Notes

⁽¹⁾ Computed based on loss attributable to owners of the Company for the respective financial periods/years divided by the weighted average number of ordinary shares in issue during the respective financial periods/years.

⁽²⁾ As there are no dilutive potential ordinary shares that were outstanding during the respective financial periods/years, the diluted loss per share is the same as the basic loss per share.

E. Notes to the Condensed Interim Consolidated Financial Statements

1. Corporate information

Versalink Holdings Limited (the "Company") is incorporated in Singapore with limited liability. The Company is listed on the Catalist board of the Singapore Exchange Securities Trading Limited on 24 September 2014.

The board of directors approved and authorised these condensed interim consolidated financial statements for issue on the date of this announcement. The directors have the power to amend and reissue the financial statements.

These condensed interim consolidated financial statements as at and for the six months and full year ended 28 February 2022 comprise the Company and its subsidiaries (the "Group").

The principal activities of the Company are those of an investment holding company and the provision of management services.

The principal activities of the subsidiaries are manufacturing, marketing and sale of system furniture and other furniture related products.

The financial information contained in this announcement has neither been audited nor reviewed by the Company's auditors.

The latest audited annual financial statements of the Group are not subject to an adverse opinion, qualified opinion or disclaimer of opinion issued by the Company's auditors.

The condensed interim consolidated financial statements are presented in Ringgit Malaysia ("RM") and all financial information have been rounded to the nearest thousand (RM'000), except when otherwise stated.

Uncertainties relating to the COVID-19 pandemic

Management has not identified any material uncertainties resulting from the Covid-19 pandemic and the aftermath of the pandemic surrounding the reporting entity's business, and accordingly no further disclosures are made in these financial statements.

2. Basis of preparation

The condensed interim consolidated financial statements for the six months and full year ended 28 February 2022 have been prepared in accordance with Singapore Financial Reporting Standards (International) ("SFRS(I)s") 1-34 Interim Financial Reporting issued by the Accounting Standards Council Singapore.

The condensed interim consolidated financial statements do not include all the information required for a complete set of financial statements. However, selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Group's financial position and performance of the Group since the last condensed interim consolidated financial statements for the six months ended 31 August 2021.

Condensed Interim Consolidated Financial Statements for the Six Months and Full Year ended 28 February 2022 (Unaudited)

2. Basis of preparation (Continued)

The accounting policies and methods of computation adopted are consistent with those adopted by the Company in its most recently audited annual consolidated financial statements for the year ended 28 February 2021, which were prepared in accordance with SFRS(I)s, except for the adoption of new and amended standards as set out in Note 2.1 below

Accounting convention

The condensed interim consolidated financial statements are prepared on a going concern basis under the historical cost convention except where a financial reporting standard requires an alternative treatment (such as fair values) as disclosed where appropriate in these financial statements. The accounting policies in the financial reporting standards may not be applied when the effect of applying them is not material. The disclosures required by financial reporting standards may not be provided if the information resulting from that disclosure is not material.

2.1 New and amended standards adopted by the Group

Other than the adoption of the new and amended standards from prior reporting year, there were no changes in accounting policies and methods of computation adopted in the condensed interim consolidated financial statements as compared to the most recently audited annual consolidated financial statements for the year ended 28 February 2021, which were in accordance with SFRS(I)s. These applicable new and amended standards did not require any significant modification of the measurement methods or the presentation in the financial statements.

2.2 Critical judgements, assumptions and estimation uncertainties

These estimates and assumptions are periodically monitored to ensure they incorporate all relevant information available at the date when financial statements are prepared. However, this does not prevent actual figures differing from estimates. The nature and the carrying amount of such significant assets and liabilities are disclosed with further details in the relevant Notes to these condensed interim consolidated financial statements.

The significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that were applied to the audited annual consolidated financial statements as at and for the year ended 28 February 2021.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

3 Seasonal operations

The Group's business are not affected significantly by seasonal or cyclical factors during the financial year.

Condensed Interim Consolidated Financial Statements for the Six Months and Full Year ended 28 February 2022 (Unaudited)

4. Segment and revenue information

The Group is organised into the following major business segments:

- (i) Domestic sales segment ("Domestic") sales of office furniture derived from local market; and
- (ii) Export sales segment ("Export") sales of office furniture to countries overseas.

