(Incorporated in the Republic of Singapore)

MYANMAR OPERATIONS LARGELY UNAFFECTED BY RECENT EARTHQUAKE

The Board of Directors (the “**Board**”) of Soilbuild Construction Group Ltd. (the “**Company**”, and together with its subsidiaries, the “**Group**”) refers to the unfortunate disaster in Myanmar caused by an earthquake of 7.7 magnitude which struck the Sagaing region near Mandalay in Myanmar on 28 March 2025.

The Board wishes to update the shareholders that the Group’s Myanmar operations are located in Yangon which is in the Southern part of Myanmar, and are of some distance away from the epicentre of the earthquake in Central Myanmar. The Group’s employees are safe and facilities and operations in Myanmar are largely unaffected by the recent seismic activity.

The Group remains committed to the safety and well-being of its employees and to maintaining its business operations in Myanmar. We will continue to monitor the situation closely and provide updates as necessary.
