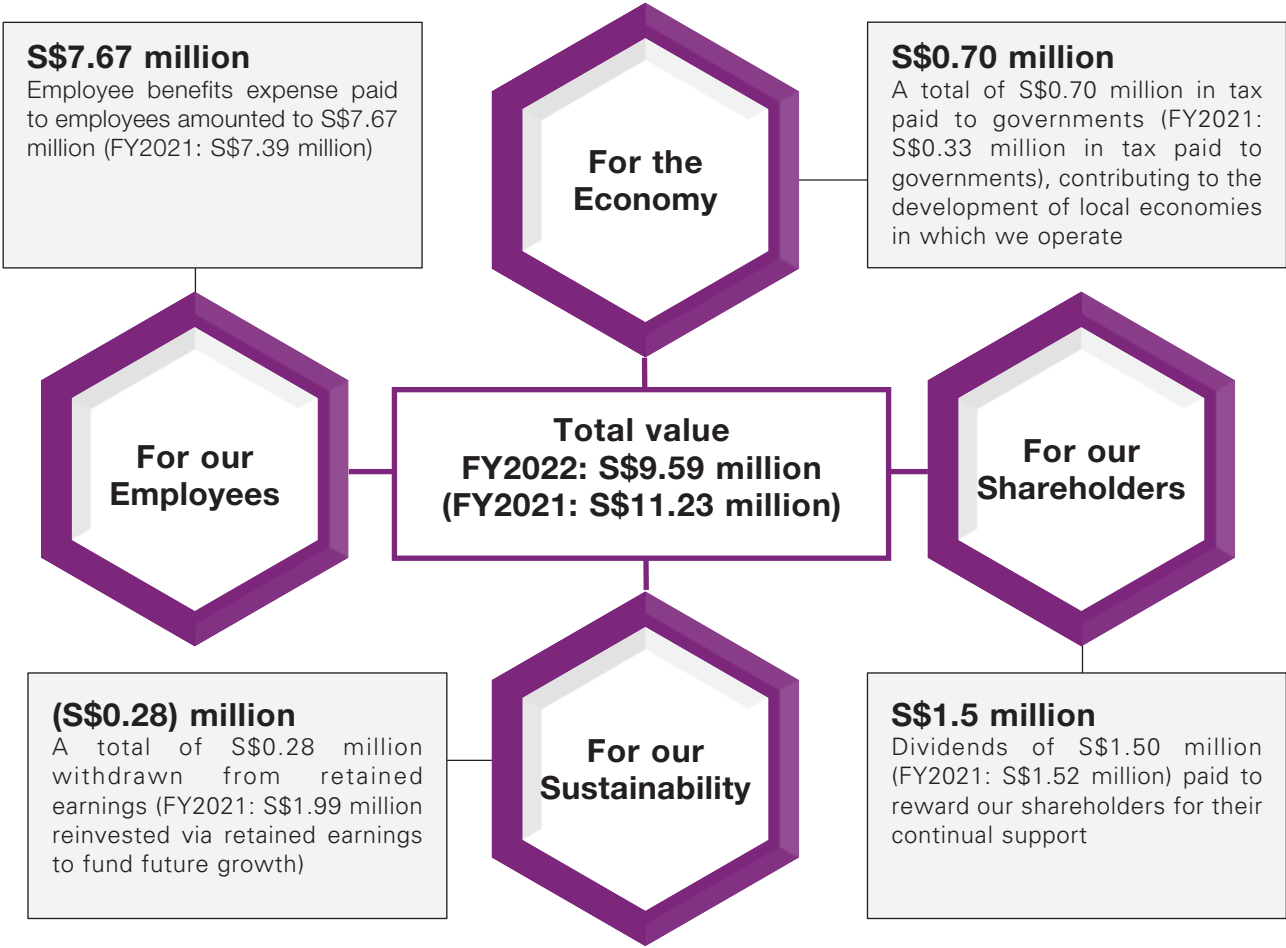

Over the years, we have built an established sales and distribution network and our brands have been widely marketed and sold in major supermarkets, convenience stores, provision shops, hotels and restaurants in Singapore and Malaysia. We also export our products to more than 25 countries through distributors.

SUSTAINABILITY REPORT

8.2 Sustainable business performance

We believe in creating long-term values for our stakeholders through relevant and meaningful ways. In line with this commitment, the value we created in FY2022 is distributed as follows to achieve a more sustainable future:

Further details of our economic performance can be found in the financial contents and audited financial statements of our annual report for FY2022 (the “Annual Report”).

Improve or maintain total value created subject to market conditions	Decrease in total value created in FY2022 due to lower financial performance in comparison with FY2021	Improve or maintain total value created subject to market conditions

8.3 Energy conservation and emissions reduction

We are committed to responsible usage of energy resources and emissions reduction through enhancing our energy usage efficiency.

SUSTAINABILITY REPORT

To run our operations, we rely mainly on the following energy sources:

- Liquefied petroleum gas (“LPG”) for operating cooking equipment;
- Diesel for boiler and motor vehicles; and
- Electricity for machinery and equipment, refrigeration, lighting, cooling and office work.

Key statistics on our energy consumption and GHG emissions during the Reporting Period are as follows:

Our key energy conservation initiatives are as follows:

- Track and review spending on energy consumption regularly to control usage and corrective actions are taken when there are unusual consumption patterns;
- Turn off lights, fans and aircon when they are not in use;
- Switch to energy-efficient LED lighting whenever possible;
- Install light sensors in toilets and switch to appliances with limit switch where possible to reduce electricity consumption;
- Develop plant-based food products as an alternative to meat-based products for our customers to reduce GHG emissions and impact of climate change; and
- Reuse hot water produced by our retort machine to feed the boiler in generating steam for our production. Such an arrangement reduces the amount of energy required to heat up water for the boiler.

⁹ GHG emissions from consumption of LPG and diesel (Scope 1) are calculated based on the Greenhouse Gas (GHG) Emissions Measurement and Reporting Guidelines published by the NEA.

¹⁰ GHG emissions from electricity purchased (Scope 2) are calculated based on the average emissions factors published by the Energy Market Authority for Singapore operations and Institute for Global Environmental Strategies for our Malaysia operations.

SUSTAINABILITY REPORT

8.4 Water conservation and effluent management

We are committed to responsible usage of water resources through enhancing our water consumption efficiency.

We rely on water resources primarily for washing and cleaning during the production process and as an ingredient in our products. Water consumption trends are regularly tracked, analysed and corrective actions are taken when unusual consumption patterns are observed. We also reuse hot water produced by our retort machine to feed the boiler in generating steam for our production.

Effluent is mainly generated from washing and cleaning during the production process. Measures taken to manage effluent include setting up a grease interceptor for filtration purpose before it is released into the waterways and engaging accredited laboratories to inspect the content of effluent periodically.

Key statistics on water consumption and effluent generated during the Reporting Period are as follows:

Performance indicator	Unit of measurement	FY2022	FY2021
Water consumption	m ³	36,318	38,459
Water consumption intensity	m ³ /revenue S\$'000	1.06	1.00
Effluent generated	m ³	20,338	21,537

<ul style="list-style-type: none"> Maintain or reduce water consumption intensity Maintain or reduce effluent intensity 	<ul style="list-style-type: none"> No material changes in water consumption intensity No material changes in effluent intensity 	<ul style="list-style-type: none"> Maintain or reduce water consumption intensity Maintain or reduce effluent intensity

8.5 Responsible waste management

We believe that responsible waste management can help to preserve the environment in which we operate. Accordingly, we are committed to improving the management of waste generated in operations.

Key waste generated from our operations is non-hazardous and it includes:

- General waste (such as food waste and used cooking oil); and
- Packaging material (such as cans, labels and stickers, carton boxes and plastic packaging or bags).

We have in place various initiatives to minimise waste generated in operations. Such initiatives include:

- Monitoring waste generated through regular tracking of production variances and follow-up on significant variances to determine root causes and corrective actions; and
- Ensuring used cooking oil generated in our operations is collected by licensed waste collectors for proper disposal. During the Reporting Period, 100% of used cooking oil generated in operations is handled by licensed waste collectors (FY2021: 100%).

SUSTAINABILITY REPORT

We are also aware of the environmental impacts arising from packaging materials used in our operations. To reduce the impact of the packaging materials on our environment, we procure FSC-certified carton boxes made of materials from verified sustainable sources. In addition, we will gradually switch to aluminium cans instead of tin cans as the recycling of aluminium is more energy efficient.

Target for FY2022	Performance in FY2022	Target for FY2023
Maintain the proportion of used cooking oil generated from operations that is properly disposed	Maintained 100% of used cooking oil generated in operations being handled by licensed waste collectors	Maintain the proportion of used cooking oil generated from operations that is properly disposed

8.6 Committed to consistent quality and food safety

We are committed to deliver the best to our customers by providing quality and safe products for long-term business sustainability. We adopt stringent food quality and safety management practices throughout our entire business process.

Quality and safe products

We uphold high standards in food safety, starting from the selection of quality raw materials from our suppliers to quality management in our operations. Key measures taken on quality control are as follows:

- Performing assessment for existing and new suppliers regularly to ensure that our ingredients are obtained from competent and reliable suppliers;
- A set of food safety management system procedures is in place to ensure compliance with food hygiene and safety standards and prevent contamination of food products by food safety hazards such as wooden, glass and plastic items;
- The quality control team ensures that the policies and procedures in place are adequate and effective and conduct regular checks on quality of raw materials and finished products;
- Training programmes on food safety procedures and refresher, good manufacturing practices, allergen controls and Halal concepts are in place for our employees;
- Monitoring temperature at cold rooms to ensure food products are stored at appropriate temperatures; and
- Engaging an accredited third-party laboratory to carry out independent tests to ensure that food products produced are safe for human consumption.

During the Reporting Period, there was no food safety incident which resulted in regulatory non-compliance and penalty to the Reporting Entities (FY2021: zero).

Product labelling and communication

Under our commitment to ensure that our products are safe and fit for consumption, we adopt practices to ensure that our product labels reflect accurate and complete product information. To help our customers make informed purchase decisions, we include information such as ingredients, allergen declaration, nutritional values, recommended storage conditions and sourcing of product on our product labels. We ensure that our product labels comply with relevant product labelling regulations and guidelines such as the Food Regulations and Sale of Food Act and guidelines set by SFA and Food Regulations 1985 of Malaysia.

SUSTAINABILITY REPORT

As we continue to ensure good product quality, we keep abreast of customers' demands and preferences and explore ways to enhance the quality or improve the ingredient content of products. During the Reporting Period, there was no incident of non-compliance with regulations concerning product labelling (FY2021: zero).

Target for FY2022	Performance in FY2022	Target for FY2023
<ul style="list-style-type: none"> ▪ Maintain zero food safety incident and no regulatory non-compliance and penalty by the Reporting Entities ▪ Maintain zero incident of non-compliance concerning product labelling 	<ul style="list-style-type: none"> ▪ Maintained zero food safety incident which resulted in regulatory non-compliance and penalty to the Reporting Entities ▪ Maintained zero incident of non-compliance with regulations concerning product labelling 	<ul style="list-style-type: none"> ▪ Maintain zero food safety incident and no regulatory non-compliance and penalty by the Reporting Entities ▪ Maintain zero incident of non-compliance concerning product labelling

8.7 Safe working environment

The health and safety of our employees are of great importance to us and we are committed to creating a workplace that allows employees to perform and develop in a safe and healthy environment. We believe that a safe working environment helps to build loyalty amongst our employees and support the sustainability of the Group. Our Singapore-based entities are bizSAFE 3 certified by the Workplace Safety and Health Council. Such certifications recognise our continuous efforts to embed safety in our operations.

During the Reporting Period, we recorded zero (FY2021: zero) workplace fatalities, zero (FY2021: zero) high-consequence work-related injuries, 3 (FY2021: 7) recordable work-related injuries and zero (FY2021: zero) work-related ill health cases. The recordable work-related injuries are mainly associated with slips and trips and strenuous movements. Lessons from the work-related injuries are shared across business units to prevent recurrence and we will continuously work towards formulating preventive actions to reduce both the occurrence and severity of workplace accidents.

Key measures adopted to manage health and safety in the workplace environment are as follows:

- A set of occupational health and safety procedures is in place;
- An emergency response plan is in place for fire safety;
- Safety committee is in place and safety committee meetings are conducted regularly to discuss about findings on workplace hazards and corrective actions;
- Monthly safety inspections are conducted against inspection checklist guidelines and follow-up actions are taken;
- Safety audits are performed regularly to identify good practices and evaluate the compliance with legal and applicable requirements;
- New employees are briefed on safety procedures during orientation;
- Employees are provided with adequate workplace safety and health training; and
- Workplace accidents are tracked and monitored regularly and corrective action procedures set up are followed through.

SUSTAINABILITY REPORT

To protect our employees and minimise the risk of transmission of COVID-19, we adhere to the guidelines and measures passed by the local COVID-19 laws and regulations. These measures include provision of hand sanitisers at high frequency touch points such as lifts and clocking in machine, and daily sanitising and cleaning of common areas.

Target for FY2022	Performance in FY2022	Target for FY2023
Reduce the number of workplace accidents and work-related ill health cases	Decrease in number of recordable work-related injuries	Reduce the number of workplace accidents and work-related ill health cases

8.8 Equality and diversity in the workplace

We aim to provide a work environment for employees that fosters fairness, equality and respect for social and cultural diversity, regardless of their gender, age and educational background. Therefore, we are committed to the goals of diversity and equal opportunity in employment. As at 30 June 2022, 177 full-time and part-time employees in the Group are based in Singapore and Malaysia (FY2021: 164 full-time and part-time employees). During the Reporting Period, we maintain zero (FY2021: zero) incident of unlawful discrimination against employees.

The breakdown of the number of employees by employment type is as follows:

Employment type	Number of employees		Percentage	
	FY2022	FY2021	FY2022	FY2021
Full-time	174	163	98%	99%
Part-time ¹¹	3	1	2%	1%
Total	177	164	100%	100%

The number of part-time employees is considered to be not material given that the Group is not reliant on part-time employees to support its operations and long-term sustainability.

On gender diversity, the percentage of female to total number of employees is 31% (FY2021: 29%) and about 46% (FY2021: 37%) of managers are females as at 30 June 2022. Due to the nature of our business, our workforce consists of male employees predominantly. We will continuously move towards a more balanced gender ratio. We also view diversity at the board level an essential element in supporting sustainable development and have two (FY2021: two) female Directors out of five (FY2021: five) Directors or 40% (FY2021: 40%) female representation on the Board, with one being the Executive Director and the other being an Independent Director.

**Gender diversity
(full time employees)**

Gender diversity (managers)

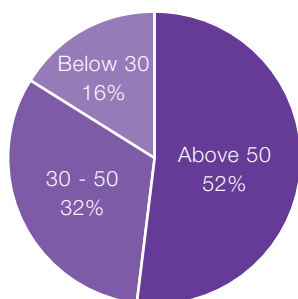

¹¹ Part-time employees are not included for consideration of gender diversity, age diversity, educational diversity, average training hours and turnover rate.

SUSTAINABILITY REPORT

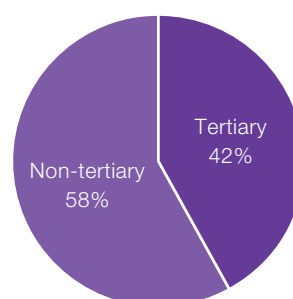

In relation to age diversity, matured workers are valued for their experience, knowledge and skill. As at 30 June 2022, 52% of the workforce is above 50 years old (FY2021: 27%).

On diversity in educational background, we seek to create an inclusive environment for employees from different educational background. Due to the nature of our business, our workforce is predominantly non-tertiary educated and such employees contribute to 58% of our total workforce as at 30 June 2022 (FY2021: 68%). We invest continuously in our employees through the provision of training programmes.

Target for FY2022	Performance in FY2022	Target for FY2023
Maintain zero incident of unlawful discrimination against employees	Maintained zero reported incident of complaint on unlawful discrimination against employees	Maintain zero incident of unlawful discrimination against employees

8.9 Employee retention and development

We place a high priority on talent retention and competency development of our employees as we believe that well-trained employees are vital to the long-term success of our business.

During the Reporting Period, we conducted a total of 1,611 hours of training for our employees (FY2021: 688 hours). These training programmes mainly focus on learning and development and familiarising our employees with job requirements including Halal Foundation training, trainings on food safety, workplace safety and cyber security awareness. Our employees received an average of 9.3 hours of training per employee (FY2021: 4.2 hours). The increase in the average training hours per employee is due to enhanced external training conducted for employees in FY2022, and less training conducted in FY2021 due to COVID-19 restrictions.

As at 30 June 2022, our turnover rate is 35% (FY2021: 26%) and we will continue to work towards reducing our turnover rate. The increase in turnover rate is mainly attributable to a high turnover of employees who left the Group to pursue better career opportunities.

Target for FY2022	Performance in FY2022	Target for FY2023
Maintain or improve training hours for employees	Increase in average training hours per employee	Maintain or improve training hours for employees

SUSTAINABILITY REPORT

8.10 Ongoing community engagement

We recognise that the long-term success of our business is closely related to the health and prosperity of the communities that we operate in. Accordingly, we strive to constantly contribute to the community.

During Chinese New Year in 2022, we partnered with YoRipe, a Singapore-based smart cooking app, to raise funds for the Singapore Children’s Society. Collectively, a total of S\$10,000 was raised through public donors and direct donations by us. This event also coincided with Singapore Children’s Society’s celebration of 70 years of bringing hope and smiles to their beneficiaries.

8.11 Robust corporate governance framework

We are committed to high standards of corporate governance as it is integral in ensuring sustainability of our business as well as safeguarding shareholders’ interest and maximising long-term shareholder value.

We have implemented a whistle-blowing policy which aims to provide an avenue for employees and external parties to raise concerns about misconduct or improprieties in the Group, and at the same time assure them that they will be protected from victimisation for whistle-blowing in good faith. Details of the whistle-blowing policy are disseminated to the employees of the Group and are available on our corporate website. We also require our employees to acknowledge on the Employee Handbook and adhere to the standard of conduct and integrity stipulated in the Employee Handbook.

¹² As this is a newly disclosed Sustainability Factor added in this report.

SUSTAINABILITY REPORT

During the Reporting Period, there was no whistle-blowing incident¹³ and serious offence¹⁴ (including corruption) raised (FY2021: none).

9. Supporting the UN Sustainable Development Goals

The 2030 Agenda for Sustainable Development, adopted by all United Nations Member States in 2015, provides a shared blueprint for peace and prosperity for people and the planet, now and into the future. At its heart are the 17 SDGs, which form an urgent call for action by all countries – developed and developing – in a global partnership. We believe that everyone plays an important role in advancing sustainable development and in order to align our business objectives with the SDGs, we have identified a number of SDGs which we can contribute to through our business practices, products and services. The SDGs that we focus on and the related Sustainability Factors are as follows:

SDG	Our effort
 <p>3 GOOD HEALTH AND WELL-BEING</p>	<p>Ensure healthy lives and promote well-being for all at all ages</p> <p><u>Section 8.7 Safe working environment</u> We implement measures such as safety checks, safety training and job safety guidelines and procedures to provide a hazard-free workplace for our employees and ensure the well-being of both our employees and the working environment.</p>
 <p>4 QUALITY EDUCATION</p>	<p>Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all</p> <p><u>Section 8.9 Employee retention and development</u> We offer our employees extensive on-the-job training and opportunities to attend internal and external workshops as we believe in creating a rewarding working environment for our employees.</p>
 <p>6 CLEAN WATER AND SANITATION</p>	<p>Ensure availability and sustainable management of water and sanitation for all</p> <p><u>Section 8.4 Water conservation and effluent management</u> We implement checks and measures to reduce water wastage and manage the quality of effluent generated from our business operations, which in turn help us to work towards achieving sustainable management and efficient use of natural resources.</p>

¹³ A whistle-blowing incident refers to a verified major concern of major wrongdoing within the Group relating to unlawful conduct, financial malpractice or dangers to the public and environment that has taken place.

¹⁴ A serious offence is defined as one that involves fraud or dishonesty and is being or has been committed against the Company by its officers or employees. Such serious offence is punishable by imprisonment for a term of not less than 2 years and the value of the property obtained or likely to be obtained from the commission of the offence amounts to not less than S\$100,000.