These operating segments are reported in manner consistent with internal reporting provided to the operating decision maker who are responsible for allocating resources and assessing performance of the operating segments.

2. Review of the performance of the Group

2.1 Review of Statement of Profit or Loss and Other Comprehensive Income

Turnover

The Group's revenue increased by approximately RM2.4 million or approximately 6.6% from approximately RM35.4 million for financial year ended 28 February 2021 ("FY2021") to approximately RM37.8 million for financial year ended 28 February 2022 ("FY2022").

The revenue contribution by export segment amounted to 76.5% and 78.4% of the Group's total revenue in FY2022 and FY2021 respectively whilst the revenue contribution by domestic segment amounted to 23.5% and 21.6% of the Group's total revenue in FY2022 and FY2021 respectively.

The export segment recorded a higher revenue of approximately RM28.9 million in FY2022, as compared to approximately RM27.8 million in FY2021. The revenue generated from North America, Singapore and other countries increased by approximately RM3.0 million from approximately RM18.5 million in FY2021 to approximately RM21.5 million in FY2022.

The domestic segment recorded a higher revenue of approximately RM8.9 million in FY2022, as compared to approximately RM7.6 million in FY2021. The increase in revenue was mainly due to higher revenue generated from the Northern region and Central region of Peninsular Malaysia. Northern region revenue increased by approximately RM1.1 million from approximately RM1.0 million in FY2021 to approximately RM2.1 million in FY2022, while Central region revenue increased by approximately RM0.2 million from approximately RM5.6 million in FY2021 to approximately RM5.8 million in FY2022.

The Group's factory in Malaysia resumed operations on 15 August 2021 after the production halted under the Malaysia nationwide Full Movement Control Order 3.0 (FMCO 3.0) which started from 1 June 2021. Production recovered in the month from September 2021 onwards as our work-force returned to pre-COVID working level. As such, the Company is able to speed up production to fulfil orders for export and domestic customers which were placed before production halted under FMCO 3.0. This contributed to the increase in revenue for both export and domestic segments in FY2022 as compared to FY2021.

Other Information Required Pursuant to Appendix 7C of the Singapore Exchange Securities Trading Limited Listing Manual Section B: Rules of Catalist ("Catalist Rules")

2.1 Review of Statement of Profit or Loss and Other Comprehensive Income (continued)

Gross profit

The gross profit and gross profit margin improved from approximately RM6.5 million and 18.4% in FY2021 to approximately RM8.5 million and 22.4% in FY2022. The increases in gross profit and gross profit margin were in tandem with the increase in the Group's revenue by 6.6%, while cost of sales increased slightly by 1.3% due to enhanced cost control implemented by Group during FY2022.

Gross profit and gross profit margin for export segment increased from approximately RM3.9 million and 13.9% in FY2021 to approximately RM6.3 million and 21.7% in FY2022. The gross margin and gross profit margin improved mainly due to the improvement in productivity ie. reduction in direct material consumption at 54.0% of export revenue in FY2022 (FY2021: 58.1%), reduction of staff cost at 16.0% of export revenue in FY2022 (FY2021: 17.5%), reduction of production overhead at 11.3% of export revenue in FY2022 (FY2021: 12.1%), as a result of enhanced cost control implemented during FY2022.

Despite the increase in revenue for domestic segment, the gross profit and gross profit margin of domestic segment reduced from approximately RM2.6 million and 34.5% in FY2021 to approximately RM2.2 million and 24.6% in FY2022 mainly due to profit margin erosion caused by stiff competition in domestic market.

Interest income

Interest income reduced from approximately RM0.3 million in FY2021 to approximately RM0.2 million in FY2022 mainly due to the decrease in interest income from associate of approximately RM0.2 million in FY2021 to approximately RM0.1 million in FY2022 and interest income from banks of approximately RM0.09 million in FY2021 to approximately RM0.07 million in FY2022 after the withdrawal of investments in short to medium-term fixed income fund ("financial assets") of approximately RM2.4 million in FY2022.

