INCIDENT INVOLVING CHARTERED-IN VESSEL

The Board of Directors (the “**Board**”) of Samudera Shipping Line Ltd (the “**Company**” or, together with its subsidiaries, the “**Group**”) wishes to announce that a chartered-in container vessel, Golden Star 1, deployed on the Group’s Singapore-Pasir Gudang service sank while en route on 5 June 2026 at approximately 11.00 PM Singapore time.

All crew members were safely evacuated and there were no casualties.

The Company is working closely with the vessel owner, the maritime authorities of Singapore and Indonesia, insurers and other relevant parties in cargo recovery efforts and the implementation of any necessary anti-pollution measures, where required.

The vessel is owned and managed by a third-party shipowner and was under charter and operated by the Company for this service. The Company’s relevant liabilities arising from this incident is expected to be substantially covered by the charterers’ liability insurance and owners’ protection and indemnity (P&I) insurance. The Company does not foresee any significant impact to the business and financials of the Group.

A replacement vessel is being arranged to maintain service continuity on the Singapore-Pasir Gudang route.

The Company will provide further updates as and when there are material developments.

By order of the Board,

Bani Maulana Mulia
Executive Director and Group Chief Executive Officer
