EXPLANATORY NOTES**Resolutions 3 to 6**

Each of the Directors who have offered themselves for re-election has confirmed that, save as disclosed in the Annual Report 2016, he does not have any relationships (including immediate family relationships) with the other Directors, the Company or its 10% shareholders. A list of all current directorships in other listed companies and details of other principal commitments held by each of these Directors can be found on pages 16 to 21 of the Annual Report 2016.

Resolution 7

Resolution 7 is to approve the payment of an aggregate amount of S\$1,752,233 (2015: S\$1,749,212) as Directors' compensation for the non-executive Directors of the Company for the year ended 31 December 2016. It is currently intended that, if approved, the relevant non-executive Directors who hold office as at the payment date (except for those who hold public sector appointments and who will not be eligible for the shares component of the non-executive Directors' compensation) will each receive 70% of his or her Directors' compensation for 2016 in cash and 30% of his or her Directors' compensation for 2016 in the form of restricted share awards pursuant to the Singapore Technologies Engineering Restricted Share Plan 2010. The number of shares to be awarded will be determined by reference to the volume-weighted average price of a share on the Singapore Exchange Securities Trading Limited (the "SGX-ST") over the 14 trading days immediately following the date of the forthcoming Annual General Meeting, rounded down to the nearest hundred, and any residual balance will be settled in cash. The award will consist of the grant of fully paid shares, with no vesting periods imposed. However, in order to encourage alignment of the interests of the Directors with the interests of shareholders, a non-executive Director is required to hold the shares for certain moratorium periods. See the section on "Directors' Fee Policy" in the Corporate Governance section on page 90 of the Annual Report 2016 for details and rationale in relation to the shares component of the non-executive Directors' compensation.

Resolution 9

Resolution 9 is to empower the Directors to issue shares of the Company and to make or grant instruments (such as warrants or debentures) convertible into shares, and to issue shares in pursuance of such instruments, up to a number not exceeding 50 per cent. of the total number of issued shares (excluding treasury shares) of the Company, of which up to five per cent. of the total number of issued shares (excluding treasury shares) may be issued other than on a *pro rata* basis to shareholders. For the purpose of determining the aggregate number of shares that may be issued, the percentage of issued shares shall be based on the total number of issued shares (excluding treasury shares) of the Company at the time that Resolution 9 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time that Resolution 9 is passed, and (b) any subsequent bonus issue or consolidation or subdivision of shares.

Resolution 10

Resolution 10 is to empower the Directors to grant awards and to issue ordinary shares of the Company pursuant to the Singapore Technologies Engineering Performance Share Plan 2010 and the Singapore Technologies Engineering Restricted Share Plan 2010 (collectively, the "Share Plans"). The aggregate number of new ordinary shares allotted and issued and/or to be allotted and issued, when aggregated with existing ordinary shares (including ordinary shares held in treasury) delivered and/or to be delivered, pursuant to the Share Plans is limited to eight per cent. of the total number of issued ordinary shares of the Company (excluding treasury shares) over the 10-year duration of the Share Plans.

Resolution 11

Resolution 11 is to renew the mandate, as proposed to be modified, to enable the Company, its subsidiaries and associated companies that are considered to be "entities at risk" (as that term is used in Chapter 9 of the Listing Manual of the SGX-ST) (the "EAR Group"), or any of them, to enter into certain interested person transactions with specified classes of interested persons, as described in the Letter to Shareholders dated 24 March 2017 (the "Letter"). The proposed modifications are mainly to enhance and refine certain of the general transactions covered by the mandate in order to accommodate the overall expansion and growth of the EAR Group's activities following recent acquisitions and restructuring of the EAR Group's businesses. Please refer to the Letter for more details.

Resolution 12

Resolution 12 is to renew the mandate to allow the Company to purchase or otherwise acquire its issued ordinary shares, on the terms and subject to the conditions set out in the Resolution. The Company intends to use its internal sources of funds to finance the purchase or acquisition of its ordinary shares. The amount of financing required for the Company to purchase or acquire its ordinary shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on, *inter alia*, whether the ordinary shares are purchased or acquired out of profits and/or capital, the number of ordinary shares purchased or acquired, the price at which such ordinary shares were purchased or acquired and whether the ordinary shares purchased or acquired are held in treasury or cancelled.

Based on the existing issued ordinary shares as at 27 February 2017 (the "Latest Practicable Date"), the purchase by the Company of 2% of its issued ordinary shares (excluding any ordinary shares held in treasury) will result in the purchase or acquisition of 62,200,304 ordinary shares.

In the case of market purchases by the Company and assuming that the Company purchases or acquires the 62,200,304 ordinary shares at the maximum price of S\$3.8640 for one ordinary share (being the price equivalent to 5% above the average of the last dealt prices of the ordinary shares for the five consecutive market days on which the ordinary shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 62,200,304 ordinary shares is S\$240,341,975.

In the case of off-market purchases by the Company and assuming that the Company purchases or acquires the 62,200,304 ordinary shares at the maximum price of S\$4.0480 for one ordinary share (being the price equivalent to 10% above the average of the last dealt prices of the ordinary shares for the five consecutive market days on which the ordinary shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 62,200,304 ordinary shares is S\$251,786,831.

The financial effects of the purchase or acquisition of such ordinary shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Group and the Company for the financial year ended 31 December 2016 based on these assumptions are set out in paragraph 3.7.4 of the Letter.

Please refer to the Letter for more details.