Other income and gains

Other income and gains increased from approximately RM0.6 million in FY2021 to approximately RM1.6 million in FY2022. The increase was mainly due to insurance claim submitted and approved in relation to the flood in Malaysia in December 2021 of approximately RM0.7 million in FY2022 (FY2021: Nil), gain on disposal of plant and equipment of approximately RM0.1 million in FY2022 (FY2021: Nil), write back of impairment allowance for trade receivable and associates approximately RM0.3 million and RM0.1 million respectively in relation to collection of long outstanding debts in FY2022 (FY2021: RM0.2 million and Nil), partially offset by the reduction of wages subsidy of approximately RM0.2 million in FY2022 (FY2021: RM0.2 million).

Marketing and distribution expenses

Marketing and distribution expenses increased by approximately RM0.4 million or approximately 12.1% from approximately RM3.4 million in FY2021 to approximately RM3.8 million in FY2022. This was mainly due to the increase of carriage outwards of approximately RM1.0 million in FY2022, increase of legal fees of approximately RM0.1 million in FY2022 partially offset by the reduction in staff costs of approximately RM0.3 million, reduction in depreciation of right-of-use of approximately RM0.3 million in FY2022 and reduction in depreciation expenses of approximately RM0.1 million.

Administrative expenses

Administrative expenses decreased by approximately RM0.7 million or approximately 10.2% from approximately RM6.4 million in FY2021 to approximately RM5.8 million in FY2022. This was mainly due to reduction of staff costs of approximately RM0.3 million; levy expenses of approximately RM0.1 million; upkeep of office equipment of approximately RM0.1 million; and water and electricity of approximately RM0.1 million in FY2022.

Other Information Required Pursuant to Appendix 7C of the Singapore Exchange Securities Trading Limited Listing Manual Section B: Rules of Catalist ("Catalist Rules")

2.1 Review of Statement of Profit or Loss and Other Comprehensive Income (continued)

Other losses

Other losses increased from approximately RM1.5 million in FY2021 to approximately RM2.9 million in FY2022 mainly due to allowance for impairment on trade receivables of approximately RM1.4 million (FY2021: RM0.4 million); and provision for litigation of approximately RM0.8 million in relation to a litigation involving a subsidiary in FY2022 (FY2021: Nil), partially offset by the absence of foreign exchange loss recorded in FY2021 of approximately RM0.4 million.

Finance costs

Finance costs reduced from approximately RM0.2 million in FY2021 to approximately RM0.1 million in FY2022 mainly due to reduction of letter of credit charges of approximately RM0.08 million and interest on lease liabilities arising from right-of-use asset of approximately RM0.03 million, partially offset by the increase in banker's acceptance, bank overdraft and term loan interest amounted to a total of approximately RM0.02 million.

Income tax expense

Income tax expense comprises current income tax expense and underprovison for taxation in prior years. Provision of current year taxation amounted to RM0.01 million provided for in FY2022 while RM0.002 million was provided for in FY2021. Underprovision of taxation in FY2022 are RM0.03 million while underprovision of taxation in FY2021 are RM0.04 million.

Loss, net of income tax

As a result of the above, the Group reported a net loss after tax of approximately RM2.4 million in FY2022 as compared to a net loss after tax of approximately RM4.2 million in FY2021.

2.2 Review of Statement of Financial Position

Non-Current Assets

As at 28 February 2022, the Group's non-current assets amounted to approximately RM28.9 million or approximately 50.0% of the Group's total assets which comprised property, plant and equipment.

Current Assets

As at 28 February 2022, the Group's current assets amounted to approximately RM28.8 million or approximately 50.0% of the Group's total assets and comprised the following:

- inventories of approximately RM13.1 million or approximately 45.5% of the Group's total current assets, which comprised raw materials, work-in-progress and finished goods;
- (ii) trade and other receivables of approximately RM4.5 million or approximately 15.5% of the Group's total current assets. The decrease in trade and other receivables of approximately RM1.1 million was mainly due to the additional allowance for impairment of trade and other receivables of approximately RM1.6 million which the management has assessed that the probability of collection of the outstanding trade and other receivables is low;

2.2 Review of Statement of Financial Position (continued)

Current Assets (continued)

- (iii) other non-financial assets of approximately RM2.2 million or approximately 7.7% of the Group's total current assets. The decrease in other non-financial assets of approximately RM1.2 million was mainly due to the deposit paid for the purchase of plant and equipment of approximately RM1.1 million in FY2021, which was recognised as plant and equipment in FY2022;
- (iv) no other financial assets was recorded as at 28 February 2022 due to withdrawal of financial assets of approximately RM2.4 million during FY2022; and
- (v) cash and cash equivalents of approximately RM9.1 million or approximately 31.4% of the Group's total current assets.

