Incident onsite at Woodman Point

PERTH – 20 April 2018 Today, Friday 20 April 2018 Civmec Construction and Engineering Pty Ltd is deeply saddened to announce we lost one of our own at the Woodman Point Wastewater Treatment Plant in an industrial accident. The details of the incident are not yet known. Worksafe and the emergency services have been notified and are present on site.

All our thoughts are with the employee's family at this time.

Civmec will work with the authorities to determine the cause of the incident.

Our workforce is being offered counselling support.

Civmec's Chief Executive Officer Mr. Patrick Tallon has attended the family residence and made himself available to the family.

Mr. Patrick Tallon, Chief Executive Officer of Civmec, said, "We would like to send our condolences to the family and fellow colleagues, we are supporting all involved during this difficult time."

About Civmec Limited

Civmec is an integrated, multi-disciplinary construction and engineering services provider to the oil and gas, metals and minerals, infrastructure and defence sectors.