10. Supporting the TCFD

We are committed to support the recommendations by the TCFD and have voluntarily disclosed some of our climate-related financial disclosures in the following key areas as recommended by the TCFD:

Key area	Our approach
Governance	<p>The Board oversees the management and monitoring of the Sustainability Factors and considers climate-related issues in determining the Group's strategic directions and policies.</p> <p>Our sustainability strategy is developed and directed by the Group's SC in consultation with the Board. The Group's SC, which includes senior management executives and key managers from various functions, is led by the Executive Director. The responsibilities of the Sustainability Committee include considering climate-related issues in the development of sustainability strategy, target setting, as well as collection, monitoring and reporting of performance data.</p>
Strategy	<p>Climate-related risks were identified by the Group during its enterprise risk management ("ERM") exercise. The key climate-related risks are weather disruption, changes in policy and regulations and increased cost of raw materials.</p> <p>We plan to conduct climate-related scenario analysis consistent with the recommendations of TCFD, wherever possible, using commonly agreed sector/subsector scenarios and time horizons.</p>
Risk management	
Metrics and targets	<p>We track, measure and report on our environmental performance, including energy, water and waste management and disclose related metrics in our sustainability reports. Monitoring and reporting these metrics help us in identifying areas with material climate-related risks and enabling us to be more targeted in our efforts.</p> <p>To support the climate change agenda, we disclose our Scope 1 and Scope 2 GHG emissions in our sustainability reports and set climate-related targets such as those related to GHG emissions, water and energy consumption and waste management.</p>

CORPORATE GOVERNANCE REPORT

The board of directors (“**Board**” or “**Directors**”) of OTS Holdings Limited (“**Company**” and together with its subsidiaries, “**Group**”) strongly support the principles of transparency, accountability and integrity as set out in the Code of Corporate Governance 2018 (the “**Code**”). This report describes the Company’s corporate governance policies and practices which were in place during the financial year ended 30 June 2022 (“**FY2022**”), with specific reference to the principles and provisions of the Code and the accompanying practice guidance.

The Code aims to promote high levels of corporate governance by putting forth principles of good corporate governance and provisions with which companies are expected to comply. The practice guidance complements the Code by providing guidance on the application of the principles and provisions and setting out best practices for companies.

Pursuant to Rule 710 of the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) Listing Manual Section B: Rules of Catalist (“**Catalist Rules**”), this Report sets out the Group’s corporate governance practices for FY2022 with specific reference made to the principles and the provisions of the Code issued on 6 August 2018.

The Company was listed on the Catalist board of the SGX-ST since 17 June 2021, and the Board confirms that the Company and Group, have for FY2022 complied with the principles as set out in the Code. The Board also confirms that where there are deviations from the provisions of the Code, explanations for the deviation and how the Group’s practices are consistent with the intent of the relevant principle are provided in the sections below:–

BOARD MATTERS

The Board’s Conduct of Affairs

Principle 1

The Company is headed by an effective Board which is collectively responsible and works with Management for the long-term success of the Company.

Provision 1.1

Directors are fiduciaries who act objectively in the best interests of the Company and hold Management accountable for performance. The Board puts in place a code of conduct and ethics, sets appropriate tone-from-the-top and desired organisational culture, and ensures proper accountability within the Company. Directors facing conflicts of interest recuse themselves from discussions and decisions involving the issues of conflict.

The Board is entrusted with the responsibility for the overall management of the Company.

The principal functions of the Board, in addition to carrying out its statutory responsibilities, *inter alia*, are as follows:

- overseeing and approving the formulation of the Group’s overall long-term strategic objectives and directions, corporate strategy and objectives as well as business plans, taking into consideration sustainability issues;
- overseeing and reviewing the management of the Group’s business affairs and financial controls, performance and resource allocation, including ensuring that the required financial and human resources are available for the Group to meet its objectives;
- establishing a framework of prudent and effective controls to assess and manage risks and safeguard shareholders’ interests and the Group’s assets;
- to review the Management’s performance;

CORPORATE GOVERNANCE REPORT

- to set the Group's values and standards and ensure that obligations to shareholders and other stakeholders are understood and met;
- to approve the release of the Group's financial results, annual reports and announcements to shareholders;
- to review and approve related party transactions and interested party transactions to ensure compliance with relevant rules and terms stated in shareholders' mandate; and
- to assume the responsibilities for corporate governance.

All Directors recognise that they have to discharge their duties and responsibilities at all times as fiduciaries in the interests of the Company. The Board is a representation of the shareholders in the Company and is accountable to them through effective governance of the business. Although the Board has yet to adopt a Code of Conduct and Ethics, all Board members recognise the importance of conducting themselves and carrying out their duties in the best interest of the Company and to avoid placing themselves in any situation where conflict of interest may arise.

Each Director is required to promptly disclose any actual, potential and perceived conflict of interest, in relation to a transaction or proposed transaction with the Group as soon as practicable after the relevant facts have come to his/her knowledge. On an annual basis, each Director is also required to submit details of his associates for the purpose of monitoring interested person transactions. Any Director facing a conflict of interest will recuse himself from the discussions and abstain from participating in any Board decisions and voting on resolutions regarding the matter and refrains from exercising any influence over other members of the Board, unless the Board is of the opinion that his/her presence and participation is necessary to enhance the efficacy of such discussion.

Provision 1.2

Directors understand the Company's business as well as their directorship duties (including their roles as executive, non-executive and independent directors). Directors are provided with opportunities to develop and maintain their skills and knowledge at the Company's expense. The induction, training and development provided to new and existing directors are disclosed in the Company's annual report.

Newly appointed Directors will receive a formal letter explaining their duties and responsibilities, and will undergo orientation and be briefed on the business and governance practices of the Group as well as industry-specific knowledge. As stipulated under Rule 406(3)(a) of the Catalist Rules, Directors who are appointed and who have no prior experience as directors of a listed company in Singapore will have to attend the Listed Entity Director ("LED") courses organised by the Singapore Institute of Directors within one (1) year of his appointment. Briefings on the roles and responsibilities as directors of a listed company in Singapore will be conducted for the new appointees. They may also attend courses conducted by other training institutions in areas such as accounting, legal and industry specific knowledge, where appropriate, in connection with their duties. There were no new Directors appointed during FY2022.

The Independent Directors have visited the Group's operating facilities and met with the Management to gain a better understanding of the Group's business operations and corporate governance practices. The Directors are also encouraged to keep themselves abreast of the latest developments relevant to the Group and attendance of appropriate courses and seminars will be arranged and funded by the Company. The external auditors, during their presentation of the audit plan, will update the Directors on the new or revised financial reporting standards on an annual basis. Our Company's Catalist Sponsor, SAC Capital Private Limited, provides updates to the Board whenever there are changes to the listing rules or the Code of Corporate Governance.

The Board recognises the importance of ongoing training and development for the Directors so as to enable them to serve effectively and contribute to the Board. Every Director is provided with opportunities to attend additional training to further enhance their skills in performing their duties as a director, including attending appropriate courses and/or seminars at the Company's expense.

CORPORATE GOVERNANCE REPORT

During FY2022, the external auditors briefed the Directors on developments in accounting standards and the Directors attended relevant courses and seminars held by the various agencies, including the Singapore Institute of Directors.

Provision 1.3

The Board decides on matters that require its approval and clearly communicates this to Management in writing. Matters requiring board approval are disclosed in the Company's annual report.

Although the day-to-day management of the Company is delegated to the Executive Directors, the Board has put in place internal guidelines for matters reserved for the Board's approval. Specifically, matters and transactions that require the Board's approval include, among others, the following:

- release of the half year and full year results announcements;
- annual report and financial statements;
- annual budgets and financial plans of the Company;
- business, strategy and capital expenditure budgets;
- convening of shareholders' meetings, circulars to shareholders and related announcements to be submitted to the SGX-ST;
- overall corporate strategy and changes to the corporate structure;
- acquisitions, investments and disposals of assets exceeding a certain threshold;
- share issuances;
- recommendation/declaration of dividends;
- appointment of Directors and key executives, Company Secretary of the Company and terms of reference for the Board Committees;
- review of Directors and key executives' performance and remuneration packages;
- interested person transactions;
- material regulatory matters or litigation; and
- compliance matters associated with the Catalist Rules, Securities and Futures Act or other relevant laws and regulations.

The Board decides on matters requiring its approval and clearly communicates this to the Management in writing.

Provision 1.4

Board committees, including Executive Committees (if any), are formed with clear written terms of reference setting out their compositions, authorities and duties, including reporting back to the Board. The names of the committee members, the terms of reference, any delegation of the Board's authority to make decisions, and a summary of each committee's activities, are disclosed in the Company's annual report.

To assist the Board in discharging its oversight functions and execution of its responsibilities, the Board has established three Board Committees, comprising an Audit and Risk Management Committee (the "**ARMC**"), a Nominating Committee (the "**NC**") and a Remuneration Committee (the "**RC**") (collectively the "**Board Committees**"). As the Board retains the ultimate responsibility on all decisions made, all matters discussed at the Board Committee meetings are presented and reported to the Board for approval prior to its implementation. These Board Committees function within clearly defined written terms of reference and operating procedures. The terms of reference of the respective Board Committees

CORPORATE GOVERNANCE REPORT

are reviewed by the Board on a regular basis to enhance the effectiveness of these Board Committees. The terms of reference of the respective Board Committees, as well as other relevant information on the Board Committees can be found in the subsequent sections of this Report.

The composition of the Board Committees as at the date of this Report are as follows:

Name	Audit and Risk Management Committee	Nominating Committee	Remuneration Committee
Dr. Yu Lai Boon	Chairman	Member	Member
Mr. Ong Bee Chip	–	–	–
Mdm. Ong Chew Yong	–	–	–
Ms. Tan Poh Hong	Member	Chairman	Member
Mr. Chan Hiang Tiak	Member	Member	Chairman

All the ARMC, NC, and RC comprise three (3) members, all of whom (including the Chairman) are independent.

Provision 1.5

Directors attend and actively participate in Board and board committee meetings. The number of such meetings and each individual director's attendances at such meetings are disclosed in the Company's annual report. Directors with multiple board representations ensure that sufficient time and attention are given to the affairs of each Company.

The Board meets regularly on a bi-annually basis and ad-hoc Board Committee or Board meetings are convened when they are deemed necessary. In between Board meetings, other important matters will be tabled for the Board's approval by way of circulating resolutions in writing.

The Constitution of the Company provides for meetings of the Board to be held by way of telephonic or video conference.

The number of Board meetings, NC, RC and ARMC meetings held during FY2022 as well as the attendance of each Board member at those meetings are set out below:

	Board	Audit and Risk Management Committee	Nominating Committee	Remuneration Committee
Number of Meetings Held	2	2	1	1
Name of Director	Number of Meetings Attended			
Dr. Yu Lai Boon	2	2	1	1
Mr. Ong Bee Chip	2	2*	1*	1*
Mdm. Ong Chew Yong	2	2*	1*	1*
Ms. Tan Poh Hong	2	2	1	1
Mr. Chan Hiang Tiak	2	2	1	1

* By invitation

CORPORATE GOVERNANCE REPORT

When a Director has multiple board representations, the NC also considers whether or not the Director is able to and has adequately carried out his duties as a Director of the Company. The NC is of the view that the matter relating to multiple board representations should be left to the judgement of each Director given that time requirements for different board representations vary. As such, the NC and the Board have decided that there is no necessity to determine the maximum number of listed company board representations which a Director may hold.

Provision 1.6

Management provides directors with complete, adequate and timely information prior to meetings and on an on-going basis to enable them to make informed decisions and discharge their duties and responsibilities.

The Company recognises that the flow of relevant, complete and accurate information on a timely basis is critical for the Board to discharge its duties effectively. The Management provides the Board with key information that is complete, adequate and in advance to enable the Directors to make timely decisions, effectively discharge their duties and make a balanced and informed assessment of the performance, position and prospects of the Company. Key information comprises, among others, properly organised board papers (with background or explanatory information relating to the matters brought before the Board, where necessary), updates to Group operations and the markets in which the Group operates, budgets and/or forecasts, management accounts, external auditors' reports and reports on on-going or planned corporate actions. Management provides Directors with information whenever necessary and board papers are sent to Directors prior to each Board and Board Committee meeting. Such board papers usually include half-yearly management accounts, budgets, forecasts and periodic management accounts. In respect of budgets, any material variances between the projections and actual results are disclosed and explained to the Board. Directors are also informed on a regular basis as and when there are any significant developments or events relating to the Group's business operations. Management will also provide any additional material information that is requested by Directors or that is necessary to enable the Board to make a balanced and informed assessment of the Group's performance, position and prospects. All Directors are also furnished with updates on the financial position and any material developments of the Group as and when necessary.

Provision 1.7

Directors have separate and independent access to Management, the company secretary, and external advisers (where necessary) at the Company's expense. The appointment and removal of the company secretary is a decision of the Board as a whole.

The Board has separate and independent access to the Group Financial Controller ("**GFC**") and other key persons of the Management ("**Key Management Personnel**") as and when they are appointed, external advisers (where necessary) and the Company Secretary at all times. The Board will have independent access to professional advice when required at the Company's expense, subject to the approval of the Chairman.

The responsibilities of the Company Secretary include advising the Board on corporate and administrative matters, as well as facilitating orientation and assisting with professional development as required, facilitating the process of appointment of new Directors and upon discretion of the Chairman in ensuring information flow within the Board and its Board Committees and between the Management and Non-Executive Directors. The Company Secretary and/or her representative(s) attends all meetings of the Board and Board committees and ensures that all Board procedures are followed and applicable rules and regulations are complied with. The appointment and removal of the Company Secretary are subject to the approval of the Board as a whole.

CORPORATE GOVERNANCE REPORT

Board Composition and Guidance

Principle 2

The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the company.

Provision 2.1

An “independent director” is one who is independent in conduct, character and judgement, and has no relationship with the Company, its related corporations, its substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the director’s independent business judgement in the best interests of the Company.

Provision 2.2

Independent directors make up a majority of the Board where the Chairman is not independent.

Provision 2.3

Non-executive directors make up a majority of the Board.

The Board comprises five (5) Directors, of whom three (3) are Independent and Non-Executive Directors and the Chairman of the Board is an Independent Director. As such, as at the date of this Report, the Company is in compliance with the Provisions 2.2 and 2.3 of the Code.

The independence of each Director is reviewed annually by the NC and the Board. Each Independent Director is required to complete a checklist annually to confirm his independence based on the guidelines as set out in the Code and the Catalist Rules. The NC adopts the Code’s definition of what constitutes an “independent” director in its review. The NC takes into account, among other things, whether a Director has business relationships with the Company, its related companies, its substantial shareholders or its officers, and if so, whether such relationships could interfere, or be reasonably perceived to interfere, with the exercise of the Director’s independent business judgment with a view to the best interests of the Company.

Based on the confirmation of independence submitted by the Independent Directors of the Company, the NC has reviewed the independence of the Independent Directors and is satisfied that Dr. Yu Lai Boon, Mr. Chan Hiang Tiak and Ms. Tan Poh Hong are independent in accordance with the Provision 2.1 of the Code and Rule 406(3)(d) of the Catalist Rules having considered the following basis:

- (a) The Independent Directors: (i) are not employed by the Company or any of its related corporations for the current or any of the past three financial years; and (ii) do not have an immediate family member who is employed or has been employed by the Company or any of its related corporations for the past three financial years, and whose remuneration is determined by the RC.
- (b) None of the Independent Directors have served on the Board beyond nine years as at 30 June 2022 since their initial appointment as Directors of the Company.
- (c) None of the Independent Directors and their immediate family members had in the current or immediate past financial year (i) provided or received significant payments or material services aggregated over any financial year in excess of S\$50,000 for services other than compensation for board service; or (ii) was a substantial shareholder, partner, executive officer or a director of any organisation which provided or received significant payments or material services aggregated over any financial year in excess of S\$200,000 for services rendered.
- (d) None of the Independent Directors are directly associated with a substantial shareholder of the Company.

CORPORATE GOVERNANCE REPORT

Ms. Tan Poh Hong has been an independent director of Sheng Siong Group Ltd. (“**Sheng Siong**”) since 5 January 2018. Sheng Siong purchases food products from the Group, and was a major customer of our Group for FY2022. Please refer to the section “General Information on our Group – Major Customers” of the Company’s Offer Document dated 8 June 2021 for further information.

The Board and NC (in each case excluding Ms. Tan Poh Hong) having considered that (a) Ms. Tan Poh Hong is not involved in the management of the day-to-day operations of Sheng Siong; and (b) Ms. Tan Poh Hong does not personally receive any direct fees or payment or derive any other benefit arising from the transactions between Sheng Siong and our Group in the ordinary course of business, are satisfied that the relationship described above will not interfere, or be reasonably perceived to interfere, with the exercise of Ms. Tan Poh Hong’s independent business judgement in the best interests of our Group.

Ms. Tan Poh Hong will abstain from participating in the review and approval process at our Board, and also at the board of directors of Sheng Siong, relating to any matters or transactions to be entered into between our Group and Sheng Siong and its subsidiaries.

Save as disclosed, there is no Director who is deemed independent by the Board, notwithstanding the existence of a relationship as stated in the Code and the Catalist Rules that would otherwise deem him not to be independent.

Provision 2.4

The Board and board committees are of an appropriate size, and comprise directors who as a group provide the appropriate balance and mix of skills, knowledge, experience, and other aspects of diversity such as gender and age, so as to avoid groupthink and foster constructive debate. The board diversity policy and progress made towards implementing the board diversity policy, including objectives, are disclosed in the Company’s annual report.

The Board has examined its size and is of the view that it is an appropriate size for effective decision-making, taking into account the scope and nature of the operations of the Group and the requirements of the Group’s business. The NC is of the view that no individual or small group of individuals dominate the Board’s decision-making.

The composition of the Board is reviewed on an annual basis by the NC to ensure that the Board has the appropriate mix of expertise and experience, and collectively possesses the necessary core competencies for effective functioning and informed decision-making. The Board as a group provides an appropriate balance of diversity of skills, experience, gender and knowledge of the Company, with core competencies in accounting and finance, legal expertise, business and management experience, industry knowledge, strategic planning and customer-based experience and knowledge. This enables the Management to benefit from the external and expert perspectives of the Directors who collectively possess the core competencies relevant to the direction and growth of the Group. The Board is committed to ensuring diversity on the Board to avoid groupthink and foster constructive debate.

The key information of the Directors, including their appointment dates, academic and professional qualifications, Board Committees served on, principal commitment(s) and directorships in other listed company(ies) are set out on pages 12 to 15 and page 53 of this Annual Report.

With the introduction of Rule 710A of the Catalist Rules which came into effect from 1 January 2022, the Board will endeavour to develop and implement a board diversity policy that addresses gender, skills and experience, and any other relevant aspects of diversity, and describe the relevant disclosures in its annual report for FY2023.

CORPORATE GOVERNANCE REPORT

Provision 2.5

Non-executive directors and/or independent directors, led by the independent chairman or other independent director as appropriate, meet regularly without the presence of Management. The chairman of such meetings provides feedback to the Board and/or Chairman as appropriate.

Where necessary or appropriate, the Independent Directors and Non-Executive Directors will meet without the presence of the Management and the Executive Directors. The Independent Directors communicate regularly to discuss concerns or matters related to the Group, including the performance and effectiveness of the Management. Where appropriate, Independent Directors provide feedback to the Board after such meetings.

During FY2022, the Independent Directors met once in the absence of the Management.

Chairman and Chief Executive Officer

Principle 3

There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.

Provision 3.1

The Chairman and the Chief Executive Officer (“CEO”) are separate persons to ensure an appropriate balance of power, increased accountability, and greater capacity of the Board for independent decision making.

Provision 3.2

The Board establishes and sets out in writing the division of responsibilities between the Chairman and the CEO.

Provision 3.3

The Board has a lead independent director to provide leadership in situations where the Chairman is conflicted, and especially when the Chairman is not independent.

The lead independent director is available to shareholders where they have concerns and for which contact through the normal channels of communication with the Chairman or Management are inappropriate or inadequate.

There is no Chief Executive Officer in the Company but the Chairman, Dr. Yu Lai Boon and the Managing Director, Mr. Ong Bee Chip are separate persons and have no familial relationship with each other. The roles of the Chairman and the Managing Director are separate and distinct, each having their own areas of responsibilities. No lead independent director has been appointed.

Mr. Ong Bee Chip is responsible for overseeing our Group’s business and strategic planning, and overall management of our Group’s facilities and maintenance. He is also responsible for our Group’s overseas operations and executing expansion plans for growth and development, including sourcing for investment opportunities to promote the growth of our Group’s business.

The Board is of the view that as all major decisions are made in consultation with the Board and with the establishment of the three (3) Board Committees, there are adequate safeguards in place to ensure accountability and unfettered decision-making, as well as to prevent an uneven concentration of power and authority in a single individual.

