

CORTINA HOLDINGS LIMITED
(Incorporated in the Republic of Singapore)
(Company Registration No. 197201771W)

**DISPOSAL OF UNIT IN THE ADELPHI, 1 COLEMAN STREET (#05-06)
SINGAPORE 179803 (THE “PROPERTY”) PURSUANT TO THE GENERAL
MANDATE (THE “DISPOSAL”)**

The Board of Directors of Cortina Holdings Limited (the “Company”, and together with its subsidiaries, collectively the “Group”) wishes to announce that the Company had on 8 December 2014 granted an Option to Purchase (the “Option”) in respect of the Property.

The Option was granted pursuant to the General Mandate obtained from Shareholders at the Extraordinary General Meeting of the Company held on 30 July 2013. The terms of the General Mandate are more particularly set out in Section 4 of the Circular to Shareholders dated 15 July 2013 (the “Circular”). Unless the context requires otherwise, the terms used in this Announcement shall have the same meaning as in the Circular.

In accordance with the terms of the General Mandate, the following disclosures are provided pursuant to Rule 1010 of the Listing Manual:

1. Particulars of the Property

The Property, namely 1 Coleman Street, #05-06, Singapore 179803 being Strata Lot TS10-U1794L, is comprised in Subsidiary Strata Certificate of Title Vol 840 Folio 98. The Property is not tenanted.

2. Particulars of the Purchaser

The Option has been granted to Jun Yuan Holdings Pte Ltd, Company Registration Number 199300948D, a company incorporated in Singapore and having its registered office at 18 Woodlands Terrace, Singapore 738443 (the “Purchaser”) and/or its nominees. The Purchaser is not a Substantial Shareholder or a Controlling Shareholder of the Company, or an Associate of a Substantial Shareholder, Controlling Shareholder, a Director or the CEO of the Company.

3. Value of the consideration and factors taken into account.

3.1 The Sale Price of the Property is S\$5,403,300 excluding goods and services tax. The Sale Price was arrived at on a “willing buyer-willing seller” basis and took into account the factors set out in the General Mandate, namely:

- (a) the valuations of the Property as set out in the valuation certificates from

Colliers and DTZ. In this regard the Sale Price of the Property was approximately 7% less than the market valuation by Colliers of S\$5,790,000 and approximately 5% less than the market valuation by DTZ of S\$5,700,000. The Company did not commission any further valuation of the Property since the market valuations obtained from Colliers and DTZ in connection with the Circular;

- (b) the book value of the Property. In this regard, the Sale Price of the Property was at a 17% premium to its book value as at 30 November 2014;
- (c) the prevailing property market conditions at the time of grant of the Option. In this regard, the Sale Price was based on the prevailing property market conditions at the time of grant of the Option;
- (d) the potential cost savings to the Company from the Sale of the Property, taking into account the holding costs of delaying the sale of the Property against any potential gains from being able to secure a better Sale Price at a later date. In this regard, the Board had taken into account the holding costs of the Property from the date the General Mandate was granted up to the date of the Option (amounting to approximately S\$158,000 comprising depreciation, interest expense, premise service cost and property tax) against the prospects of being able to secure a better Sale Price in a softening property market; and
- (e) the particular circumstances relevant to each such sale including the relative bargaining positions and commercial objectives of the respective parties, and the risk allocations which are negotiated between the parties in the Sale Conditions. The Sale Conditions were negotiated on arms-length commercial terms.

3.2 The Board is of the view that the Sale Price was the most favourable Sale Price and was the highest value available to the Company after taking into account all relevant considerations, in the best interest of the Company. The Net Disposal Proceeds upon the completion of the sale of the Property (which are estimated to be approximately S\$5,356,724) will be greater than its Acquisition Cost.

4. Satisfaction of consideration, terms of payment, and material conditions.

4.1 The Sale Price shall be paid in the following manner:

- (a) An Option Fee of S\$54,033 (equal to 1% of the Sale Price) has been paid to the Company on the grant of the Option;
- (b) A sum of S\$216,132 shall be paid to the Company upon the acceptance of the Option (equal to 4% of the Sale Price); and

- (c) The balance of the Sale Price being the sum of S\$5,133,135 (equal to 95% of the Sale Price) shall be paid on completion of the sale of the Property.

The sum of S\$270,165 (being the aggregate of the Option Fee and the sum payable upon the acceptance of the Option) shall constitute the Deposit.

4.2 The Option must be exercised by 22 December 2014 at 4 p.m. ("Option Expiry Date") failing which it shall lapse and the Option Fee shall be forfeited by the Company. If the Option is accepted by the Option Expiry Date, completion of the sale and purchase of the Property shall take place on 27 April 2015. The Property is sold on an "as is" basis and with vacant possession to be delivered on completion.

5. Rationale for the Disposal and use of proceeds
