**PROFIT GUIDANCE ON THE  
UNAUDITED FINANCIAL RESULTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022**

---

The board of directors (the "**Board**") of Biolidics Limited (the "**Company**" and together with its subsidiaries, the "**Group**") wishes to announce that following a preliminary review of the Group's unaudited financial statements for the financial year ended 31 December 2022 ("**FY2022**"), the Group is expected to report a higher net loss after tax for FY2022, as compared to the net loss after tax of approximately S\$5.98 million for the previous financial year ended 31 December 2021 ("**FY2021**").

Based on the information currently available to the Company, the expected increase in net loss after tax for FY2022 as compared to FY2021 was mainly attributable to increases in (i) impairment losses on intangible assets, goodwill, and plant & equipment; (ii) allowance for inventories obsolescence; and (iii) employee benefits expenses.

The Company is still in the process of finalising the financial results of the Group for FY2022. The information contained in this announcement is only based on a preliminary assessment by the Board with reference to the information currently available to it. Further details of the Group's performance for FY2022 will be disclosed when the Company announces its unaudited financial results for FY2022 on or before 1 March 2023.

Shareholders and potential investors are reminded to exercise caution when dealing in the securities of the Company and should consult their stockbrokers, bank managers, solicitors, accountants, or other professional advisers if they are in doubt about the actions that they should take.
