- 6 15,000,000 European Style Cash Settled Put Warrants expiring on 30 Sep 2026 relating to the ordinary shares of Oversea-Chinese Banking Corporation Limited (OCBC Bk MB ePW260930)

(together, the "**Warrants**")

Introduction

In the announcements dated 25 February 2026 (the "**Announcements**"), Oversea-Chinese Banking Corporation Limited (the "**Company**") announced the proposed declaration of (i) final one-tier tax exempt dividend (the "**Final Dividend**") of SGD 0.42 per ordinary share (the "**Share**") and (ii) one-tier tax exempt special dividend (the "**Special Dividend**") of SGD 0.16 per Share in respect of the financial year ended 31 December 2025 to be paid to shareholders whose names appear in the Company's Register of Members as at 5:00 p.m. on 24 April 2026. Please refer to the Announcements for further details.

The date (the "**Ex-Date**") on which the Shares are expected to commence trading on an ex-Final Dividend and ex-Special Dividend basis is 23 April 2026.

In relation to the Final Dividend and Special Dividend, Macquarie Bank Limited (the "**Issuer**") wishes to make the following adjustments to the terms and conditions of the Warrants.

The Adjustments

$$\text{Adjustment Factor (AF)} = (P - SD - OD) / (P - OD)$$

- P = the closing price of one Share on *Singapore Exchange Securities Trading Limited* ("**SGX-ST**") on the exchange business day immediately preceding the Ex-Date (which is expected to be 22 April 2026)
- SD = SGD 0.16, being the Special Dividend per Share
- OD = SGD 0.42, being the Final Dividend per Share

Exercise Price

Adjusted Exercise Price = Old Exercise Price x AF

The Exercise Price is rounded to the nearest three decimal places.

Conversion Ratio

Adjusted Conversion Ratio = Old Conversion Ratio ÷ AF

The number of Warrants relating to each Share will be adjusted (and rounded to the nearest six decimal places) as determined by the following formula:

$$\begin{array}{l} \text{Adjusted number of Warrants} \\ \text{relating to each Share} \end{array} = \text{Old number of Warrants relating to each Share} \times \text{AF}$$

The above adjustments will take effect on the Ex-Date, which is expected to be 23 April 2026.

The Issuer will make a further announcement relating to the exact Adjustment Factor after market close on 22 April 2026.