CORPORATE GOVERNANCE REPORT

The Chairman, in consultation with the Management, ensures:

- that Board meetings are held as and when necessary to enable the Board to perform its duties responsibly, while not interfering with the flow of the Company's operations;
- that the agenda for Board meetings are prepared (with the assistance of the Company Secretary) and ensuring that adequate time is available for discussion of all agenda items;
- ensuring that all agenda items are adequately and openly debated at the Board meetings;
- the exercise of control over the quality, quantity and timeliness of information between the Management and the Board and the facilitation of effective contribution from the Independent Directors;
- effective communication with shareholders; and
- assisting in ensuring that the Group complies with the Code and maintains high standard of corporate governance.

Board Membership

Principle 4

The Board has a formal and transparent process for the appointment and re-appointment of directors, taking into account the need for progressive renewal of the Board.

Provision 4.1

The Board establishes a Nominating Committee ("NC") to make recommendations to the Board on relevant matters relating to: (a) the review of succession plans for directors, in particular the appointment and/or replacement of the Chairman, the CEO and key management personnel; (b) the process and criteria for evaluation of the performance of the Board, its board committees and directors; (c) the review of training and professional development programmes for the Board and its directors; and (d) the appointment and re-appointment of directors (including alternate directors, if any).

Provision 4.2

The NC comprises at least three directors, all of whom, including the NC Chairman, are independent. The lead independent director, if any, is a member of the NC.

The NC is responsible for making recommendations on all board appointments and re-nominations, having regard to the contribution and performance of the Director seeking re-election.

As at the date of this Report, all members of the NC, including the Chairman, are independent and the NC comprises the following members:

Ms. Tan Poh Hong	(Chairman)
Mr. Chan Hiang Tiak	(Member)
Dr. Yu Lai Boon	(Member)

The written terms of reference of the NC have been approved and adopted, and they include the following:–

- developing and maintaining a formal and transparent process for director appointments and re-nomination and making recommendations to the Board on director appointment and re-appointment (including the appointment of alternate Directors, if any), and recommending to the Board re-nominations of existing Directors for re-election in accordance with the Company's Constitution, having regard to their competencies, commitment, contribution and performance and taking into consideration the composition and progressive renewal of the Board;

CORPORATE GOVERNANCE REPORT

- (b) making recommendations to the Board on relevant matters relating to the review of succession plans for the Directors, in particular, for the Chairman and Managing Director as well as for Key Management Personnel;
- (c) reviewing and approving any employment of person related to the Directors, Managing Director or substantial shareholders and the proposed terms of their employment;
- (d) determining on an annual basis, and as and when circumstances require, whether or not a Director is independent;
- (e) in respect of a Director who has multiple board representations on various companies, to review and decide whether or not such Director is able to and has been adequately carrying out his duties as a Director, having regard to the competing time commitments that are faced by the Director when serving on multiple boards and discharging his duties towards other principal commitments;
- (f) reviewing training and professional development programs for the Board;
- (g) developing a process for evaluating the performance of the Board, its committees and the Directors and propose objective performance criteria, as approved by the Board, that allows comparison with its industry peers, and address how the Board has enhanced long-term shareholders' value; and
- (h) assessing the effectiveness of the Board as a whole and its Board committees and the contribution by the Chairman and each individual Director to the effectiveness of the Board.

Provision 4.3

The Company discloses the process for the selection, appointment and re-appointment of directors to the Board, including the criteria used to identify and evaluate potential new directors and channels used in searching for appropriate candidates in the Company's annual report.

The Company does not have a formal criterion of selection for the appointment of a new Director to the Board. When the need for a new Director arises, or where it is considered that the Board would benefit from the services of a new Director with particular skills or to replace a retiring Director, the NC, in consultation with the Board, will determine the selection criteria and will select candidates with the appropriate expertise and experience for the position. In its search and nomination process for a new Director, the NC may rely on search companies, personal contacts and recommendations for the right candidates. The NC ensures that the newly appointed Director is aware of their duties and obligations.

Board appointments are made by the Board after the NC has, upon reviewing the resume of the proposed Director and conducting appropriate interviews, recommended the appointment to the Board. The NC is also in charge of re-nominating the Directors, having regard to their contribution and performance. Pursuant to the Constitution of the Company, one-third (1/3) of the Directors shall retire from office at the Company's annual general meeting ("AGM") every year, provided that all Directors shall retire from office at least once every three (3) years (Regulation 96 of the Company's Constitution). A newly appointed Director by the Board is required to retire at the next AGM following his appointment (Regulation 95 of the Company's Constitution). Retiring Directors are eligible to offer themselves for re-election. Each member of the NC abstains from voting on any resolutions and making any recommendations and/or participating in any deliberations of the NC in respect of the assessment of his or her own performance or re-nomination as Director.

Pursuant to Rule 720(4) of the Catalist Rules, all Directors must submit themselves for re-nomination and re-appointment at least once every three (3) years.

At the forthcoming AGM, Mr. Chan Hiang Tiak and Mr. Ong Bee Chip are to retire by rotation.

CORPORATE GOVERNANCE REPORT

Re-election of Directors retiring at the forthcoming AGM:

Name	Designation	Pursuant to Constitution
Mr. Chan Hiang Tiak	Independent Director	96
Mr. Ong Bee Chip	Managing Director	96

The NC has recommended Mr. Chan Hiang Tiak and Mr. Ong Bee Chip for re-election and the Board has accepted the NC's recommendation. In recommending the re-election of these two (2) Directors, the NC has considered their overall contributions and performance. The details of the Directors seeking for re-election as required under Appendix 7F of the Catalist Rule are set out on pages 138 to 144 of this Annual Report.

Provision 4.4

The NC determines annually, and as and when circumstances require, if a director is independent, having regard to the circumstances set forth in Provision 2.1. Directors disclose their relationships with the Company, its related corporations, its substantial shareholders or its officers, if any, which may affect their independence, to the Board. If the Board, having taken into account the views of the NC, determines that such directors are independent notwithstanding the existence of such relationships, the Company discloses the relationships and its reasons in its annual report.

As described under Principle 2 of this Report, the Company has put in place a process to ensure the continuous monitoring of the independence of the Directors. Each Independent Director is required annually to complete a checklist to confirm his independence. Further, the NC determines annually, and as and when circumstances require, whether a Director is independent, taking into consideration the disclosures by the Directors of any relationships with the Company, its related corporations, its substantial shareholders or its officers and the checklist completed by each Independent Director. Having made its review, the NC is of the view that all Independent Directors have satisfied the criteria for independence.

Provision 4.5

The NC ensures that new directors are aware of their duties and obligations. The NC also decides if a director is able to and has been adequately carrying out his or her duties as a director of the Company. The Company discloses in its annual report the listed company directorships and principal commitments of each director, and where a director holds a significant number of such directorships and commitments, it provides the NC's and Board's reasoned assessment of the ability of the director to diligently discharge his or her duties.

The NC ensures that the new Directors are aware of their duties and obligations. For re-nomination and re-appointment of Directors, the NC takes into consideration the competing time commitments faced by Directors and their ability to devote sufficient time and attention to the Group. Each Director is required to declare changes in listed company directorships or other principal commitments during the year to enable the on-going monitoring of the commitment of the Directors to the Company. Aside from taking into account of the number of listed company directorships and other principal commitments of the Directors, the NC also considers the results of the annual evaluation of each Director's effectiveness and the respective Director's conduct at the Board and Board Committees meetings to determine whether the Director is able to discharge his duties diligently. As described under Principle 2 of this Report, the NC and the Board have decided that there is no necessity to determine the maximum number of listed company board representations which a Director may hold.

In respect of FY2022, the NC and Board were of the view that each Director has discharged his duties diligently.

CORPORATE GOVERNANCE REPORT

As at the date of this Report, the listed company directorships and principal commitments of each Director are set out below:

Name of Director	Position	Present directorships in other listed companies	Present principal commitments*
Dr. Yu Lai Boon	Non-Executive Independent Chairman	TSH Corporation Limited	Nil
Mr. Ong Bee Chip	Managing Director	Nil	OTS Holdings Limited and its subsidiaries
Mdm. Ong Chew Yong	Executive Director	Nil	OTS Holdings Limited and its subsidiaries
Ms. Tan Poh Hong	Independent Director	APAC Realty Limited VICOM Ltd Ann Aik Limited Centurion Corporation Limited Sheng Siong Group Ltd.	Nil
Mr. Chan Hiang Tiak	Independent Director	Nil	PricewaterhouseCoopers LLP

* "Principal Commitments" as defined in the Code include all commitments which involve significant time commitment such as full-time occupation, consultancy work, committee work, non-listed company board representations and directorships and involvement in non-profit organisations. Where a director sits on the boards of non-active related corporations, those appointments should not normally be considered principal commitments.

The Board provides for appointment of alternate Director only in exceptional cases such as when a Director has a medical emergency. There is currently no alternate Director on the Board.

Board Performance

Principle 5

The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual directors.

Provision 5.1

The NC recommends for the Board's approval the objective performance criteria and process for the evaluation of the effectiveness of the Board as a whole, and of each board committee separately, as well as the contribution by the Chairman and each individual director to the Board.

Provision 5.2

The Company discloses in its annual report how the assessments of the Board, its board committees and each director have been conducted, including the identity of any external facilitator and its connection, if any, with the Company or any of its directors.

The Board's performance is linked to the overall performance of the Group. The Board ensures that the Company is in compliance with the applicable laws, and members of the Board are required to act in good faith, with due diligence and care, and in the best interests of the Company and its shareholders.

The NC is responsible for assessing the effectiveness of the Board, the Board Committees and each individual Director.

CORPORATE GOVERNANCE REPORT

The NC has established a review process and proposed objective performance criteria set out in assessment checklists which are approved by the Board. The NC assesses the overall effectiveness of the Board and its committees by having all members of the Board complete an assessment checklist, which takes into consideration factors such as its structure, conduct of meetings, risk management and internal controls, strategic leadership and relationship with the Management. The NC also assesses the Board's performance based on a set of quantitative criteria and financial performance indicators.

The NC assesses the individual Directors' performance by completing an individual Director assessment checklist, which takes into consideration factors such as commitment of time for meetings, level of participation and contribution at such meetings and the technical knowledge of the Directors. The evaluation of individual Directors aims to assess whether each Director continues to contribute effectively and demonstrate commitment to the role, including commitment of time for Board and Board Committee meetings, and any other duties. The Chairman will be briefed on the results of the performance evaluation, and where appropriate, propose new members to be appointed to the Board or seek the resignation of Directors, in consultation with the NC. Each member of the NC shall abstain from deliberating and voting on any resolutions in respect of the assessment of his or her performance or re-nomination as Director.

The performance criteria are not subject to changes from year to year. Nonetheless, where circumstances deem it necessary for any of the criteria to be changed, the Board will justify such changes.

The Board and the NC have endeavoured to ensure that Directors appointed to the Board possess the background, experience, business and finance knowledge and management skills critical to the Group's business. They have also ensured that each Director, with his special contributions, brings to the Board an independent and objective perspective to enable balanced and well-considered decisions to be made.

The NC has assessed the current Board and its Board Committees' performance to-date and individual Director's contributions, and is of the view that the performance of the Board as a whole was satisfactory, the Board Committees operate effectively and each Director is contributing to the overall effectiveness of the Board. Accordingly, the Board has met its performance objectives for FY2022.

No external facilitator was engaged for the evaluation process for FY2022.

REMUNERATION MATTERS

Procedures for Developing Remuneration Policies

Principle 6

The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.

Provision 6.1

The Board establishes a Remuneration Committee ("RC") to review and make recommendations to the Board on: (a) a framework of remuneration for the Board and key management personnel; and (b) the specific remuneration packages for each director as well as for the key management.

Provision 6.2

The RC comprises at least three directors. All members of the RC are non-executive directors, the majority of whom, including the RC Chairman, are independent.

CORPORATE GOVERNANCE REPORT

The RC makes recommendations to the Board on the framework of remuneration and the specific remuneration packages for each Director.

As at the date of this Report, all members of the RC, including the Chairman, are independent and the RC comprises the following members:

Mr. Chan Hiang Tiak	(Chairman)
Ms. Tan Poh Hong	(Member)
Dr. Yu Lai Boon	(Member)

The RC holds at least one (1) meeting in each financial year.

The written terms of reference of the RC have been approved and adopted, and they include the following:–

- (a) reviewing and recommending to the Board a framework of remuneration for the Directors and Key Management Personnel and determining specific remuneration packages of each Director. The RC shall cover all aspects of remuneration, including but not limited to Directors' fees, salaries, allowances, bonuses, awards to be granted under the Company's performance share scheme, and benefits in kind;
- (b) reviewing annually the remuneration, bonuses, pay increase and/or promotions of employees who are related to the Directors or substantial shareholders of the Company to ensure that their remuneration packages are in line with the staff remuneration guidelines and commensurate with their respective job scopes and level of responsibilities;
- (c) reviewing the Company's obligations arising in the event of termination of service contracts entered into between the Group and its Executive Directors or Key Management Personnel, as the case may be, to ensure that the service contracts contain fair and reasonable termination clauses which are not overly onerous to the Group;
- (d) if necessary, seeking expert advice within and/or outside the Company on remuneration matters, ensuring that existing relationships, if any, between the Company and its appointed remuneration consultants will not affect the independence and objectivity of the remuneration consultants;
- (e) reviewing annually the remuneration package in order to maintain their attractiveness to retain and motivate the Directors and Key Management Personnel and to align the interests of the Directors and Key Management Personnel with the long-term interests of the Company; and
- (f) to carry out such other duties in the manner that it deems expedient, subject always to any regulations or restrictions as may be conferred by the board to the RC.

Provision 6.3

The RC considers all aspects of remuneration, including termination terms, to ensure they are fair.

The RC considers all aspects of remuneration (including Director's fees, salaries, allowances, bonuses, options, share-based incentives and awards, benefits in kind and termination payments) in the review of remuneration packages for the Directors and executive officers with an aim to be fair and to avoid rewarding poor performance, before making any recommendation to the Board.

The Independent Directors receive Directors' fees in accordance with their contributions, taking into account factors such as effort and time spent and their responsibilities. The Directors' fees are recommended by the RC and endorsed by the Board for approval by shareholders of the Company at the AGM. Except as disclosed in this Report, the Independent Directors did not receive any other remuneration from the Company.

CORPORATE GOVERNANCE REPORT

The Executive Directors have each entered into a service agreement with the Company ("**Service Agreements**"), under which the terms of their employment are stipulated, including a monthly base salary, annual wage supplement and benefits commensurate with the position. The Executive Directors also participate in a profit-sharing scheme that is pegged to the Group's profitability. The Executive Directors do not receive Directors' fees and there are no post retirement and severance benefits except the common practice of giving notice or salary in lieu of notice in the event of termination. The Service Agreements are valid for 3 years and automatically renewed annually.

Provision 6.4

The Company discloses the engagement of any remuneration consultants and their independence in the Company's annual report.

The members of the RC are familiar with executive compensation matters as they have prior experience in managing businesses and/or are holding other directorships. The RC has access to expert advice regarding executive compensation matters, if required. The Board did not engage any external remuneration consultant to advise on remuneration matters for FY2022.

Level and Mix of Remuneration

Principle 7

The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to the sustained performance and value creation of the company, taking into account the strategic objectives of the company.

Provision 7.1

A significant and appropriate proportion of executive directors' and key management personnel's remuneration is structured so as to link rewards to corporate and individual performance. Performance-related remuneration is aligned with the interests of shareholders and other stakeholders and promotes the long term success of the Company.

Provision 7.3

Remuneration is appropriate to attract, retain and motivate the directors to provide good stewardship of the Company and key management personnel to successfully manage the Company for the long term.

In setting remuneration packages, the Company takes into account the pay and employment conditions within the same industry and in comparable companies, as well as the Group's relative performance and the performance of individual Directors and Key Management Personnel. The remuneration package is designed to allow the Company to better align the interests of the Executive Directors and Key Management Personnel with those of shareholders, and link rewards to corporate and individual performance. The Company also ensures that the remuneration is appropriate to attract, retain and motivate the Directors to provide good stewardship of the Company and Key Management Personnel to successfully manage the Company for the long term.

Remuneration for the Executive Directors and our Key Management Personnel comprises a basic salary component and a variable component that is pegged to the performance of the Group as a whole. Having reviewed the variable component in the remuneration packages of the Executive Directors and Key Management Personnel, the RC is of the view that it is not necessary to institute contractual provisions to reclaim incentive components of remuneration from Executive Directors and Key Management Personnel in exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss to the Group. The Company believes that there are alternative legal avenues to these specific contractual provisions that will enable the Company to recover financial losses arising from such exceptional events from the Executive Directors and Key Management Personnel.

CORPORATE GOVERNANCE REPORT

The Company does not offer any employee share scheme. The RC may consider other forms of long-term incentive schemes for Key Management Personnel when necessary.

Provision 7.2

The remuneration of non-executive directors is appropriate to the level of contribution, taking into account factors such as effort, time spent, and responsibilities.

The Independent Directors receive Directors' fees for their effort and time spent, responsibilities and contribution to the Board, subject to shareholders' approval at the AGMs. The Independent Directors are not over-compensated to the extent that their independence may be compromised.

Disclosure on Remuneration

Principle 8

The company is transparent on its remuneration policies, level and mix of remuneration, the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.

Provision 8.1

The Company discloses in its annual report the policy and criteria for setting remuneration, as well as names, amounts and breakdown of remuneration of: (a) each individual director and the CEO; and (b) at least the top five key management personnel (who are not directors or the CEO) in bands no wider than S\$250,000 and in aggregate the total remuneration paid to these key management personnel.

Provision 8.3

The Company discloses in its annual report all forms of remuneration and other payments and benefits, paid by the Company and its subsidiaries to directors and key management personnel of the Company. It also discloses details of employee share schemes.

The Board is of the view that full disclosure of the specific remuneration of the Executive Directors and Key Management Personnel is not in the best interests of the Company, taking into account the sensitive nature of the subject, the competitive business environment the Group operates in and the potential negative impact such disclosure will have on the Group.

Remuneration of the Executive Directors are stipulated in their respective Service Agreements with the Company. Under the provisions of the Service Agreements, the Executive Directors shall be paid a monthly base salary and annual wage supplement and be provided with benefits commensurate with the position. The Executive Directors participate in a profit-sharing scheme that is pegged to the Group's profitability. The Executive Directors do not receive Directors' fees and there are no post retirement and severance benefits except the common practice of giving notice or salary in lieu of notice in the event of termination.

The level and mix of remuneration paid or payable to the Executive Directors for FY2022 are set out as follows:

Name of Director	Remuneration band	% Breakdown of Remuneration		
		Base salary	Bonus/Profit Sharing	Benefits in kind
Mr. Ong Bee Chip	S\$250,001 to S\$500,000	89.1	10.9	–
Mdm. Ong Chew Yong	S\$250,001 to S\$500,000	89.1	10.9	–

CORPORATE GOVERNANCE REPORT

Independent Directors are paid only Directors' fees, subject to approval at the AGM. The fees paid to Independent Directors comprise a basic fee, a fee for chairing a committee and a fee for being a member of the committee. The fees paid to the Independent Directors for FY2022 are set out as follows:-

Name of Independent Director	Directors' fees
Dr. Yu Lai Boon	S\$48,000
Ms. Tan Poh Hong	S\$38,000
Mr. Chan Hiang Tiak	S\$38,000

The Company only has 2 Key Management Personnel (who are not also Directors) for FY2022 as set out below:-

Name of Key Management Personnel	Remuneration band	% Breakdown of Remuneration		
		Base salary	Bonus/Profit Sharing	Benefits in kind
Mr. Teh Chong Piow	Below S\$250,000	61.3	38.7	-
Mr. Toh Kiam Hwee [#]	Below S\$250,000	88.4	11.6	-

[#] Mr. Toh Kiam Hwee has resigned as the Group Financial Controller with effect from 31 August 2022.

The aggregate remuneration paid to the above Key Management Personnel of the Group (excluding the Directors) in FY2022 amounted to S\$245,939.

Provision 8.2

The Company discloses the names and remuneration of employees who are substantial shareholders of the Company, or are immediate family members of a director, the CEO or a substantial shareholder of the Company, and whose remuneration exceeds S\$100,000 during the year, in bands no wider than S\$100,000, in its annual report. The disclosure states clearly the employee's relationship with the relevant director or the CEO or substantial shareholder.

The Sales Director, Mr. Ong Bee Song, is a substantial shareholder of the Company in FY2022, and is the brother of Mr. Ong Bee Chip, the Managing Director and Mdm. Ong Chew Yong, the Executive Director. His remuneration for FY2022 exceeded S\$100,000 and is set out as below:-

Name of employee	Remuneration band	% Breakdown of Remuneration		
		Base salary	Bonus/Profit Sharing	Benefits in kind
Mr. Ong Bee Song	S\$100,001 to S\$200,000	82.5	17.5	-

Save as disclosed above, there is no other employee who is a substantial shareholder of the Company or an immediate family members of a Director, the Managing Director or a substantial shareholder of the Company and whose remuneration exceeded S\$100,000 in FY2022.

