2. **Proposed Disposal of DAS Pte. Ltd. and Potential Investment**

As disclosed in the Company's announcement dated 2 March 2021, following its consultation with Singapore Exchange Regulation ("**SGX RegCo**") and the Sponsor in relation to the report published by an activist group on the Company's operations in Myanmar on 25 February 2021, the Company announced that, *inter alia*, it had voluntarily decided to convert the trading halt into a suspension in the trading of its securities (the "**Suspension**"). On 3 March 2021, the Company entered into the Suspension.

On 7 March 2022, SGX RegCo released the Regulator's Column titled "What SGX expects of issuers in respect of sanctions-related risks, subject or activity" (the "**Regulator's Column**") which set out the requirement that "the issuer should remain suspended until it has demonstrated to SGX that it is no longer a Sanctioned Subject or it has ceased the Sanctioned Activity". Even though the independent Financial Review and independent Legal Review had been completed in September 2021 and December 2022 respectively, and whilst the Company is itself neither a Sanctioned Subject (as defined in the Regulator's Column) nor engaged in Sanctioned Activity (as defined in the Regulator's Column), after consultation with SGX RegCo and the Sponsor, the Board understands that Company will remain suspended due to the Company's business operations currently being conducted in a Sanctioned Nation (as defined in the Regulator's Column). Given the uncertainty as to when the political situation in Myanmar may improve and when the unilateral sanctions from the United States, the European Union and the United Kingdom would cease, the Board has been looking into all possible avenues to divest its investment in Myanmar as part of its plan to resume the trading of its securities.

As disclosed in the Company's announcement dated 1 July 2023, the Company has on 1 July 2023 entered into the SPA with the Purchaser in relation to the Proposed Disposal and has on 28 March 2024 entered into the Supplemental Agreement with the Purchaser to extend the long-stop date from 31 March 2024 to 31 December 2024.

As part of the Proposed Disposal, it is a condition precedent that the Company be discharged from its corporate guarantee for Golden Land Real Estate Development Co., Ltd.'s syndicated bank loan of approximately US\$36 million (the "**Proposed Transfer**"). Assuming completion of the Proposed Disposal, the Purchaser will take over the corporate guarantee in the Company's stead. In the event of a successful completion of Proposed Disposal and Proposed Transfer, the Company would cease its exposure to the Myanmar market.

The Company will convene an EGM to seek the approval of the Shareholders for the Proposed Disposal and a Circular containing, *inter alia*, details thereof, together with the opinions and recommendations of the Directors in relation thereto and enclosing the notice of EGM in connection therewith, will be dispatched to the Shareholders in due course.

In addition to the Proposed Disposal and Proposed Transfer, the Board would also seek to raise additional capital from potential investors for new projects and businesses, as part of its plan to resume the trading of its securities. The Board is currently in discussions with potential investors and will provide further updates if definitive and binding legal agreement(s) are entered into.

3. **Caution in Trading**

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company as completion of the Proposed Disposal is subject to the fulfilment of conditions

precedent, and there is no certainty or assurance as at the date of this announcement that the Proposed Disposal will be completed.

As at the date of this announcement, no definitive agreements in relation to any proposed investment have been entered into by the Group, and there can be no assurance or certainty that any discussions will be successfully concluded and any definitive agreements be entered into.

In the meantime, Shareholders and potential investors are advised to read this announcement and any further announcements by the Company carefully. Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company. Shareholder and potential investors should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers if they have any doubt about the actions they should take.