Non-Current Liabilities

As at 28 February 2022, the Group's non-current liabilities amounted to approximately RM0.8 million or approximately 6.9% of the Group's total liabilities and comprised the following:

- deferred tax liabilities of approximately RM0.2 million or approximately 22.2% of the Group's total noncurrent liabilities; and
- (ii) other financial liabilities of approximately RM0.6 million or approximately 77.8% of the Group's total noncurrent liabilities. The increase in other financial liabilities was due to drawdown of bank term loan of approximately RM0.6 million.

Current Liabilities

As at 28 February 2022, the Group's current liabilities amounted to approximately RM10.6 million or approximately 93.1% of the Group's total liabilities and mainly comprised the following:

- income tax payable of approximately RM0.001 million or approximately 0.1% of the group's current liabilities;
- trade and other payables of approximately RM6.9 million or approximately 64.6% of the Group's total current liabilities which consist mainly of trade payables of approximately RM4.0 million and other payables of approximately RM2.9 million;
- (iii) other financial liabilities of approximately RM2.9 million or approximately 27.4% of the Group's total current liabilities. The decrease in other financial liabilities of approximately RM1.8 million was mainly due to repayment of bankers' acceptance and term loan of approximately RM2.2 million, partially offset by drawdown of bank term loan of approximately RM0.5 million; and
- (iv) provisions of approximately RM0.8 million or approximately 7.9% of the Group's total current liabilities. The provisions was due to a litigation involving a subsidiary in FY2022.

Shareholders' equity

As at 28 February 2022, the Group's equity attributable to equity holders was approximately RM46.3 million, comprising share capital of approximately RM62.5 million, and net capital deficit of approximately RM16.2 million.

2.2 Review of Statement of Financial Position (continued)

Working Capital Position

The Group reported a positive working capital position of approximately RM18.2 million as at 28 February 2022, as compared to approximately RM19.1 million as at 28 February 2021.

2.3 Review of Statement of Cash Flows

As at 28 February 2022, the Group recorded cash and cash equivalents of approximately RM8.1 million as compared to approximately RM5.1 million as at 28 February 2021.

Net cash from operating activities for FY2022 amounted to approximately RM4.4 million. This was mainly due to operating cash outflows before changes in working capital of approximately RM0.2 million and net working capital inflows of approximately RM4.6 million mainly due to the withdrawal of investments in financial assets of approximately RM2.4 million.

Net cash used in investing activities for FY2022 amounted to approximately RM0.9 million. This was mainly due to purchase of plant and equipment of approximately RM1.2 million, which was partially offset by proceeds from disposal of plant and equipment totalling approximately RM0.1 million and interest income received of approximately RM0.2 million.

Net cash used in financing activities for FY2022 amounted to approximately RM0.5 million. This was mainly due to repayment of banker's acceptance and term loan of approximately RM1.0 million and interest expenses of approximately RM0.1 million, partially offset by repayment from associate of approximately RM0.6 million.

3. Where a forecast, or a prospect statement, has been previously disclosed to shareholders, any variance between it and the actual results

No forecast or prospect statement was previously disclosed to shareholders of the Company.

4. A commentary at the date of the announcement of the significant trends and competitive conditions of the industry in which the Group operates and any known factors or events that may affect the Group in the next operating period and the next 12 months

The global economy is recovering from the impact of the COVID-19 pandemic that resulted in movement restrictions as vaccination continues and lockdowns have or are being lifted in several countries.

However, the downside risks to global economic growth remain, given uncertainties surrounding the evolution of COVID-19 virus spreads, heightened geopolitical tension ie Russia-Ukraine conflict, shortage of workers, particularly in our office furniture manufacturing industry, escalating material costs and ongoing global shortage of containers.

The Group will continue to focus on controlling costs, improving productivity, tightening the credit management, maintaining safety inventory level, exploring new markets and developing new products. Notwithstanding the uncertainties in the global economy and challeging time ahead for Malaysia manufacturers, the Group will continue to safeguard its position in the office furniture industry.