CORPORATE GOVERNANCE REPORT

ACCOUNTABILITY AND AUDIT

Risk Management and Internal Controls

Principle 9

The Board is responsible for the governance of risk and ensures that Management maintains a sound system of risk management and internal controls, to safeguard the interests of the company and its shareholders.

Provision 9.1

The Board determines the nature and extent of the significant risks which the Company is willing to take in achieving its strategic objectives and value creation. The Board sets up a Board Risk Committee to specifically address this, if appropriate.

The Board and Management acknowledge that it is responsible for the overall risk management and internal control framework, but recognise that no cost-effective control system will preclude all errors and irregularities, as a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss, human error, fraud and lapse in judgement.

The Group has implemented a system of internal controls designed to provide reasonable but not absolute assurance that assets are safeguarded, proper accounting records are maintained, operational controls are adequate and business risks are suitably managed. The Board determines the nature and extent of the significant risks which the Company is willing to take in achieving its strategic objectives and value creation. The Company's risk management framework and internal control system covers financial, operational, compliance and information technology risks and internal controls. The ARMC oversees the Management in the design, implementation and monitoring of the risk management and internal control systems, and reviews the adequacy and effectiveness of such systems at least annually.

Provision 9.2

The Board requires and discloses in the Company's annual report that it has received assurance from: (a) the CEO and the Chief Financial Officer ("CFO") that the financial records have been properly maintained and the financial statements give a true and fair view of the Company's operations and finances; and (b) the CEO and other key management personnel who are responsible, regarding the adequacy and effectiveness of the Company's risk management and internal control systems.

The Board has received assurance from (a) the Managing Director and the Group Financial Controller that the financial records have been properly maintained and the financial statements for FY2022 give a true and fair view of the Company's operations and finances; and (b) the Managing Director and Key Management Personnel regarding the adequacy and effectiveness of the Company's risk management and internal control systems.

Based on the assurance from the Managing Director, the Group Financial Controller and Key Management Personnel referred to in the preceding paragraph, the various internal controls put in place by the Group, the work performed and reports submitted by the external and internal auditors of the Group and the reviews carried out by the Board and the ARMC, the Board, with the concurrence of the ARMC, is satisfied with the adequacy and effectiveness of the Group's risk management and internal control systems (including financial, operational, compliance and information technology controls and risk management systems) as at 30 June 2022.

CORPORATE GOVERNANCE REPORT

Audit and Risk Management Committee

Principle 10

The Board has an Audit and Risk Management Committee (“ARMC”) which discharges its duties objectively.

Provision 10.1

The duties of the ARMC include: (a) reviewing the significant financial reporting issues and judgements so as to ensure the integrity of the financial statements of the Company and any announcements relating to the Company’s financial performance; (b) reviewing at least annually the adequacy and effectiveness of the Company’s internal controls and risk management systems; (c) reviewing the assurance from the CEO and the CFO on the financial records and financial statements; (d) making recommendations to the Board on: (i) the proposals to the shareholders on the appointment and removal of external auditors; and (ii) the remuneration and terms of engagement of the external auditors; (e) reviewing the adequacy, effectiveness, independence, scope and results of the external audit and the Company’s internal audit function; and (f) reviewing the policy and arrangements for concerns about possible improprieties in financial reporting or other matters to be safely raised, independently investigated and appropriately followed up on. The Company publicly discloses, and clearly communicates to employees, the existence of a whistle-blowing policy and procedures for raising such concerns.

Provision 10.2

The ARMC comprises at least three directors, all of whom are non-executive and the majority of whom, including the ARMC Chairman, are independent. At least two members, including the ARMC Chairman, have recent and relevant accounting or related financial management expertise or experience.

Provision 10.3

The ARMC does not comprise former partners or directors of the Company’s existing auditing firm or auditing corporation: (a) within a period of two years commencing on the date of their ceasing to be a partner of the auditing firm or director of the auditing corporation; and in any case, (b) for as long as they have any financial interest in the auditing firm or auditing corporation.

As at the date of this Report, all members of the ARMC, including the Chairman, are independent and the ARMC comprises the following members:

Dr. Yu Lai Boon	(Chairman)
Ms. Tan Poh Hong	(Member)
Mr. Chan Hiang Tiak	(Member)

No former partner or Director of the Company’s existing audit firm or auditing corporation is a member of the ARMC. The members of the ARMC have sufficient accounting or financial management expertise, as interpreted by the Board in its business judgment, to discharge the ARMC’s functions. The ARMC holds at least two (2) meetings in each financial year.

The written terms of reference of the ARMC have been approved and adopted, and they include the following:–

- (a) reviewing the audit plans and scope of work of the external auditors and the internal auditors, including the results of the external and internal auditors’ review and evaluation of the Group’s system of internal controls, the management letters on the internal controls and the Management’s response, and monitoring the implementation of the internal control recommendations made by the external and internal auditors;
- (b) reviewing and reporting to the Board at least annually the adequacy and effectiveness of the Group’s internal controls, including financial, operational, compliance and information technology controls and risk management systems, prior to the incorporation of such results in the Company’s annual report;

CORPORATE GOVERNANCE REPORT

- (c) reviewing the interim financial results and annual consolidated financial statements and the external auditors' report on the annual consolidated financial statements, and discussing any significant adjustments, major risk areas, changes in accounting policies and practices, significant financial reporting issues and judgements, compliance with Singapore financial reporting standards as well as compliance with the Catalist Rules and other statutory or regulatory requirements, concerns and issues arising from their audits including any matters which the auditors may wish to discuss in the absence of Management to ensure the integrity of the financial statements of the Group and any announcements relating to the Company's financial performance, where necessary, before submission to the Board for approval;
- (d) reviewing and discussing with the external and internal auditors, any suspected fraud, irregularity or infringement of any relevant laws, rules or regulations, which has or is likely to have a material impact on the Group's operating results or financial position and the Management's response;
- (e) reviewing and ensuring the co-ordination between internal auditors, external auditors and the Management, including the assistance given by the Management to the auditors;
- (f) reviewing the audit plan of the external auditor and the result of the external auditor's review and evaluation of the Group's system of internal accounting controls that are relevant to the statutory audit;
- (g) making recommendations to the Board on the proposals to the shareholders with regard to the appointment, re-appointment and removal of the external auditors, and approving the remuneration and terms of engagement of the external auditors;
- (h) reviewing the audit plan of the internal auditor, including the results of the internal auditor's review and evaluation of the Group's system of internal controls;
- (i) reviewing and ratifying where appropriate any interested person transactions;
- (j) reviewing conflicts of interests (if any);
- (k) reviewing the policy and arrangements by which employees of the Group and any other persons may, in confidence, report to the Chairman of the ARMC, concerns about possible improprieties in financial reporting or other matters and ensuring that there are arrangements in place for such concerns to be safely raised and independently investigated, and for appropriate follow-up action to be taken;
- (l) reviewing the adequacy, effectiveness, independence, scope and results of the external audit and the Company's internal audit function;
- (m) reviewing the assurance from the Managing Director and the Group Financial Controller on the financial records and financial statements;
- (n) reviewing the assurance from the Managing Director and Key Management Personnel regarding the adequacy and effectiveness of the Company's risk management and internal control systems; and
- (o) undertaking such other reviews and projects as may be requested by the Board and reporting to the Board its findings from time to time on matters arising and requiring the attention of the ARMC.

The ARMC has full authority to investigate any matter within its terms of reference, full access to and cooperation from the Management, and full discretion to invite any Director, executive officer or other employee of the Group to attend its meetings, and is given reasonable resources to enable it to discharge its functions properly and effectively.

CORPORATE GOVERNANCE REPORT

The Group has implemented a whistle-blowing policy which aims to provide an avenue for employees and external parties to raise concerns about misconduct or improprieties in the Group and at the same time assure them that they will be protected from victimisation for whistle-blowing in good faith. Cases that are significant will be reviewed by the ARMC for adequacy or investigation actions and resolutions. Details of the whistle-blowing policy are disseminated to the employees of the Group, and is available on the Company's website. All concerns about possible improprieties can be communicated directly to the ARMC.

As at the date of this Report, there were no complaints, concerns of issues and whistleblowing reports received through the whistle-blowing channel.

The external auditors update the ARMC on any changes in accounting standards impacting the financial statements of the Group before an audit commences. Significant matters that were discussed with the Management and the external auditors have been included as key audit matters in the Auditors' Report for FY2022 on pages 75 to 77 of this Report.

Significant matters	How does the Audit and Risk Management Committee address the matter
Assessment of expected credit loss allowance on trade receivables	Trade receivables amounted to S\$5.13 million as at 30 June 2022. The ARMC considered management's approach, methodology and judgement pertaining to revenue recognition and the estimate of trade receivables impairment allowance. The ARMC also considered the observations and findings presented by the external auditor with reference to the payment track records of trade debtors and adequacy of allowance for impairment of trade receivables. The above procedures provided the ARMC with the assurance and the ARMC concurred with the management's conclusion that allowance for impairment of trade receivables is adequately made as at 30 June 2022 and the relating disclosures in the financial statements are appropriate.
Assessment of impairment allowance of inventories	Inventories amounted to S\$8.08 million as at 30 June 2022. The ARMC considered management's approach, methodology and judgement applied to the estimate of impairment allowance for slow-moving and obsolete inventories. The ARMC also considered the observation and findings presented by the external auditor with reference to the adequacy of allowance for impairment of inventories. The above procedures provided the ARMC with the assurance and the ARMC concurred with the management's conclusion that allowance for impairment of inventories is adequately made as at 30 June 2022.

The ARMC undertook a review of the independence and objectivity of the external auditors through discussions with the external auditors as well as reviewing the non-audit fees paid to them. The ARMC received an audit report from the external auditors setting out the non-audit services provided and the fees charged for FY2022. A breakdown of the audit and non-audit fees paid to the Company's auditors is disclosed on page 63 of this Report.

Having undertaken a review of the non-audit services provided during FY2022, the ARMC is of the view that the objectivity and independence of the external auditors are not in any way impaired by reason of their provision of non-audit services to the Group.

CORPORATE GOVERNANCE REPORT

The ARMC reviews the independence of the external auditor annually. In the selection of suitable auditing firms, the ARMC takes into consideration several factors such as the adequacy of the resources, experience of the accounting auditing firm, the audit engagement partner assigned to the audit, the firm's other audit engagements, the size and complexity of the Group being audited, and the number and experience of supervisory and professional staff assigned to the audit and its ability to provide audit service to our foreign subsidiaries and associated companies. The selected auditing firm based in Singapore is engaged as auditors for the Company as well as our Singapore-incorporated subsidiaries.

Ms. See Ling Ling, Helen, the engagement partner-in-charge has been the audit partner from RSM Chio Lim LLP responsible for the audit of the Company for FY2022, replacing Ms. Pang Hui Ting, the engagement partner-in-charge from FY2016 to FY2021. Accordingly, the Company is in compliance with Rules 712, 713 and 715 of the Catalist Rules.

The aggregate amount of fees paid/payable to the external auditors for audit services rendered for the audit of the financial statements of the Group for FY2022 is S\$119,000. The non-audit fees paid/payable to the external auditors for the FY2022 is S\$43,000, of which S\$31,000 was in relation to professional fee for transfer pricing, while the remaining S\$12,000 was mainly for tax agent services.

The ARMC has reviewed the non-audit services provided by the external auditors for FY2022 and is satisfied that the nature and extent of such services would not prejudice the independence and objectivity of the external auditors.

Having reviewed, amongst other factors, the scope and quality of the audit and independence of the external auditor, the ARMC has recommended and the Board has approved the nomination for re-appointment of RSM Chio Lim LLP as the external auditors of the Company at the forthcoming AGM.

A different auditing firm is engaged as auditors for one of its oversea-incorporated subsidiary companies for FY2022. The ARMC has considered the appointment of different auditing firm for one of the Group's subsidiaries and is satisfied that such appointment would not compromise the standard and effectiveness of the audit of these subsidiaries. The Company is thus in compliance with Rule 712 and 715 set out in Catalist Rules.

Provision 10.4

The primary reporting line of the internal audit function is to the AC, which also decides on the appointment, termination and remuneration of the head of the internal audit function. The internal audit function has unfettered access to all the Company's documents, records, properties and personnel, including the AC, and has appropriate standing within the Company.

The Company outsources the internal audit function to Yang Lee & Associates ("YLA" or "IA") to perform the review and test of controls of the Group's key processes. The IA reports directly to the Chairman of the ARMC, which also decides on the appointment, termination and remuneration of the IA. The IA has full access to the Company's documents, records, properties and personnel, including the ARMC, and has appropriate standing within the Company.

YLA is a professional service firm that specialises in the provision of Internal Audit, Enterprise Risk Management and Sustainability Reporting advisory services. The firm was set up in the year 2005 and currently maintains a diverse outsourced internal audit portfolio of SGX-ST listed companies across different industries including distribution, manufacturing, services, food & beverage, trading, retail and property development industries. YLA is a corporate member of the Institute of Internal Auditors Singapore and is staffed with professionals with sufficient expertise in corporate governance, risk management, internal controls and other relevant disciplines. The Company's engagement with YLA stipulates that its work shall be guided by the International Standards for the Professional Practice of Internal Auditing issued by the Institute of Internal Auditors.

CORPORATE GOVERNANCE REPORT

The IA plans its internal audit schedules in consultation with, but independent of, the Management. The ARMC will review the activities of the IA, including overseeing and monitoring of the implementation of improvements required on internal control weaknesses identified.

On an annual basis, the IA prepares and executes a risk-based audit plan approved by the ARMC, so as to review the adequacy and effectiveness of the system of internal controls of the Group. Key audit findings are presented to the ARMC and the results of the findings are also shared with the external auditor.

YLA completed one (1) review during FY2022 and no high risk findings were noted. The ARMC approved the IA report and the Management has adopted key recommendations of the IA as set out in the IA's report.

The IA engagement team comprises two Directors, a Senior Manager, an Assistant Manager and supported by Associates. Each of the two Directors has more than 20 years of relevant experience, whilst the Senior Manager has approximately 15 years of relevant experience. Both the Directors are Fellow Chartered Accountants of the Institute of Singapore Chartered Accountants and one of the Directors also holds the Certified Internal Auditor qualification from the Institute of Internal Auditors.

The ARMC has reviewed and is satisfied with the independence, adequacy and effectiveness of the Company's internal audit function.

Provision 10.5

The AC meets with the external auditors, and with the internal auditors, in each case without the presence of Management, at least annually.

The ARMC endeavors to meet at least once a year with the external auditors ("EA") and internal auditors ("IA") without the presence of the Management so that any concern and/or issue can be raised directly and privately. For FY2022, the ARMC has met with the IA and EA without the presence of the Management.

SHAREHOLDER RIGHTS AND ENGAGEMENT

Shareholder Rights and Conduct of General Meetings

Principle 11

The Company treats all shareholders fairly and equitably in order to enable them to exercise shareholders' rights and have the opportunity to communicate their views on matters affecting the Company. The Company gives shareholders a balanced and understandable assessment of its performance, position and prospects.

Provision 11.1

The Company provides shareholders with the opportunity to participate effectively in and vote at general meetings of shareholders and informs them of the rules governing general meetings of shareholders.

The Company supports the Code's principle to encourage communication with and participation by shareholders. Shareholders are informed of general meetings through notices published in the newspapers, through reports or circulars sent to all shareholders and via SGXNet. Shareholders are encouraged to attend the AGM to ensure a greater level of shareholder participation.

CORPORATE GOVERNANCE REPORT

Due to COVID-19 restrictions, e-copies of the Annual Report, the notice of AGM and circular and notice pertaining to any extraordinary general meetings of the Company are made available on the SGXNet and the Company's corporate website where shareholders could easily access.

Due to the COVID-19 situation, the AGM in 2021 was held by electronic means pursuant to the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020. Shareholders could not attend the meeting in person and alternative arrangement was made for them to attend virtually via live audiovisual webcast or live audio only stream. Shareholders were allowed to vote by submitting proxy forms appointing Chairman of the meeting as their proxy. Shareholders were requested to submit their questions ahead of the meetings. Questions raised by the shareholders were addressed ahead of the meetings and published on the Company's corporate website and on SGXNet.

Provision 11.2

The Company tables separate resolutions at general meetings of shareholders on each substantially separate issue unless the issues are interdependent and linked so as to form one significant proposal. Where the resolutions are "bundled", the Company explains the reasons and material implications in the notice of meeting.

All resolutions are put to vote by poll and shareholders are entitled to vote in accordance with established voting rules and procedures. Each distinct issue is proposed as a separate resolution at general meetings. All resolutions proposed at general meetings shall be put to vote by way of a poll pursuant to Rule 730A(2) of the Catalist Rules. All votes cast, for or against or abstain, and the respective percentages, in respect of each resolution are tallied and disclosed at the meeting and an announcement of the detailed results showing the numbers of votes cast for and against for each resolution and the respective percentage will be released via SGXNet after the general meetings.

Provision 11.3

All directors attend general meetings of shareholders, and the external auditors are also present to address shareholders' queries about the conduct of audit and the preparation and content of the auditors' report. Directors' attendance at such meetings held during the financial year is disclosed in the Company's annual report.

All Directors, in particular the Chairman of the Board, the respective Chairman of ARMC, NC and RC will attend the general meetings of shareholders, and the external auditor will also be present to assist in addressing queries from shareholders relating to the conduct of audit and the preparation and content of the auditor's report.

Provision 11.4

The Company's Constitution (or other constitutive documents) allow for absentia voting at general meetings of shareholders.

At general meetings, all shareholders are encouraged to attend, participate effectively and vote in person or by proxy. The Constitution allows a shareholder of the Company to appoint up to two (2) proxies to attend the AGM and vote in place of the shareholder, unless the shareholder is a relevant intermediary (as defined in Section 181 of the Companies Act). Where the member is a Central Depository (Pte) Ltd (or its nominee as notified in writing to the Company), it can appoint more than two (2) proxies. Proxies need not be a shareholder of the Company. Shareholders are informed of such meetings through the annual report or circulars sent to all shareholders, notices published in the newspapers and announcements released via SGXNet. Shareholders will be briefed on the rules governing such meetings and

CORPORATE GOVERNANCE REPORT

voting procedures of the general meetings. An independent polling agent is appointed by the Company for general meetings who will explain the voting procedures that govern the general meetings of shareholders. Results of voting are announced on a timely manner via SGXNet. A relevant intermediary is entitled to appoint more than two (2) proxies, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such shareholder.

The Company's Constitution allows a shareholder who is unable to vote in person at a general meeting to vote in absentia, such as via mail, electronic mail or facsimile. The Board does not implement absentia-voting methods by mail, electronic mail or facsimile, until issues on security and integrity are satisfactorily resolved.

The forthcoming AGM to be held in respect of FY2022 will be convened and held by physical meeting. Alternative arrangements relating to submission of questions to the Chairman of the AGM in advance of the AGM and addressing of substantial and relevant questions at the AGM (if any), will be put in place.

Provision 11.5

The Company publishes minutes of general meetings of shareholders on its corporate website as soon as practicable. The minutes record substantial and relevant comments or queries from shareholders relating to the agenda of the general meeting, and responses from the Board and Management.

The Company Secretary will prepare the minutes of general meetings, including relevant substantial comments or queries from shareholders relating to the agenda of the meeting and responses from the Board or the Management. These minutes are available to shareholders on SGXNet and/or at the Company's website as soon as practicable.

The Company will publish the minutes of the AGM on SGXNet and/or the Company's website within one month after the AGM.

Provision 11.6

The Company has a dividend policy and communicates it to shareholders.

The Company does not have a formal dividend policy. Nonetheless, the Management will make appropriate recommendation to the Board for approval after reviewing the performance of the Company in the relevant financial year and the form, frequency and amount of dividends will depend on the Group's earnings, financial position, results of operations, capital needs, plans for expansion, and other factors as the Board may deem appropriate. Any dividend declaration will be communicated to the shareholders via announcement through SGXNet. However, as stated in the Company's Offer Document dated 8 June 2021, the Directors intend to recommend and distribute dividends of not less than 50.0% of net profit attributable to owners of our Company for FY2021 (excluding the interim dividends of S\$1.0 million declared in respect of FY2021) and not less than 40% of net profit attributable to owners of the Company for FY2022 as a way to reward Shareholders for participating in the Group's growth.

The Board is pleased to recommend a final tax exempt (one-tier) dividend of 0.22 Singapore cents per share for FY2022 ("**Final Dividend**") which is subject to the shareholders' approval at the forthcoming AGM to be held on 28 October 2022. This is in line with the commitment communicated in the Offer Document as stated above.

