SGX launches stock and company information portal StockFacts for investors

Singapore Exchange (SGX) today launched a new research and company fundamentals portal on its website.

The portal, called SGX StockFacts, has several features, including:

- A comprehensive research database, covering stock fundamentals for all SGX-listed companies
- Customised search, giving investors flexibility to filter stocks across 20 screening criteria
- New proprietary tools, including S&P Capital IQ Alpha Factor Composites, which ranks stocks based on eight investment style classifications
- Ability to chart a company's financials for the last five years
- Downloading and printing of company snapshots for easy analysing

Mita Natarajan, Head of Corporate Services, Listings, SGX, said: "SGX has enhanced many aspects of the stock market in recent months. The SGX StockFacts portal, which presents vital research and stock fundamentals on all SGX-listed companies in a user-friendly way, is yet another improvement to add value to investors and companies. It will help investors make more informed investment decisions, raise the visibility of our companies and add vibrancy to the stock market."

SGX StockFacts is collaboration between SGX and S&P Capital IQ, a business unit of McGraw Hill Financial and a provider of multi-asset class research, data and analytics.
It can be accessed through SGX's corporate website at www.sgx.com/stockfacts.

About Singapore Exchange (SGX)

Singapore Exchange (SGX) is the Asian Gateway, connecting investors in search of Asian growth to corporate issuers in search of global capital. SGX represents the premier access point for managing Asian capital and investment exposure, and is Asia's most international exchange with about 40% of companies listed on SGX originating outside of Singapore. SGX offers its clients the world's biggest offshore market for Asian equity index futures, centred on Asia's three largest economies – China, India and Japan.

In addition to offering a fully integrated value chain from trading and clearing, to settlement and depository services, SGX is also Asia's pioneering central clearing house. Headquartered in Asia's most globalised city, and centred within the AAA strength and stability of Singapore's island nation, SGX is a leading Asian counterparty for the clearing of financial and commodity products.
