**RULE 711A OF THE SGX-ST LISTING MANUAL  
- NON-ISSUANCE OF SUSTAINABILITY REPORT**

RHT Health Trust Manager Pte. Ltd., as Trustee-Manager of RHT Health Trust (“**RHT**”) (the “**Trustee-Manager**”) refers to Rule 711A of the SGX-ST Listing Manual (the “**Listing Manual**”) pursuant to which an issuer is required to issue a sustainability report for its financial year no later than five (5) months after the end of its financial year. Accordingly, RHT is required to issue its sustainability report in respect of the financial year ended 31 March 2019 (“**FY2019**”) by 30 August 2019.

On 15 January 2019, the Trustee-Manager had announced the completion of the disposal of the entire asset portfolio of RHT to Fortis Healthcare Limited. Accordingly, RHT is now a cash trust within the meaning of Rule 1018 of the Listing Manual. Further, as announced by the Trustee-Manager on 14 February 2019, the Trustee-Manager is considering various options available for RHT, including identifying any possible new business for RHT which is able to satisfy the SGX-ST’s requirements for a new listing, or the winding up of RHT and distribution of any remaining cash after deducting any expenses incurred therefrom to the Unitholders.

The sustainability reporting process entails, amongst others, determining the key environmental, social and governance (“**ESG**”) factors which are material for the continuity of RHT’s business, as well as the targets to be achieved and which have been achieved in the years for each ESG factor that has been identified to be material to RHT. In the circumstances, as RHT currently has no material business and operations, the Trustee-Manager would not be able to issue a meaningful sustainability report for as long as RHT remains a cash trust.