CORPORATE GOVERNANCE REPORT

Engagement with Shareholders

Principle 12

The company communicates regularly with its shareholders and facilitates the participation of shareholders during general meetings and other dialogues to allow shareholders to communicate their views on various matters affecting the company.

Provision 12.1

The Company provides avenues for communication between the Board and all shareholders, and discloses in its annual report the steps taken to solicit and understand the views of shareholders.

The Company strives for timeliness and consistency in its disclosures to shareholders. It is the Company's policy to keep all shareholders informed of developments or changes that will have a material impact on the Company's share price, through announcements via SGXNet. Such announcements are communicated on an immediate basis, or as soon as possible where immediate disclosure is not practicable. Shareholders are provided with an update on the Group's performance, position and prospects through the Company's annual report.

The Company's half year and full year results announcements, corporate presentations, announcements and press releases are issued via SGXNet. Shareholders have access to information on the Group via the Company's website. The Company discloses all material information on a timely basis to all shareholders.

Shareholders are given the opportunity to pose questions to the Board or the Management at the general meetings. The members of the ARMC, NC and RC will be present at the general meetings to answer questions relating to matters overseen by the respective committees.

Provision 12.2

The Company has in place an investor relations policy which allows for an ongoing exchange of views so as to actively engage and promote regular, effective and fair communication with shareholders.

Provision 12.3

The Company's investor relations policy sets out the mechanism through which shareholders may contact the Company with questions and through which the Company may respond to such questions.

The Company currently does not have an Investor Relations Policy but considers advice from its corporate lawyers and professionals on appropriate disclosure requirements before announcing material information to the shareholders. The Company does not practice selective disclosure. In line with continuous obligations of the Company pursuant to the SGX-ST Listing Manual and the Companies Act 1967 of Singapore, the Board's policy is that all shareholders should be equally and timely informed of all major developments that will impact the Company or the Group. Disclosure of information is made through announcements released to the SGX-ST, the Company's annual reports, circulars, press releases, as well as on the corporate website www.ots-holdings.com which has a dedicated investor relations section.

Shareholders and investors can also contact the Company via email address: enquiry@ots-holdings.com that is designed to facilitate regular and effective communication. The Company endeavours to respond to shareholder queries promptly.

CORPORATE GOVERNANCE REPORT

MANAGING STAKEHOLDERS RELATIONSHIPS

Engagement with Stakeholders

Principle 13

The Board adopts an inclusive approach by considering and balancing the needs and interests of material stakeholders, as part of its overall responsibility to ensure that the best interests of the company are served.

Provision 13.1

The Company has arrangements in place to identify and engage with its material stakeholder groups and to manage its relationships with such groups.

Provision 13.2

The Company discloses in its annual report its strategy and key areas of focus in relation to the management of stakeholder relationships during the reporting period.

Provision 13.3

The Company maintains a current corporate website to communicate and engage with stakeholders.

The Company has identified stakeholders as those who are impacted by the Group's business and operations as well as those who have a material impact on the Group's business and operations. Such stakeholders include employees, contractors and suppliers, government and regulators, community, and shareholders and investors. The Company engages its stakeholders through various channels to ensure that the business interests of the Group are balanced against the needs and interests of its stakeholders.

The Company maintains its corporate website to communicate and engage with stakeholders. In addition, the Group is issuing sustainability reports annually to keep stakeholders informed on the commitment made by the Company in fostering the creation of long-term value for the stakeholders and sustainable development of the global economy.

Stakeholders who wish to know more about the Group such as its business, industry, performance or sustainability practices can visit our website at <https://ots-holdings.com>.

DEALING IN SECURITIES

The Company has adopted an internal compliance code to provide guidance to the Directors, officers and all employees of the Group with regard to dealing in the Company's securities, pursuant to Rule 1204(19) of the Catalist Rules. The Directors, officers and employees of the Company are also expected to observe insider-trading laws at all times and shall not deal in the Company's shares on short-term considerations or when they are in possession of unpublished price-sensitive information.

The Company shall not deal in and prohibits dealings in its shares by its Directors, officers and employees during the period commencing one (1) month before the announcement of the Company's half-year and full-year financial results, and ending on the date of the announcement of the financial results.

The Board confirms that, as at the date of this Report, the Company has complied with Rule 1204(19) of the Catalist Rules.

CORPORATE GOVERNANCE REPORT

STATEMENT BY DIRECTORS

6. Report of Audit and Risk Management Committee (cont'd)

The ARMC performs the functions specified by section 201B (5) of the Act. Among other functions, it performed the following:

- Reviewed with the independent external auditor their audit plan;
- Reviewed with the independent external auditor their evaluation of the Company's internal accounting controls relevant to their statutory audit, and their report on the financial statements and the assistance given by management to them;
- Reviewed with the internal auditor the scope and results of the internal audit procedures (including those relating to financial, operational and compliance controls and risk management) and the assistance given by the management to the internal auditor;
- Reviewed the financial statements of the Group and the Company prior to their submission to the directors of the Company for adoption; and
- Reviewed the interested person transactions (as defined in Chapter 9 of the Singapore Exchange Securities Trading Limited's Listing Manual).

Other functions performed by the ARMC are described in the report on Corporate Governance included in the annual report of the Company. It also includes an explanation of how independent auditor objectivity and independence is safeguarded where the independent auditor provide non-audit services.

The ARMC has recommended to the board of directors that the independent auditor, RSM Chio Lim LLP, be nominated for re-appointment as the independent auditor for the ensuing year at the forthcoming annual general meeting of the Company.

Further details regarding the ARMC are disclosed in the Corporate Governance Report.

7. Directors' opinion on the adequacy of internal controls

Based on the internal controls established and maintained by the Company, work performed by the internal and external auditors, and reviews performed by management, the ARMC and the board are of the opinion that the Company's internal controls, addressing financial, operational, compliance risks and information technology, are adequate and effective as at 30 June 2022.

STATEMENT BY DIRECTORS

8. Subsequent developments

There are no significant developments subsequent to the release of the Group's and the Company's preliminary financial statements, as announced on 26 August 2022, which would materially affect the Group's and the Company's operating and financial performance as of the date of this report.

INDEPENDENT AUDITOR'S REPORT

Report on the audit of the financial statements

Opinion

We have audited the accompanying financial statements of OTS Holdings Limited (the “Company”) and its subsidiaries (the “Group”), which comprise the consolidated statement of financial position of the Group and the statement of financial position of the Company as at 30 June 2022, and the consolidated statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows of the Group, and statement of changes in equity of the Company for the reporting year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Companies Act 1967 (the “Act”) and the Singapore Financial Reporting Standards (International) (“SFRS(I)s”) so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 30 June 2022 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group and the changes in equity of the Company for the reporting year ended on that date.

Basis for opinion

We conducted our audit in accordance with Singapore Standards on Auditing (“SSAs”). Our responsibilities under those standards are further described in the auditor’s responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the Accounting and Corporate Regulatory Authority (“ACRA”) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (“ACRA Code”) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters (“KAM”) are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current reporting year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

INDEPENDENT AUDITOR'S REPORT

Key audit matters (cont'd)

(1) Assessment of expected credit loss allowance on trade receivables

Refer to Note 2 for the relevant accounting policy and Note 20 and Note 31D for the breakdown in trade receivables and credit risk of the Group respectively. Also refer to the Audit and Risk Management Committee ("ARMC") in the Corporate Governance Statement of the annual report for responses of the ARMC to the reported KAMs.

Key audit matter

As at 30 June 2022, the carrying amount of the Group's trade receivables amounted to S\$5,133,000. This represents approximately 22% of total current assets on the consolidated financial statements and was significant to the Group. The Group applied the simplified approach in calculating expected credit loss ("ECL") and recognised loss allowance based on lifetime expected losses at each reporting date. Trade receivables that are credit impaired are assessed for impairment by making debtor-specific assessment. The Group provides for lifetime expected credit losses using a provision matrix. The provision rates are determined based on the Group's historical default rates analysed in accordance to days past due by grouping customers based on customer profiles, adjusted for current and forward-looking information. Given the magnitude and that impairment assessment of trade receivables requires significant management judgment, we determined that this is a key audit matter.

How we addressed the matter in our audit

Our audit procedures included (a) assessing the recoverability of the significant aged debts, by discussing with management, checking subsequent collections and corroborating to the historical payment records; and (b) assessing whether disclosures in respect of the credit risk of trade receivables is appropriate.

For ECL, our audit procedures included (a) reviewing management's assessment of ECL; and (b) assessing the measurement of the expected credit loss allowance. An impairment allowance is provided if necessary.

We also evaluated the qualitative adjustment to the allowance and challenged the reasonableness of the key assumptions in determining the allowance.

We assessed the adequacy of the disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

Key audit matters (cont'd)

(2) Assessment of impairment allowance of inventories

Refer to Note 2 for the relevant accounting policy and Note 19 for the breakdown in inventories at the reporting year end. Also refer to the ARMC section in the Corporate Governance Statement of the annual report for responses of the ARMC to the reported KAMs.

Key audit matter

As at 30 June 2022, the carrying amount of the Group's inventories amounted to S\$8,078,000. This represents approximately 34% of total current assets on the consolidated financial statements and was significant to the Group. The carrying amount of inventories may not be recoverable in full if those inventories become slow moving, or if their selling prices have declined below carrying amounts.

The estimate of allowance for slow moving inventories is based on the expiry of these inventories, prevailing market conditions in the industry and historical allowance experience which requires management's judgement. This methodology relies upon assumptions made in determining appropriate allowance of inventories.

How we addressed the matter in our audit

As part of the audit, on sampling basis, our audit procedures included (a) the checking of the net realisable value of the inventories by considering post year end sales to identify any further sales made at a loss; (b) reviewing the inventory turnover days and aging of the inventories to assess if there were any significant built up of aged inventories and assessing the reasonableness of the allowance for slow moving inventories; and (c) analysed the utilisation rate for those inventories which will be expiring in less than six months subsequent to year end.

We assessed the adequacy of the disclosures in the financial statements.

Other information

Management is responsible for the other information. The other information comprises the statement by directors but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT

Responsibilities of management and directors for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and the financial reporting standards, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

INDEPENDENT AUDITOR'S REPORT

Auditor's responsibilities for the audit of the financial statements (cont'd)

- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is See Ling Ling, Helen.

NOTES TO THE FINANCIAL STATEMENTS

Year Ended 30 June 2022

1. GENERAL

OTS Holdings Pte. Ltd. (the “Company”) was incorporated on 3 March 2015 under the Companies Act as a private limited company. It is domiciled in Singapore. On 1 June 2021, the Company was converted to a public company limited by shares and changed its name to OTS Holdings Limited. On 17 June 2021, the Company was listed on the Catalist Board (the “Catalist”) of Singapore Exchange Securities Trading Limited.

The financial statements are presented in Singapore dollar and they cover the Company (referred to as “parent”) and its subsidiaries. All financial information have been rounded to the nearest thousand (“000”), except when otherwise stated.

The board of directors approved and authorized these financial statements for issue on the date of the statement by directors.

The registered office and principal place of business of the Company is located at 30 Senoko South Road, Singapore 758088. The Company is situated in Singapore.

The principal activity of the Company is those of an investment holding company. The principal activities of the subsidiaries are described in Note 17 to the financial statements.

Statement of compliance with financial reporting standards

These financial statements have been prepared in accordance with the Singapore Financial Reporting Standards (International) (“SFRS(I)s”) and the related interpretations to SFRS(I) (“SFRS(I) INT”) as issued by the Singapore Accounting Standards Council. They are in compliance with the provisions of the Companies Act 1967 and with the International Financial Reporting Standards (“IFRSs”) issued by the International Accounting Standards Board (“IASB”).

Accounting convention

The financial statements are prepared on a going concern basis under the historical cost convention except where a financial reporting standard requires an alternative treatment (such as fair values) as disclosed where appropriate in these financial statements. The accounting policies in the financial reporting standards may not be applied when the effect of applying them is not material. The disclosures required by financial reporting standards may not be provided if the information resulting from that disclosure is not material.

Basis of preparation of the financial statements

The preparation of financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting year. Actual results could differ from those estimates. The estimates and assumptions are reviewed on an ongoing basis. Apart from those involving estimations, management has made judgements in the process of applying the Group’s accounting policies. The areas requiring management’s most difficult, subjective or complex judgements, or areas where assumptions and estimates are significant to the consolidated financial statements, are disclosed in Note 2C below, where applicable.

NOTES TO THE FINANCIAL STATEMENTS

Year Ended 30 June 2022

1. GENERAL (CONT'D)

Basis of presentation

The consolidated financial statements include the financial statements made up to the end of the reporting year of the Company and all of its subsidiaries. The consolidated financial statements are the financial statements of the Group (the parent and its subsidiaries) presented as those of a single economic entity and are prepared using uniform accounting policies for like transactions and other events in similar circumstances. All significant intragroup balances and transactions are eliminated on consolidation. Subsidiaries are consolidated from the date the reporting entity obtains control of the investee and cease when the reporting entity loses control of the investee.

Changes in the Group's ownership interest in a subsidiary that do not result in the loss of control are accounted for within equity as transactions with owners in their capacity as owners. The carrying amounts of the Group's and non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiary. When the Group loses control of a subsidiary it derecognises the assets and liabilities and related equity components of the former subsidiary. Any gain or loss is recognised in profit or loss. Any investment retained in the former subsidiary is measured at its fair value at the date when control is lost and is subsequently accounted as equity instruments financial assets in accordance with the financial reporting standards on financial instruments.

The Company's separate financial statements have been prepared on the same basis, and as permitted by the Companies Act 1967, the Company's separate statement of profit or loss and other comprehensive income is not presented.

2. SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

2A. Significant accounting policies

Revenue recognition

The financial reporting standard on revenue from contracts with customers establishes a five-step model to account for revenue arising from contracts with customers. Revenue is recognised at an amount that reflects the consideration to which the Company expects to be entitled in exchange for transferring goods or services to a customer (which excludes estimates of variable consideration that are subject to constraints, such as right of return exists, trade discounts, volume rebates and changes to the transaction price arising from modifications), net of any related sales taxes and excluding any amounts collected on behalf of third parties. An asset (goods or services) is transferred when or as the customer obtains control of that asset. As a practical expedient the effects of any significant financing component is not adjusted if the payment for the good or service will be within one year.

Sale of goods

Revenue is recognised at a point in time when the performance obligation is satisfied by transferring a promised good or service to the customer. Control of the goods is transferred to the customer, generally on delivery of the goods (in this respect, incoterms are considered).

2. SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION (CONT'D)

2A. Significant accounting policies (cont'd)

Revenue recognition (cont'd)

Rental income

Rental income is recognised from operating leases as income on either a straight-line basis or another systematic basis over the term of the lease.

Miscellaneous income

Revenue from miscellaneous income is recognised when the Company satisfies the performance obligation at a point in time generally when the significant acts have been completed and when transfer of control occurs or for services that are not significant transactions revenue is recognised as the services are provided.

Interest income

Interest income is recognised on an accrual basis using the effective interest method.

Government grants

Government grants are recognised at fair value when there is reasonable assurance that the conditions attaching to them will be complied with and that the grants will be received. Grants in recognition of specific expenses are recognised in profit or loss on a systematic basis over the periods necessary to match them with the related costs that they are intended to compensate.

The grant related to assets is presented in the statement of financial position by recognising the grant as deferred income that is recognised in profit or loss on a systematic basis over the useful life of the asset and in the proportions in which depreciation expense on those assets is recognised.

Employee benefits

Contributions to a defined contribution retirement benefit plan are recorded as an expense as they fall due. The entity's legal or constructive obligation is limited to the amount that it is obligated to contribute to an independently administered fund (such as the Central Provident Fund in Singapore, a government managed defined contribution retirement benefit plan). For employee leave entitlement the expected cost of short-term employee benefits in the form of compensated absences is recognised in the case of accumulating compensated absences, when the employees render service that increases their entitlement to future compensated absences; and in the case of non-accumulating compensated absences, when the absences occur. A liability for bonuses is recognised where the entity is contractually obliged or where there is constructive obligation based on past practice.

2. SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION (CONT'D)

2A. Significant accounting policies (cont'd)

Borrowing costs

Borrowing costs are interest and other costs incurred in connection with the borrowings and are recognised as an expense in the period in which they are incurred. Interest expense is calculated using the effective interest rate method.

Foreign currency transactions

The functional currency is the Singapore dollar as it reflects the primary economic environment in which the entity operates. Transactions in foreign currencies are recorded in the functional currency at the rates ruling at the dates of the transactions. At each end of the financial year, recorded monetary balances and balances measured at fair value that are denominated in non-functional currencies are reported at the rates ruling at the end of the financial year and fair value measurement dates respectively. All realised and unrealised exchange adjustment gains and losses are dealt with in profit or loss except when a gain or loss on a non-monetary item is recognised in other comprehensive income, any exchange component of that gain or loss is recognised in other comprehensive income. The presentation is in the functional currency.

Translation of financial statements of other entities

Each company in the Group determines the appropriate functional currency as it reflects the primary economic environment in which the relevant company operates. In translating the financial statements of such an entity for incorporation in the consolidated financial statements in the presentation currency the assets and liabilities denominated in other currencies are translated at end of the financial year rates of exchange and the income and expense items for each statement presenting profit or loss and other comprehensive income are translated at average rates of exchange for the financial year. The resulting translation adjustments (if any) are recognised in other comprehensive income and accumulated in a separate component of equity until the disposal of that relevant entity.

Income tax

The income taxes are accounted using the asset and liability method that requires the recognition of taxes payable or refundable for the current year and deferred tax liabilities and assets for the future tax consequence of events that have been recognised in the consolidated financial statements or tax returns. The measurements of current and deferred tax liabilities and assets are based on provisions of the enacted or substantially enacted tax laws; the effects of future changes in tax laws or rates are not anticipated. Tax expense (tax income) is the aggregate amount included in the determination of profit or loss for the financial year in respect of current tax and deferred tax. Current and deferred income taxes are recognised as income or as an expense in profit or loss unless the tax relates to items that are recognised in the same or a different period outside profit or loss. For such items recognised outside profit or loss the current tax and deferred tax are recognised (a) in other comprehensive income if the tax is related to an item recognised in other comprehensive income and (b) directly in equity if the tax is related to an item recognised directly in equity.

2. SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION (CONT'D)

2A. Significant accounting policies (cont'd)

Income tax (cont'd)

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same income tax authority. The carrying amount of deferred tax assets is reviewed at each end of the financial year and is reduced, if necessary, by the amount of any tax benefits that, based on available evidence, are not expected to be realised. A deferred tax amount is recognised for all temporary differences, unless the deferred tax amount arises from the initial recognition of an asset or liability in a transaction which (i) is not a business combination; and (ii) at the time of the transaction, affects neither accounting profit nor taxable profit (tax loss).

A deferred tax liability or asset is recognised for all taxable temporary differences associated with investments in subsidiaries, except where the Company is able to control the timing of the reversal of the taxable temporary difference and it is probable that the taxable temporary difference will not reverse in the foreseeable future or for deductible temporary differences, they will not reverse in the foreseeable future and they cannot be utilised against taxable profits.

Property, plant and equipment

Property, plant and equipment are carried at cost on initial recognition and after initial recognition at cost less any accumulated depreciation and any accumulated impairment losses. Depreciation is provided on a straight-line method to allocate the gross carrying amounts of the assets less their residual values over their estimated useful lives of each part of an item of these assets. The estimated useful lives of property, plant and equipment are as follows:

Leasehold property	–	30 to 50 years
Cold room	–	20 years
Leasehold improvements	–	12 to 36 years
Plant and equipment	–	3 to 12 years
Restoration cost	–	36 years

An asset is depreciated when it is available for use until it is derecognised even if during that period the item is idle. Fully depreciated assets still in use are retained in the consolidated financial statements.

The gain or loss arising from the derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds, if any, and the carrying amount of the item and is recognised in profit or loss. The residual value and the useful life of an asset is reviewed at least at each end of the financial year and, if expectations differ significantly from previous estimates, the changes are accounted for as a change in an accounting estimate, and the depreciation charge for the current and future periods are adjusted.

Cost also includes acquisition cost, borrowing cost capitalised and any cost directly attributable to bringing the asset or component to the location and condition necessary for it to be capable of operating in the manner intended by management. Subsequent costs are recognised as an asset only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss when they are incurred.

2. SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION (CONT'D)

2A. Significant accounting policies (cont'd)

Property, plant and equipment (cont'd)

Cost includes the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period. See Note 24 on non-current provision.

