**NON-COLLATERALISED WARRANTS
ANNOUNCEMENT**

**Proposed Issue of
15,000,000 European Style Cash Settled Call Warrants
relating to ordinary shares of Sheng Siong Group Ltd**

Introduction

Macquarie Bank Limited (the “**Issuer**”) wishes to announce the launch of the proposed issuance of 15,000,000 European Style Cash Settled Call Warrants (the “**Warrants**”) relating to the ordinary shares of Sheng Siong Group Ltd (the “**Underlying Shares**”). Macquarie Capital Securities (Singapore) Pte. Limited has been appointed as the designated market-maker (the “**Designated Market Maker**”) and the warrant agent (the “**Warrant Agent**”) for the Warrants.

The Warrants are cash-settled warrants which entitle a warrant holder to be paid a cash settlement amount (if positive) (the “**Cash Settlement Amount**”) in accordance with the terms and conditions of the Warrants.

Further details of the Warrants are set out below.

Entitlement/Exercise of the Warrants

The issue price of each Warrant is SGD 0.202. Every 12 Warrants will initially relate to 1 Underlying Share.

The Warrants have an exercise price of SGD 3.600 (the “**Exercise Price**”) and may only be exercised on 29 December 2026 (the “**Expiry Date**”).

Cash Settlement Amount

Warrant holders shall not be required to deliver an exercise notice. Exercise of Warrants shall be determined by whether the Cash Settlement Amount (less any Exercise Expenses) is positive. If the Cash Settlement Amount (less any Exercise Expenses) is positive, all Warrants shall be deemed to have been automatically exercised at 12:00 noon (Singapore time) on the Expiry Date (or if the Expiry Date is not a Business Day, the immediately preceding Business Day). The Cash Settlement Amount less the Exercise Expenses in respect of the Warrants shall be paid by bank transfer to the Warrant holder’s bank account as recorded with The Central Depository (Pte) Limited (“**CDP**”). In the event the Cash Settlement Amount (less any Exercise Expenses) is zero or negative, all Warrants shall be deemed to have expired at 12:00 noon (Singapore time) on the Expiry Date (or if the Expiry Date is not a Business Day, the immediately preceding Business Day) and Warrant holders shall not be entitled to receive any payment from the Issuer in respect of the Warrants.

The Cash Settlement Amount in respect of each Warrant exercised shall be an amount (if positive) payable in Singapore dollars equal to (A) (i) the arithmetic mean of the closing prices of one Underlying Share (as derived from the daily publications of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”) subject to any adjustments to such closing prices determined by the Issuer to be necessary to reflect any capitalisation, rights issue, distribution or the like) for each Valuation Date LESS (ii) the Exercise Price (subject to adjustment as provided in the terms and conditions of the Warrants) MULTIPLIED by (B) the Conversion Ratio. The Valuation Date is each of the five business days prior to and including the business day immediately before the Expiry Date. The Conversion Ratio (expressed as the number of Underlying Shares to which one Warrant relates) is 0.083333. The Exercise Price is based on the reference spot price of SGD 3.200 used for the pricing of the Warrants. The Warrants carry a premium of 88.3% and a gearing of 1.3 times.

Listing and Trading of the Warrants

An application will be made to the SGX-ST for the listing of and quotation for the Warrants. The Warrants, when issued, will be represented by a global warrant certificate to be deposited with CDP. The Warrants will be traded on the SGX-ST through the book-entry scripless settlement system of CDP. It is expected that dealings in the Warrants will commence on or about 06 July 2026 on the SGX-ST. The Warrants will be traded in Singapore dollars on the SGX-ST.

The Designated Market Maker

The Designated Market Maker will provide competitive buy and sell quotes (“**Quotations**”) for the Warrants continuously during the trading hours of the SGX-ST (with the spread between the buy and sell quotes not exceeding 10 times the minimum permitted price movement in the Warrants in accordance with the rules of the SGX-ST or SGD 0.20, whichever is the greater). The minimum quantity of Warrants to which the Quotations will apply is 10,000 Warrants.

Quotations may not be provided by the Designated Market Maker in the following circumstances:

- (a) during the pre-market opening and five minutes following the opening of the SGX-ST on any trading day;
- (b) if the Warrants are valueless (where the Issuer’s bid price is below the minimum bid size for such securities as prescribed by the SGX-ST);
- (c) where trading in the Underlying Shares is suspended or limited in a material way (including price quote limits activated by the relevant exchange or otherwise);
- (d) where the Issuer or the Designated Market Maker faces technical problems affecting the ability of the Designated Market Maker to provide bids and offer quotations;
- (e) where the ability of the Issuer to source a hedge or unwind an existing hedge, as determined by the Issuer in good faith, is materially affected by the prevailing market conditions, and the Issuer informs the SGX-ST of its inability to do so as soon as practicable;
- (f) in cases where the Issuer has no Warrants to sell, then the Designated Market Maker will only provide bid quotations. The Designated Market Maker may provide intermittent offer quotations when it has inventory of the Warrants;

- (g) if the stock market experiences exceptional price movement and volatility; and
- (h) when it is a public holiday in Singapore and the SGX-ST is not open for dealings.

The last trading day on which the Designated Market Maker will provide competitive Quotations for the Warrants would be the fifth Business Day immediately preceding the Expiry Date.

A copy of the termsheet relating to the Warrants is attached as an Appendix to this Announcement.
