Disclaimer

This presentation may contain forward-looking statements. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, availability of real estate properties, competition from other developments or companies, shifts in customer demands, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training, property operating expenses), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business.

You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of management regarding future events. No representation or warranty express or implied is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained in this presentation. Neither CapitaLand China Trust Management Limited ("**Manager**") nor any of its affiliates, advisers or representatives shall have any liability whatsoever (in negligence or otherwise) for any loss howsoever arising, whether directly or indirectly, from any use of, reliance on or distribution of this presentation or its contents or otherwise arising in connection with this presentation.

The past performance of CapitaLand China Trust ("CLCT") is not indicative of future performance. The listing of the units in the CLCT ("**Units**") on the Singapore Exchange Securities Trading Limited (SGX-ST) does not guarantee a liquid market for the Units. The value of the Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in the Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request that the Manager redeem or purchase their Units while the Units are listed on the SGX-ST. It is intended that holders of Units may only deal in their Units through trading on the SGX-ST.

This presentation is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for the Units.

Retail Portfolio

A large crowd of people is gathered at a retail event. In the foreground, a woman with long dark hair is taking a selfie with a smartphone. She is wearing a dark blue top and has a white shopping bag with a pattern on it. To her left, a man in a grey hoodie is smiling and holding a smartphone up. A young girl in a pink hoodie is also visible. In the background, many other people are present, some holding up their phones. A large white balloon is on the right side of the image. The scene is brightly lit, suggesting an indoor or well-lit outdoor event.