Right-of-use assets

The right-of-use assets are accounted and presented as if they were owned such as property, plant and equipment. The estimated useful lives over the lease terms are as follows:

Leasehold land and office premise	–	5 to 34 years
Motor vehicles	–	5 years
Equipment	–	5 years

Intangible assets

An identifiable non-monetary asset without physical substance is recognised as an intangible asset at acquisition cost if it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the cost of the asset can be measured reliably. After initial recognition, an intangible asset with finite useful life is carried at cost less any accumulated amortisation and any accumulated impairment losses. An intangible asset with an indefinite useful life is not amortised. An intangible asset is regarded as having an indefinite useful life when, based on an analysis of all of the relevant factors, there is no foreseeable limit to the period over which the asset is expected to generate net cash inflows for the entity.

The amortisable amount of an intangible asset with finite useful life is allocated on a systematic basis over the best estimate of its useful life from the point at which the asset is ready for use. The useful lives are as follows:

Trademarks	–	3 to 5 years
Research and development costs	–	5 years

Leases of leasee

A lease conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration. Where a lease arrangement is identified, a liability to the lessor is recognised as a lease obligation calculated at the present value of minimum lease payments. A corresponding right-of-use asset is recorded (or included in property, plant and equipment). Lease payments are apportioned between finance costs and reduction of the lease liability so as to reflect the interest on the remaining balance of the liability. Finance charges are recorded as an finance cost. Right-of-use assets are depreciated over the shorter of the estimated useful life of the asset and the lease term. Leases with a term of 12 months or less and leases for low value are not recorded as a liability and lease payments are recognised as an expense in profit or loss on a straight-line basis over the lease term.

NOTES TO THE FINANCIAL STATEMENTS

Year Ended 30 June 2022

2. SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION (CONT'D)

2A. Significant accounting policies (cont'd)

Leases of lessor

As a lessor the reporting entity classifies each of its leases as either an operating lease or a finance lease. A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership of an underlying asset and it is presented in its statement of financial position as a receivable at an amount equal to the net investment in the lease. For a finance lease the finance income is recognised over the lease term, based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease. A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership of an underlying asset. Lease receipts from operating leases are recognised as income on either a straight-line basis or another systematic basis over the term of the lease.

Subsidiaries

A subsidiary is an entity including unincorporated and special purpose entity that is controlled by the Company and the Company is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. The existence and effect of substantive potential voting rights that the Company has the practical ability to exercise (that is, substantive rights) are considered when assessing whether the Company controls another entity.

In the reporting entity's separate financial statements, an investment in a subsidiary is accounted for at cost less any allowance for impairment in value. Impairment loss recognised in profit or loss for a subsidiary is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. The carrying value and the net book value of the investment in a subsidiary are not necessarily indicative of the amount that would be realised in a current market exchange.

Business combinations

A business combination is a transaction or other event which requires that the assets acquired and liabilities assumed constitute a business. There were no business combinations during the reporting year.

Joint arrangements – joint venture

A joint arrangement (that is, either a joint operation or a joint venture, depending on the rights and obligations of the jointly controlling parties to the arrangement), is one in which the Company is party to an arrangement of which two or more parties have joint control, which is the contractually agreed sharing of control of the arrangement; it exists only when decisions about the relevant activities (that is, activities that significantly affect the returns of the arrangement) require the unanimous consent of the parties sharing control. In a joint venture, the parties with joint control have rights to the net assets of the arrangement. The reporting interests in joint ventures are recognised using the equity method in accordance with the financial reporting standard on investments in associates and joint ventures.

Under the equity method the investment is initially recognised at cost and adjusted thereafter for the post-acquisition change in the investor's share of the investee's net assets. The carrying value and the net book value of an investment in the joint venture are not necessarily indicative of the amounts that would be realised in a current market exchange. The investor's profit or loss includes its share of the investee's profit or loss and the investor's other comprehensive income includes its share of the investee's other comprehensive income. Losses of a joint venture in excess of the Company's interest in the relevant joint venture are not recognised except to the extent that the Company has an obligation. Profits and losses resulting from transactions between the Company and a joint venture are recognised in the consolidated financial statements only to the extent of unrelated company's interests in the joint venture. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.

Accounting policies of joint venture are changed where necessary to ensure consistency with the policies adopted by the Company. The Company discontinues the use of the equity method from the date that when its investment ceases to be a joint venture and accounts for the investment in accordance with the financial reporting standard on financial instruments from that date. Any gain or loss is recognised in profit or loss. Any investment retained in the former joint venture is measured at fair value at the date that it ceases to be a joint venture.

Inventories

Inventories are measured at the lower of cost and net realisable value. Raw materials are measured at first-in, first-out ("FIFO") method. Work-in-progress and finished goods are measured at standard cost which approximate actual cost. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. A write down on cost is made where the cost is not recoverable or if the selling prices have declined. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. In the case of manufactured inventories and work in progress, cost includes an appropriate share of overheads based on normal operating capacity.

Carrying amounts of non-financial assets

Irrespective of whether there is any indication of impairment, an annual impairment test is performed at the same time every year on an intangible asset with an indefinite useful life or an intangible asset not yet available for use. The carrying amount of other non-financial assets is reviewed at each end of the reporting year for indications of impairment and where an asset is impaired, it is written down through profit or loss to its estimated recoverable amount. The impairment loss is the excess of the carrying amount over the recoverable amount and is recognised in profit or loss. The recoverable amount of an asset or a cash-generating unit is the higher of its fair value less costs of disposal and its value in use. When the fair value less costs of disposal method is used, any available recent market transactions are taken into consideration. When the value in use method is adopted, in assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purposes of assessing impairment, assets are Grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units). At each end of the reporting year non-financial assets other than goodwill with impairment loss recognised in prior periods are assessed for possible reversal of the impairment. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been measured, net of depreciation or amortisation, if no impairment loss had been recognised.

Financial instruments

Recognition and derecognition of financial instruments:

A financial asset or a financial liability is recognised in the statement of financial position when, and only when, the entity becomes party to the contractual provisions of the instrument. All other financial instruments (including regular-way purchases and sales of financial assets) are recognised and derecognised, as applicable, using trade date accounting or settlement date accounting. A financial asset is derecognised when the contractual rights to the cash flows from the financial asset expire or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the entity neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset. A financial liability is removed from the statement of financial position when, and only when, it is extinguished, that is, when the obligation specified in the contract is discharged or cancelled or expires.

At initial recognition the financial asset or financial liability is measured at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability.

Classification and measurement of financial assets

1. Financial asset classified as measured at amortised cost: A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at fair value through profit or loss ("FVTPL"), that is (a) the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Typically trade and other receivables, bank and cash balances are classified in this category.
2. Financial asset that is a debt asset instrument classified as measured at fair value through other comprehensive income ("FVTOCI"): There were no financial assets classified in this category at reporting year end date.
3. Financial asset that is an equity investment measured at fair value through other comprehensive income ("FVTOCI"): There were no financial assets classified in this category at reporting year end date.
4. Financial asset classified as measured at fair value through profit or loss ("FVTPL"): There were no financial assets classified in this category at reporting year end date.

Classification and measurement of financial liabilities

Financial liabilities are classified as at fair value through profit or loss ("FVTPL") in either of the following circumstances: (1) the liabilities are managed, evaluated and reported internally on a fair value basis; or (2) the designation eliminates or significantly reduces an accounting mismatch that would otherwise arise. All other financial liabilities are carried at amortised cost using the effective interest method. Reclassification of any financial liability is not permitted.

Cash and cash equivalents

Cash and cash equivalents include bank and cash balances, on demand deposits and any highly liquid debt instruments purchased with an original maturity of three months or less. For the statement of cash flows the item includes cash and cash equivalents less cash subject to restriction and bank overdrafts payable on demand that form an integral part of cash management.

Fair value measurement

The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When measuring the fair value of an asset or a liability, market observable data to the extent possible is used. If the fair value of an asset or a liability is not directly observable, an estimate is made using valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs (e.g. by use of the market comparable approach that reflects recent transaction prices for similar items, discounted cash flow analysis, or option pricing models refined to reflect the issuer's specific circumstances). Inputs used are consistent with the characteristics of the asset/liability that market participants would take into account. The entity's intention to hold an asset or to settle or otherwise fulfil a liability is not taken into account as relevant when measuring fair value.

Fair values are categorised into different levels in a fair value hierarchy based on the degree to which the inputs to the measurement are observable and the significance of the inputs to the fair value measurement in its entirety: Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities. Level 2 fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices). Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs). Transfers between levels of the fair value hierarchy are recognised at the end of the financial period during which the change occurred.

The carrying values of current financial instruments approximate their fair values due to the short-term maturity of these instruments and the disclosures of fair value are not made when the carrying amount of current financial instruments is a reasonable approximation of the fair value. The fair values of non-current financial instruments may not be disclosed separately unless there are significant differences at the end of the financial year and in the event the fair values are disclosed in the relevant notes to the consolidated financial statements.

2B. Other explanatory information

Provisions

A liability or provision is recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. A provision is made using best estimates of the amount required in settlement and where the effect of the time value of money is material, the amount recognised is the present value of the expenditures expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provision due to passage of time is recognised as interest expense. Changes in estimates are reflected in profit or loss in the financial year they occur.

Segment reporting

The Group discloses financial and descriptive information about its reportable segments. Reportable segments are operating segments or aggregations of operating segments that meet specified criteria. Operating segments are components about which separate financial information is available that is evaluated regularly by the chief operating decision maker in deciding how to allocate resources and in assessing performance. Generally, financial information is reported on the same basis as is used internally for evaluating operating segment performance and deciding how to allocate resources to operating segments.

2C. Critical judgements, assumptions and estimation uncertainties

The critical judgements made in the process of applying the accounting policies that have the most significant effect on the amounts recognised in the consolidated financial statements and the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the financial year, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities currently or within the next financial year are discussed below. These estimates and assumptions are periodically monitored to ensure they incorporate all relevant information available at the date when financial statements are prepared. However, this does not prevent actual figures differing from estimates.

Expected credit loss allowance on trade receivables

The allowance for expected credit losses (ECL) assessment requires a degree of estimation and judgement. It is based on the lifetime ECL for trade receivables. In measuring the expected credit losses, management considers all reasonable and supportable information such as the reporting entity's past experience at collecting receipts, any increase in the number of delayed receipts in the portfolio past the average credit period, and forward looking information such as forecasts of future economic conditions (including the impact of the Covid-19 pandemic). The carrying amounts might change materially within the next financial year but these changes may not arise from assumptions or other sources of estimation uncertainty at the end of the financial year. The carrying amount is disclosed in the note on trade and other receivables.

Net realisable value of inventories

A review is made on inventory for excess inventory and declines in net realisable value below cost and an allowance is recorded against the inventory balance for any such declines. The review requires management to consider the future demand for the products. In any case the realisable value represents the best estimate of the recoverable amount and is based on the acceptable evidence available at the end of the financial year and inherently involves estimates regarding the future expected realisable value. The usual considerations for determining the amount of allowance or write-down include ageing analysis, technical assessment and subsequent events. In general, such an evaluation process requires significant judgement and materially affects the carrying amount of inventories at the end of the financial year. Possible changes in these estimates could result in revisions to the stated value of the inventories. The carrying amount of inventories at the end of the financial period is disclosed in the note on inventories.

2. SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION (CONT'D)

2C. Critical judgements, assumptions and estimation uncertainties (cont'd)

Useful lives of property, plant and equipment

The estimates for the useful lives and related depreciation charges for property, plant and equipment are based on commercial and other factors which could change significantly as a result of innovations and in response to market conditions. The depreciation charge is increased where useful lives are less than previously estimated lives, or the carrying amounts written off or written down for technically obsolete items or assets that have been abandoned. It is impracticable to disclose the extent of the possible effects. It is reasonably possible, based on existing knowledge, that outcomes within the next financial year that are different from assumptions could require a material adjustment to the carrying amount of the balances affected. The carrying amount of the specific asset or class of assets at the end of the financial year affected by the assumption are disclosed in note on property, plant and equipment.

Impairment of right-of-use assets

Significant judgement is applied by management when determining impairment of the right-of-use asset. Impairment is assessed for separable parts of leased buildings that have been or will be vacated in the near future. The impairment is sensitive to changes in estimated future expected sub-lease period. Judgement is also involved when determining whether sub-lease contracts are financial or operational, as well as when determining lease term for contracts that have extension or termination options. The carrying amount of the specific asset or class of assets at the end of the financial year affected by the assumption are disclosed in note of right-of-use assets.

3. RELATED PARTY RELATIONSHIPS AND TRANSACTIONS

The financial reporting standard on related party disclosures requires the Company to disclose: (a) transactions with its related parties; and (b) relationships between parents and subsidiaries irrespective of whether there have been transactions between those related parties. A party is related to a party if the party controls, or is controlled by, or can significantly influence or is significantly influenced by the other party.

The controlling shareholders are Mr. Ong Bee Chip, Mdm. Ong Chew Yong, and Mr. Ong Bee Song.

4. FINANCIAL INFORMATION BY OPERATING SEGMENTS

4A. Primary analysis by business segment

For management purposes, the Group is organised into four (4) major strategic operating segments: Modern Trade, General Trade and Food Services and Others. Such a structural organisation is determined by the nature of risks and returns associated with each business segment and it defines the management structure as well as the internal reporting system. It represents the basis on which the management reports the primary segment information that is available and that is evaluated regularly by the chief operating decision maker in deciding how to allocate resources and in assessing the performance. They are managed separately because each business requires different strategies.

4. FINANCIAL INFORMATION BY OPERATING SEGMENTS (CONT'D)

4A. Primary analysis by business segment (cont'd)

The Group distribute and sell their products via following market segments:

- 1) Modern Trade ("MT") refers to sales generated from major supermarkets.
- 2) General Trade ("GT") refers to sales generated from convenience stores, provision shops and wholesalers.
- 3) Food Services ("FS") refers to sales generated from hotels, restaurants, hawker centres, food courts, food and beverages stores, and caterers.
- 4) Others ("OT") refers to sales that are mainly generated from e-commerce platforms and the export markets. The OT segment also includes other income such as vehicle rental income and miscellaneous income.

Inter-segment sales are measured on the basis that the Group actually uses to price the transfers. Internal transfer pricing policies of the Group are as far as practicable based on market prices. The accounting policies of the operating segments are the same as those described in the summary of significant accounting policies.

Segment results, assets and liabilities include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Segment assets consist primarily of property, plant and equipment, right-of-use assets, inventories, trade and other receivables, other assets and cash and cash equivalents. Segment liabilities comprise trade and other payables, loans and borrowings, lease liabilities, other financial liabilities, provisions and other liabilities.

The management reporting system evaluates performances based on a number of factors. However the primary profitability measurement to evaluate segment's operating results comprises two major financial indicators: (1) earnings from operations before interest expenses, income taxes, depreciation and amortisation (called "Recurring EBITDA") and (2) operating result before income taxes and other unallocated items (called "PBT").

The following tables illustrate the information about the reportable segment profit or loss, assets and liabilities.

The information on each business segment is as follows:

	2022	2021
	\$'000	\$'000

(a) During the reporting year ended 30 June 2021, the Group renegotiated and modified an existing lease contract for an office premise by extending the lease term by another one year at revised lease payment terms. As this extension is not part of the terms and conditions of the original lease contract, it is accounted for as a lease modification with an addition to the right-of-use assets. The corresponding remeasurement to lease liability is recorded under 'lease liabilities' (Note 26).

The leasehold land is from the Jurong Town Corporation ("JTC") for thirty (30) years lease term from September 1993 and expiring in September 2023. The Group has complied with the required investment criteria and has been granted an additional term of thirty (30) years commencing from September 2023, although the lease in respect of the additional term of thirty (30) years has not been executed.

Rentals are subject to an escalation clause but the amount of the rent increase is not to exceed the contractual rental revision scheme of increment at 7.6% per annum of the annual rent of the immediate preceding year.

15. RIGHT-OF-USE ASSETS (CONT'D)

Allocation of the depreciation expense as follows:

	Group	
	2022 \$'000	2021 \$'000
Cost of sales	74	74
Administrative expenses (Note 8)	278	248
	352	322

Other information about the leasing activities relating to the right-of-use assets are summarised as follows:

	Leasehold land and office premise	Motor vehicles	Equipment
<u>2022:</u>			
Number of right-of-use assets	4	8	1
Remaining term – range (years)	2 – 31	3	1
<u>2021:</u>			
Number of right-of-use assets	3	8	1
Remaining term – range (years)	3 – 32	4	2

Some leases contain an option to purchase the underlying leased asset outright at the end of the lease, or to extend the lease for a further term. For leases over properties the leases require those properties in a good state of repair and return the properties in their original condition at the end of the lease. Insurance and maintenance fees on right-of-use assets are usually required under the lease contracts.

The net carrying value of right-of-use assets are under lease liabilities agreements (Note 26).

On 12 March 2019, the Company and Hogsworld Pte Ltd agreed to combine their asset management and services activities by establishing a separate vehicle – Delta Bridge Pte. Ltd. (“Delta Bridge”). The parties expect the arrangement to benefit them in processing and manufacturing of Chinese sausages and other meat products (the “Products”) and marketing and distribution of the Products. Delta Bridge’s legal form is that it causes the separate vehicle to be considered in its own right. Each of the Company and the other party holds 50% shareholding interests in Delta Bridge Pte. Ltd. The shareholders’ agreement establishes joint control of the activities of Delta Bridge. The joint arrangement is carried out through a separate vehicle whose legal form confers separation between the parties and the separate vehicle and the parties have rights to the net assets of Delta Bridge. The parties recognise their rights to the net assets of Delta Bridge as investments and account for them using the equity method.

The expected credit losses ("ECL") on the trade receivables are based on the simplified approach to measuring ECL which uses a lifetime ECL allowance approach for all trade receivables recognised from initial recognition of these assets.

The Group's customers can be credit risk graded individually and these are recorded at inception net of expected lifetime ECL. These receivables are grouped based on shared credit risk characteristics and the days past due for measuring the expected credit losses. At every financial date the historical observed default rates are updated and changes in the forward-looking estimates (including the impact of the Covid-19 pandemic) are analysed. There are no collateral held as security and other credit enhancements for the trade receivables.

NOTES TO THE FINANCIAL STATEMENTS

Year Ended 30 June 2022

20. TRADE AND OTHER RECEIVABLES (CONT'D)

The receivables have common risk characteristics as compared to previous period. There were no significant bad debts noticed in the previous period. The Group assesses the credit risk of its customers individually. The amounts are written off when there are indications that there is no reasonable expectation of recovery or the failure of a debtor to make contractual payments over an extended period.

At each subsequent financial date, an evaluation is made whether there is a significant change in credit risk by comparing the debtor's credit risk at initial recognition (based on the original, unmodified cash flows) with the credit risk at the financial date (based on the modified cash flows). Adjustment to the loss allowance is made for any increase or decrease in credit risk.

As part of the process of setting customer credit limits, different credit terms are used. The Group's normal trade credit term ranges from cash to 90 days (2021: cash to 90 days). But some customers take a longer period to settle the amounts.

Ageing analysis of the age of trade receivable amounts as at the end of financial year but not impaired:

	Group		Company	
	2022 \$'000	2021 \$'000	2022 \$'000	2021 \$'000
<u>Trade receivables</u>				
Within due date	4,382	4,953	44	82

91 – 120 days	136	270	4	–
Over 120 days	222	153	1	–
Total	5,133	5,982	49	82

Majority of the Group's trade receivable amounts that were past due at the end of the financial years 2022 and 2021 have been settled after the end of the respective financial years.

Concentration of trade receivable customers as at the end of reporting year:

	Group		Company	
	2022 \$'000	2021 \$'000	2022 \$'000	2021 \$'000
Top 1 customer	646	931	4	15
Top 2 customers	931	1,578	5	19
Top 3 customers	1,109	1,852	5	19

The other receivables at amortised cost shown above are subject to the expected credit loss model under the financial reporting standard on financial instruments. Other receivables are regarded as of low credit risk if they have a low risk of default and the debtor has a strong capacity to meet its contractual cash flow obligations in the near term. The methodology applied for impairment loss depends on whether there has been a significant increase in credit risk. No loss allowance is necessary.

- (a) On 31 May 2021, the Company authorised and approved the sub-division of the share capital of the Company, which was effected on 1 June 2021. The share capital of the Company was sub-divided in such manner that 14,771,188 ordinary shares in the issued and paid up share capital of the Company were sub-divided into 178,652,173 ordinary shares (the "Sub-division").
- (b) On 31 May 2021, the shareholders passed resolutions to approve the allotment and issue of 347,827 ordinary shares to SAC Capital Private Limited as part satisfaction of their management fees as the Sponsor and Issue Manager, which when allotted, issued and fully paid, will rank *pari passu* in all respects with the then existing issued Shares.
- (c) Pursuant to the IPO on 17 June 2021, the Company issued 35,000,000 new ordinary shares for a consideration of S\$8,050,000. IPO expenses incurred amounted to S\$1,520,000, of which S\$432,000 has been capitalised against share capital while the remaining amounts of S\$32,000 charge to vendor shares sales and S\$1,056,000 has been included in other expenses in the consolidated statement of profit or loss and other comprehensive income.

