PROFIT WARNING

This announcement is made by Yunnan Energy International Co. Limited (the “**Company**”, together with its subsidiaries collectively, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and the potential investors that, based on the information currently available and a preliminary assessment of the latest unaudited consolidated management accounts of the Group for the year ended 31 December 2025 (the “**Current Year**”), it is expected that the net loss of the Group for the Current Year will be recorded in the range of HK\$0.5 million to HK\$1.5 million as compared to the net profit of HK\$0.5 million for the year ended 31 December 2024 (the “**Prior Year**”).

Based on the analysis of the information currently available, the Group recorded a net loss for the Current Year, as compared to a net profit in the Prior Year, which was mainly due to (i) the decrease in the revenue and gross profit of the supply chain business, mainly caused by the decrease in demand for certain agricultural commodities including panax notoginseng and the Group’s tightened risk assessment measures, which resulted in a reduction in the business scale for certain commodities, including electrolytic copper; (ii) the increase of selling and distribution expenses of the supply chain business and (iii) the increase of income tax of the supply chain business.

The Company is still in the process of finalising the annual results of the Group for the Current Year. The information contained in this announcement is only based on a preliminary assessment by the Board with reference to the information currently available including the unaudited consolidated management accounts of the Group, which have not been audited or reviewed by the Company's auditor or the audit committee of the Board and may be subject to possible adjustments. The annual results of the Group for the Current Year are expected to be disclosed by the end of March 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
