PROFIT GUIDANCE FOR THE SECOND QUARTER ENDED 30 JUNE 2015

The Board of Directors of Genting Singapore PLC (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to announce that the Group is expected to report a significant decline in net profits after tax for the second quarter ended 30 June 2015 (“**2Q 2015**”). This is due mainly to fair value loss on derivative financial instruments as a result of unfavourable market conditions and unrealised foreign exchange translation losses. Notwithstanding the foregoing, on a theoretical normalised hold basis, the Group expects its adjusted EBITDA for 2Q 2015 to be comparable to the preceding quarter.

The 2Q 2015 accounts of the Group has not yet been finalised as at the date of this announcement and the information contained in this announcement is based on a preliminary assessment by the Board with reference to the information currently available.

Further details of the Group’s performance will be disclosed when the Group announces its 2Q 2015 financial results on 13 August 2015.

Shareholders and investors are advised to exercise caution when dealing in the shares of the Company.

By Order of the Board