The ordinary shares of no par value are fully paid, carry one vote each and have no right to fixed income. The Company is not subject to any externally imposed capital requirements.

Capital management

The objectives when managing capital are: to safeguard the reporting entity's ability to continue as a going concern, so that it can continue to provide returns for owners and benefits for other stakeholders, and to provide an adequate return to owners by pricing the sales commensurately with the level of risk. The management sets the amount of capital to meet its requirements and the risk taken. There were no changes in the approach to capital management during the reporting year. The management manages the capital structure and makes adjustments to it where necessary or possible in the light of changes in conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the management may adjust the amount of dividends paid to owners, return capital to owners, issue new shares, or sell assets to reduce debt. Adjusted capital comprises all components of equity (that is, share capital and retained earnings).

NOTES TO THE FINANCIAL STATEMENTS

Year Ended 30 June 2022

23. SHARE CAPITAL (CONT'D)

The management monitors the capital on the basis of the debt-to-adjusted capital ratio. This ratio is calculated as net debt/adjusted capital (as shown below). Net debt is calculated as total borrowings less cash and cash equivalents.

	Group	
	2022	2021
	\$'000	\$'000
<u>Net debt</u>

31A. Categories of financial assets and liabilities

The following table categorises the carrying amount of financial assets and liabilities recorded at the end of the reporting year:

	Group		Company	
	2022 \$'000	2021 \$'000	2022 \$'000	2021 \$'000
<u>Financial assets</u>				
Financial assets at amortised cost	14,651	21,849	7,415	9,368
<u>Financial liabilities</u>				
Financial liabilities at amortised cost	8,180	13,715	315	1,831

Further quantitative disclosures are included throughout these financial statements.

There are no significant fair value measurements recognised in the statement of financial position.

31B. Financial risk management

The main purpose for holding or issuing financial instruments is to raise and manage the finances for the entity's operating, investing and financing activities. There are exposures to the financial risks on the financial instruments such as credit risk, liquidity risk and market risk comprising interest rate, currency risk and price risk exposures. Management has certain practices for the management of financial risks. However, these are not formally documented in written form.

The guidelines include the following:

1. Minimise interest rate, currency, credit and market risks for all kinds of transactions.
2. Maximise the use of "natural hedge": favouring as much as possible the natural off-setting of sales and costs and payables and receivables denominated in the same currency and therefore put in place hedging strategies only for the excess balance (if necessary). The same strategy is pursued with regard to interest rate risk.
3. All financial risk management activities are carried out and monitored by senior staff.
4. All financial risk management activities are carried out following acceptable market practices.

There have been no changes to the exposures to risk; the objectives, policies and processes for managing the risk and the methods used to measure the risk.

31. FINANCIAL INSTRUMENTS: INFORMATION ON FINANCIAL RISKS (CONT'D)

31C. Fair values of financial instruments

The analyses of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 are disclosed in the relevant notes to the consolidated financial statements. These include the significant financial instruments stated at amortised cost and at fair value in the statement of financial position. The carrying values of current financial instruments approximate their fair values due to the short-term maturity of these instruments and the disclosures of fair value are not made when the carrying amount of current financial instruments is a reasonable approximation of the fair value.

31D. Credit risk on financial assets

Financial assets that are potentially subject to concentrations of credit risk and failures by counterparties to discharge their obligations in full or in a timely manner. These arise principally from cash balances with banks, cash equivalents, receivables and other financial assets. The maximum exposure to credit risk is the total of the fair value of the financial assets at the end of the reporting year. Credit risk on cash balances with banks and any other financial instruments is limited because the counter-parties are entities with acceptable credit ratings. For expected credit losses (ECL) on financial assets, the general approach (three-stage approach) in the financial reporting standard on financial instruments is applied to measure the impairment allowance. Under this general approach the financial assets move through the three stages as their credit quality changes. On initial recognition, a day-1 loss is recorded equal to the 12 month ECL unless the assets are considered credit impaired. However, the simplified approach (that is, to measure the loss allowance at an amount equal to lifetime ECL at initial recognition and throughout its life) permitted by the financial reporting standards on financial instruments is applied for financial assets that do not have a significant financing component, such as trade receivables and contract assets. For credit risk on trade receivables, contract assets and other financial assets an ongoing credit evaluation is performed on the financial condition of the debtors and an impairment loss is recognised in profit or loss. Reviews and assessments of credit exposures in excess of designated limits are made. Renewals and reviews of credits limits are subject to the same review process.

Note 22 discloses the maturity of the cash and cash equivalents balances. Cash and cash equivalents are also subject to the impairment requirements of the standard on financial instruments. There was no identified impairment loss.

31E. Liquidity risk – financial liabilities maturity analysis

The liquidity risk refers to the difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. It is expected that all the liabilities will be paid at their contractual maturity. The average credit period taken to settle trade payables is about 30 days (2021: 30 days). The other payables are with short-term durations. The classification of the financial assets is shown in the statement of financial position as they may be available to meet liquidity needs and no further analysis is deemed necessary.

31E. Liquidity risk – financial liabilities maturity analysis (cont'd)

The following table analyses the non-derivative financial liabilities by remaining contractual maturity (contractual and undiscounted cash flows):

Group	Less than 1 year \$'000	2 – 5 years \$'000	After 5 years \$'000	Total \$'000
Non-derivatives financial liabilities				
<u>2022:</u>				
Gross borrowings commitments	524	786	–	1,310
Gross lease liabilities	478	1,219	4,116	5,813
Trade and other payables	3,590	–	–	3,590
At end of the year	4,592	2,005	4,116	10,713
<u>2021:</u>				
Gross borrowings commitments	1,164	3,080	283	4,527
Gross lease liabilities	482	1,387	4,262	6,131
Trade and other payables	5,901	–	–	5,901
At end of the year	7,547	4,467	4,545	16,559
Company	Less than 1 year \$'000	2 – 5 years \$'000	After 5 years \$'000	Total \$'000
Non-derivatives financial liabilities				
<u>2022:</u>				
Trade and other payables	315	–	–	315
<u>2021:</u>				
Trade and other payables	1,831	–	–	1,831

The undiscounted amounts on the borrowings with fixed and floating interest rates are determined by reference to the conditions existing at the reporting date.

The above amounts disclosed in the maturity analysis are the contractual undiscounted cash flows and such undiscounted cash flows differ from the amount included in the statement of financial position. When the counterparty has a choice of when an amount is paid, the liability is included on the basis of the earliest date on which it can be required to pay.

31E. Liquidity risk – financial liabilities maturity analysis (cont'd)

Bank facilities:

	Group	
	2022	2021
	\$'000	\$'000
Undrawn borrowing facilities	<u>9,250</u>	<u>9,250</u>

The undrawn borrowing facilities are available for operating activities and to settle other commitments. Borrowing facilities are maintained to ensure funds are available for the operations.

31F. Interest rate risk

The interest rate risk exposure is mainly from changes in fixed interest rates and floating interest rates. The following table analyses the breakdown of the significant financial instruments (excluding derivatives) by type of interest rate:

	Group	
	2022	2021
	\$'000	\$'000
<u>Financial liabilities with interest</u>		
Fixed rates	<u>3,324</u>	3,492
Floating rates	<u>1,266</u>	<u>4,322</u>
	<u>4,590</u>	<u>7,814</u>

The floating rate debt instruments are with interest rates that are re-set regular intervals. The interest rates are disclosed in the respective notes.

Sensitivity analysis:

	Group	
	2022	2021
	\$'000	\$'000
<u>Financial liabilities</u>		
A hypothetical variation in interest rates by 100 basis points with all other variables held constant, would have an effect on pre-tax profit for the year by	<u>13</u>	<u>43</u>

The analysis has been performed for floating interest rate over a year for financial instruments. The impact of a change in interest rates on floating interest rate financial instruments has been assessed in terms of changing of their cash flows and therefore in terms of the impact on profit or loss. The hypothetical changes in basis points are not based on observable market data.

31. FINANCIAL INSTRUMENTS: INFORMATION ON FINANCIAL RISKS (CONT'D)

31G. Foreign currency risks

Foreign exchange risk arises on financial instruments that are denominated in a foreign currency, ie in a currency other than the functional currency in which they are measured. For the purpose of this financial reporting standard on financial instruments: disclosures, currency risk does not arise from financial instruments that are non-monetary items or from financial instruments denominated in the functional currency.

Analysis of amounts denominated in non-functional currency:

<u>Group</u>	United States		
	dollar	Euro	Total
	\$'000	\$'000	\$'000
<u>2022:</u>			
<u>Financial assets</u>			
Cash and cash equivalents	95	115	210
Net financial assets at end of the year	95	115	210
<u>2021:</u>			
<u>Financial assets</u>			
Cash and cash equivalents	117	69	186
Net financial assets at end of the year	117	69	186

This is exposure foreign currency risk as part of its normal business.

Sensitivity analysis:

	2022	2021
	\$'000	\$'000
A hypothetical 10% strengthening in the exchange rate of the functional currency S\$ against the following currencies with all other variables held constant would have an adverse effect on pre-tax profit of		
– United States dollar	(10)	(12)
– Euro	(12)	(7)

The table shows sensitivity to the hypothetical percentage variations in the functional currency against the relevant non-functional foreign currencies. The sensitivity rate used is the reasonably possible change in foreign exchange rates. For similar rate weakening of the functional currency against the relevant foreign currencies above, there would be comparable impacts in the opposite direction.

In management's opinion, the above sensitivity analysis is unrepresentative of the foreign currency risks as the historical exposure does not reflect the exposure in future.

The hypothetical changes in exchange rates are not based on observable market data (unobservable inputs). The sensitivity analysis is disclosed for each non-functional currency to which the entity has significant exposure at end of the reporting year. The analysis above has been carried out on the basis that there are no hedged transactions.

(1) the aggregate number of Shares and convertible securities to be allotted and issued pursuant to this Resolution (including Shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) does not exceed one hundred per cent (100%) of the total number of issued Shares (excluding treasury shares and subsidiary holdings) (as calculated in accordance with sub-paragraph (2) below), of which the aggregate number of Shares and convertible securities to be allotted and issued other than on a *pro rata* basis to the existing shareholders of the Company (including Shares to be issued in pursuance of Instruments made or granted) shall not exceed fifty per cent (50%) of the total number of issued Shares (excluding treasury shares and subsidiary holdings) (as calculated in accordance with sub-paragraph (2) below);

(2) (subject to such manner of calculation as may be prescribed by the SGX-ST), for the purpose of determining the aggregate number of Shares (including Shares to be issued in pursuance of the Instruments, made or granted pursuant to this Resolution) that may be issued under sub-paragraph (1) above, the percentage of the total number of issued Shares (excluding treasury shares and subsidiary holdings) shall be based on the Company's total number of issued Shares (excluding treasury shares and subsidiary holdings) at the time this Resolution is passed, after adjusting for:

(i) new Shares arising from the conversion or exercise of any convertible securities;

(ii) new Shares arising from exercising share options or vesting of share awards, provided that the share options or share awards (as the case may be) were granted in compliance with Part VIII of Chapter 8 of the Catalist Rules; and

(iii) any subsequent bonus issue, consolidation or subdivision of Shares.

Provided further that adjustments in accordance with (i) and (ii) above are only to be made in respect of new Shares arising from convertible securities, share options or share awards which were issued and outstanding or subsisting at the time of the passing of this Resolution approving the mandate.

(3) in exercising the authority conferred by this Resolution, the Company shall comply with the provisions of the Catalist Rules for the time being in force (unless such compliance has been waived by the SGX-ST), and all applicable legal requirements under the Companies Act, and otherwise, the Company's Constitution for the time being; and

NOTICE OF ANNUAL GENERAL MEETING

- (4) the authority conferred by this Resolution shall, unless revoked or varied by the Company in general meeting, continue to be in force until the conclusion of the Company's next annual general meeting or the date by which the next annual general meeting of the Company is required by law to be held, whichever is the earlier.

(See Explanatory Note 3)

9. **Proposed Renewal of the General Mandate for Interested Person Transactions** **(Resolution 8)**

That:

- (a) approval be and is hereby given, for the purposes of Chapter 9 of the Listing Manual Section B: Rules of Catalist ("**Catalist Rules**"), of the Singapore Exchange Securities Trading Limited (the "**SGX-ST**"), for the Company, its subsidiaries and associated companies (if any) which fall within the definition of "entities at risk" under Chapter 9 of the Catalist Rules, or any of them, to enter into any of the transactions falling within the categories of interested person transactions described in the "Letter to Shareholders in relation to Proposed Renewal of the General Mandate for Interested Person Transactions" enclosed in the Company's Annual Report 2022 with Swee Heng Bakery Pte Ltd, provided that such transactions are on normal commercial terms and are not prejudicial to the interests of the Company and its minority shareholders, and are entered into in accordance with the review procedures for such interested person transactions (the "**IPT General Mandate**");
- (b) the IPT General Mandate shall, unless revoked or varied by the Company in general meeting, continue in force until the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required by law to be held, whichever is earlier;
- (c) the Audit and Risk Management Committee of the Company be and is hereby authorised to take such action as it deems proper in respect of the review procedures and/or modify or implement such review procedures as may be necessary to take into consideration any amendment to Chapter 9 of the Catalist Rules, which may be prescribed by the SGX-ST from time to time; and
- (d) each of the Directors be and is hereby authorised and empowered to complete and do and execute all such things and acts as he/she may consider necessary or appropriate to give effect to this resolution and IPT General Mandate, with such modifications thereto (if any) as he/she may think fit in the interests of the Company.
- (See Explanatory Note 4)*

BY ORDER OF THE BOARD

Chan Lai Yin
Lee Bee Fong
Company Secretaries

Singapore, 13 October 2022

NOTICE OF ANNUAL GENERAL MEETING

Explanatory Notes:

1. Mr. Chan Hiang Tiak, upon re-election as a Director of the Company, will remain as a Non-Executive Independent Director, the Chairman of Remuneration Committee and member of Audit and Risk Management Committee and Nominating Committee. The Board considers Mr. Chan Hiang Tiak to be independent for the purpose of Rule 704(7) of the Catalist Rules. Pursuant to Rule 720(5) of the Catalist Rules, further information on Mr. Chan Hiang Tiak is set out on the pages 138 to 144 of the Company's Annual Report 2022.
2. Mr. Ong Bee Chip, upon re-election as a Director of the Company, will remain as Managing Director of the Company. Pursuant to Rule 720(5) of the Catalist Rules, further information on Mr. Ong Bee Chip is set out on the pages 138 to 144 of the Company's Annual Report 2022.
3. Resolution 7 in item 8 above, if passed, will empower the Directors of the Company, effective from the date of the AGM until conclusion of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to allot and issue Shares, make or grant Instruments and to issue Shares pursuant to such Instruments, without seeking any further approval from shareholders in general meeting but within the limitation imposed by this resolution, for such purposes as the Directors of the Company may consider would be in the best interest of the Company. The aggregate number of Shares (including Shares to be made in pursuant to Instruments made or granted pursuant to this Resolution) to be allotted and issued would not exceed one hundred per cent (100%) of the total number of issued Shares (excluding treasury shares and subsidiary holdings) at the time of passing of this Resolution. For issues of Shares (including Shares to be made in pursuant to Instruments made or granted pursuant to this Resolution) other than a *pro rata* basis to all shareholders shall not exceed fifty per cent (50%) of the total number of issued Shares (excluding treasury shares and subsidiary holdings) at the time of the passing of this Resolution.
4. Resolution 8 in item 9 above, if passed, will renew the IPT Mandate initially approved by shareholders on 31 May 2021 to allow the EAR Group (as defined in "Letter to Shareholders in relation to Proposed Renewal of the General Mandate for Interested Person Transactions enclosed in the Company's Annual Report 2022 (the "**Letter**)"), or any of them, to enter into transactions with the Mandated Interested Person (as defined in the Letter). Please refer to Letter for details relating to the said IPT General Mandate.

OTHER NOTES:

- (i) Pursuant to the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020, printed copies of this Notice of AGM and the Proxy Form will NOT be sent to members of the Company. Instead, this Notice and the Proxy Form will be sent to members by electronic means via publication on SGXNet at <https://www.sgx.com/securities/companyannouncements> and the Company's website <https://www.ots-holdings.com/investor-relation>.
- (ii) A member who is not a relevant intermediary is entitled to appoint not more than two (2) proxies to attend, speak and vote at the AGM. Where such member appoints two (2) proxies, he/she should specify the proportion of his/her shareholding (expressed as a percentage of the whole) to be presented by each proxy in the instrument appointing a proxy or proxies. If no proportion is specified, the Company shall be entitled to treat the first named proxy as representing the entire number of shares entered against his name in the Depository Register and any second named proxy as an alternate to the first named.
- (iii) A member who is a relevant intermediary is entitled to appoint more than two (2) proxies to attend, speak and vote at the AGM, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such member. Where such member appoints more than two (2) proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the instrument appointing a proxy or proxies. A proxy need not be a member of the Company. "Relevant intermediary" has the meaning ascribed to it in Section 181 of the Companies Act 1967.
- (iv) The instrument appointing a proxy or proxies must be under the hand of the appointor or by his/her attorney duly authorised in writing. Where the instrument appointing a proxy or proxies is executed by a corporation, it must be executed either under its seal or under the hand of an officer or attorney duly authorised.
- (v) The instrument appointing a proxy or proxies must be submitted either:
 - (a) by post and deposited at the Company's Share Registrar, Tricor Barbinder Share Registration Services at 80 Robinson Road, #11-02, Singapore 068898; or
 - (b) electronically, via email to sg.is.proxy@sg.tricorglobal.com, not less than seventy-two (72) hours before the time appointed for the AGM.

NOTICE OF ANNUAL GENERAL MEETING

- (vii) An investor who buys shares using SRS monies ("**SRS Investor**") (as may be applicable) may attend and cast his/her vote(s) at the AGM in person. SRS Investors who are unable to attend the AGM but would like to vote, may inform their SRS Approved Nominees to appoint the Chairman of the Meeting to act as their proxy, in which case, the SRS Investors shall be precluded from attending the AGM. SRS investors who wish to appoint the Chairman of the AGM as proxy should approach their respective agent banks or SRS operators to submit their votes by 10.00 a.m. on 18 October 2022.
- (viii) All questions must be submitted no later than 10.00 a.m. on 21 October 2022 via any of the following means:
- (a) by email to shiya.ong@ots-holdings.com; or
 - (b) in hard copy by sending personally or by post to the Company's principal place of business at 30 Senoko South Road, Singapore 758088.
- Members submitting questions are required to provide their particulars as follows:
- (a) Full name (for individuals)/company name (for corporates) as per CDP/SRS account records;
 - (b) National Registration Identity Card Number or Passport Number (for individuals)/Company Registration Number (for corporates);
 - (c) Number of shares in the capital of the Company held;
 - (d) Contact Number; and
 - (e) Email Address.
- (ix) Members are strongly encouraged to submit questions and Proxy Forms electronically via email.
- (x) The Management and Board of Directors of the Company will endeavour to address all substantial and relevant questions received from members by 10.00 a.m. on 23 October 2022, or at, the AGM. The responses to those questions shall be published on SGXNet at <https://www.sgx.com/securities/company-announcements> and the Company's website at <https://www.ots-holdings.com/investor-relation>.

Personal Data Privacy

By submitting an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the annual general meeting and/or any adjournment thereof, a member of the Company (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents) for the purpose of the processing and administration by the Company (or its agents) of proxies and representatives appointed for the annual general meeting (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the annual general meeting (including any adjournment thereof), and in order for the Company (or its agents) to comply with any applicable laws, listing rules, regulations and/or guidelines and (ii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

To: The Shareholders of OTS Holdings Limited

Dear Sir/Madam

PROPOSED RENEWAL OF THE GENERAL MANDATE FOR INTERESTED PERSON TRANSACTIONS

We refer to the Notice of the Annual General Meeting of OTS Holdings Limited dated 13 October 2022 in respect of the AGM to be held at 30 Senoko South Road, Singapore 758088 on Friday, 28 October 2022 at 10.00 a.m. and Resolution 8 set out under “Special Business” in the Notice of AGM.

