(Company Registration Number: 201311482K)

(Incorporated in the Republic of Singapore on 29 April 2013)

LOSS GUIDANCE FOR THE HALF YEAR PERIOD ENDED 30 JUNE 2026

The Board of Directors of Kim Heng Ltd. (the “**Company**”) wishes to inform the shareholders and potential investors that based on the information currently available and the management’s preliminary review of the unaudited consolidated financial results of the Company and its subsidiaries (the “**Group**”) for the financial period ended 30 June 2026 (“**HY2026**”), it is expected that the Group will be in net loss position for HY2026 when compared to that for the financial period ended 30 June 2025.

The Group’s expected loss for HY2026 was mainly due to lower-than-anticipated revenue from the newly established geotechnical survey segment, which remains in its growth phase, and lower revenue from the trading in vessels segment as certain vessels are expected to be delivered in 2H2026.

The Company is still in the process of finalising the Group’s financial results for HY2026. Further details of the Group’s financial performance will be disclosed when the Company announces its unaudited financial results for HY2026 on or before 14 August 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company. If shareholders and potential investors are in doubt as to the action they should take, they should seek advice from their stockbrokers, bankers, solicitors, accountants, tax advisers or other professional advisers.
