**PROFIT GUIDANCE FOR HALF YEAR ENDED 31 DECEMBER 2024**

---

The Board of Directors (the “**Board**”) of Zhongxin Fruit and Juice Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”), wishes to announce that, following a preliminary review of the unaudited financial results for the half year ended 31 December 2024 (“**HY2025**”), the Group is expected to report a significantly higher revenue and net profit for HY2025 as compared to the half year ended 31 December 2023 (“**HY2024**”).

This increase in revenue and corresponding net profit for HY2025 is mainly due to a substantial increase in total sales volume as compared to HY2024, arising from higher customer demand for the concentrated fruit juices and fructose produced by the Group. This increase in demand could be attributable to end customers looking to increase their inventory levels to manage the stability in their supply chain. The Group is in the process of finalising its financial results for HY2025 and further details of the Group financial results will be disclosed when the Company announces its financial results for HY2025 by 14 February 2025.

In the meantime, shareholders and investors are advised to exercise caution when dealing in the shares of the Company. In the event of any doubt, shareholders of the Company should consult their stockbrokers, bank managers, solicitors, accountants and other professional advisers.