1. INTRODUCTION

- 1.1 The Company anticipates that the Group would, in the ordinary course of business, enter into transactions with an “interested person” (as defined in Chapter 9 of the Catalist Rules). In view of the time-sensitive and recurrent nature of such transactions, it would be advantageous for the Company to obtain a general mandate from Shareholders pursuant to Chapter 9 of the Catalist Rules to enable the Group to enter into such transactions with the interested person which are necessary for the Group’s day-to-day operations, provided that such transactions are carried out on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders.
- 1.2 Shareholders had by way of written resolutions dated 31 May 2021 approved the IPT General Mandate, the details of which are set out below. The IPT General Mandate, which was last renewed at the AGM held on 29 October 2021, will expire at the forthcoming AGM to be held on 28 October 2022.
- 1.3 Accordingly, the Directors propose to seek the approval of Shareholders for the renewal of the IPT General Mandate. The purpose of this Letter is to provide Shareholders with information relating to the proposed renewal of the IPT General Mandate.

LETTER TO SHAREHOLDERS

2. PROPOSED RENEWAL OF THE IPT GENERAL MANDATE

2.1 Name of the Mandated Interested Person

The IPT General Mandate applies to the Mandated Transactions that are carried out between any Entity at Risk and Swee Heng.

Swee Heng is principally engaged in the business of manufacturing bakery products and operating retail stores for such bakery products.

Swee Heng is an Associate of the Directors, Ong Bee Chip and Ong Chew Yong, and the Company's Controlling Shareholder, Ong Bee Song, being a company in which Ong Chu Eng (the sister of Ong Bee Chip, Ong Bee Song and Ong Chew Yong) holds a 50.0% shareholding interest and Ng Chai Huat (the brother-in-law of Ong Bee Chip, Ong Bee Song and Ong Chew Yong) holds a 30.0% shareholding interest. Accordingly, Swee Heng is deemed as an interested person under Chapter 9 of the Catalist Rules.

2.2 Categories of Mandated Transactions

From time to time, the EAR Group sells food products, including but not limited to raw materials and ready-to-eat and ready-to-cook meat products, such as ham, sausages and floss products that may be customised, to the Mandated Interested Person (the "**Mandated Transactions**").

Transactions between the Mandated Interested Person and the EAR Group which do not fall within the ambit of the Mandated Transactions shall be subject to the relevant provisions of Chapter 9 of the Catalist Rules and such guidelines as set out in the section "Interested Person Transactions – Guidelines and Review Procedures for On-going and Future Interested Person Transactions other than those covered under the IPT General Mandate" of the Company's Offer Document dated 8 June 2021.

2.3 Rationale for and benefits of the IPT General Mandate

The sale of the food products to the Mandated Interested Person occurs almost on a daily basis. The Company envisages that the Mandated Transactions are likely to continue to occur frequently, in the ordinary course of the Group's business. In view of the time-sensitive and recurrent nature of the Mandated Transactions, it would be advantageous for the Company to renew the IPT General Mandate to enable the EAR Group to enter into the Mandated Transactions, provided that the Mandated Transactions are carried out on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders. In addition, transactions with the Mandated Interested Person also represent an additional source of revenue for the EAR Group.

The IPT General Mandate and its subsequent renewal on an annual basis would eliminate the need to announce, or to announce and convene separate general meetings from time to time to seek Shareholders' prior approval as and when potential Mandated Transactions with the Mandated Interested Person arise, thereby saving substantial administrative time and costs expended in convening such meetings, without compromising the corporate objectives of the EAR Group and adversely affecting the business opportunities available to the EAR Group.

LETTER TO SHAREHOLDERS

The IPT General Mandate is intended to facilitate the Mandated Transactions in the normal course of business of the EAR Group from time to time with the Mandated Interested Person, provided that they are carried out at arm's length and on normal commercial terms, and are not prejudicial to the interests of the Company and its minority Shareholders.

2.4 Requirements of Chapter 9 of the Catalist Rules

Rule 920 of the Catalist Rules allows a listed company to seek a general mandate from its shareholders for recurrent transactions of a revenue or trading nature or those necessary for its day-to-day operations such as the purchase and sale of supplies and materials (but not for, *inter alia*, the purchase or sale of assets, undertakings or businesses) which may be carried out with the listed company's interested persons. A general mandate is subject to annual renewal.

In accordance with the requirements of Chapter 9 of the Catalist Rules, the Company will (a) disclose in the Company's annual report the aggregate value of transactions conducted with the Mandated Interested Person pursuant to the IPT General Mandate during the financial year (as well as in the annual reports for subsequent financial years that the IPT General Mandate continues to be in force); and (b) announce the aggregate value of transactions conducted with the Mandated Interested Person pursuant to the IPT General Mandate for the financial periods that the Company is required to report on pursuant to Rule 705 of the Catalist Rules within the time required for the announcement of such report.

For the avoidance of doubt, the IPT General Mandate will cover any and all Mandated Transactions, including transactions which have a value below S\$100,000, notwithstanding that the threshold and aggregation requirements under Chapter 9 of the Catalist Rules may not apply to such transactions. While transactions below S\$100,000 are not normally aggregated under Rule 905(3) and 906(2) of the Catalist Rules, the SGX-ST may aggregate any such transaction entered into during the same financial year and treat them as if they were one transaction in accordance with Rule 902 (that is, if regard has not been given to the objective of Chapter 9 of the Catalist Rules, or the economic and commercial substance of the interested person transaction, instead of legal form and technicality).

Transactions which do not fall within the ambit of the IPT General Mandate shall be subject to the relevant provisions of Chapter 9 and/or other applicable provisions of the Catalist Rules and/or any applicable law. In particular, for any transaction outside the scope of the IPT General Mandate where the value of the transaction alone or in aggregation with other transactions conducted with the same interested person during the financial year is equal to or exceeds (i) 3.0% of the Group's latest audited NTA, an immediate announcement will be required, or (ii) 5.0% of the Group's latest audited NTA, independent Shareholders' approval will be required. Transactions conducted under the IPT General Mandate are not separately subject to Rules 905 and 906 of the Catalist Rules pertaining to threshold and aggregation requirements.

The IPT General Mandate, if approved for renewal at the forthcoming AGM to be held on 28 October 2022, will be effective until the earlier of the conclusion of the next AGM of the Company or the date by which such AGM is required by law to be held. Thereafter, the Company will seek the approval of Shareholders for renewal of the IPT General Mandate at each subsequent AGM, subject to satisfactory review by the ARMC of its continued application to the Mandated Transactions with the Mandated Interested Person.

LETTER TO SHAREHOLDERS

2.5 Guidelines and Review Procedures for Mandated Transactions with the Mandated Interested Person

To ensure that the Mandated Transactions are carried out on an arm's length basis and on normal commercial terms, and will not be prejudicial to the interests of the Company and its minority Shareholders, the EAR Group has put in place the following guidelines and review procedures for the review and approval of the Mandated Transactions under the IPT General Mandate:

- (a) The guiding principle is that all Mandated Transactions shall be conducted in accordance with the EAR Group's usual business practices and pricing policies, consistent with the usual profit margins or prices extended by the EAR Group to unrelated third parties for the sale of the same or substantially similar type of products, and the terms are not more favourable to the Mandated Interested Person compared to those extended to unrelated third parties and/or are in accordance the prevailing Price List (as defined below), terms or applicable industry norms.
- (b) The prices for the sale of ready-to-eat and ready-to-cook meat products to the Mandated Interested Person (the "**Price List**") shall be determined in advance with the Mandated Interested Person and approved by the Group Financial Controller or such other senior executive (who must have no interest, direct or indirect, in the Mandated Transaction) to be appointed by the ARMC. All the sale of ready-to-eat and ready-to-cook meat products to the Mandated Interested Person shall be conducted in accordance with the Price List. The price of the ready-to-eat and ready-to-cook meat products shall generally not be more favourable to the Mandated Interested Person as compared to at least two (2) other recently completed transactions with unrelated third parties, taking into account all pertinent factors, including but not limited to minimum quantity per order, delivery notice and schedule, credit terms, payment track records as well as preferential rates/discounts offered for bulk purchases.

When determining the Price List for the sale of customised ready-to-eat and ready-to-cook meat products to the Mandated Interested Person which generally do not have similar completed transactions with unrelated third parties as comparison, the Group Financial Controller shall calculate the cost of manufacturing of the customised ready-to-eat and ready-to-cook meat products to ensure that the EAR Group will always generate a positive gross margin from such sale. The gross margin from the sale shall be comparable to the gross margins generated by the EAR Group from at least two (2) recently completed transactions with unrelated third parties of similar nature, taking into account all pertinent factors, including but not limited to minimum quantity per order, delivery notice and schedule, credit terms, payment track records, availability of production capacity as well as preferential rates/discounts offered for bulk purchases.

The Price List (and its supporting documents) shall be approved by the Group Financial Controller or such other senior executive (who must have no interest, direct or indirect, in the Mandated Transaction) to be appointed by the ARMC, and shall be reviewed and endorsed by the ARMC prior to its effective date. The Price List shall also be reviewed at least once every six (6) months or any other period deemed appropriate by the ARMC to ensure the prices in the Price List are updated taking into consideration changes to the EAR Group's cost of sales.

- (c) The prices for the sale of raw materials to the Mandated Interested Person shall be determined with reference to prices of at least two (2) other recently completed comparable transactions with unrelated third parties, the terms of which shall not be more favourable to the Mandated Interested Person as compared to unrelated third parties after taking into account all pertinent factors, including but not limited to the cost of such raw materials, the availability of such raw materials, delivery notice and schedule, credit terms and payment track records.

LETTER TO SHAREHOLDERS

- (d) In the event that it is not practicable or possible to compare such sale against the unrelated third party transactions, the Group Financial Controller or such other senior executive (who must have no interest, direct or indirect, in the Mandated Transaction) to be appointed by the ARMC, will determine whether the prices and terms offered to the Mandated Interested Person are fair and reasonable and in accordance with the EAR Group's usual business practices and pricing policies or industry norms, taking into account the historical prices charged by the EAR Group for such products and gross margin to be generated by the EAR Group from such sale.

2.6 Approval threshold for Mandated Transactions with the Mandated Interested Person

Given the low value of each Mandated Transaction (typically less than S\$20,000) and the regular frequency of the Mandated Transactions, all Mandated Transactions will be tabled to the ARMC for review and endorsement as and when the cumulative value of the Mandated Transactions during the same financial year (excluding those which have already been reviewed and endorsed or approved by the ARMC) exceeds 3.0% of the latest audited NTA of the Group.

The above approval thresholds are adopted after taking into account, among other things, the nature, volume, frequency and size of the transactions as well as the EAR Group's day-to-day operations, administration and businesses. The approval thresholds act as an additional safeguard to supplement the guidelines and review procedures implemented for the Mandated Transactions.

The ARMC may, as it deems fit, request for additional information pertaining to the transaction from independent sources or advisers. If a member of the ARMC has an interest, whether direct or indirect, in relation to that particular Mandated Transaction, he will, and will undertake to ensure that his Associates will, abstain from any decision-making in respect of that particular Mandated Transaction.

2.7 Additional review procedures for Mandated Transactions with the Mandated Interested Person

The Company will also implement the following procedures for the record keeping of all Mandated Transactions with the Mandated Interested Person:

- (a) The Company will maintain a register of the Mandated Transactions (the "**IPT Mandate Register**"). All documents related to the Mandated Transactions will be filed in a separate file (the "**IPT Mandate File**") for ease of tracking and monitoring. The IPT Mandate File will contain all forms and checklists in relation to the Mandated Transactions (including the bases on which the Mandated Transactions are entered into). The IPT Mandate File will also contain invoices and payment vouchers in relation to the Mandated Transactions. The Group Financial Controller or such other senior executive (who must have no interest, direct or indirect, in the Mandated Transaction) to be appointed by the ARMC, will review the IPT Mandate File on a monthly basis.
- (b) The ARMC shall review the IPT Mandate Register and the IPT Mandate File on a semi-annual basis (or at such frequency as the ARMC may deem necessary) to ascertain that the established review procedures to monitor the Mandated Transactions have been complied with, and carried out on normal commercial terms. Such reviews include the review of the transactions and their supporting documents or such other data deemed necessary by the ARMC. The ARMC may request for additional information pertaining to the transactions under review from independent sources, advisers or valuers as it deems fit.

LETTER TO SHAREHOLDERS

- (c) The internal auditors of the Company will, on an annual basis, review the IPT Mandate File to ascertain that the guidelines and review procedures established for the Mandated Transactions have been adhered to. Any discrepancies or significant variances from the EAR Group's usual business practices and pricing policies will be highlighted to the ARMC.
- (d) If pursuant to the relevant reviews, the ARMC is of the view that the established guidelines and review procedures as stated above have become inappropriate or insufficient to ensure that the Mandated Transactions will be conducted on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders, in view of changes to the nature of, or the manner in which, the business activities of the EAR Group are conducted, it will take such actions as it deems appropriate and/or modify or implement additional methods and procedures as necessary, and where relevant, seek a fresh Shareholders' general mandate based on new guidelines and review procedures for the Mandated Transactions. The interested persons who have an interest in the Mandated Transactions and their Associates will abstain from voting on such resolutions. The interested persons and their Associates shall also not act as proxies in relation to such resolutions unless specific instructions as to voting have been given by the Shareholders. During the period prior to obtaining a fresh general mandate from Shareholders, all transactions with the Mandated Interested Person will be subject to prior review and approval by the ARMC.
- (e) The ARMC and the Board of Directors of the Company will also ensure that all disclosure, approval and other requirements on the Mandated Transactions, including those required by prevailing laws, rules and regulations, the Catalist Rules (in particular, Chapter 9 thereof) and relevant accounting standards are complied with. Pursuant to the Catalist Rules, the Company will make the required disclosure in relation to the Mandated Transactions in its annual report during the relevant financial year under review.

3. AUDIT AND RISK MANAGEMENT COMMITTEE'S STATEMENT

The ARMC (currently comprising Dr Yu Lai Boon, Mr Chan Hiang Tiak and Ms Tan Poh Hong) has reviewed the terms of the IPT General Mandate and confirms that the method and procedures for determining the transaction prices of the Mandated Transactions under the IPT General Mandate (as disclosed in the Company's offer document dated 8 June 2021) have not changed since the last Shareholders' approval on 29 October 2021 and that such methods and procedures, if adhered to, are sufficient to ensure that the Mandated Transactions with the Mandated Interested Person will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

4. DIRECTORS' RECOMMENDATION

Having fully considered the rationale set out in this Letter, the Directors who are considered independent for the purposes of the proposed renewal of the IPT General Mandate, namely Dr Yu Lai Boon, Mr Chan Hiang Tiak and Ms Tan Poh Hong, are of the opinion that the IPT General Mandate will enhance the efficiency of the Company and the Group and is in the best interests of the Company and the Group, and therefore recommend that Shareholders vote in favour of the resolution to approve the renewal of the IPT General Mandate as set out in the Notice of AGM.

LETTER TO SHAREHOLDERS

5. INTERESTS OF DIRECTORS AND SUBSTANTIAL SHAREHOLDERS

The interests of the Directors and Substantial Shareholders in the Shares as at Latest Practicable Date, as recorded in the Register of Director's Shareholdings and the Register of Substantial Shareholders kept by the Company, are set out below:-

Accordingly, each of Ong Bee Chip and Ong Bee Song is deemed to have an interest in the Shares in which BCS has an interest, by virtue of section 7 of the Companies Act.
- (3) Ong Chew Yong is deemed to have an interest in 30,000 Shares held by her spouse, Lee Tee Chin, by virtue of section 164 of the Companies Act.
- (4) BCS is deemed to have an interest in the 720,000 Shares held by the 25 employees of the Group, by virtue of section 4 of the SFA.

6. ABSTENTION FROM VOTING

In accordance with Rule 920(1)(b)(viii) of the Catalist Rules, interested persons who have an interest in the Mandated Transactions and their Associates shall abstain from voting on the resolution approving the renewal of the IPT General Mandate. Furthermore, such interested persons shall not act as proxies in relation to such resolution unless voting instructions have been given by the appointing Shareholder.

In view of the above, the Directors, Mr Ong Bee Chip and Mdm Ong Chew Yong, and the Company's Controlling Shareholder, Mr Ong Bee Song, will abstain, and have undertaken to ensure that their respective Associates will abstain, from voting on the resolution approving the renewal of the IPT General Mandate, and the Company will disregard any votes cast on the resolution by such persons. They shall also not act as proxies in relation to such resolution unless specific voting instructions have been given by the appointing Shareholder.

IMPORTANT: PLEASE READ NOTES OVERLEAF BEFORE COMPLETING THIS PROXY FORM

Notes:

1. Please insert the total number of Shares held by you. If you have Shares entered against your name in the Depository Register (maintained by CDP), you should insert that number of Shares. If you have Shares registered in your name in the Register of Members (maintained by or on behalf of the Company), you should insert that number of Shares. If you have Shares entered against your name in the Depository Register and Shares registered in your name in the Register of Members, you should insert the aggregate number of Shares entered against your name in the Depository Register and registered in your name in the Register of Members. If no number is inserted, the instrument appointing proxy(ies) and/or representative(s) shall be deemed to relate to all the Shares held by you (in both the Depository Register and the Register of Members).
2. A proxy need not be a member of the Company.
3. A member (whether individual or corporate including a Relevant Intermediary*) appointing proxy(ies) through the instrument appointing a proxy(ies) (the “**Proxy Form**”) must give specific instructions as to his/her/its manner of voting, or abstentions from voting, failing which the appointment will be treated as invalid. This Proxy Form may be accessed via (i) SGXNet at <http://www.sgx.com/securities/company-announcements>; and (ii) the Company’s website at <https://www.ots-holdings.com/investor-relation>.
4. SRS Investors who wish to vote at the AGM should approach their respective agent banks to submit their votes at least seven (7) working days before the date of the AGM (i.e. by 10.00 a.m. on 18 October 2022). SRS Investors should not directly appoint the Chairman as proxy to direct the vote.
5. A member who is a relevant intermediary is entitled to appoint more than two (2) proxies to attend, speak and vote at the AGM, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such member. Where such member appoints more than two (2) proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the instrument appointing a proxy or proxies. A proxy need not to be a member of the Company.

*A Relevant Intermediary is:

- (a) a banking corporation licensed under the Banking Act 1970, or a wholly-owned subsidiary of such a banking corporation, whose business includes the provision of nominee services and who holds shares in that capacity;
 - (b) a person holding a capital markets services licence to provide custodial services for securities under the Securities and Futures Act 2001, and who holds shares in that capacity; or
 - (c) the Central Provident Fund Board established by the Central Provident Fund Act 1953 of Singapore, in respect of shares purchased under the subsidiary legislation made under that Act providing for the making of investments from the contributions and interest standing to the credit of members of the Central Provident Fund, if the Central Provident Fund Board holds those shares in the capacity of an intermediary pursuant to or in accordance with that subsidiary legislation.
6. A corporation which is a member may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative to attend the AGM, in accordance with Section 179 of the Companies Act 1967 (“**Companies Act**”).
 7. The Proxy Form must be under the hand of the appointor or of his attorney duly authorised in writing. Where the instrument appointing a proxy(ies) and/or representative(s) is executed by a corporation, it must be executed either under its seal, executed as a deed in accordance with the Companies Act or under the hand of an attorney or an officer duly authorised, or in some other manner approved by the Directors. Where the instrument appointing a proxy(ies) and/or representative(s) is executed by an attorney on behalf of the appointor, the letter or power of attorney or a duly certified copy thereof must be lodged at the Company’s Share Registrar, Tricor Barbinder Share Registration Services, at 80 Robinson Road, #11-02, Singapore 068898.
 8. The Proxy Form must be submitted to the Company in the following manner:
 - (a) if submitted by post, be deposited at the office of the Company’s Share Registrar, Tricor Barbinder Share Registration Services at 80 Robinson Road, #11-02, Singapore 068898; or
 - (b) if submitted electronically, be submitted via email to the Company at sg.is.proxy@sg.tricorglobal.com

in any case, not later than 10.00 a.m. on 25 October 2022 (being 72 hours before the time fixed for the AGM) and in default the Proxy Form for the AGM shall not be treated as valid.

Members are strongly encouraged to submit completed Proxy Forms via email to the email address provided above.

General:

The Company shall be entitled to reject the instrument appointing a proxy(ies) and/or representative(s) if it is incomplete, improperly completed or illegible, or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy(ies) and/or representative(s). In addition, in the case of Shares entered in the Depository Register, the Company may reject any instrument appointing a proxy(ies) and/or representative(s) lodged if the member, being the appointor, is not shown to have Shares entered against his name in the Depository Register as at 72 hours before the time appointed for holding the AGM, as certified by CDP to the Company.

Personal Data Privacy:

By submitting a Proxy Form appointing proxy(ies) and/or representative(s), the member accepts and agrees to the personal data privacy terms set out in the Notice of Annual General Meeting dated 13 October 2022.
